The entity is authorized to do what may be necessary or required to obtain for property owners the full benefit of federal relocation assistance, including the adoption of methods of administration ~~as~~ *that* may be required by federal law or rules to carry out the operation of relocation assistance."

Section 87. Section 70-32-216, MCA, is amended to read:

"**70-32-216. Tracing homestead proceeds.** (1) If property or a part ~~thereof~~ *of property* that could have been claimed as an exempt homestead has been sold or taken by condemnation, *as provided in Title 60, chapter 4, or Title 70, chapter 30,* or has been lost, damaged, or destroyed and the owner has been indemnified for ~~it~~ *the property,* ~~he~~ *the owner* is entitled for 18 months to exemption of the proceeds that are traceable.

(2) Proceeds are traceable under this section by application of the principles of first-in first-out, last-in first-out, or any other reasonable basis for tracing selected by the judgment debtor."

Section 88. Section 75-10-715, MCA, is amended to read:

"**75-10-715. Liability — reimbursement and penalties — proceedings — defenses and exclusions.** (1) Except as provided in 75-10-742 through 75-10-752, notwithstanding any other provision of law, and subject only to the defenses set forth in subsection (5) and the exclusions set forth in subsection (7), the following persons are jointly and severally liable for a release or threatened release of a hazardous or deleterious substance from a facility:

(a) a person who owns or operates a facility where a hazardous or deleterious substance was disposed of;

(b) a person who at the time of disposal of a hazardous or deleterious substance owned or operated a facility where the hazardous or deleterious substance was disposed of;

(c) a person who generated, possessed, or was otherwise responsible for a hazardous or deleterious substance and who, by contract, agreement, or otherwise, arranged for disposal or treatment of the substance or arranged with a transporter for transport of the substance for disposal or treatment; and

(d) a person who accepts or has accepted a hazardous or deleterious substance for transport to a disposal or treatment facility.

(2) A person identified in subsection (1) is liable for the following costs:

(a) all remedial action costs incurred by the state; and

(b) damages for injury to, destruction of, or loss of natural resources caused by the release or threatened release, including the reasonable technical and legal costs of assessing and enforcing a claim for the injury, destruction, or loss resulting from the release, unless the impaired natural resources were specifically identified as an irreversible and irretrievable commitment of natural resources in an approved final state or federal environmental impact statement or other comparable approved final environmental analysis for a project or facility that was the subject of a governmental permit or license and the project or facility was being operated within the terms of its permit or license.

(3) If the person liable under subsection (1) fails, without sufficient cause, to comply with a department order issued pursuant to 75-10-711(4) or to properly provide remedial action upon notification by the department pursuant to 75-10-711(3), the person may be liable for penalties in an amount not to exceed two times the amount of any costs incurred by the state pursuant to this section.

(4) The department may initiate civil proceedings in district court to recover remedial action costs, natural resource damages, or penalties under subsections (1), (2), and (3). Proceedings to recover costs and penalties must be conducted in accordance with 75-10-722. Venue for any action to recover costs, damages, or penalties lies in the county where the release occurred or where the person liable under subsection (1) resides or has its principal place of business or in the district court of the first judicial district.

(5) A person has a defense and is not liable under subsections (1), (2), and (3) if the person can establish by a preponderance of the evidence that:

(a) the department failed to follow the notice provisions of 75-10-711 when required;

(b) the release did not emanate from any vessel, vehicle, or facility to which the person contributed any hazardous or deleterious substance or over which the person had any ownership, authority, or control and was not caused by any action or omission of the person;

(c) the release or threatened release occurred solely as a result of:

(i) an act or omission of a third party other than either an employee or agent of the person; or

(ii) an act or omission of a third party other than one whose act or omission occurs in connection with a contractual relationship, existing directly or indirectly, with the person, if the person establishes by a preponderance of the evidence that the person:

(A) exercised due care with respect to the hazardous or deleterious substance concerned, taking into consideration the characteristics of the hazardous or deleterious substance in light of all relevant facts and circumstances; and

(B) took precautions against foreseeable acts or omissions of a third party and the consequences that could foreseeably result from those acts or omissions;

(d) the release or threat of release occurred solely as the result of an act of God or an act of war;

(e) the release or threatened release was from a facility for which a permit had been issued by the department, the hazardous or deleterious substance was specifically identified in the permit, and the release was within the limits allowed in the permit;

(f) in the case of assessment of penalties under subsection (3), factors beyond the control of the person prevented the person from taking timely remedial action; or

(g) the person transported only household refuse, unless that person knew or reasonably should have known that the hazardous or deleterious substance was present in the refuse.

(6) (a) For the purpose of subsection (5)(c)(ii), the term "contractual relationship" includes but is not limited to land contracts, deeds, or other instruments transferring title or possession, unless the real property on which the facility is located was acquired by the person after the disposal or placement of the hazardous or deleterious substance on, in, or at the facility and one or more of the following circumstances is also established by the person by a preponderance of the evidence:

(i) At the time the person acquired the facility, the person did not know and had no reason to know that a hazardous or deleterious substance that is the subject of the release or threatened release was disposed of on, in, or at the facility.

(ii) The person is a governmental entity that acquired the facility by escheat, lien foreclosure, or through any other involuntary transfer or acquisition or through the exercise of eminent domain authority by purchase or condemnation *pursuant to Title 70, chapter 30.*

(iii) The person acquired the facility by inheritance or bequest.

(b) In addition to establishing one or more of the circumstances in subsection (6)(a)(i) through (6)(a)(iii), the person shall establish that the person has satisfied the requirements of subsection (5)(c)(i) or (5)(c)(ii).

(c) To establish that the person had no reason to know, as provided in subsection (6)(a)(i), the person must have undertaken, at the time of acquisition, all appropriate inquiry into the previous ownership and uses of the property consistent with good commercial or customary practice in an effort to minimize liability. For purposes of assessing this inquiry, the following must be taken into account:

(i) any specialized knowledge or experience on the part of the person;

(ii) the relationship of the purchase price to the value of the property if uncontaminated;

(iii) commonly known or reasonably ascertainable information about the property;

(iv) the obviousness of the presence or the likely presence of contamination on the property; and

(v) the ability to detect the contamination by appropriate inspection.

(d) (i) Subsections (5)(b) and (5)(c) or this subsection (6) may not diminish the liability of a previous owner or operator of the facility who would otherwise be liable under this part.

(ii) Notwithstanding this subsection (6), if the previous owner or operator obtained actual knowledge of the release or threatened release of a hazardous or deleterious substance at the facility when the person owned the real property and then subsequently transferred ownership of the property to another person without disclosing the knowledge, the previous owner is liable under subsections (1), (2), and (3) and a defense under subsection (5)(b) or (5)(c) is not available to that person.

(e) ~~Subsection~~ *This subsection* (6) does not affect the liability under this part of a person who, by any act or omission, caused or contributed to the release or threatened release of a hazardous or deleterious substance that is the subject of the action relating to the facility.

(7) A person has an exclusion and is not liable under this section if:

(a) the person generated or disposed of only household refuse, unless the person knew or reasonably should have known that the hazardous or deleterious substance was present in the refuse;

(b) the person owns or operates real property where hazardous or deleterious substances have come to be located solely as a result of subsurface migration in an aquifer from a source or sources outside the person's property, provided that the following conditions are met:

(i) the owner or operator did not cause, contribute to, or exacerbate the release or threatened release of any hazardous or deleterious substances through any act or omission. The failure to take affirmative steps to mitigate or address contamination that has migrated from a source outside the owner's or operator's property does not, in the absence of exceptional circumstances, constitute an omission by the owner or operator.

(ii) the person who caused, contributed to, or exacerbated the release or threatened release of any hazardous or deleterious substance is not and was not an agent or employee of the owner or operator and is not or was not in a direct or indirect contractual relationship with the owner or operator, unless the department provides a written determination that an existing or proposed contractual relationship is an insufficient basis to establish liability under this section;

(iii) there is no other basis of liability under subsection (1) for the owner or operator for the release or threatened release of a hazardous or deleterious substance; and

(iv) the owner or operator cooperates with the department and all persons conducting department-approved remedial actions on the property, including granting access and complying with and implementing all required institutional controls;

(c) the person owns or occupies real property of 20 acres or less for residential purposes, provided that the following conditions are met:

(i) the person did not cause, contribute to, or exacerbate the release or threatened release of any hazardous or deleterious substance through any act or omission;

(ii) the person uses or allows the use of the real property for residential purposes. This exclusion does not apply to any person who acquires or develops real property for commercial use or any use other than residential use.

(iii) at the time the person purchased or occupied the real property, there were no visible indications of contamination on the surface of the real property;

(iv) the person cooperates with the department and all persons conducting department-approved remedial actions on the property, including granting access and complying with and implementing all required institutional controls; and

(v) there is no other basis of liability under subsection (1) for the owner or occupier for the release or threatened release of a hazardous or deleterious substance.

(8) A person is liable under this section if the department provides substantial credible evidence that the person fails to satisfy any element of each exclusion in subsections (7)(a) through (7)(c).

(9) The liability of a fiduciary under the provisions of this part for a release or a threatened release of a hazardous or deleterious substance from a facility held in a fiduciary capacity may not exceed the assets held in the fiduciary capacity that are available to indemnify the fiduciary unless the fiduciary is liable under this part independent of the person's ownership or actions taken in a fiduciary capacity.

(10) A person who holds indicia of ownership in a facility primarily to protect a security interest is not liable under subsections (1)(a) and (1)(b) for having participated in the management of a facility within the meaning of 75-10-701(15)(b) because of any one or any combination of the following:

(a) holding an interest in real or personal property when the interest is being held as security for payment or performance of an obligation, including but not limited to a mortgage, deed of trust, lien, security interest, assignment, pledge, or other right or encumbrance against real or personal property that is furnished by the owner to ensure repayment of a financial obligation;

(b) requiring or conducting financial or environmental assessments of a facility or a portion of a facility, making financing conditional upon environmental compliance, or providing environmental information or reports;

(c) monitoring the operations conducted at a facility or providing access to a facility to the department or its agents or to remedial action contractors;

(d) having the mere capacity or unexercised right to influence a facility's management of hazardous or deleterious substances;

(e) giving advice, information, guidance, or direction concerning the administrative and financial aspects, as opposed to day-to-day operational aspects, of a borrower's operations;

(f) providing general information concerning federal, state, or local laws governing the transportation, storage, treatment, and disposal of hazardous or deleterious substances and concerning the hiring of remedial action contractors;

(g) engaging in financial workouts, restructuring, or refinancing of a borrower's obligations;

(h) collecting rent, maintaining utility services, securing a facility from unauthorized entry, or undertaking other activities to protect or preserve the value of the security interest in a facility;

(i) extending or denying credit to a person owning or in lawful possession of a facility;

(j) in an emergency, requiring or undertaking activities to prevent exposure of persons to hazardous or deleterious substances or to contain a release;

(k) requiring or conducting remedial action in response to a release or threatened release if prior notice is given to the department and the department approves of the remedial action; or

(l) taking title to a facility by foreclosure, provided that the holder of indicia of ownership, from the time the holder acquires title, undertakes to sell, re-lease property held pursuant to a lease financing transaction (whether by a new lease financing transaction or substitution of the lessee), or otherwise divest itself of the property in a reasonably expeditious manner, using whatever commercially reasonable means are relevant or appropriate with respect to the facility and taking all facts and circumstances into consideration and provided that the holder does not:

(i) outbid or refuse a bid for fair consideration for the property or outbid or refuse a bid that would effectively compensate the holder for the amount secured by the facility;

(ii) worsen the contamination at the facility;

(iii) incur liability under subsection (1)(c) or (1)(d) by arranging for disposal of or transporting hazardous or deleterious substances; or

(iv) engage in conduct described in subsection (11).

(11) The protection from liability provided in subsections (9) and (10) is not available to a fiduciary or to a person holding indicia of ownership primarily to protect a security interest if the fiduciary or person through affirmative conduct:

(a) causes or contributes to a release of hazardous or deleterious substances from the facility;

(b) allows others to cause or contribute to a release of hazardous or deleterious substances; or

(c) in the case of a person holding indicia of ownership primarily to protect a security interest, actually participates in the management of a facility by:

(i) exercising decisionmaking control over environmental compliance; or

(ii) exercising control at a level comparable to that of a manager of the enterprise with responsibility for day-to-day decisionmaking either with respect to environmental compliance or substantially all of the operational, as opposed to financial or administrative, aspects of the facility."

Section 89. Section 75-10-720, MCA, is amended to read:

"75-10-720. Condemnation — creation of state lien. (1) Whenever the department determines that property upon which a release or threatened release of a hazardous or deleterious substance has occurred may present an imminent and substantial endangerment to the public health, safety, or welfare or the environment, the department may condemn the property for public use to mitigate the threat. The taking of the property must be conducted in accordance with the procedure set forth in Title 70, chapter 30~~, parts 1 through 3~~.

(2) All costs, penalties, and natural resource damages for which a person has been judicially determined to be liable to the state pursuant to 75-10-715 constitute a lien in favor of the state upon all property and rights to the property that belong to the person.

(3) The lien imposed by this section arises at the time notice incorporating a description of the property subject to the remedial action and an identification of the amount of costs, penalties, and natural resource damages is filed with the clerk and recorder of the county in which the real property is located. A copy of the notice must be served by certified mail upon the liable person.

(4) The costs, penalties, and natural resource damages constituting the lien may be recovered in an action in the district court for the district in which the property is located or in which the remedial action is occurring or has occurred. This section does not affect the right of the state to bring an action against a person to recover all costs, penalties, and natural resource damages for which that person is liable under this part or any other provision of state or federal law.

(5) The lien must continue until the liability for the costs and damages incurred as a result of the release of a hazardous or deleterious substance is satisfied.

(6) If the department expends money from the fund for orphan share remedial action costs at a facility or for a facility at which a reimbursed orphan share exists, the state has a lien upon the facility for the unrecovered costs. The lien:

(a) may not exceed the increase in fair market value of the property attributable to the unfunded portion of the remedial action at the time of a subsequent sale or other disposition of the property;

(b) arises at the time costs are first incurred by the department with respect to a remedial action at the facility;

(c) must be filed according to subsection (3); and

(d) continues until the earlier of satisfaction of the lien or recovery of all remedial action costs incurred at the facility.

(7) Payment of any liens under this section must be deposited in one of the two accounts from which the remedial action costs originated, including the fund established in 75-10-704 or the orphan share fund established in 75-10-743."

Gas, sand, formation, or stratum may not be acquired under this part when the gas in the underground reservoir is being used for the secondary recovery of oil~~,~~ unless gas in necessary and required amounts is furnished to the operator of the secondary recovery operations for as long as oil is produced in paying quantities in the secondary operations for the recovery of oil at the same cost as the cost to the operator at the time of acquisition of the gas being used in the secondary operations~~,~~. ~~not exceeding, however~~ *However, the amount of gas furnished may not exceed* the quantity of the appropriated gas that remained recoverable from the sand, formation, or stratum at the time of its ~~acquisition,~~ *taking* if the operator was at that time entitled to ~~the whole thereof~~ *all of the gas* or if ~~the operator was at that time~~ entitled to less than *all of* the ~~whole thereof~~ *gas*, then *an amount* not to exceed the quantity ~~thereof~~ *of gas* to which the operator was ~~then~~ entitled.

The certificate must contain* ~~setting out~~ the *following* findings of the board:

(a) that the underground sand, stratum, or formation sought to be ~~acquired~~ *taken* is suitable for an underground reservoir for the storage of natural gas and that its use for ~~such purposes~~ *that purpose* is in the public interest;

(b) the amount of native gas, if any, remaining ~~therein~~ *in the reservoir* and the portion ~~thereof~~ *of gas* recoverable; and

[HB 129]

AN ACT EXEMPTING CERTAIN REPLACEMENT WELLS FROM CERTAIN PROCEDURES AND CRITERIA APPLICABLE TO CHANGES IN WATER RIGHTS; AMENDING SECTION 85-2-402, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 85-2-402, MCA, is amended to read:

"**85-2-402. (Temporary) Changes in appropriation rights.** (1) The right to make a change subject to the provisions of this section in an existing water right, a permit, or a state water reservation is recognized and confirmed. In a change proceeding under this section, there is no presumption that an applicant for a change in appropriation right cannot establish lack of adverse effect prior to the adjudication of other rights in the source of supply pursuant to this chapter. ~~An~~ *Except as provided in subsection (15), an* appropriator may not make a change in an appropriation right ~~except, as permitted under this section, by applying for and receiving~~ *without* the approval of the department or, if applicable, of the legislature. An applicant shall submit a correct and complete application.

(2) Except as provided in subsections (4) through (6) *and (15)*, the department shall approve a change in appropriation right if the appropriator proves by a preponderance of evidence that the following criteria are met:

(a) The proposed change in appropriation right will not adversely affect the use of the existing water rights of other persons or other perfected or planned uses or developments for which a permit or certificate has been issued or for which a state water reservation has been issued under part 3.

(b) Except for a lease authorization pursuant to 85-2-436, a temporary change authorization for instream use to benefit the fishery resource pursuant to 85-2-408, or water use pursuant to 85-2-439 when authorization does not require appropriation works, the proposed means of diversion, construction, and operation of the appropriation works are adequate.

(c) The proposed use of water is a beneficial use.

(d) Except for a lease authorization pursuant to 85-2-436 or a temporary change authorization pursuant to 85-2-408 or 85-2-439 for instream flow to benefit the fishery resource, the applicant has a possessory interest, or the written consent of the person with the possessory interest, in the property where the water is to be put to beneficial use.

(e) If the change in appropriation right involves salvaged water, the proposed water-saving methods will salvage at least the amount of water asserted by the applicant.

(f) The water quality of an appropriator will not be adversely affected.

(g) The ability of a discharge permitholder to satisfy effluent limitations of a permit issued in accordance with Title 75, chapter 5, part 4, will not be adversely affected.

(3) The applicant is required to prove that the criteria in subsections (2)(f) and (2)(g) have been met only if a valid objection is filed. A valid objection must contain substantial credible information establishing to the satisfaction of the department that the criteria in subsection (2)(f) or (2)(g), as applicable, may not be met.

(4) The department may not approve a change in purpose of use or place of use of an appropriation of 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water unless the appropriator proves by a preponderance of evidence that:

(a) the criteria in subsection (2) are met; and

(b) the proposed change is a reasonable use. A finding of reasonable use must be based on a consideration of:

(i) the existing demands on the state water supply, as well as projected demands for water for future beneficial purposes, including municipal water supplies, irrigation systems, and minimum streamflows for the protection of existing water rights and aquatic life;

(ii) the benefits to the applicant and the state;

(iii) the effects on the quantity and quality of water for existing uses in the source of supply;

(iv) the availability and feasibility of using low-quality water for the purpose for which application has been made;

(v) the effects on private property rights by any creation of or contribution to saline seep; and

(vi) the probable significant adverse environmental impacts of the proposed use of water as determined by the department pursuant to Title 75, chapter 1, or Title 75, chapter 20.

(5) The department may not approve a change in purpose of use or place of use for a diversion that results in 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water being consumed unless:

(a) the applicant proves by clear and convincing evidence and the department finds that the criteria in subsections (2) and (4) are met; and

(b) for the withdrawal and transportation of appropriated water for out-of-state use, the department then petitions the legislature and the legislature affirms the decision of the department after one or more public hearings.

(6) The state of Montana has long recognized the importance of conserving its public waters and the necessity to maintain adequate water supplies for the state's water requirements, including requirements for federal non-Indian and Indian reserved water rights held by the United States for federal reserved lands and in trust for the various Indian tribes within the state's boundaries. Although the state of Montana also recognizes that, under appropriate conditions, the out-of-state transportation and use of its public waters are not in conflict with the public welfare of its citizens or the conservation of its waters, the following criteria must be met before out-of-state use may occur:

(a) The department and, if applicable, the legislature may not approve a change in appropriation right for the withdrawal and transportation of appropriated water for use outside the state unless the appropriator proves by clear and convincing evidence and, if applicable, the legislature approves after one or more public hearings that:

(i) depending on the volume of water diverted or consumed, the applicable criteria and procedures of subsection (2) or (4) are met;

(ii) the proposed out-of-state use of water is not contrary to water conservation in Montana; and

(iii) the proposed out-of-state use of water is not otherwise detrimental to the public welfare of the citizens of Montana.

(b) In determining whether the appropriator has proved by clear and convincing evidence that the requirements of subsections (6)(a)(ii) and (6)(a)(iii) will be met, the department and, if applicable, the legislature shall consider the following factors:

(i) whether there are present or projected water shortages within the state of Montana;

(ii) whether the water that is the subject of the proposed change in appropriation might feasibly be transported to alleviate water shortages within the state of Montana;

(iii) the supply and sources of water available to the applicant in the state where the applicant intends to use the water; and

(iv) the demands placed on the applicant's supply in the state where the applicant intends to use the water.

(c) When applying for a change in appropriation right to withdraw and transport water for use outside the state, the applicant shall submit to and comply with the laws of the state of Montana governing the appropriation and use of water.

(7) For any application for a change in appropriation right involving 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water, the department shall give notice of the proposed change in accordance with 85-2-307 and shall hold one or more hearings in accordance with 85-2-309 prior to its approval or denial of the proposed change. The department shall provide notice and may hold one or more hearings upon any other proposed change if it determines that the proposed change might adversely affect the rights of other persons.

(8) The department or the legislature, if applicable, may approve a change subject to *the* terms, conditions, restrictions, and limitations as *that* it considers necessary to satisfy the criteria of this section, including limitations on the time for completion of the change. The department may extend time limits specified in the change approval under the applicable criteria and procedures of 85-2-312(3).

(9) Upon actual application of water to the proposed beneficial use within the time allowed, the appropriator shall notify the department that the appropriation has been completed. The notification must contain a certified statement by a person with experience in the design, construction, or operation of appropriation works describing how the appropriation was completed.

(10) If a change is not completed as approved by the department or legislature or if the terms, conditions, restrictions, and limitations of the change approval are not complied with, the department may, after notice and opportunity for hearing, require the appropriator to show cause why the change approval should not be modified or revoked. If the appropriator fails to show sufficient cause, the department may modify or revoke the change approval.

(11) The original of a change approval issued by the department must be sent to the applicant, and a duplicate must be kept in the office of the department in Helena.

(12) A person holding an issued permit or change approval that has not been perfected may change the place of diversion, place of use, purpose of use, or place of storage by filing an application for change pursuant to this section.

(13) A change in appropriation right contrary to the provisions of this section is invalid. An officer, agent, agency, or employee of the state may not knowingly permit, aid, or assist in any manner an unauthorized change in appropriation right. A person or corporation may not, directly or indirectly, personally or through an agent, officer, or employee, attempt to change an appropriation right except in accordance with this section.

(14) The department may adopt rules to implement the provisions of this section.

(15) (a) An appropriator may change an appropriation right for a replacement well without the prior approval of the department if:

(i) the appropriation right is for:

(A) ground water outside the boundaries of a controlled ground water area; or

(B) ground water inside the boundaries of a controlled ground water area and if the provisions of the order declaring the controlled ground water area do not restrict such a change;

(ii) the change in appropriation right is to replace an existing well and the existing well will no longer be used;

(iii) the rate and volume of the appropriation from the replacement well are equal to or less than that of the well being replaced and do not exceed 35 gallons a minute and 10 acre-feet a year;

(iv) the water from the replacement well is appropriated from the same aquifer as the water appropriated from the well being replaced; and

(v) a timely, correct and complete notice of replacement well is submitted to the department as provided in subsection (15)(b).

(b) (i) After completion of a replacement well and appropriation of ground water for a beneficial use, the appropriator shall file a notice of replacement well with the department on a form provided by the department.

(ii) The department shall review the notice of replacement well and shall issue an authorization of a change in an appropriation right if all of the criteria in subsection (15)(a) have been met and the notice is correct and complete.

(iii) The department may not issue an authorization of a change in appropriation right until a correct and complete notice of replacement well has been filed with the department. The department shall return a defective notice to the appropriator, along with a description of defects in the notice. The

appropriator shall refile a corrected and completed notice of replacement well within 30 days of notification of defects or within a further time as the department may allow, not to exceed 6 months.

(iv) If a notice of replacement well is not completed within the time allowed, the appropriator shall:

(A) cease appropriation of water from the replacement well pending approval by the department; and

(B) submit an application for a change in appropriation right to the department pursuant to subsections (1) through (3).

(c) The provisions of this subsection (15) do not apply to an appropriation right abandoned under 85-2-404.

(d) For each well that is replaced under this subsection (15), the appropriator shall follow the well abandonment procedures, standards, and rules adopted by the board of water well contractors pursuant to 37-43-202.

(e) The provisions of subsections (2), (3), (9), and (10) do not apply to a change in appropriation right that meets the requirements of subsection (15)(a). (Terminates June 30, 2005—sec. 6, Ch. 322, L. 1995; sec. 14, Ch. 487, L. 1995.)

85-2-402. (Effective July 1, 2005) Changes in appropriation rights. (1) The right to make a change subject to the provisions of this section in an existing water right, a permit, or a state water reservation is recognized and confirmed. In a change proceeding under this section, there is no presumption that an applicant for a change in appropriation right cannot establish lack of adverse effect prior to the adjudication of other rights in the source of supply pursuant to this chapter. ~~An~~ *Except as provided in subsection (15), an* appropriator may not make a change in an appropriation right ~~except, as permitted under this section, by applying for and receiving~~ *without* the approval of the department or, if applicable, of the legislature. An applicant shall submit a correct and complete application.

(2) Except as provided in subsections (4) through (6) *and (15),* the department shall approve a change in appropriation right if the appropriator proves by a preponderance of evidence that the following criteria are met:

(a) The proposed change in appropriation right will not adversely affect the use of the existing water rights of other persons or other perfected or planned uses or developments for which a permit or certificate has been issued or for which a state water reservation has been issued under part 3.

(b) Except for a lease authorization pursuant to 85-2-436 that does not require appropriation works, the proposed means of diversion, construction, and operation of the appropriation works are adequate.

(c) The proposed use of water is a beneficial use.

(d) The applicant has a possessory interest, or the written consent of the person with the possessory interest, in the property where the water is to be put to beneficial use.

(e) If the change in appropriation right involves salvaged water, the proposed water-saving methods will salvage at least the amount of water asserted by the applicant.

(f) The water quality of an appropriator will not be adversely affected.

(g) The ability of a discharge permitholder to satisfy effluent limitations of a permit issued in accordance with Title 75, chapter 5, part 4, will not be adversely affected.

(3) The applicant is required to prove that the criteria in subsections (2)(f) and (2)(g) have been met only if a valid objection is filed. A valid objection must contain substantial credible information establishing to the satisfaction of the department that the criteria in subsection (2)(f) or (2)(g), as applicable, may not be met.

(4) The department may not approve a change in purpose of use or place of use of an appropriation of 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water unless the appropriator proves by a preponderance of evidence that:

(a) the criteria in subsection (2) are met; and

(b) the proposed change is a reasonable use. A finding of reasonable use must be based on a consideration of:

(i) the existing demands on the state water supply, as well as projected demands for water for future beneficial purposes, including municipal water supplies, irrigation systems, and minimum streamflows for the protection of existing water rights and aquatic life;

(ii) the benefits to the applicant and the state;

(iii) the effects on the quantity and quality of water for existing uses in the source of supply;

(iv) the availability and feasibility of using low-quality water for the purpose for which application has been made;

(v) the effects on private property rights by any creation of or contribution to saline seep; and

(vi) the probable significant adverse environmental impacts of the proposed use of water as determined by the department pursuant to Title 75, chapter 1, or Title 75, chapter 20.

(5) The department may not approve a change in purpose of use or place of use for a diversion that results in 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water being consumed unless:

(a) the applicant proves by clear and convincing evidence and the department finds that the criteria in subsections (2) and (4) are met; and

(b) for the withdrawal and transportation of appropriated water for out-of-state use, the department then petitions the legislature and the legislature affirms the decision of the department after one or more public hearings.

(6) The state of Montana has long recognized the importance of conserving its public waters and the necessity to maintain adequate water supplies for the state's water requirements, including requirements for federal non-Indian and Indian reserved water rights held by the United States for federal reserved lands and in trust for the various Indian tribes within the state's boundaries. Although the state of Montana also recognizes that, under appropriate conditions, the out-of-state transportation and use of its public waters are not in conflict with the public welfare of its citizens or the conservation of its waters, the following criteria must be met before out-of-state use may occur:

(a) The department and, if applicable, the legislature may not approve a change in appropriation right for the withdrawal and transportation of appropriated water for use outside the state unless the appropriator proves by clear and convincing evidence and, if applicable, the legislature approves after one or more public hearings that:

(i) depending on the volume of water diverted or consumed, the applicable criteria and procedures of subsection (2) or (4) are met;

(ii) the proposed out-of-state use of water is not contrary to water conservation in Montana; and

(iii) the proposed out-of-state use of water is not otherwise detrimental to the public welfare of the citizens of Montana.

(b) In determining whether the appropriator has proved by clear and convincing evidence that the requirements of subsections (6)(a)(ii) and (6)(a)(iii) will be met, the department and, if applicable, the legislature shall consider the following factors:

(i) whether there are present or projected water shortages within the state of Montana;

(ii) whether the water that is the subject of the proposed change in appropriation might feasibly be transported to alleviate water shortages within the state of Montana;

(iii) the supply and sources of water available to the applicant in the state where the applicant intends to use the water; and

(iv) the demands placed on the applicant's supply in the state where the applicant intends to use the water.

(c) When applying for a change in appropriation right to withdraw and transport water for use outside the state, the applicant shall submit to and comply with the laws of the state of Montana governing the appropriation and use of water.

(7) For any application for a change in appropriation right involving 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water, the department shall give notice of the proposed change in accordance with 85-2-307 and shall hold one or more hearings in accordance with 85-2-309 prior to its approval or denial of the proposed change. The department shall provide notice and may hold one or more hearings upon any other proposed change if it determines that the proposed change might adversely affect the rights of other persons.

(8) The department or the legislature, if applicable, may approve a change subject to the terms, conditions, restrictions, and limitations that it considers necessary to satisfy the criteria of this section, including limitations on the time for completion of the change. The department may extend time limits specified in the change approval under the applicable criteria and procedures of 85-2-312(3).

(9) Upon actual application of water to the proposed beneficial use within the time allowed, the appropriator shall notify the department that the appropriation has been completed. The notification must contain a certified statement by a person with experience in the design, construction, or operation of appropriation works describing how the appropriation was completed.

(10) If a change is not completed as approved by the department or legislature or if the terms, conditions, restrictions, and limitations of the change approval are not complied with, the department may, after notice and opportunity for hearing, require the appropriator to show cause why the change approval should not be modified or revoked. If the appropriator fails to show sufficient cause, the department may modify or revoke the change approval.

(11) The original of a change approval issued by the department must be sent to the applicant, and a duplicate must be kept in the office of the department in Helena.

(12) A person holding an issued permit or change approval that has not been perfected may change the place of diversion, place of use, purpose of use, or place of storage by filing an application for change pursuant to this section.

(13) A change in appropriation right contrary to the provisions of this section is invalid. An officer, agent, agency, or employee of the state may not knowingly permit, aid, or assist in any manner an unauthorized change in appropriation right. A person or corporation may not, directly or indirectly, personally or through an agent, officer, or employee, attempt to change an appropriation right except in accordance with this section.

(14) The department may adopt rules to implement the provisions of this section.

(15) (a) An appropriator may change an appropriation right for a replacement well without the prior approval of the department if:

(i) the appropriation right is for:

(A) ground water outside the boundaries of a controlled ground water area; or

(B) ground water inside the boundaries of a controlled ground water area and if the provisions of the order declaring the controlled ground water area do not restrict such a change;

(iv) the water from the replacement well is appropriated from the same aquifer as the water appropriated from the well being replaced; and

(v) a timely, correct and complete notice of replacement well is submitted to the department as provided in subsection (15)(b).

(b) (i) After completion of a replacement well and appropriation of ground water for a beneficial use, the appropriator shall file a notice of replacement well with the department on a form provided by the department.

(ii) The department shall review the notice of replacement well and shall issue an authorization of a change in an appropriation right if all of the criteria in subsection (15)(a) have been met and the notice is correct and complete.

(iii) The department may not issue an authorization of a change in appropriation right until a correct and complete notice of replacement well has been filed with the department. The department shall return a defective notice to the appropriator, along with a description of defects in the notice. The

appropriator shall refile a corrected and completed notice of replacement well within 30 days of notification of defects or within a further time as the department may allow, not to exceed 6 months.

(iv) If a notice of replacement well is not completed within the time allowed, the appropriator shall:

(A) cease appropriation of water from the replacement well pending approval by the department; and

(B) submit an application for a change in appropriation right to the department pursuant to subsections (1) through (3).

(c) The provisions of this subsection (15) do not apply to an appropriation right abandoned under 85-2-404.

(d) For each well that is replaced under this subsection (15), the appropriator shall follow the well abandonment procedures, standards, and rules adopted by the board of water well contractors pursuant to 37-43-202.

(e) The provisions of subsections (2), (3), (9), and (10) do not apply to a change in appropriation right that meets the requirements of subsection (15)(a). (Terminates June 30, 2009—sec. 9, Ch. 123, L. 1999.)

Whenever ~~the foregoing~~ facility ~~revenues exceed~~ *revenue exceeds* the amount and terms specified and required to repay the loan and maintain required reserves, the excess must be deposited to the general fund. As long as the loan remains outstanding and the department provides services for persons with developmental disabilities, the department shall use the Montana developmental center for those purposes or for other purposes as permitted by the loan agreement and state law, except when foreclosure occurs under the agreement or the mortgage. Notwithstanding 77-2-302(1) and upon foreclosure of a mortgage given to secure the loan agreement, there must be paid to the board of land commissioners as a first and prior claim against the mortgaged land an amount equal to the full market value of the land as determined by the board prior to the execution of the mortgage and after appraisal by a qualified land appraiser. The loan agreement may contain other provisions or agreements that the department determines are necessary and that are not inconsistent with the provisions of ~~Title 90,~~ *this* chapter ~~7~~.

(3) The obligations of the department under the agreement are special limited obligations payable solely from the facility ~~revenues~~ *revenue* and do not constitute a debt of the state or obligate the state to appropriate or apply any funds or ~~revenues~~ *revenue* of the state, except the facility ~~revenues~~ *revenue* as provided in this section."

The authority may issue notes partly to renew notes or to discharge other obligations then outstanding and partly for any other purpose. The notes may be authorized, sold, executed, and delivered in the same manner as bonds. Any resolution authorizing notes of the authority or any issue ~~thereof~~ *of notes* may contain any provisions ~~which~~ *that* the authority is authorized to include in any resolution authorizing bonds of the authority. (a) pay the principal of and interest on the bonds as they become due;

(b) create and maintain the reserves for payment of the principal and interest;

(c) meet all obligations in connection with the lease or other agreement; and

(d) meet all costs necessary to service the bonds unless the lease or agreement provides that the obligations are to be met or costs are to be paid by a party other than the authority.

(7) The authority may combine, for the purposes of a single offering, bonds financing more than one *eligible* facility under this chapter."

(e) rights and remedies available in the event of a default to the bondholders or to the trustee under a mortgage.

(4) The proceedings authorizing any bonds under the provisions of this chapter and any mortgage, including a mortgage given by the lessee or borrower, securing bonds may provide that in the event of a default in the payment of the principal of or the interest on the bonds or in the performance of any agreement contained in the proceedings or mortgage, the payment and performance may be enforced by mandamus or by the appointment of a receiver in equity with power to charge and collect rents and to apply the ~~revenues~~ *revenue* from the project in accordance with the proceedings or the provisions of the mortgage.

(5) Any mortgage made by the authority, lessee, or borrower to secure these bonds may provide that, in the event of a default in the payment of the bonds or the violation of any agreement contained in the mortgage, the mortgage may be foreclosed and the project sold under proceedings in equity or in any other manner permitted by law. The mortgage may also provide that any trustee under the mortgage or the holder of any of the bonds secured by the mortgage may become the purchaser at any foreclosure sale if the trustee is the highest bidder. CHAPTER NO. 138

[SB 97]

AN ACT REQUIRING THAT AN INSURER, PURSUANT TO ADMINISTRATIVE RULES ADOPTED BY THE DEPARTMENT OF LABOR AND INDUSTRY, REIMBURSE A WORKER FOR REASONABLE TRAVEL, LODGING, MEALS, AND MISCELLANEOUS EXPENSES INCURRED IN TRAVEL TO A MEDICAL PROVIDER FOR TREATMENT OF AN INJURY; PROVIDING EXCEPTIONS FROM REIMBURSEMENT; EXEMPTING INSURERS FROM LIABILITY FOR INJURIES SUFFERED BY THE CLAIMANT RESULTING FROM AN ACCIDENT THAT OCCURS DURING TRAVEL OR TREATMENT; MAINTAINING INSURER LIABILITY FOR COMPENSABLE INJURIES FOR WHICH TRAVEL AND TREATMENT WAS REQUIRED; AMENDING SECTION 39-71-704, MCA; AND PROVIDING AN EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 39-71-704, MCA, is amended to read:

"39-71-704. Payment of medical, hospital, and related services — fee schedules and hospital rates — fee limitation. (1) In addition to the compensation provided under this chapter and as an additional benefit separate and apart from compensation benefits actually provided, the following must be furnished:

(a) After the happening of a compensable injury and subject to other provisions of this chapter, the insurer shall furnish reasonable primary medical services for conditions resulting from the injury for those periods as the nature of the injury or the process of recovery requires.

(b) The insurer shall furnish secondary medical services only upon a clear demonstration of cost-effectiveness of the services in returning the injured worker to actual employment.

(c) The insurer shall replace or repair prescription eyeglasses, prescription contact lenses, prescription hearing aids, and dentures that are damaged or lost as a result of an injury, as defined in 39-71-119, arising out of and in the course of employment.

(d) *(i)* The insurer shall reimburse a worker for reasonable travel, *lodging, meals, and miscellaneous* expenses incurred in travel to a medical provider for treatment of an injury ~~only if the travel is incurred at the request of the insurer~~ *pursuant to rules adopted by the department.* Reimbursement must be at the rates allowed for reimbursement ~~of travel by~~ *for* state employees.

(ii) Rules adopted under subsection (1)(d)(i) must provide for submission of claims, within 90 days from the date of travel, following notification to the claimant of reimbursement rules, must provide procedures for reimbursement receipts, and must require the use of the least costly form of travel unless the travel is not suitable for the worker's medical condition. The rules must exclude from reimbursement:

(A) 100 miles of automobile travel for each calendar month unless the travel is requested or required by the insurer pursuant to 39-71-605;

(B) travel to a medical provider within the community in which the worker resides;

(C) travel outside the community in which the worker resides if comparable medical treatment is available within the community in which the worker resides, unless the travel is requested by the insurer; and

(D) travel for unauthorized treatment or disallowed procedures.

(iii) An insurer is not liable for injuries or conditions that result from an accident that occurs during travel or treatment, except that the insurer retains liability for the compensable injuries and conditions for which the travel and treatment was required.

(e) Except for the repair or replacement of a prosthesis furnished as a result of an industrial injury, the benefits provided for in this section terminate when they are not used for a period of 60 consecutive months.

(f) Notwithstanding subsection (1)(a), the insurer may not be required to furnish, after the worker has achieved medical stability, palliative or maintenance care except:

(i) when provided to a worker who has been determined to be permanently totally disabled and for whom it is medically necessary to monitor administration of prescription medication to maintain the worker in a medically stationary condition;

(ii) when necessary to monitor the status of a prosthetic device; or

(iii) when the worker's treating physician believes that the care that would otherwise not be compensable under subsection (1)(f) is appropriate to enable the worker to continue current employment or that there is a clear probability of returning the worker to employment. A dispute regarding the compensability of palliative or maintenance care is considered a dispute over which, after mediation pursuant to department rule, the workers' compensation court has jurisdiction.

(g) Notwithstanding any other provisions of this chapter, the department, by rule and upon the advice of the professional licensing boards of practitioners affected by the rule, may exclude from compensability any medical treatment that the department finds to be unscientific, unproved, outmoded, or experimental.

(2) The department shall annually establish a schedule of fees for medical services not provided at a hospital that are necessary for the treatment of injured workers. Charges submitted by providers must be the usual and customary charges for nonworkers' compensation patients. The department may require insurers to submit information to be used in establishing the schedule.

(3) (a) The department shall establish rates for hospital services necessary for the treatment of injured workers.

(b) Except as provided in subsection (3)(g), rates for services provided at a hospital must be the greater of:

(i) 69% of the hospital's January 1, 1997, usual and customary charges; or

(ii) the discount factor established by the department that was in effect on June 30, 1997, for the hospital. The discount factor for a hospital formed by the merger of two or more existing hospitals is computed by using the weighted average of the discount factors in effect at the time of the merger.

(c) Except as provided in subsection (3)(g), ~~beginning July 1, 1998,~~ the department shall adjust hospital discount factors so that the rate of payment does not exceed the annual percentage increase in the state's average weekly wage, as defined in 39-71-116.

(d) The department may establish a fee schedule for hospital outpatient services rendered ~~on or after July 1, 1998~~. The fee schedule must, in the aggregate, provide for fees that are equal to the statewide average discount factors paid to hospitals to provide the same or equivalent procedure to workers' compensation hospital outpatients.

(e) The discount factors established by the department pursuant to this subsection (3) may not be less than medicaid reimbursement rates.

(f) For services available in Montana, insurers are not required to pay facilities located outside Montana rates that are greater than those allowed for services delivered in Montana.

(g) For a hospital licensed as a medical assistance facility pursuant to Title 50, chapter 5, the rate for services is the hospital's usual and customary charge. Fees paid to a hospital licensed as a medical assistance facility are not subject to the limitation provided in subsection (4).

(4) The percentage increase in medical costs payable under this chapter may not exceed the annual percentage increase in the state's average weekly wage, as defined in 39-71-116.

(5) Payment pursuant to reimbursement agreements between managed care organizations or preferred provider organizations and insurers is not bound by the provisions of this section.

(6) Disputes between an insurer and a medical service provider regarding the amount of a fee for medical services must be resolved by a hearing before the department upon written application of a party to the dispute.

(7) (a) After the initial visit, the worker is responsible for 20%, but not to exceed $10, of the cost of each subsequent visit to a medical service provider for treatment relating to a compensable injury or occupational disease, unless the visit is to a medical service provider in a managed care organization as requested by the insurer or is a visit to a preferred provider as requested by the insurer.

(b) After the initial visit, the worker is responsible for $25 of the cost of each subsequent visit to a hospital emergency department for treatment relating to a compensable injury or occupational disease.

(c) "Visit", as used in subsections (7)(a) and (7)(b), means each time that the worker obtains services relating to a compensable injury or occupational disease from:

(i) a treating physician;

(ii) a physical therapist;

(iii) a psychologist; or

(iv) hospital outpatient services available in a nonhospital setting.

(d) A worker is not responsible for the cost of a subsequent visit pursuant to subsection (7)(a) if the visit is an examination requested by an insurer pursuant to 39-71-605."

Section 2. Effective date — applicability. [This act] is effective July 1, 2001, and applies to a claim for benefits for an injury occurring on or after July 1, 2001.

AN ACT INCREASING THE ANNUAL PESTICIDE REGISTRATION FEE TO $90; PROVIDING FOR AN ANNUAL FEE FOR AN EMERGENCY EXEMPTION REGISTRATION; INCREASING THE FEE FOR A SPECIAL LOCAL NEED REGISTRATION OR FOR AN EXPERIMENTAL-USE PERMIT REGISTRATION TO $90 AND CHANGING THE FEE TO AN ANNUAL FEE INSTEAD OF A ONE-TIME FEE; REMOVING EXEMPTION OF A REGISTRATION FEE IF THE EXPERIMENTAL USE PERMIT IS FEDERALLY APPROVED; INCREASING THE SPECIAL AGRICULTURAL CHEMICAL GROUND WATER PROTECTION FEE TO $95; AND AMENDING SECTIONS 80-8-201 AND 80-15-302, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 80-8-201, MCA, is amended to read:

"80-8-201. Registration. (1) Each pesticide distributed, sold, or offered for sale within the state or delivered for transportation or transported in intrastate commerce or between points within the state must be registered with the department. The registration must be renewed annually by the manufacturer, formulator, or distributor of the pesticide. The department shall register all federally approved pesticides, and those registered are subject to registration fees and all other provisions of this chapter. All registrations of pesticides expire on December 31 following the date of issuance unless otherwise terminated.

(2) The applicant for registration shall file with the department a statement that includes:

(a) the name and address of the applicant and the name and address of the person whose name will appear on the label, if other than the registrant;

(b) a complete copy of the label of the pesticide, the United States environmental protection agency registration number if the pesticide is registered, and a statement of all claims to be made for it, including directions for use;

(c) the trade and chemical name of the pesticide;

(d) if requested by the department, a full description of tests made and the results upon which the claims are based. In the case of renewal of registration, a statement is required only for information that is different from that furnished when the pesticide was registered or last reregistered.

(3) A pesticide imported into the state that is subject to and has been registered under the provisions of a federal act providing for the registration of pesticides must be registered in the state. However, the state may restrict the sale or use and application of the pesticide by type of dealer, applicator, time, and place and may establish special registrations of pesticides as outlined in 80-8-105(3) and in subsection (8) of this section. The annual registration fee must also be paid, and registration information required by the department must be provided.

(4) The applicant shall pay an annual fee of ~~$70~~ *$90* for each pesticide registered. ~~A registration fee is not required to register a federally approved experimental use permit.~~ *The applicant shall pay an annual fee of $90 for:*

(a) each emergency exemption requested by the state as provided in the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. 136p;

(b) a special local need registration, as provided in the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. 136v(c)(1); or

(c) for an experimental-use permit registration, as provided in 7 U.S.C. 136c.

(5) The department may require the submission of the complete formula and certified analytical standards of any pesticide. If it appears to the department that the composition of the pesticide warrants the proposed claims for it and if the pesticide, its labeling, and other material required to be submitted comply with the requirements of 80-8-202, the department shall register the pesticide.

(6) If it does not appear to the department that the pesticide warrants the proposed claims for it or if the pesticide, its labeling, and other material required to be submitted do not comply with this chapter, the department shall notify the applicant of the manner in which the pesticide, labeling, or other material required to be submitted fails to comply with the chapter to provide the applicant an opportunity to make the necessary corrections. If the applicant does not make the corrections upon receipt of the notice, the department may refuse to register the pesticide. The department may suspend or cancel the registration of a pesticide whenever it does not appear that the pesticide or its labeling comply with this chapter or whenever scientific evidence proves that the pesticide endangers humans or the general environment afforded protection under 80-8-105(3)(a). When an application for registration is refused or the department proposes to suspend or cancel a registration, the registrant may pursue administrative remedies under the Montana Administrative Procedure Act and rules of the department.

(7) Registration is not required in the case of a pesticide shipped from one plant in the state to another plant in the state by the same person.

(8) (a) The department, the department of public health and human services, and the department of fish, wildlife, and parks shall review all applications for

registration of an experimental-use permit or a registration for special local needs. ~~The applicant shall pay a one-time fee of $70 for a special local need or experimental-use permit registration.~~ The departments shall use the same requirements and standards for reviewing registrations established by the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, and regulations adopted under the act. The department shall provide the departments of public health and human services and fish, wildlife, and parks with a complete copy of the application, related correspondence, and a statement of the department's proposed action on the application. The department, the department of public health and human services, and the department of fish, wildlife, and parks shall approve or disapprove the application within 10 days after the receipt of the application. If the department, the department of public health and human services, and the department of fish, wildlife, and parks are in agreement with the proposed registration, the department shall issue the registration.

(b) The department shall establish a time and place for an interagency conference for the purposes of resolving the registration of any pesticide or device. If two of the departments approve the proposed registration, the department shall issue the registration.

(c) The registrant applying for registration must be notified as to proposed changes in registration. If the departments cannot resolve the proposed registration following the interagency conference, the registrant may request a joint administrative hearing before the departments of agriculture, public health and human services, and fish, wildlife, and parks.

(d) Following the interagency conference and, if requested, the administrative hearing, if the proposed registration of a pesticide or device has not been resolved, the department of agriculture shall appoint an advisory council as outlined in 80-8-108 to resolve by majority vote the registration of any pesticide. The advisory council's recommendations on the registration must be accepted by the departments and implemented by the department of agriculture.

(9) (a) Pesticides registered under any federal law when canceled for sale and use in total or in part by a federal agency responsible for registration are considered canceled in total or in part for sale and use in Montana. The cancellation is effective on the final date of sale or use allowed under the federal law and rules or orders of the federal agency. Except as provided in subsection (9)(b), if the federal cancellation allows existing stock to be used past the final date of cancellation, the sale or use in this state may not exceed 2 years. The department shall provide technical assistance to any person in possession of the products to ensure their proper disposal, relabeling, or removal.

(b) Pesticide products canceled under the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. 136a-1(i)(5) may be sold and used according to environmental protection agency labeling requirements or other requirements for a period not to exceed 6 years from the date that distribution from the registrant, manufacturer, formulator, or distributor is terminated."

Section 2. Section 80-15-302, MCA, is amended to read:

"80-15-302. Special funding. (1) A fee of ~~$80~~ *$95* is assessed for the registration of pesticides in addition to the fee imposed by 80-8-201(4).

(a) Each of the following state agencies must be credited $15,000 for purposes of administering or assisting the department in administering this chapter:

(i) department of environmental quality; and

(ii) Montana state university-Bozeman extension service.

(b) The department must be credited with the remainder of the registration fee money to use in administering this chapter.

(3) A fee of $10 is assessed for the registration of fertilizers in addition to the fee imposed by 80-10-201(1). The additional fee must be used for the ground water protection responsibilities of the department relating to fertilizers. Revenues collected from this fee must be credited to the commercial fertilizer agricultural chemical ground water account within the state special revenue fund for the administration of this chapter.

(4) The department may direct the board of investments to invest the portion of the money collected under this section that is credited to the department pursuant to the provisions of 17-6-201. The income from the investments must be deposited in the state special revenue fund and credited to the department."

Section 10. Section 15-30-241, MCA, is amended to read:

"**15-30-241. Estimated tax — payment — exceptions — interest.** (1) (a) Each individual subject to tax under this chapter, except farmers or ranchers as defined in subsection (6), shall pay for the tax year, through employer withholding, as provided in 15-30-202, through payment of estimated tax in four installments, as provided in subsection (2) of this section, or through a combination of employer withholding and estimated tax payments, at least:

(i) 90% of the tax for the current tax year, less tax credits and withholding allowed the taxpayer; or

(ii) an amount equal to 100% of the individual's tax liability for the preceding tax year, if the preceding tax year was a period of 12 months and if the individual filed a return for the tax year.

(b) Payment of estimated taxes under this section is not required if:

(i) the combined tax liability of employer withholding and estimated tax for the current year is less than $500 after reductions for credits and withholding;

(ii) the individual did not have any tax liability for the preceding tax year, which was a tax year of 12 months, and if the individual was a citizen or resident of the United States throughout that tax year;

(iii) the underpayment was caused by reason of casualty, disaster, or other unusual circumstances that the department determines to constitute good cause; or

(iv) the individual retired in the tax year after having attained the age of 62 or if the individual became disabled in the tax year. In addition, payment of estimated taxes under this section is not required in the tax year following the tax year in which the individual retired or became disabled.

(2) Estimated taxes must be paid in four installments according to one of the following schedules:

(a) For each taxpayer whose tax year begins on January 1, estimated tax payments are due on the following dates:

Installment	Date
First	April 15
Second	June 15
Third	September 15
Fourth	January 15 of the following tax year

(b) For each taxpayer whose tax year begins on a date other than January 1, estimated tax payments are due on the following dates:

Installment	Date
First	15th day of the 4th month following the beginning of the tax year
Second	15th day of the 6th month following the beginning of the tax year
Third	15th day of the 9th month following the beginning of the tax year
Fourth	15th day of the month following the close of the tax year

(3) (a) Except as provided in subsection (4), each installment must be 25% of the required annual payment determined pursuant to subsection (1). If the taxpayer's tax situation changes, each succeeding installment must be proportionally changed so that the balance of the required annual payment is paid in equal installments over the remaining period of time.

(b) If the taxpayer's tax situation changes after the date for the first installment or any subsequent installment, as specified in subsection (2)(a) or (2)(b), so that the taxpayer is required to pay estimated taxes, the taxpayer shall pay 25% for each succeeding installment except for the first one in which a payment is required. For estimated taxes required to be paid beginning with the second installment provided for in subsection (2)(a) or (2)(b), the taxpayer shall pay 50% for that installment and 25% for the third and fourth installments, respectively. For estimated taxes required to be paid beginning with the third installment provided for in subsection (2)(a) or (2)(b), the taxpayer shall pay 75% for that installment and 25% for the fourth installment.

(4) (a) If for any required installment the taxpayer determines that the installment payment is less than the amount determined under subsection (3)(a), the lower amount may be paid as an annualized income installment.

(b) For any required installment, the annualized income installment is the applicable percentage described in subsection (4)(c) applied to the tax computed on the basis of annualized taxable income in the tax year for the months ending before the due date for the installment less the total amount of any prior required installments for the tax year.

(c) For the purposes of this subsection (4), the applicable percentage is determined according to the following schedule:

Required Installment	Applicable Percentage
First	22.5%
Second	45%
Third	67.5%
Fourth	90%

(d) A reduction in a required installment resulting from the application of an annualized income installment must be recaptured by increasing the amount of the next required installment, determined under subsection (3)(a), by the amount of the reduction. Any subsequent installment must be increased by the amount of the reduction until the amount has been recaptured.

(5) (a) If an estimated tax, an employer withholding tax, or a combination of estimated tax and employer withholding tax is underpaid, there must be added to the amount due under this chapter interest equal to 12% a year on the amount of the underpayment. The interest is computed on the amount of the underpayment, as determined in subsection (5)(b), for the period from the time the payment was due to the date payment was made or to the 15th day of the 4th month of the year following the tax year in which the payment was to be made, whichever is earlier.

(b) For the purpose of determining the amount of interest due in subsection (5)(a), the amount of the underpayment is the required installment amount less the installment amount paid, if any, on or before the due date for the installment.

(c) For the purpose of determining the amount of interest due in subsection (5)(a), an estimated payment must be credited against unpaid required installments in the order in which those installments are required to be paid.

(d) For each married taxpayer filing separately on the same form, the interest provided for in subsection (5)(a) must be computed on the combined tax liability after reductions for credits and withholding, as shown on the taxpayer's return.

(e) Interest may not be charged with respect to any underpayment of the fourth installment of estimated taxes if:

(i) the taxpayer pays in full the amount computed on the return as payable; and

(ii) the taxpayer files a return on or before the last day of the month following the close of the tax year referred to in subsection (2)(a) or (2)(b).

(6) For the purposes of this section, "farmer or rancher" means a taxpayer who derives at least 66 2/3% of the taxpayer's gross income, as defined in 15-30-101~~(7)~~, from farming or ranching operations, or both.

(7) The department shall promulgate rules governing reasonable extensions of time for paying the estimated tax. An extension may not be for more than 6 months."

Section 11. Section 15-31-101, MCA, is amended to read:

"**15-31-101. In the case of corporations having income from business activity which is taxable both within and outside of this state, the license fee must be measured by the net income derived from or attributable to Montana sources as determined under part 3. Except as provided in 15-31-502, this tax is due and payable on the 15th day of the 5th month following the close of the taxable year of the corporation. However, the tax becomes a lien as provided in this chapter on the last day of the taxable year in which the income was earned and is for the privilege of carrying on business in this state for the taxable year in which the income was earned.

(4) Every bank organized under the laws of the state of Montana, of any other state, or of the United States and every savings and loan association organized under the laws of this state or of the United States is subject to the Montana corporation license tax provided for under this chapter. A foreign capital depository chartered under the laws of Montana is not subject to the Montana corporation license tax provided for under this chapter until October 1, 2012. For taxable years beginning on and after January 1, 1972, this subsection is effective in accordance with Public Law 91-156, section 2 (12 U.S.C. 548)."

Section 12. Section 15-31-162, MCA, is amended to read:

"**15-31-162. The maximum credit that a shareholder of a small business corporation, a partner of a partnership, or a member or manager of a limited liability company may claim in a year is $10,000, subject to the limitations in 15-30-166(2). The credit allowed under this section may not exceed the taxpayer's income tax liability. There is no carryback or carryforward of the credit permitted under this section, and the credit must be applied to the tax year in which the contribution is made. (Terminates December 31, 2001—sec. 9, Ch. 537, L. 1997.)"

CHAPTER NO. 145

[HB 160]

AN ACT REVISING THE SPECIAL EDUCATION FUNDING FORMULA TO ESTABLISH FIXED LIMITS FOR DISTRIBUTION OF THE STATE'S TOTAL SPECIAL EDUCATION ALLOCATION; LIMITING DISTRIBUTION OF THE TOTAL ALLOCATION TO 52.5 PERCENT FOR INSTRUCTIONAL BLOCK GRANTS, 25 PERCENT FOR REIMBURSEMENT OF DISTRICTS WHOSE SPECIAL EDUCATION COSTS EXCEED THE RELATED SERVICES BLOCK GRANT PLUS THE REQUIRED DISTRICT MATCH, 17.5 PERCENT TO RELATED SERVICES BLOCK GRANTS, AND 5 PERCENT FOR SPECIAL EDUCATION COOPERATIVE AND JOINT BOARD ADMINISTRATION AND TRAVEL; ELIMINATING THE REQUIREMENT TO DISTRIBUTE TO DISTRICTS PRO RATA SHARES OF AVAILABLE SPECIAL EDUCATION APPROPRIATIONS WHEN TOTAL SPECIAL EDUCATION COSTS EXCEED

LEGISLATIVE APPROPRIATIONS; AMENDING SECTIONS 20-7-431 AND 20-9-321, MCA; AND PROVIDING AN EFFECTIVE DATE AND AN APPLICABILITY DATE.

WHEREAS, state funding for special education has not kept pace with school districts' required special education expenditures, which has caused a financial shift under the formula from providing districts with block grants to reimbursing districts for disproportionate special education costs; and

WHEREAS, this financial shift has made a school district's funding level less predictable, and those districts receiving reimbursements for disproportionate costs have not been adequately compensated for extraordinarily high special education costs; and

WHEREAS, a revision of the current special education funding formula is necessary to stabilize the proportion of the state appropriation for special education that is distributed through block grants and for special education cooperative administration and travel.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 20-7-431, MCA, is amended to read:

"20-7-431. Allowable cost schedule for special programs — superintendent to make rules — annual accounting. (1) For the purpose of determining the allowable cost payment amount for special education as defined in 20-9-321, the following allowable costs and reports must be reviewed by the superintendent of public instruction for the purposes of determining the amount of the allowable cost payment for special education payments and a district's special education expenditures:

(a) instruction: salaries, benefits, supplies, textbooks, and other expenses, including:

(i) the cost of salaries and benefits of special program teachers, regular program teachers, and teacher aides, corresponding to the working time that each person devotes to the special program;

(vi) transportation costs for special education instructional personnel who travel on an itinerant basis from school to school or district to district or to in-state child study team meetings or in-state individualized education program meetings;

(b) related services, including:

Professional supportive personnel may include special education supervisors, speech-language pathologists, audiologists, counselors, social workers, psychologists, psychometrists, physicians, nurses, and physical and occupational therapists.

(ii) the cost of salaries and benefits of clerical personnel who assist professional personnel in supportive services, corresponding to the working time that each person devotes to the special program;

(iii) the cost of supplies for special programs;

(v) the cost of contracted services, including fees paid for professional advice and consultation regarding special students or the special program, and the delivery of special education services by public or private agencies;

(vi) transportation costs for special ~~education related~~ *education-related* services personnel who travel on an itinerant basis from school to school or district to district or to in-state child study team meetings or in-state individualized education program meetings;

(vii) equipment purchase, rental, repair, and maintenance required to implement a student's individualized education program;

(viii) the additional cost of special education cooperatives or joint boards, including operation and maintenance, travel, recruitment, and administration.

(2) The superintendent of public instruction shall adopt rules in accordance with the policies of the board of public education for keeping necessary records for supportive and administrative personnel and any personnel shared between special and regular programs.

(3) An annual accounting of all expenditures of school district general fund money for special education must be made by the district trustees on forms furnished by the superintendent of public instruction. The superintendent of public instruction shall make rules for the accounting.

(4) Allowable costs prescribed in this section do not include the costs of the teachers' retirement system, the public employees' retirement system, *or* the federal social security system~~,~~ or the costs for unemployment compensation insurance.

(5) ~~(a)~~ Notwithstanding other provisions of the law, the superintendent of public instruction may not approve an allowable cost payment amount for special education that exceeds legislative appropriations~~; however,~~. *However,* any unexpended balance from the first year of a biennial appropriation may be spent in the second year of the biennium in addition to the second year appropriation.

~~(b) If the total special education allowable cost payment, as determined in 20-9-321, exceeds legislative appropriations available for special education, each district shall receive a pro rata share of the available appropriations.~~"

Section 2. Section 20-9-321, MCA, is amended to read:

"**20-9-321. Allowable cost payment for special education.** (1) For the purpose of establishing the allowable cost payment for a current year special education program for a school district, the superintendent of public instruction shall determine the total special education payment to a school district, cooperative, or joint board for special education services formed under 20-3-361 prior to July 1, 1992, using the following factors:

(a) the district ANB student count as established pursuant to 20-9-311 and 20-9-313;

(b) a per-ANB amount for the special education instructional block grant;

(c) a per-ANB amount for the special ~~education related~~ *education-related* services block grant;

(d) ~~weighted cost factors~~ *an amount* for cooperatives or joint boards meeting the requirements of 20-7-457, to compensate for the additional costs of operations and maintenance, travel, supportive services, recruitment, and administration; *and*

(e) ~~district and cooperative expenditure reports; and~~

~~(f)~~ any other data required by the superintendent of public instruction to administer the provisions of this section.

(2) *(a) The total special education allocation must be distributed according to the following formula:*

(i) 52.5% through instructional block grants;

(ii) 17.5% through related services block grants;

(iii) 25% to reimbursement of local districts; and

(iv) 5% to special education cooperatives and joint board for administration and travel.

(b) Special education allowable cost payments *outlined in subsection (2)(a)* must be granted to each school district and cooperative with a special education program as follows:

~~(a)~~*(i)* ~~An~~ *The* instructional block grant *limit prescribed in subsection (2)(a)(i)* must be awarded to each school district, based on the district ANB and the per-ANB special education instructional amount.

~~(b)~~*(ii)* ~~A~~ *The* special ~~education related~~ *education-related* services block grant *limit prescribed in subsection (2)(a)(ii)* must be awarded to each school district that is not a cooperative member, based on the district ANB and the per-ANB special ~~education related~~ *education-related* services amount, *or to a cooperative or joint board that meets the requirements of 20-7-457*. The special ~~education related~~ *education-related* services block grant amount for districts that are members of approved cooperatives or a joint board must be awarded to the cooperatives or joint board. ~~If a cooperative or joint board meets the requirements of 20-7-457, the special education related services block grant must be weighted for the factors in subsection (1)(d).~~

~~(3) The superintendent of public instruction shall annually determine the per-ANB special education instructional and special education related services block grant amounts based on the prior years' trustees' expenditure data for special education instruction and related services.~~

(iii) If a district's allowable costs of special education exceed the total of the special education instructional and special education-related services block grant plus the required district match required by subsection (4), the district is eligible to receive at least a 40% reimbursement of the additional costs. To ensure that the total of reimbursements to all districts does not exceed 25% of the total special education allocation limit established in subsection (2)(a)(iii), reimbursement must be made to districts for amounts that exceed a threshold level calculated

annually by the office of public instruction. The threshold level is calculated as a percentage amount above the sum of the district's block grants plus the required district match.

(iv) Of the amount distributed under subsection (2)(a)(iv), three-fifths must be distributed based on the ANB count of the school districts that are members of the special education cooperative or joint board and two-fifths must be distributed based on distances, population density, and the number of itinerant personnel under rules adopted by the superintendent of public instruction.

~~(4)~~*(3)* The superintendent of public instruction shall adopt rules necessary to implement this section.

AN ACT PROVIDING A SECOND ALTERNATIVE METHOD OF ELECTING MEMBERS TO A HIGH SCHOOL DISTRICT BOARD OF TRUSTEES WHEN MORE THAN HALF OF THE ELECTORS OF THE HIGH SCHOOL DISTRICT RESIDE OUTSIDE OF THE TERRITORY OF THE ELEMENTARY SCHOOL DISTRICT IN WHICH THE HIGH SCHOOL DISTRICT BUILDINGS ARE LOCATED; AND AMENDING SECTION 20-3-352, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 20-3-352, MCA, is amended to read:

"20-3-352. Request and determination of number of high school district additional trustee positions — nonvoting trustee. (1) As provided in 20-3-351(1)(b), a high school district, except a county high school district, may have additional trustee positions when the trustees of a majority of the elementary districts with territory located in the high school district, but without equitable representation on the high school district trustees under the provision of 20-3-351(1)(a), request the establishment of additional trustee positions under the provisions of subsection (2) or when the electors approve an alternative method of electing members of the board of trustees under the provisions of subsection (3).

(2) A request for additional trustee positions must be made to the county superintendent by a resolution of the trustees of each elementary district. When a resolution has been received from a majority of the elementary districts without representation on the high school district trustees, the county superintendent shall determine the number of additional trustee positions for the affected high school district in accordance with the following procedure:

(a) The taxable valuation of the elementary district that has its trustees placed on the high school trustees must be divided by the number of positions on the trustees of the elementary district to determine the taxable valuation per trustee position.

(b) The taxable valuation used for the calculation in subsection (2)(a) must be subtracted from the taxable valuation of the high school district to determine the taxable valuation of the territory of the high school district without representation on the high school district trustees.

(c) The taxable valuation determined in subsection (2)(b) must be divided by the taxable valuation per trustee position calculated in subsection (2)(a). The resulting quotient must be rounded off to the nearest whole number, except that when the quotient is less than 0.5, at least one nonvoting trustee position must be established for the territory without representation on the high school district board of trustees under the provision of 20-3-351(1)(a).

(d) Except for a nonvoting trustee position, the number determined in subsection (2)(c) must be the number of additional trustee positions, except that the number of additional trustee positions may not exceed four in a first- or second-class high school district or two in a third-class high school district except when two-thirds or more of the high school enrollment of the high school district and two-thirds or more of the taxable valuation of the high school district are located outside of the elementary district that has its trustees placed on the high school district trustees. When this situation exists, three additional trustees must be elected from the elementary school districts in which the high school is not located and one additional trustee must be elected at large in the high school district.

(3) (a) If more than half of the electors of the high school district reside outside the territory of the elementary school district in which the high school district buildings are located, at least 10% of the electors of the high school district who are qualified to vote under the provisions of 20-20-301 may petition the county superintendent, requesting an election to consider a proposition on the question of establishing *one of* the following alternative ~~method~~ *methods* of electing the members of the high school district board of trustees:

(i) one trustee ~~to~~ *must* be elected from each elementary school district with territory included in the high school district~~;~~ and

~~(ii)~~ two or three trustees ~~to~~ *must* be elected at large in the high school district, whichever number results in an odd number of members on the board of trustees; *or*

(ii) the county superintendent shall establish four trustee nominating districts within the high school district but outside the territory of the elementary school district in which the high school buildings are located. One trustee must be elected from each trustee nominating district and three trustees must be elected from the elementary district in which the high school buildings are located, for a total of seven trustees on the high school district board of trustees. Trustees elected from the elementary district in which the high school buildings are located shall serve on both the high school district board of trustees and on the elementary school district board of trustees.

(b) (i) When the county superintendent receives a valid petition, the county superintendent shall order the trustees of the high school district to conduct an election on the next regular school election day on the proposition allowed under the provisions of subsection (3)(a).

(ii) If the electors of the district approve a proposition to establish the alternative method of electing the high school *district* board of trustees, the county superintendent shall order that the members of the board of trustees be elected according to subsection (3)(a) at the next regular school election.

(c) Whenever the trustees are elected at one regular election under subsection (3)(b), the members who are elected shall draw by lot to determine their terms of office. The terms of office by trustee position must be divided as equally as practicable among 1-, 2-, and 3-year terms.

(d) A petition to call an election for the purposes of subsection (3) may not be submitted to the county superintendent more than one time in each 5-year period."

AN ACT INCREASING THE AMOUNT OF GASOLINE AND VEHICLE FUEL TAX PROCEEDS ALLOCATED TO THE LOCAL TECHNICAL ASSISTANCE

TRANSPORTATION PROGRAM AND REDISTRIBUTING THE REMAINING AMOUNT TO COUNTIES AND CITIES; AMENDING SECTION 15-70-101, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-70-101, MCA, is amended to read:

"**15-70-101. Disposition of funds.** (1) All taxes collected under this chapter must, in accordance with the provisions of 15-1-501, be placed in a highway revenue account in the state special revenue fund to the credit of the department of transportation. ~~Beginning July 1, 2001, all~~ *All* interest and income earned on the account must be deposited to the credit of the account and any unexpended balance in the account must remain in the account. Those funds allocated to cities, towns, counties, and consolidated city-county governments in this section must, in accordance with the provisions of 15-1-501, be paid by the department of transportation from the state special revenue fund to the cities, towns, counties, and consolidated city-county governments.

(2) The amount of $16,766,000 of the taxes collected under this chapter is statutorily appropriated, as provided in 17-7-502, to the department of transportation and must be allocated each fiscal year on a monthly basis to the counties, incorporated cities and towns, and consolidated city-county governments in Montana for construction, reconstruction, maintenance, and repair of rural roads and city or town streets and alleys, as provided in subsections (2)(a) through (2)(c):

(a) The amount of ~~$54,000~~ *$100,000* must be designated for the purposes and functions of the Montana local technical assistance transportation program in Bozeman.

(b) The amount of ~~$6,323,000~~ *$6,306,000* must be divided among the various counties in the following manner:

(i) 40% in the ratio that the rural road mileage in each county, exclusive of the national highway system and the primary system, bears to the total rural road mileage in the state, exclusive of the national highway system and the primary system;

(ii) 40% in the ratio that the rural population in each county outside incorporated cities and towns bears to the total rural population in the state outside incorporated cities and towns;

(iii) 20% in the ratio that the land area of each county bears to the total land area of the state.

(c) The amount of ~~$10,389,000~~ *$10,360,000* must be divided among the incorporated cities and towns in the following manner:

(i) 50% of the sum in the ratio that the population within the corporate limits of the city or town bears to the total population within corporate limits of all the cities and towns in Montana;

(ii) 50% in the ratio that the city or town street and alley mileage, exclusive of the national highway system and the primary system, within corporate limits bears to the total street and alley mileage, exclusive of the national highway system and primary system, within the corporate limits of all cities and towns in Montana.

(3) (a) For the purpose of allocating the funds in subsections (2)(b) and (2)(c) to a consolidated city-county government, each entity must be considered to have separate city and county boundaries. The city limit boundaries are the last official city limit boundaries for the former city unless revised boundaries based on the location of the urban area have been approved by the department of transportation and must be used to determine city and county populations and road mileages in the following manner:

(i) Percentage factors must be calculated to determine separate populations for the city and rural county by using the last official decennial federal census population figures that recognized an incorporated city and the rural county. The factors must be based on the ratio of the city to the rural county population, considering the total population in the county minus the population of any other incorporated city or town in the county.

(ii) The city and county populations must be calculated by multiplying the total county population, as determined by the latest official decennial census or the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census, minus the population of any other incorporated city or town in that county, by the factors established in subsection (3)(a)(i).

(b) The amount allocated by this method for the city and the county must be combined, and single monthly payments must be made to the consolidated city-county government.

(4) All funds allocated by this section to counties, cities, towns, and consolidated city-county governments must be used for the construction, reconstruction, maintenance, and repair of rural roads or city or town streets and alleys or for the share that the city, town, county, or consolidated city-county government might otherwise expend for proportionate matching of federal funds allocated for the construction of roads or streets that are part of the primary or secondary highway system or urban extensions to those systems. The governing body of a town or third-class city, as defined in 7-1-4111, may each year expend no more than 25% of the funds allocated to that town or third-class city for the purchase of capital equipment and supplies to be used for the maintenance and repair of town or third-class city streets and alleys.

(5) All funds allocated by this section to counties, cities, towns, and consolidated city-county governments must be disbursed to the lowest responsible bidder according to applicable bidding procedures followed in all cases in which the contract for construction, reconstruction, maintenance, or repair is in excess of $4,000.

(6) For the purposes of this section in which distribution of funds is made on a basis related to population, the population must be determined annually for counties and biennially for cities according to the latest official decennial census or the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(7) For the purposes of this section in which determination of mileage is necessary for distribution of funds, it is the responsibility of the cities, towns, counties, and consolidated city-county governments to furnish to the department of transportation a yearly certified statement indicating the total mileage within their respective areas applicable to this chapter. All mileage submitted is subject to review and approval by the department of transportation.

(8) Except by a town or third-class city as provided in subsection (4), the funds authorized by this section may not be used for the purchase of capital equipment.

(9) Funds authorized by this section must be used for construction and maintenance programs."

CHAPTER NO. 162

[HB 479]

AN ACT AUTHORIZING SPECIAL IMPROVEMENT DISTRICT BONDS AND RURAL SPECIAL IMPROVEMENT DISTRICT BONDS TO BEAR INTEREST AT A VARIABLE RATE; PROVIDING ADJUSTMENTS IN THE INTEREST RATES ON SPECIAL ASSESSMENTS SECURING VARIABLE RATE BONDS;

PROVIDING THAT VARIABLE RATE BONDS MAY BE SOLD AT A PRIVATE NEGOTIATED SALE IF THE PRINCIPAL AMOUNT IS LESS THAN $500,000 AND THE BOARD OF COUNTY COMMISSIONERS OR THE GOVERNING BODY OF A MUNICIPALITY OBTAINS A MARKETABILITY OPINION; PROVIDING THAT THE BOARD OF INVESTMENTS REVIEW ITS PARTICIPATION IN VARIABLE RATE BONDS AND RECOMMEND ACTION TO THE 58TH LEGISLATURE; AMENDING SECTIONS 7-12-2171, 7-12-2176, 7-12-2183, 7-12-2184, 7-12-2193, 7-12-4189, 7-12-4194, 7-12-4203, 7-12-4223, AND 7-12-4224, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 7-12-2171, MCA, is amended to read:

"7-12-2171. Details relating to rural improvement district bonds and warrants — definitions of bond forms. (1) *(a)* The bonds and warrants must be drawn against either the construction or maintenance fund created for the special improvement district and must bear interest from the date of registration until called for redemption or paid in full. *Bonds or warrants sold at a private, negotiated sale may bear interest at a rate varying periodically at the time or times and on the terms determined by the board of county commissioners. The terms determined by the board of county commissioners may include the establishment of a maximum rate of interest or the convertibility to a fixed rate of interest.*

(b) Variable rate bonds may be sold at a private negotiated sale if the principal amount of the bonds is $500,000 or less and the board of county commissioners obtains separate written opinions from underwriters of Montana rural improvement district bonds stating the bonds are not marketable through a competitive bond sale. Bonds sold in principal amounts below $250,000 do not require a marketability opinion.

(c) The interest must be payable annually or semiannually, at the discretion of the board of county commissioners, on the dates that the board prescribes. The warrants or bonds must bear the signatures of the presiding officer of the board and the county clerk and ~~must~~ *may* bear the corporate seal of the county. ~~They~~ *The warrants or bonds* must be registered in the office of the county clerk and the county treasurer, and if interest coupons are attached to the warrants or bonds, they must also be registered and shall bear the signatures of the ~~chairman~~ *presiding officer* of the board and the county clerk. The coupons may bear the facsimile signatures of the officers in the discretion of the board.

(2) The bonds must be in denominations of $100 or fractions or multiples of $100, may be issued in installments, and may extend over a period not to exceed 30 years. However, if federal loans are available for improvements, repayment may extend over a period not to exceed 40 years. For the purposes of this subsection, the term of a bond issue commences on July 1 of the fiscal year in which the county first levies to pay principal and interest on the bonds.

(3) As used in this part, unless the context clearly indicates otherwise, the following definitions apply:

(a) "Amortization bonds" means the form of bonds *that bear interest at a fixed rate and* on which:

(i) a part of the principal must be paid each time that interest becomes payable;

(ii) the part payment of principal increases at each installment in the same amount that the interest decreases;

(iii) the combined interest and principal due on each due date remains the same until the bonds are paid;

(iv) the final payment may vary from prior payments in the amount resulting from disregarding fractional costs in prior payments; and

(v) the initial payment may be larger than subsequent payments if the increase represents interest accrued over an additional period not greater than 6 months.

(b) "Serial bonds" means a bond issue payable in *semiannual or* annual installments commencing not more than 2 years from the date of issue, any one installment consisting of one or more bonds, with the principal amount of bonds maturing in each installment not exceeding five times the principal amount of the bonds maturing in the immediately preceding installment."

Section 2. Section 7-12-2176, MCA, is amended to read:

"7-12-2176. Interest rate on unpaid assessments. (1) ~~The~~ *Except as provided in subsection (3), the* installments of assessments remaining unpaid bear simple interest at an annual rate equal to the sum of:

(a) 1/2 of 1% a year; plus

(b) the average interest rate payable on the outstanding bonds or warrants of the rural special improvement district *at the time the assessment is levied each fiscal year*; plus

(c) at the option of the board of county commissioners, up to an additional 1/2 of 1% a year.

(2) The board of county commissioners may subsequently reduce or eliminate the additional interest rate allowed under subsection (1)(c). If the additional interest rate is reduced or eliminated, it may not be subsequently increased or reimposed.

(3) If and so long as the bonds or warrants secured by the assessments bear interest at a variable rate, the installments of assessments remaining unpaid must bear simple interest at an annual rate equal to the sum of:

(a) 1% a year; plus

(b) the interest rate payable on the outstanding bonds or warrants of the rural special improvement district at the time the assessment is levied each fiscal year; plus

(c) to the extent that the interest rate on the bonds or warrants is then less than the maximum rate prescribed for the bonds or warrants or if there is no prescribed maximum rate, up to an additional 1% a year, as may be prescribed by the board of county commissioners in the resolution authorizing the issuance or sale of the bonds or warrants."

Section 3. Section 7-12-2183, MCA, is amended to read:

"7-12-2183. Loan from revolving fund to meet payments on bonds and warrants or to make emergency repairs. (1) During the period described in 7-12-2185(2), when any rural special improvement district bond or warrant secured by the revolving fund or any interest on the bond or warrant becomes due and payable and there is either no money or insufficient money in the appropriate district fund after a transfer from the appropriate district reserve account, if established, with which to pay the bond, warrant, or interest, an amount sufficient to make up the deficiency must be loaned by the revolving fund to the district fund. The bond, warrant, or interest must be paid from the money loaned and money available in the district fund. *The loan must be made even if, in the case of bonds or warrants bearing interest at a variable rate, the interest rate on the special assessments at the time the loan is made is less than or later becomes less than the interest rate on the bonds or warrants.*

(2) If there is insufficient money in the rural special improvement district maintenance fund to pay the cost of emergency repairs, the board of county commissioners, by order or resolution, may loan money from the revolving fund to the district maintenance fund. The loan must be repaid in annual installments in not more than 3 years. The loans may not cause a default in the payments of the principal of the bonds or warrants or the interest on the bonds or warrants. The loan must be repaid by an assessment as provided by 7-12-2120 if other funds are not available. If there are insufficient funds in the revolving fund to make the loans without causing a default in the payment of the principal of the bonds or warrants or the interest on the bonds or warrants secured by the revolving fund, then the loans may not be made."

Section 4. Section 7-12-2184, MCA, is amended to read:

"**7-12-2184. The terms determined by the governing body of the municipality may include the establishment of a maximum rate of interest or the convertibility to a fixed rate of interest.*

(b) Variable rate bonds may be sold at a private negotiated sale if the principal amount of the bonds is $500,000 or less and the governing body of the municipality obtains separate written opinions from underwriters of Montana special improvement district bonds stating the bonds are not marketable through a competitive bond sale. Bonds sold in principal amounts below $250,000 do not require a marketability opinion.

(c) The interest must be payable annually or semiannually, at the discretion of the governing body of the municipality, on the dates that the governing body prescribes. The warrants or bonds must bear the signatures of the mayor and clerk and ~~must~~ *may* bear the corporate seal of the city. (3) As used in part 41 and this part, unless the context clearly indicates otherwise, the following definitions apply:

(i) a part of the principal must be paid each time that interest becomes payable;

(ii) the part payment of principal increases at each installment in the same amount that the interest decreases;

(iii) the combined interest and principal due on each due date remains the same until the bonds are paid;

(iv) the final payment may vary from prior payments in the amount resulting from disregarding fractional costs in prior payments; and

(v) the initial payment may be larger than subsequent payments if the increase represents interest accrued over an additional period not greater than 6 months.

(b) "Serial bonds" means a bond issue payable in *semiannual or* annual installments commencing not more than 2 years from the date of issue, any one installment consisting of one or more bonds, with the principal amount of bonds maturing in each installment not exceeding five times the principal amount of the bonds maturing in the immediately preceding installment."

The bond, warrant, or interest must be paid from the money loaned or from the money loaned and money available in the district fund. *The loan must be made even if, in the case of bonds or warrants bearing interest at a variable rate, the interest rate on the special assessments at the time the loan is made is less than or later becomes less than the interest rate on the bonds or warrants.*"

Section 10. Section 7-12-4224, MCA, is amended to read:

[SB 53]

AN ACT ALLOWING A 100 PERCENT DISABLED VETERAN TO REGISTER FOR A FEE OF $5 ONE MOTOR VEHICLE THAT IS NOT USED FOR

COMMERCIAL PURPOSES; AMENDING SECTIONS 61-3-332 AND 61-3-453, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-3-332, MCA, is amended to read:

"**61-3-332. Number plates.** (1) A motor vehicle that is driven upon the streets or highways of Montana must display both front and rear number plates, bearing the distinctive number assigned to the vehicle. The number plates are in 10 series: one series for owners of motorcars, one for owners of motor vehicles of the motorcycle or quadricycle type, one for trailers, one for trucks, one for dealers in vehicles of the motorcycle or quadricycle type that bears the distinctive letters "MCD" or the letters "MC" and the word "DEALER", one for franchised dealers in new motorcars (including trucks and trailers) or new and used motorcars (including trucks and trailers) that bears the distinctive letter "D" or the word "DEALER", one for dealers in used motorcars only (including used trucks and trailers) that bears the distinctive letters "UD" or the letter "U" and the word "DEALER", one for dealers in trailers and/or semitrailers (new or used) that bears the distinctive letters "DTR" or the letters "TR" and the word "DEALER", one for dealers in recreational vehicles that bears the distinctive letters "RV" or the letter "R" and the word "DEALER", and one for special license plates. All markings for the various kinds of dealers' plates must be placed on the number plates assigned to the dealer, in the position that the department designates.

(2) (a) All number plates for motor vehicles must be issued for a maximum period of 4 years, bear a distinctive marking, and be furnished by the state. In years when number plates are not issued, the department shall provide nonremovable stickers bearing appropriate registration numbers that must be affixed to the license plates in use.

(b) For light vehicles that are permanently registered as provided in 61-3-527 or 61-3-562, the department shall provide distinctive nonremovable stickers indicating that the vehicle is permanently registered. The stickers must be affixed to the license plates in use.

(3) (a) Subject to the provisions of this section, the department shall create a new design for number plates as provided in this section, and it shall manufacture the newly designed number plates for issuance after December 31, 1999, to replace at renewal, as required in 61-3-312 and 61-3-314, number plates that were displayed on motor vehicles before that date.

(b) Beginning January 1, 2000, the department shall manufacture and issue new number plates every 4 years.

(4) In the case of motorcars and trucks, plates must be of metal 6 inches wide and 12 inches in length. The outline of the state of Montana must be used as a distinctive border on the license plates, and the word "Montana" and the year must be placed across the plates. Registration plates must be treated with a reflectorized background material according to specifications prescribed by the department.

(5) The distinctive registration numbers must begin with a number one or with a letter-number combination, such as "A 1" or "AA 1", or any other similar combination of letters and numbers. The distinctive registration number or letter-number combination assigned to the vehicle must appear on the plate

preceded by the number of the county and appearing in horizontal order on the same horizontal baseline. The county number must be separated from the distinctive registration number by a separation mark unless a letter-number combination is used. The dimensions of the numerals and letters must be determined by the department, and all county and registration numbers must be of equal height.

(6) For the use of exempt motor vehicles and motor vehicles that are exempt from the registration fee as provided in 61-3-560(2)(a), in addition to the markings provided in this section, number plates must bear the following distinctive markings:

(a) For vehicles owned by the state, the department may designate the prefix number for the various state departments. All numbered plates issued to state departments must bear the words "State Owned", and a year number may not be indicated on the plates because these numbered plates are of a permanent nature and will be replaced by the department only when the physical condition of numbered plates requires it.

(b) For vehicles that are owned by the counties, municipalities, and special districts, as defined in 18-8-202, organized under the laws of Montana and not operating for profit, and that are used and operated by officials and employees in the line of duty and for vehicles on loan from the United States government or the state of Montana to, or owned by, the civil air patrol and used and operated by officials and employees in the line of duty, there must be placed on the number plates assigned, in a position that the department may designate, the letter "X" or the word "EXEMPT". Distinctive registration numbers for plates assigned to motor vehicles of each of the counties in the state and those of the municipalities and special districts that obtain plates within each county must begin with number one and be numbered consecutively. Because these number plates are of a permanent nature, they are subject to replacement by the department only when the physical condition of the number plates requires it and a year number may not be displayed on the number plates.

(7) On all number plates assigned to motor vehicles of the truck and trailer type, other than tax-exempt trucks and tax-exempt trailers, there must appear the letter "T" or the word "TRUCK" on plates assigned to trucks and the letters "TR" or the word "TRAILER" on plates assigned to trailers and housetrailers. The letters "MC" or the word "CYCLE" must appear on plates assigned to vehicles of the motorcycle or quadricycle type.

(8) Number plates issued to a passenger car, truck, trailer, or vehicle of the motorcycle or quadricycle type may be transferred only to a replacement passenger car, truck, trailer, or motorcycle- or quadricycle-type vehicle. A registration or license fee may not be assessed upon a transfer of a number plate under 61-3-317 and 61-3-335.

(9) For the purpose of this chapter, the several counties of the state are assigned numbers as follows: Silver Bow, 1; Cascade, 2; Yellowstone, 3; Missoula, 4; Lewis and Clark, 5; Gallatin, 6; Flathead, 7; Fergus, 8; Powder River, 9; Carbon, 10; Phillips, 11; Hill, 12; Ravalli, 13; Custer, 14; Lake, 15; Dawson, 16; Roosevelt, 17; Beaverhead, 18; Chouteau, 19; Valley, 20; Toole, 21; Big Horn, 22; Musselshell, 23; Blaine, 24; Madison, 25; Pondera, 26; Richland, 27; Powell, 28; Rosebud, 29; Deer Lodge, 30; Teton, 31; Stillwater, 32; Treasure, 33; Sheridan, 34; Sanders, 35; Judith Basin, 36; Daniels, 37; Glacier, 38; Fallon, 39; Sweet Grass, 40; McCone, 41; Carter, 42; Broadwater, 43; Wheatland, 44; Prairie, 45;

Granite, 46; Meagher, 47; Liberty, 48; Park, 49; Garfield, 50; Jefferson, 51; Wibaux, 52; Golden Valley, 53; Mineral, 54; Petroleum, 55; Lincoln, 56. Any new counties must be assigned numbers by the department as they may be formed, beginning with the number 57.

(10) Each type of special license plate approved by the legislature, except collegiate license plates authorized in 61-3-463, must be a separate series of plates, numbered as provided in subsection (5), except that the county number must be replaced by a nonremovable design or decal designating the group or organization to which the applicant belongs. Unless otherwise specifically stated in this section, the special plates are subject to the same rules and laws as govern the issuance of regular license plates, must be placed or mounted on a vehicle owned by the person who is eligible to receive them, and must be removed upon sale or other disposition of the vehicle. The special license plates must be issued to national guard members, former prisoners of war, persons with disabilities, reservists, disabled veterans, survivors of the Pearl Harbor attack, veterans of the armed services, national guard veterans, legion of valor members, or veterans of the armed services who were awarded the purple heart medal, who comply with the following provisions:

CHAPTER NO. 173

[SB 234]

AN ACT PROVIDING FOR THE DUTIES OF TRUSTEES AND OFFICERS OF A RURAL COOPERATIVE UTILITY; ESTABLISHING WHEN A TRUSTEE OR OFFICER HAS A CONFLICT OF INTEREST; PROVIDING THAT RURAL COOPERATIVE UTILITIES MAY INDEMNIFY TRUSTEES AND OFFICERS; PROVIDING CERTAIN CONDITIONS UNDER WHICH TRUSTEES AND OFFICERS ARE NOT PERSONALLY LIABLE TO THE RURAL COOPERATIVE UTILITY; AMENDING SECTION 35-18-302, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Duties of trustees and officers. (1) A trustee or officer shall discharge the duties of the office, including the trustee's or officer's duties as a member of any committee:

(a) in good faith;

(b) with the care that an ordinarily prudent person in a similar position would exercise under similar circumstances: and

(c) in a manner that the trustee or officer reasonably believes to be in the best interest of the cooperative.

(2) In discharging duties, a trustee or officer is entitled to rely on factual information, opinions, reports, or statements, including but not limited to financial statements and other financial information, if prepared and presented by:

(a) one or more officers or employees of the cooperative whom the trustee or officer reasonably believes to be reliable and competent in the subject matter presented;

(b) attorneys, public accountants, engineers, or other persons with regard to subject matters that the trustee or officer reasonably believes are within the person's professional or expert competence; or

(c) a committee of the board of trustees or officers of which the trustee or officer is not a member if the trustee or officer reasonably believes that the committee merits confidence.

(3) A trustee or officer is not acting in good faith if the trustee or officer has knowledge concerning the matter in question that makes reliance otherwise permitted by subsection (2) unwarranted.

(4) A trustee or officer is not liable for any action taken as a trustee or officer or for any failure to take any action if the trustee or officer performs the duties of the office in compliance with this section.

Section 2. Trustee or officer conflict of interest. (1) A conflict of interest transaction is a transaction with the cooperative in which a trustee of the cooperative has a direct or indirect interest. A conflict of interest transaction is not voidable and may not be the basis for imposing liability on the trustee or officer if the transaction was fair at the time the transaction was entered into.

(2) If a trustee or officer has a conflict of interest relating to a transaction, the trustee or officer:

(a) shall disclose to the trustees or members voting on the transaction the existence and nature of the conflict of interest and all facts known to the trustee with respect to the subject matter of the transaction that an ordinarily prudent person would reasonably believe to be material to a judgment about whether or not to proceed with the transaction; and

(b) may not participate, directly or indirectly, in the vote on the transaction.

(3) For the purposes of this section, a trustee or officer of a cooperative has an indirect interest in a transaction if:

(a) another entity in which the trustee or officer has a material interest or in which the trustee or officer is a general partner is a party to the transaction; or

(b) another entity, other than a cooperative or corporation of which the cooperative is a member or shareholder, of which the trustee or officer is a director, officer, or trustee is a party to the transaction.

(4) (a) Except as provided in subsection (4)(b), a conflict of interest transaction is authorized, approved, or ratified if the transaction receives the affirmative vote of a majority of the trustees or officers on the board or committee who do not have a direct or indirect interest in the transaction.

(b) A transaction may not be authorized, approved, or ratified by a single trustee or officer.

(c) If a majority of the trustees or officers on the board or committee who do not have a direct or indirect conflict of interest in the transaction vote to authorize, approve, or ratify the transaction, a quorum is present for the purpose of taking action on the transaction.

(d) The presence of or vote cast by a trustee with a direct or indirect interest in the transaction does not affect the validity of any action taken under this section if the transaction is authorized, approved, or ratified as provided in this section.

(5) The articles or bylaws of the cooperative may impose additional requirements on conflict of interest transactions.

Section 3. Definitions. As used in [sections 3 through 9], the following definitions apply:

(1) "Liability" means the obligation to pay a judgment, settlement, penalty, or fine, including an excise tax assessed with respect to an employee benefit plan, or to pay reasonable expenses incurred with respect to a proceeding.

(2) (a) "Official capacity" means the office of trustee or officer in a cooperative.

(b) The term does not include service for any other domestic cooperative or any partnership, joint venture, trust, or other enterprise.

(3) "Party" includes an individual who was, is, or is threatened to be made a named defendant or respondent in a proceeding.

(4) "Proceeding" means any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal.

(5) (a) "Trustee or officer" means an individual who is or was a trustee or officer of a cooperative or an individual who, while a trustee or officer of a cooperative, is or was serving at the cooperative's request as a director, officer, partner, trustee, employee, or agent of another domestic cooperative, partnership, joint venture, trust, or other enterprise.

(b) The term includes, unless the context requires otherwise, the estate or personal representative of a trustee or officer.

Section 4. Authority to indemnify. (1) Except as provided in subsection (4), an individual who is made a party to a proceeding because the individual is or was a trustee or officer may be indemnified against liability incurred in the proceeding if:

(a) the individual conducted business in good faith;

(b) the individual reasonably believed:

(i) in the case of conduct in the individual's official capacity with the cooperative, that the individual's conduct was in the cooperative's best interests; and

(ii) in all other cases, that the individual's conduct was at least not opposed to the cooperative's best interests; and

(c) in the case of any criminal proceeding, the individual had no reasonable cause to believe that the conduct was unlawful.

(2) The termination of a proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent is not, of itself, a determination that the trustee or officer did not meet the standard of conduct described in this section.

(3) A cooperative may not indemnify a trustee or officer under this section:

(a) in connection with a proceeding by or in the right of the cooperative in which the trustee or officer was adjudged liable to the cooperative; or

(b) in connection with any other proceeding charging improper personal benefit to the trustee or officer, whether or not involving action in the trustee's or officer's official capacity, in which the trustee or officer was adjudged liable on the basis that personal benefit was improperly received by the trustee or officer.

(4) Indemnification permitted under this section in connection with a proceeding by or in the right of the cooperative is limited to reasonable expenses incurred in connection with the proceeding.

Section 5. Mandatory indemnification. Unless limited by its articles of incorporation, a cooperative shall indemnify a trustee or officer who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the trustee or officer was a party because the trustee or officer is or was a trustee or officer of the cooperative against reasonable expenses incurred by the trustee or officer in connection with the proceeding.

Section 6. Court-ordered indemnification. Unless a cooperative's articles of incorporation provide otherwise, a trustee or officer of the cooperative who is a party to a proceeding may apply for indemnification to the court conducting the proceeding or to another court of competent jurisdiction. On receipt of an application, the court, after giving any notice that the court considers necessary, may order indemnification if it determines that the trustee or officer:

(1) is entitled to mandatory indemnification under [section 5], in which case the court shall also order the cooperative to pay the trustee's reasonable expenses incurred in obtaining court-ordered indemnification; or

(2) is fairly and reasonably entitled to indemnification in view of all the relevant circumstances. If the trustee or officer was adjudged liable as described in [section 4(3)], the trustee's or officer's indemnification is limited to reasonable expenses incurred.

Section 7. Determination and authorization of indemnification. (1) A cooperative may not indemnify a trustee or officer under [section 4] unless authorized in the specific case after a determination has been made that indemnification of the trustee or officer is permissible in the circumstances because the trustee or officer has met the standard of conduct set forth in [section 4].

(2) The determination must be made:

(a) by the board of directors by majority vote of a quorum consisting of directors not at the time parties to the proceeding;

(b) if a quorum cannot be obtained under subsection (2)(a), by majority vote of a committee designated by the board of directors, in which designated directors who are parties may participate;

(c) by special legal counsel:

(i) selected by the board of directors or its committee in the manner prescribed in subsection (2)(a) or (2)(b); or

(ii) if a quorum of the board of directors cannot be obtained under subsection (2)(a) and a committee cannot be designated under subsection (2)(b), selected by majority vote of the full board of directors in which selected directors who are parties may participate; or

(d) by the shareholders, but shares owned by or voted under the control of directors who are at the time parties to the proceeding may not be voted on the determination.

(3) Authorization of indemnification and evaluation as to reasonableness of expenses must be made in the same manner as the determination that indemnification is permissible, except that if the determination is made by special legal counsel, authorization of indemnification and evaluation as to reasonableness of expenses must be made by those entitled under subsection (2)(c) to select counsel.

Section 8. Insurance. A cooperative may purchase and maintain insurance on behalf of an individual who is or was a director, trustee, officer, employee, or agent of the cooperative or who, while a director, trustee, officer, employee, or agent of the cooperative, is or was serving at the request of the cooperative as a director, trustee, officer, partner, employee, or agent of another domestic cooperative, partnership, joint venture, trust, or other enterprise, against liability asserted against or incurred by the individual in that capacity or arising from an individual's status as a director, trustee, officer, employee, or agent, whether or not the cooperative would have power to indemnify the individual against the same liability under [section 4 or 5].

Section 9. Application. (1) A provision treating a cooperative's indemnification of trustees or officers that is contained in its articles of incorporation, its bylaws, a resolution of its shareholders or board of directors, a contract, or other instrument is valid only if and to the extent that the provision is consistent with [sections 3 through 9]. If articles of incorporation limit indemnification, indemnification is valid only to the extent that it is consistent with the articles of incorporation.

(2) [Sections 3 through 9] do not limit a cooperative's power to pay or reimburse expenses incurred by a trustee or officer in connection with the trustee's or officer's appearance as a witness in a proceeding at a time when the trustee or officer has not been made a named defendant or respondent to the proceeding.

Section 10. Section 35-18-302, MCA, is amended to read:

"**35-18-302. Nonliability of members, *trustees, and officers* for debts of cooperative.** *(1)* The private property of the members of a cooperative ~~shall be~~ *is* exempt from execution for the debts of the cooperative, and ~~no~~ *a* member ~~shall be~~ *is not* liable or responsible for any debts *or obligations* of the cooperative.

(2) A trustee or officer of a cooperative or acting for a cooperative is not personally liable to the cooperative or its members for any actions taken or a failure to take action as a trustee or officer unless:

(a) the trustee or officer fails to perform the trustee's or officer's responsibilities, including those provided in [sections 1 and 2]; and

(b) the failure to perform constitutes willful misconduct or recklessness."

Section 11. Codification instruction. [Sections 1 through 9] are intended to be codified as an integral part of Title 35, chapter 18, part 3, and the provisions of Title 35, chapter 18, part 3, apply to [sections 1 through 9].

CHAPTER NO. 178

[HB 374]

AN ACT REVISING THE LAWS RELATING TO THE LEGISLATIVE POLICY AND DUTIES OF THE OFFICE OF STATE COORDINATOR OF INDIAN AFFAIRS; AMENDING SECTIONS 90-11-101 AND 90-11-102, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 90-11-101, MCA, is amended to read:

"90-11-101. Legislative policy. *The legislature finds and declares that:*

(1) ~~Whereas,~~ a considerable portion of the citizens of the state of Montana are ~~members of the Indian race~~ *American Indians*; ~~and~~

(2) ~~Whereas, in the course of the past 80 years~~ *since statehood,* ~~these~~ Indian citizens of the state of Montana have ~~been driven from their native valleys and plains and are at present living and residing~~ *lived* ~~upon~~ *on* reservations set apart for ~~such~~ *those* purposes by the United States of America, and by virtue of ~~that isolation~~ *their isolation* and ~~of~~ supervision by the federal government, great problems of economic and social significance have arisen and presently exist~~, and no suitable progress has been made to solve such problems by reason of the fact that the Indians and those who are attempting to aid them in the solution of their problems have never been able to present a coordinated and united effort in solving such problems~~; ~~and~~

(3) ~~Whereas, it is hereby declared that it is the legislative policy of this state that~~ the best interests of ~~the Indians~~ *Montana Indian tribes* will be served by ~~the fostering of a program which is~~ *engaging in government-to-government relationships* designed to ~~establish and place our Indian citizens in a position to take their rightful place in our society and assume the~~ *recognize the* rights, duties, and privileges of full citizenship ~~and as~~ *that* Indians~~;~~ *are entitled to as citizens of this state* ~~it is therefore necessary that a state office of the coordinator of Indian affairs be established so that the problems of the Indians of Montana can be approached and reconciled from a state level in cooperation with the United States of America~~: ~~and~~

(4) ~~Whereas,~~ *because the tribes are domestic dependent nations,* agencies of the federal government retain jurisdiction ~~on Indian reservations in~~ *and a fiduciary duty throughout* the state of Montana ~~of~~ *for* the administration of economic, social, health, education, and welfare programs for Indians; ~~and~~

~~(5) Whereas, Indians who reside off reservations generally qualify for participation in federal programs but are often prohibited from voting on tribal affairs and for tribal officers; and~~

(5) unique differences exist between the tribes, their reservations, customs, and treaties, and their respective relationships with the federal government, all of which influence the relationships among tribes and between the tribes and the state;

(6) ~~Whereas,~~ there are sizeable numbers of off-reservation *enrolled and unenrolled* Indians residing in our state ~~of both enrolled and unofficial tribal descent (landless)~~ whose needs for *social,* environmental, *educational, and economic* assistance are borne *in part* by state and local agencies~~, and these needs are derived from problems shared by all Indians, whether they reside on reservations or not, and in consideration of their desire for official voice and representation in seeking solutions to their problems~~; ~~and~~

(7) ~~Whereas,~~ programs of the state of Montana should not duplicate those supported by agencies of the federal government *or tribal governments* ~~as regards~~ *with regard to* jurisdiction of Indian people, ~~and since~~ *because* state responsibility ~~is effected~~ *includes* ~~with~~ off-reservation Indians and ~~since~~ *because* those Indians require assistance to coordinate their affairs with various tribal groups and federal agencies where they have no official recognition;

(8) the state and the tribes working together in a government-to-government relationship and engaging in compacts and other cooperative agreements for the benefit of Indian and non-Indian residents will promote economic development, environmental protection, education, social services support, and enduring good will;

~~(8)~~*(9)* ~~Then therefore, let it be resolved that~~ *to facilitate the discussion and resolution of issues and concerns that Indian tribes have in relation to the state, the federal government, and among themselves,* the coordinator of Indian affairs ~~should~~ *shall:*

(a) maintain effective tribal-state communications;

(b) assess ~~the problems of all Indians to include those who reside off known reservations and who~~ *tribal and individual Indian concerns and interests to* seek ways and means of communicating ~~their opinions and needs~~ *these concerns and interests* to *relevant state* agencies ~~of responsibility~~ *and to the legislature* and ~~that the coordinator should~~ actively assist ~~them~~ in organizing ~~their~~ *these* efforts*;* and ~~that he~~

(c) act as ~~representative and spokesman~~ *a liaison* for ~~organized bodies of~~ *tribes and* Indian people, whether ~~reservation or off-reservation classification~~ *the Indian people reside on or off reservations,* whenever ~~his~~ assistance is required*;*

(10) the coordinator of Indian affairs shall endeavor to assist tribes to seek agreements between the state and tribes and to work toward a consensus among the tribes and other parties on shared goals and principles."

Section 2. Section 90-11-102, MCA, is amended to read:

"90-11-102. (Temporary) Duties and assistance. (1) It is the duty of the state coordinator of Indian affairs to carry out the legislative policy set forth in 90-11-101.

(2) The state coordinator shall:

~~(e)~~*(g)* act ~~on behalf of~~ *as a liaison for* representative Indian organizations and groups, public and private, whenever the state coordinator's support is solicited by tribal *governmental* entities;

~~(f)~~*(h)* serve on the state-tribal economic development commission established in 90-1-131;

~~(g)~~*(i)* report in detail at every meeting of the interim committee of the legislature having jurisdiction over the office of the coordinator those actions taken by the state-tribal economic development commission established by 90-1-131 to carry out its duties; and

~~(h)~~*(j)* hire, with the concurrence of the other members of the state-tribal economic development commission, a tribal business center coordinator and a federal grants coordinator, and subsequently provide administrative support for both positions.

(3) All executive and legislative agencies of state government may within the area of their expertise and authority provide assistance to tribal councils or their official designees requesting assistance on any matter relating to ~~coal~~ *education, health, natural resources, and economic* development on Indian reservation lands ~~and may make an appropriate charge for that assistance~~. (Terminates June 30, 2001—sec. 19, Ch. 512, L. 1999.)

90-11-102. (Effective July 1, 2001) Duties and assistance. (1) It ~~shall be~~ *is* the duty of the state coordinator of Indian affairs to carry out the legislative policy set forth in 90-11-101.

Section 2. Section 30-1-201, MCA, is amended to read:

"30-1-201. (Temporary) General definitions. Subject to additional definitions contained in the subsequent chapters of this code which are applicable to specific chapters or parts thereof, and unless the context otherwise requires, in this code:

(1) "Action" in the sense of a judicial proceeding includes recoupment, counterclaim, setoff, suit in equity, and any other proceedings in which rights are determined.

(2) "Aggrieved party" means a party entitled to resort to a remedy.

(3) "Agreement" means the bargain of the parties in fact as found in their language or by implication from other circumstances, including course of dealing or usage of trade or course of performance as provided in this code (30-1-205 and 30-2-208). Whether an agreement has legal consequences is determined by the provisions of this code, if applicable; otherwise by the law of contracts (30-1-103).

(4) "Bank" means any person engaged in the business of banking.

(5) "Bearer" means the person in possession of an instrument, document of title, or certificated security payable to bearer or endorsed in blank.

(6) "Bill of lading" means a document evidencing the receipt of goods for shipment issued by a person engaged in the business of transporting or forwarding goods, and includes an airbill. "Airbill" means a document serving for air transportation as a bill of lading does for marine or rail transportation, and includes an air consignment note or air waybill.

(7) "Branch" includes a separately incorporated foreign branch of a bank.

(8) "Burden of establishing" a fact means the burden of persuading the triers of fact that the existence of the fact is more probable than its nonexistence.

(9) "Buyer in ordinary course of business" means a person who, in good faith and without knowledge that the sale to him is in violation of the ownership rights or security interest of a third party in the goods, buys in ordinary course from a person in the business of selling goods of that kind, but does not include a pawnbroker. All persons who sell minerals or the like (including oil and gas) at wellhead or minehead shall be considered to be persons in the business of selling goods of that kind. "Buying" may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a preexisting contract for sale but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

(10) "Conspicuous": A term or clause is conspicuous when it is so written that a reasonable person against whom it is to operate ought to have noticed it. A printed heading in capitals (as: Non-Negotiable Bill of Lading) is conspicuous. Language in the body of a form is "conspicuous" if it is in larger or other contrasting type or color. But in a telegram any stated term is "conspicuous". Whether a term or clause is "conspicuous" or not is for decision by the court.

(11) "Contract" means the total legal obligation which results from the parties' agreement as affected by this code and any other applicable rules of law.

(12) "Creditor" includes a general creditor, a secured creditor, a lien creditor and any representative of creditors, including an assignee for the benefit of creditors, a trustee in bankruptcy, a receiver in equity and an executor or administrator of an insolvent debtor's or assignor's estate.

(13) "Defendant" includes a person in the position of defendant in a cross-action or counterclaim.

(14) "Delivery" with respect to instruments, documents of title, chattel paper, or certificated securities means voluntary transfer of possession.

(15) "Document of title" includes bill of lading, dock warrant, dock receipt, warehouse receipt or order for the delivery of goods, and also any other document which in the regular course of business or financing is treated as adequately evidencing that the person in possession of it is entitled to receive, hold and dispose of the document and the goods it covers. To be a document of title a document must purport to be issued by or addressed to a bailee and purport to cover goods in the bailee's possession which are either identified or are fungible portions of an identified mass.

(16) "Fault" means wrongful act, omission or breach.

(17) "Fungible" with respect to goods or securities means goods or securities of which any unit is, by nature or usage of trade, the equivalent of any other like unit. Goods which are not fungible shall be deemed fungible for the purposes of this code to the extent that under a particular agreement or document unlike units are treated as equivalents.

(18) "Genuine" means free of forgery or counterfeiting.

(19) "Good faith" means honesty in fact in the conduct or transaction concerned.

(20) "Holder", with respect to a:

(a) negotiable instrument, means the person in possession if the instrument is payable to bearer or to the person in possession;

(b) certified security, means the person in possession is the registered owner, the security has been indorsed to the person in possession by the registered owner, or the security is in bearer form; or

(c) document of title, means the person in possession if the goods are deliverable to bearer or to the order of the person in possession.

(21) To "honor" is to pay or to accept and pay, or where a credit so engages to purchase or discount a draft complying with the terms of the credit.

(22) "Insolvency proceedings" includes any assignment for the benefit of creditors or other proceedings intended to liquidate or rehabilitate the estate of the person involved.

(23) A person is "insolvent" who either has ceased to pay his debts in the ordinary course of business or cannot pay his debts as they become due or is insolvent within the meaning of the federal bankruptcy law.

(24) "Money" means a medium of exchange authorized or adopted by a domestic or foreign government or intergovernmental organization.

(25) A person has "notice" of a fact when:

(a) he has actual knowledge of it; or

(b) he has received a notice or notification of it; or

(c) from all the facts and circumstances known to him at the time in question he has reason to know that it exists. A person "knows" or has "knowledge" of a fact when he has actual knowledge of it. "Discover" or "learn" or a word or phrase of similar import refers to knowledge rather than to reason to know. The time and circumstances under which a notice or notification may cease to be effective are not determined by this code.

(26) A person "notifies" or "gives" a notice or notification to another by taking such steps as may be reasonably required to inform the other in ordinary course whether or not such other actually comes to know of it. A person "receives" a notice or notification when:

(a) it comes to his attention; or

(b) it is duly delivered at the place of business through which the contract was made or at any other place held out by him as the place for receipt of such communications.

(27) Notice, knowledge or a notice or notification received by an organization is effective for a particular transaction from the time when it is brought to the attention of the individual conducting that transaction, and in any event from the time when it would have been brought to his attention if the organization had exercised due diligence. An organization exercises due diligence if it maintains reasonable routines for communicating significant information to the person conducting the transaction and there is reasonable compliance with the routines. Due diligence does not require an individual acting for the organization to communicate information unless such communication is part of his regular duties or unless he has reason to know of the transaction and that the transaction would be materially affected by the information.

(28) "Organization" includes a corporation, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, two or more persons having a joint or common interest, or any other legal or commercial entity.

(29) "Party" as distinct from "third party" means a person who has engaged in a transaction or made an agreement within this code.

(30) "Person" includes an individual or an organization.

(31) "Presumption" or "presumed" means that the trier of fact must find the existence of the fact presumed unless and until evidence is introduced which would support a finding of its nonexistence.

(32) "Purchase" includes taking by sale, discount, negotiation, mortgage, pledge, lien, issue or reissue, gift or any other voluntary transaction creating an interest in property.

(33) "Purchaser" means a person who takes by purchase.

(34) "Remedy" means any remedial right to which an aggrieved party is entitled with or without resort to a tribunal.

(35) "Representative" includes an agent, an officer of a corporation or association, and a trustee, executor or administrator of an estate, or any other person empowered to act for another.

(36) "Rights" includes remedies.

(37) (a) "Security interest" means an interest in personal property or fixtures that secures payment or performance of an obligation. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (30-2-401) is limited in effect to a reservation of a "security interest". The term also includes any interest of a buyer of accounts or chattel paper that is subject to chapter 9. The special property interest of a buyer of goods on identification of those goods to a contract for sale under 30-2-401 is not a "security interest", but a buyer may also acquire a "security interest" by complying with chapter 9. Unless a consignment is intended as security, reservation of title thereunder is not a "security interest", but a consignment in any event is subject to the provisions on consignment sales (30-2-326). Whether a transaction creates a lease or security interest is determined by the facts of each case; however, a transaction creates a security interest if the consideration the lessee is to pay the lessor for the right to possession and use of the goods is an obligation for the term of the lease not subject to termination by the lessee and:

(i) the original term of the lease is equal to or greater than the remaining economic life of the goods;

(ii) the lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods;

(iii) the lessee has an option to renew the lease for the remaining economic life of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement; or

(iv) the lessee has an option to become the owner of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement.

(b) A transaction does not create a security interest merely because it provides that:

(i) the present value of the consideration the lessee is obligated to pay the lessor for the right to possession and use of the goods is substantially equal to or is greater than the fair market value of the goods at the time the lease is entered into;

(ii) the lessee assumes risk of loss of the goods or agrees to pay taxes, insurance, filing, recording, or registration fees or service or maintenance costs with respect to the goods;

(iii) the lessee has an option to renew the lease or to become the owner of the goods;

(iv) the lessee has an option to renew the lease for a fixed rent that is equal to or greater than the reasonably predictable fair market value for the use of the goods for the term of the renewal at the time the option is to be performed; or

(v) the lessee has an option to become the owner of the goods for a fixed price that is equal to or greater than the reasonably predictable fair market value of the goods at the time the option is to be performed.

(c) For purposes of this subsection (37):

(i) additional consideration is not nominal if:

(A) when the option to renew the lease is granted to the lessee, the rent is stated to be the fair market rent for the use of the goods for the term of the renewal determined at the time the option is to be performed; or

(B) when the option to become the owner of the goods is granted to the lessee, the price is stated to be the fair market value of the goods determined at the time the option is to be performed;

(ii) additional consideration is nominal if it is less than the lessee's reasonably predictable cost of performing under the lease agreement if the option is not exercised;

(iii) "reasonably predictable" and "remaining economic life of the goods" are to be determined with reference to the facts and circumstances at the time the transaction is entered into; and

(iv) "present value" means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate is not manifestly unreasonable at the time the transaction is entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.

(38) "Send" in connection with any writing or notice means to deposit in the mail or deliver for transmission by any other usual means of communication with postage or cost of transmission provided for and properly addressed, and in the case of an instrument to an address specified thereon or otherwise agreed, or if there be none to any address reasonable under the circumstances. The receipt of any writing or notice within the time at which it would have arrived if properly sent has the effect of a proper sending.

(39) "Signed" includes any symbol executed or adopted by a party with present intention to authenticate a writing.

(40) "Surety" includes guarantor.

(41) "Telegram" includes a message transmitted by radio, teletype, cable, any mechanical method of transmission, or the like.

(42) "Term" means that portion of an agreement which relates to a particular matter.

(43) "Unauthorized" signature means one made without actual, implied, or apparent authority and includes a forgery.

(44) "Value". Except as otherwise provided with respect to negotiable instruments and bank collections (30-3-303, 30-4-208, and 30-4-209), a person gives "value" for rights if he acquires them:

(a) in return for a binding commitment to extend credit or for the extension of immediately available credit whether or not drawn upon and whether or not a charge-back is provided for in the event of difficulties in collection; or

(b) as security for or in total or partial satisfaction of a preexisting claim; or

(c) by accepting delivery pursuant to a preexisting contract for purchase; or

(d) generally, in return for any consideration sufficient to support a simple contract.

(45) "Warehouse receipt" means a receipt issued by a person engaged in the business of storing goods for hire.

(46) "Written" or "writing" includes printing, typewriting, or any other intentional reduction to tangible form.

30-1-201. (Effective July 1, 2001) General definitions. Subject to additional definitions contained in the subsequent chapters of this code that are applicable to specific chapters or parts thereof, and unless the context otherwise requires, in this code:

(1) "Action" in the sense of a judicial proceeding includes recoupment, counterclaim, setoff, suit in equity, and any other proceedings in which rights are determined.

(2) "Aggrieved party" means a party entitled to resort to a remedy.

(3) "Agreement" means the bargain of the parties in fact as found in their language or by implication from other circumstances, including course of dealing or usage of trade or course of performance as provided in this code (30-1-205 and 30-2-208). Whether an agreement has legal consequences is determined by the provisions of this code, if applicable; otherwise by the law of contracts (30-1-103).

(4) "Bank" means any person engaged in the business of banking.

(5) "Bearer" means the person in possession of an instrument, document of title, or certificated security payable to bearer or endorsed in blank.

(6) "Bill of lading" means a document evidencing the receipt of goods for shipment issued by a person engaged in the business of transporting or forwarding goods, and includes an airbill. "Airbill" means a document serving for air transportation as a bill of lading does for marine or rail transportation, and includes an air consignment note or air waybill.

(7) "Branch" includes a separately incorporated foreign branch of a bank.

(8) "Burden of establishing" a fact means the burden of persuading the triers of fact that the existence of the fact is more probable than its nonexistence.

(9) "Buyer in ordinary course of business" means a person that buys goods, in good faith, without knowledge that the sale violates the rights of another person in the goods, and in the ordinary course from a person, other than a pawnbroker, in the business of selling goods of that kind. A person buys goods in the ordinary course if the sale to the person comports with the usual or customary practices in the kind of business in which the seller is engaged or with the seller's own usual or customary practices. A person that sells oil, gas, or other mineral at the wellhead or minehead is a person in the business of selling goods of that kind. A buyer in ordinary course of business may buy for cash, by exchange of other property, or on secured or unsecured credit and may acquire goods or documents of title under a preexisting contract for sale. Only a buyer that takes possession of the goods or has a right to recover the goods from the seller under chapter 2 may be a buyer in ordinary course of business. A person that acquires goods in a transfer in bulk or as security for or in total or partial satisfaction of a money debt is not a buyer in ordinary course of business.

(10) "Conspicuous": A term or clause is conspicuous when it is so written that a reasonable person against whom it is to operate ought to have noticed it. A printed heading in capitals (as: Non-Negotiable Bill of Lading) is conspicuous. Language in the body of a form is "conspicuous" if it is in larger or other contrasting type or color. But in a telegram any stated term is "conspicuous". Whether a term or clause is "conspicuous" or not is for decision by the court.

(11) "Contract" means the total legal obligation which results from the parties' agreement as affected by this code and any other applicable rules of law.

(12) "Creditor" includes a general creditor, a secured creditor, a lien creditor and any representative of creditors, including an assignee for the benefit of creditors, a trustee in bankruptcy, a receiver in equity and an executor or administrator of an insolvent debtor's or assignor's estate.

(13) "Defendant" includes a person in the position of defendant in a cross-action or counterclaim.

(14) "Delivery" with respect to instruments, documents of title, chattel paper, or certificated securities means voluntary transfer of possession.

(15) "Document of title" includes bill of lading, dock warrant, dock receipt, warehouse receipt or order for the delivery of goods, and also any other document which in the regular course of business or financing is treated as adequately evidencing that the person in possession of it is entitled to receive, hold and dispose of the document and the goods it covers. To be a document of title a document must purport to be issued by or addressed to a bailee and purport to cover goods in the bailee's possession which are either identified or are fungible portions of an identified mass.

(16) "Fault" means wrongful act, omission or breach.

(17) "Fungible" with respect to goods or securities means goods or securities of which any unit is, by nature or usage of trade, the equivalent of any other like unit. Goods which are not fungible shall be deemed fungible for the purposes of this code to the extent that under a particular agreement or document unlike units are treated as equivalents.

(18) "Genuine" means free of forgery or counterfeiting.

(19) "Good faith" means honesty in fact in the conduct or transaction concerned.

(20) "Holder", with respect to a:

(a) negotiable instrument, means the person in possession if the instrument is payable to bearer or to the person in possession;

(b) certified security, means the person in possession is the registered owner, the security has been indorsed to the person in possession by the registered owner, or the security is in bearer form; or

(c) document of title, means the person in possession if the goods are deliverable to bearer or to the order of the person in possession.

(21) To "honor" is to pay or to accept and pay, or where a credit so engages to purchase or discount a draft complying with the terms of the credit.

(22) "Insolvency proceedings" includes any assignment for the benefit of creditors or other proceedings intended to liquidate or rehabilitate the estate of the person involved.

(23) A person is "insolvent" who either has ceased to pay his debts in the ordinary course of business or cannot pay his debts as they become due or is insolvent within the meaning of the federal bankruptcy law.

(24) "Money" means a medium of exchange authorized or adopted by a domestic or foreign government or intergovernmental organization.

(25) A person has "notice" of a fact when:

(a) he has actual knowledge of it; or

(b) he has received a notice or notification of it; or

(c) from all the facts and circumstances known to him at the time in question he has reason to know that it exists. A person "knows" or has "knowledge" of a fact when he has actual knowledge of it. "Discover" or "learn" or a word or phrase of similar import refers to knowledge rather than to reason to know. The time and circumstances under which a notice or notification may cease to be effective are not determined by this code.

(26) A person "notifies" or "gives" a notice or notification to another by taking such steps as may be reasonably required to inform the other in ordinary course whether or not such other actually comes to know of it. A person "receives" a notice or notification when:

(a) it comes to his attention; or

(b) it is duly delivered at the place of business through which the contract was made or at any other place held out by him as the place for receipt of such communications.

(27) Notice, knowledge or a notice or notification received by an organization is effective for a particular transaction from the time when it is brought to the attention of the individual conducting that transaction, and in any event from the time when it would have been brought to his attention if the organization had exercised due diligence. An organization exercises due diligence if it maintains reasonable routines for communicating significant information to the person conducting the transaction and there is reasonable compliance with the routines.

Due diligence does not require an individual acting for the organization to communicate information unless such communication is part of his regular duties or unless he has reason to know of the transaction and that the transaction would be materially affected by the information.

(28) "Organization" includes a corporation, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, two or more persons having a joint or common interest, or any other legal or commercial entity.

(36) "Rights" includes remedies.

(37) *(a)* "Security interest" means an interest in personal property or fixtures that secures payment or performance of an obligation. The term also includes any interest of a consignor and a buyer of accounts, chattel paper, a payment intangible, or a promissory note in a transaction that is subject to chapter 9. The special property interest of a buyer of goods on identification of those goods to a contract for sale under 30-2-401 is not a "security interest", but a buyer may also acquire a "security interest" by complying with chapter 9. Except as otherwise provided in 30-2-505, the right of a seller or lessor of goods under chapter 2 or 2A to retain or acquire possession of the goods in not a "security interest", but a seller or lessor may also acquire a "security interest" by complying with chapter 9. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (30-2-401) is limited in effect to a reservation of a "security interest". *Whether a transaction creates a lease or security interest is determined by the facts of each case; however, a transaction creates a security interest if the consideration the lessee is to pay the lessor for the right to possession and use of the goods is an obligation for the term of the lease not subject to termination by the lessee and:*

(i) the original term of the lease is equal to or greater than the remaining economic life of the goods;

(ii) the lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods;

(iii) the lessee has an option to renew the lease for the remaining economic life of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement; or

(iv) the lessee has an option to become the owner of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement.

(b) A transaction does not create a security interest merely because it provides that:

(i) the present value of the consideration the lessee is obligated to pay the lessor for the right to possession and use of the goods is substantially equal to or is greater than the fair market value of the goods at the time the lease is entered into;

(ii) the lessee assumes risk of loss of the goods or agrees to pay taxes, insurance, filing, recording, or registration fees or service or maintenance costs with respect to the goods;

(iii) the lessee has an option to renew the lease or to become the owner of the goods;

(iv) the lessee has an option to renew the lease for a fixed rent that is equal to or greater than the reasonably predictable fair market value for the use of the goods for the term of the renewal at the time the option is to be performed; or

(v) the lessee has an option to become the owner of the goods for a fixed price that is equal to or greater than the reasonably predictable fair market value of the goods at the time the option is to be performed.

(c) For purposes of this subsection (37):

(i) additional consideration is not nominal if:

(A) when the option to renew the lease is granted to the lessee, the rent is stated to be the fair market rent for the use of the goods for the term of the renewal determined at the time the option is to be performed; or

(B) when the option to become the owner of the goods is granted to the lessee, the price is stated to be the fair market value of the goods determined at the time the option is to be performed;

(ii) additional consideration is nominal if it is less than the lessee's reasonably predictable cost of performing under the lease agreement if the option is not exercised;

(iii) "reasonably predictable" and "remaining economic life of the goods" are to be determined with reference to the facts and circumstances at the time the transaction is entered into; and

(iv) "present value" means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate is not manifestly unreasonable at the time the transaction is entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.

(38) "Send" in connection with any writing or notice means to deposit in the mail or deliver for transmission by any other usual means of communication with postage or cost of transmission provided for and properly addressed, and in the case of an instrument to an address specified thereon or otherwise agreed, or if

there be none to any address reasonable under the circumstances. The receipt of any writing or notice within the time at which it would have arrived if properly sent has the effect of a proper sending.

(39) "Signed" includes any symbol executed or adopted by a party with present intention to authenticate a writing.

(40) "Surety" includes guarantor.

(a) in return for a binding commitment to extend credit or for the extension of immediately available credit whether or not drawn upon and whether or not a charge-back is provided for in the event of difficulties in collection; or

(b) as security for or in total or partial satisfaction of a preexisting claim; or

(c) by accepting delivery pursuant to a preexisting contract for purchase; or

Section 7. Section 30-9-331, MCA, is amended to read:

"30-9-331. (Effective July 1, 2001) Perfection of security interests in property subject to certain statutes, regulations, and treaties. (1) Except as otherwise provided in subsection (4), the filing of a financing statement is not necessary or effective to perfect a security interest in property subject to:

(a) a statute, regulation, or treaty of the United States whose requirements for a security interest's obtaining priority over the rights of a lien creditor with respect to the property preempt 30-9-330(1);

(b) the certificate of ownership provisions of Title 23 or Title 61; or

(c) a certificate of title statute of another jurisdiction that provides for a security interest to be indicated on the certificate as a condition or result of the security interest's obtaining priority over the rights of a lien creditor with respect to the property.

(2) Compliance with the requirements of a statute, regulation, or treaty described in subsection (1) for obtaining priority over the rights of a lien creditor is equivalent to the filing of a financing statement under this chapter. Except as otherwise provided in 30-9-333 and 30-9-336(4) and (5) and subsection (4) of this section for goods covered by a certificate of title, a security interest in property subject to a statute, regulation, or treaty described in subsection (1) may be perfected only by compliance with those requirements, and a security interest so perfected remains perfected notwithstanding a change in the use or transfer of possession of the collateral.

(3) Except as otherwise provided in 30-9-336(4) and (5) and subsection (4) of this section, duration and renewal of perfection of a security interest perfected by compliance with the requirements prescribed by a statute, regulation, or treaty described in subsection (1) are governed by the statute, regulation, or treaty. In other respects the security interest is subject to this chapter.

(4) During any period in which collateral *subject to a statute specified in subsection (1)(b)* is inventory held for sale or lease by a person or leased by that person as lessor and that person is in the business of selling ~~or leasing~~ goods of that kind, this section does not apply to a security interest in that collateral created by that person ~~as debtor~~."

Section 8. Section 30-9-337, MCA, is amended to read:

"**30-9-337. (Effective July 1, 2001) Interests that take priority over or take free of ~~unperfected~~ security interest or agricultural lien.** (1) ~~An unperfected~~ *A* security interest or agricultural lien is subordinate to the rights of:

(a) a person entitled to priority under 30-9-342; and

(b) *except as otherwise provided in subsection (5),* a person that becomes a lien creditor before the earlier of the time*:*

(i) the security interest or agricultural lien is perfected*;* or

(ii) one of the conditions specified in 30-9-213(2)(c) is met and a financing statement covering the collateral is filed.

(2) Except as otherwise provided in subsection (5), a buyer, other than a secured party, of chattel paper, documents, goods, instruments, or a security certificate takes free of a security interest or agricultural lien if the buyer gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(3) Except as otherwise provided in subsection (5), a lessee of goods takes free of a security interest or agricultural lien if the lessee gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(4) A licensee of a general intangible or a buyer, other than a secured party, of accounts, general intangibles, or investment property other than a certificated security takes free of a security interest if the licensee or buyer gives value without knowledge of the security interest and before it is perfected.

(5) Except as otherwise provided in 30-9-340 and 30-9-341, if a person files a financing statement with respect to a purchase-money security interest before or within 20 days after the debtor receives delivery of the collateral, the security interest takes priority over the rights of a buyer, lessee, or lien creditor that arise between the time the security interest attaches and the time of filing."

Section 9. Section 30-9-343, MCA, is amended to read:

"30-9-343. (Effective July 1, 2001) Future advances. (1) Except as otherwise provided in subsection (3), for purposes of determining the priority of a perfected security interest under 30-9-342(1)(a), perfection of the security interest dates from the time an advance is made to the extent that the security interest secures an advance that:

(a) is made while the security interest is perfected only:

(i) under 30-9-329 when it attaches; or

(ii) temporarily under 30-9-332(5), (6), or (7); and

(b) is not made pursuant to a commitment entered into before or while the security interest is perfected by a method other than under 30-9-329 or 30-9-332(5), (6), or (7).

(2) Except as otherwise provided in subsection (3), a security interest is subordinate to the rights of a person that becomes a lien creditor ~~while the security interest is perfected only~~ to the extent that ~~it~~ *the security interest* secures ~~advances~~ *an advance* made more than 45 days after the person becomes a lien creditor unless the advance is made:

(a) without knowledge of the lien; or

(b) pursuant to a commitment entered into without knowledge of the lien.

(3) Subsections (1) and (2) do not apply to a security interest held by a secured party that is a buyer of accounts, chattel paper, payment intangibles, or promissory notes or a consignor.

(4) Except as otherwise provided in subsection (5), a buyer of goods other than a buyer in ordinary course of business takes free of a security interest to the extent that it secures advances made after the earlier of:

(a) the time the secured party acquires knowledge of the buyer's purchase; or

(b) 45 days after the purchase.

(5) Subsection (4) does not apply if the advance is made pursuant to a commitment entered into without knowledge of the buyer's purchase and before the expiration of the 45-day period.

(6) Except as otherwise provided in subsection (7), a lessee of goods, other than a lessee in ordinary course of business, takes the leasehold interest free of a security interest to the extent that it secures advances made after the earlier of:

(a) the time the secured party acquires knowledge of the lease; or

(b) 45 days after the lease contract becomes enforceable.

(7) Subsection (6) does not apply if the advance is made pursuant to a commitment entered into without knowledge of the lease and before the expiration of the 45-day period."

Section 10. Section 30-9-351, MCA, is amended to read:

"30-9-351. (Effective July 1, 2001) Priority of rights of purchasers of instruments, documents, and securities under other chapters — priority of interests in financial assets and security entitlements under chapter 8. (1) This chapter does not limit the rights of a holder in due course of a negotiable instrument, a holder to whom a negotiable document of title has been duly negotiated, or a protected purchaser of a security. These holders or purchasers take priority over an earlier security interest, even if perfected, to the extent provided in chapters 3, 7, and 8.

(2) This chapter does not limit the rights of or impose liability on a person to the extent that the person is protected against the assertion of ~~an adverse~~ *a* claim under chapter 8.

(3) Filing under this chapter does not constitute notice of a claim or defense to the holders, purchasers, or persons mentioned in subsections (1) and (2)."

Section 11. Section 30-9-356, MCA, is amended to read:

"30-9-356. (Effective July 1, 2001) Commingled goods. (1) In this section, "commingled goods" means goods that are physically united with other goods in such a manner that their identity is lost in a product or mass.

(2) A security interest does not exist in commingled goods as such. However, a security interest may attach to a product or mass that results when goods become commingled goods.

(3) If collateral becomes commingled goods, a security interest attaches to the product or mass.

(4) If a security interest in collateral is perfected before the collateral becomes commingled goods, the security interest that attaches to the product or mass under subsection (3) is perfected.

(5) Except as otherwise provided in subsection (6), the other provisions of this part, as applicable, determine the priority of a security interest that attaches to the product or mass under subsection (3).

(6) If more than one security interest attaches to the product or mass under subsection (3), the following rules determine priority:

(a) A security interest that is perfected under subsection (4) has priority over a security interest that is unperfected at the time the collateral becomes commingled goods.

(b) If more than one security interest is perfected under subsection (4), the security interests rank equally in proportion to *the* value of the collateral at the time it became commingled goods."

Section 12. Section 30-9-446, MCA, is amended to read:

"30-9-446. (Effective July 1, 2001) Discharge of account debtor — notification of assignment — identification and proof of assignment — ~~term prohibiting~~ *restrictions on* assignment *of accounts, chattel paper, payment intangibles, and promissory notes* ineffective. (1) Subject to subsections (2) through ~~(8)~~ *(9)*, an account debtor on an account, chattel paper, or payment intangible may discharge its obligation by paying the assignor until, but not after, the account debtor receives a notification, authenticated by the assignor or the assignee, that the amount due or to become due has been assigned and that payment is to be made to the assignee. After receipt of the notification, the account debtor may discharge its obligation by paying the assignee and may not discharge the obligation by paying the assignor.

(2) Subject to subsection ~~(7)~~ *(8)*, notification is ineffective under subsection (1):

(a) if it does not reasonably identify the rights assigned;

(b) to the extent that an agreement between an account debtor and a seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this chapter; or

(c) at the option of an account debtor, if the notification notifies the account debtor to make less than the full amount of any installment or other periodic payment to the assignee, even if:

(i) only a portion of the account, chattel paper, or ~~general~~ *payment* intangible has been assigned to that assignee;

(ii) a portion has been assigned to another assignee; or

(iii) the account debtor knows that the assignment to that assignee is limited.

(3) Subject to subsection ~~(7)~~ *(8)*, if requested by the account debtor, an assignee shall seasonably furnish reasonable proof that the assignment has been made. Unless the assignee complies, the account debtor may discharge its obligation by paying the assignor, even if the account debtor has received a notification under subsection (1).

(4) Except as otherwise provided in 30-2A-303, 30-9-447, and subsection (5) of this section, and subject to subsection ~~(7)~~ *(8)* of this section, a term in an agreement between an account debtor and an assignor or in a promissory note is ineffective to the extent that it:

(a) prohibits, restricts, or requires the consent of the account debtor or person obligated on the promissory note to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, ~~an~~ *the* account, chattel paper, payment intangible, or promissory note; or

(b) provides that the *assignment or transfer or the* creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account, chattel paper, payment intangible, or promissory note.

(5) Subsection (4) does not apply to*:*

(a) the assignment or transfer or the creation, attachment, perfection, or enforcement of a security interest in:

(i) a claim or right to receive compensation for injuries or sickness as described in 26 U.S.C. 104(a)(2); or

(ii) a claim or right to receive benefits under a special needs trust as described in 42 U.S.C. 1396p(d)(4); or

(b) the sale of a payment intangible or promissory note.

(6) Except as otherwise provided in 30-2A-303 and 30-9-447 and subject to subsections (8) and (9), a rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, or account debtor to the assignment or transfer of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute, or regulation:

(a) prohibits, restricts, or requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in the account or chattel paper; or

(b) provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account or chattel paper.

~~(6)~~*(7)* Subject to subsection ~~(7)~~ *(8)*, an account debtor may not waive or vary its option under subsection (2)(c).

~~(7)~~*(8)* This section is subject to law other than this chapter that establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

~~(8)~~*(9)* This section does not apply to an assignment of a health-care-insurance receivable."

Section 13. Section 30-9-447, MCA, is amended to read:

"30-9-447. (Effective July 1, 2001) Restrictions on creation or enforcement of security interest in leasehold interest or in lessor's residual interest. (1) Except as otherwise provided in subsection (2), a term in a lease agreement is ineffective to the extent that it:

(a) prohibits, restricts, or requires the consent of a party to the lease to the *assignment or transfer of, or the* creation, attachment, perfection, or enforcement of a security interest in, an interest of a party under the lease contract or in the lessor's residual interest in the goods; or

(b) provides that the *assignment or transfer or the* creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the lease.

(2) Except as otherwise provided in 30-2A-303(7), a term described in subsection (1)(b) is effective to the extent that there is:

(a) a transfer by the lessee of the lessee's right of possession or use of the goods in violation of the term; or

(b) a delegation of a material performance of either party to the lease contract in violation of the term.

(3) The creation, attachment, perfection, or enforcement of a security interest in the lessor's interest under the lease contract or the lessor's residual interest in the goods is not a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on the lessee within 30-2A-303(4). This subsection does not apply to the extent that enforcement results in a delegation of a material performance of the lessor."

Section 14. Section 30-9-448, MCA, is amended to read:

"30-9-448. (Effective July 1, 2001) Restrictions on assignment of promissory notes, health-care-insurance receivables, and certain general intangibles ineffective. (1) Except as otherwise provided in subsection (2), a term in a promissory note or in an agreement between an account debtor and a debtor that relates to a health-care-insurance receivable or a general intangible, including a contract, permit, license, or franchise, and that prohibits, restricts, or requires the consent of the person obligated on the promissory note or the account debtor to, the assignment or transfer of, or the creation, attachment, or perfection of a security interest in, the promissory note, health-care-insurance receivable, or general intangible is ineffective to the extent that the term:

(a) would impair the creation, attachment, or perfection of a security interest; or

(b) provides that the *assignment or transfer or the* creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the promissory note, health-care-insurance receivable, or general intangible.

(2) Subsection (1) applies to a security interest in a payment intangible or promissory note only if the security interest arises out of a sale of the payment intangible or promissory note.

(3) A rule of law, including a provision in a statute or governmental rule or regulation, that prohibits, restricts, or requires the consent of a government, governmental body or official, person obligated on a promissory note, or account debtor to the assignment or transfer of, or creation of a security interest in, a promissory note, health-care-insurance receivable, or general intangible, including a contract, permit, license, or franchise between an account debtor and a debtor, is ineffective to the extent that the rule of law, statute, or regulation:

(a) would impair the creation, attachment, or perfection of a security interest; or

(b) provides that the *assignment or transfer or the* creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the promissory note, health-care-insurance receivable, or general intangible.

(4) To the extent that a term in a promissory note or in an agreement between an account debtor and a debtor that relates to a health-care-insurance receivable or general intangible or a rule of law described in subsection (3) would be effective under law other than this chapter but is ineffective under subsection (1) or (3), the creation, attachment, or perfection of a security interest in the promissory note, health-care-insurance receivable, or general intangible:

(a) is not enforceable against the person obligated on the promissory note or the account debtor;

(b) does not impose a duty or obligation on the person obligated on the promissory note or the account debtor;

(c) does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party, or accept payment or performance from the secured party;

(d) does not entitle the secured party to use or assign the debtor's rights under the promissory note, health-care-insurance receivable, or general intangible, including any related information or materials furnished to the debtor in the transaction giving rise to the promissory note, health-care-insurance receivable, or general intangible;

(e) does not entitle the secured party to use, assign, possess, or have access to any trade secrets or confidential information of the person obligated on the promissory note or the account debtor; and

(f) does not entitle the secured party to enforce the security interest in the promissory note, health-care-insurance receivable, or general intangible.

(5) Subsections (1) and (3) do not apply to the assignment or transfer or the creation, attachment, or perfection of a security interest in:

(a) a claim or right to receive compensation for injuries or sickness as described in 26 U.S.C. 104(a)(2);

(b) a claim or right to receive benefits under a special needs trust as described in 42 U.S.C. 1396p(d)(4).

~~(5)~~*(6)* This section prevails over any inconsistent provisions of other statutes or rules."

Section 15. Section 30-9-449, MCA, is amended to read:

"30-9-449. (Effective July 1, 2001) Restrictions on assignment of letter-of-credit rights ineffective. (1) A term in a letter of credit or a rule of law, including a provision in a statute or governmental rule or regulation, custom, or practice applicable to the letter of credit that prohibits, restricts, or requires the consent of an applicant, issuer, or nominated person to a beneficiary's assignment of or creation of a security interest in a letter-of-credit right is ineffective to the extent that the term or rule of law, custom, or practice:

(a) would impair the creation, attachment, or perfection of a security interest in the letter-of-credit right; or

(b) provides that the *assignment or the* creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the letter-of-credit right.

(2) To the extent that a term in a letter of credit is ineffective under subsection (1) but would be effective under law other than this chapter or a custom or practice applicable to the letter of credit, to the transfer of a right to draw or otherwise demand performance under the letter of credit, or to the assignment of a right to proceeds of the letter of credit, the creation, attachment, or perfection of a security interest in the letter-of-credit right:

(a) is not enforceable against the applicant, issuer, nominated person, or transferee beneficiary;

(b) imposes no duties or obligations on the applicant, issuer, nominated person, or transferee beneficiary; and

(c) does not require the applicant, issuer, nominated person, or transferee beneficiary to recognize the security interest, pay or render performance to the secured party, or accept payment or other performance from the secured party."

Section 16. Section 30-9-529, MCA, is amended to read:

"30-9-529. (Effective July 1, 2001) Persons entitled to file record. (1) A person may file an initial financing statement, an amendment that adds collateral covered by a financing statement, or an amendment that adds a debtor to a financing statement only if:

(a) the debtor authorizes the filing in an authenticated record *or pursuant to subsection (2) or (3)*; or

(b) the person holds an agricultural lien that has become effective at the time of filing and the financing statement covers only collateral in which the person holds an agricultural lien.

(2) By authenticating a security agreement, a debtor authorizes the filing of an initial financing statement and an amendment covering:

(a) the collateral described in the security agreement; and

(b) property that becomes collateral under 30-9-335(1)(b), whether or not the security agreement expressly covers proceeds.

(3) A person may file an amendment other than an amendment that adds collateral covered by a financing statement or an amendment that adds a debtor to a financing statement only if:

(a) the secured party of record authorizes the filing; or

(b) the amendment is a termination statement for a financing statement as to which the secured party of record has failed to file or send a termination statement as required by 30-9-533(1) or (3), the debtor authorizes the filing, and the termination statement indicates that the debtor authorized it to be filed.

(4) If there is more than one secured party of record for a financing statement, each secured party of record may authorize the filing of an amendment under subsection (3)."

Section 17. Section 30-9-533, MCA, is amended to read:

"30-9-533. (Effective July 1, 2001) Termination statement. (1) A secured party shall cause the secured party of record for a financing statement to file a termination statement for the financing statement if the financing statement covers consumer goods and:

(a) there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value; or

(b) the debtor did not authorize the filing of the initial financing statement.

(2) To comply with subsection (1), a secured party shall cause the secured party of record to file the termination statement:

(a) within 1 month after there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value; or

(b) if earlier, within 20 days after the secured party receives an authenticated demand from a debtor.

(3) In cases not governed by subsection (1), within 20 days after a secured party receives an authenticated demand from a debtor, the secured party shall cause the secured party of record for a financing statement to send to the debtor a

termination statement for the financing statement or file the termination statement in the filing office if:

(a) except in the case of a financing statement covering accounts or chattel paper that has been sold or goods that are the subject of a consignment, there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value;

(b) the financing statement covers accounts or chattel paper that has been sold but as to which the account debtor or other person obligated has discharged its obligation;

(c) the financing statement covers goods that were the subject of a consignment to the debtor but are not in the debtor's possession; or

(d) the debtor did not authorize the filing of the initial financing statement.

(4) Except as otherwise provided in 30-9-530, upon the filing of a termination statement with the filing office, the financing statement to which the termination statement relates ceases to be effective. *Except as otherwise provided in 30-9-530, for purposes of 30-9-539(7), 30-9-542(1), and 30-9-543(3), the filing with the filing office of a termination statement relating to a financing statement that indicates that the debtor is a transmitting utility also causes the effectiveness of the financing statement to lapse.*"

Section 18. Section 30-9-545, MCA, is amended to read:

"**30-9-545. (Effective July 1, 2001) Fees.** (1) Except as otherwise provided in subsection (5), the fee for filing and indexing a record under this part, other than an initial financing statement of the kind described in ~~30-9-522(3)~~ *subsection (2)*, must be commensurate with costs and must be established by rule.

(2) Except as otherwise provided in subsection (5), the fee for filing and indexing an initial financing statement ~~of the kind described in 30-9-522(3)~~ *filed in connection with a public-finance transaction or a manufactured-home transaction* must be commensurate with costs and must be established by rule.

(3) The number of names required to be indexed does not affect the amount of the fees in subsections (1) and (2).

(4) The fee for responding to a request for information from the filing office, including for communicating whether there is on file any financing statement naming a particular debtor, must be commensurate with costs and must be established by rule.

(5) This section does not require a fee with respect to a record of mortgage that is effective as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut under 30-9-522(3). However, the recording and satisfaction fees that otherwise would be applicable to the record of mortgage apply."

Section 19. Section 30-9-608, MCA, is amended to read:

"**30-9-608. (Effective July 1, 2001) Application of proceeds of collection or enforcement — liability for deficiency and right to surplus.** (1) If a security interest or agricultural lien secures payment or performance of an obligation, the following rules apply:

(a) A secured party shall apply or pay over for application the cash proceeds of collection or enforcement under ~~this section~~ *30-9-607* in the following order to:

(i) the reasonable expenses of collection and enforcement and, to the extent provided for by agreement and not prohibited by law, reasonable attorneys fees and legal expenses incurred by the secured party;

(ii) the satisfaction of obligations secured by the security interest or agricultural lien under which the collection or enforcement is made; and

(iii) the satisfaction of obligations secured by any subordinate security interest in or other lien on the collateral subject to the security interest or agricultural lien under which the collection or enforcement is made if the secured party receives an authenticated demand for proceeds before distribution of the proceeds is completed.

(b) If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder complies, the secured party need not comply with the holder's demand under subsection (1)(a)(iii).

(c) A secured party need not apply or pay over for application the noncash proceeds of collection and enforcement under ~~this section~~ *30-9-607* unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.

(d) A secured party shall account to and pay a debtor for any surplus, and the obligor is liable for any deficiency.

(2) If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes, the debtor is not entitled to any surplus and the obligor is not liable for any deficiency."

Section 20. Section 30-9-613, MCA, is amended to read:

"30-9-613. (Effective July 1, 2001) Contents and form of notification before disposition of collateral — general. (1) Except in a consumer-goods transaction, the following rules apply:

(a) The contents of a notification of disposition are sufficient if the notification:

(i) describes the debtor and the secured party;

(ii) describes the collateral that is the subject of the intended disposition;

(iii) states the method of intended disposition;

(iv) states that the debtor is entitled to an accounting of the unpaid indebtedness and states the charge, if any, for an accounting; and

(v) states the time and place of a public ~~sale~~ *disposition* or the time after which any other disposition is to be made.

(b) Whether the contents of a notification that lacks any of the information set forth in subsection (1) are nevertheless sufficient is a question of fact.

(c) The contents of a notification providing substantially the information specified in subsection (1) are sufficient, even if the notification includes:

(i) information not specified by that subsection; or

(ii) minor errors that are not seriously misleading.

(d) A particular phrasing of the notification is not required.

(2) The following form of notification and the form appearing in 30-9-614(3), when completed, each provides sufficient information:

Section 21. Section 30-9-615, MCA, is amended to read:

"30-9-615. (Effective July 1, 2001) Application of proceeds of disposition — liability for deficiency and right to surplus. (1) A secured party shall apply or pay over for application the cash proceeds of disposition *under 30-9-610* in the following order to:

(a) the reasonable expenses of retaking, holding, preparing for disposition, processing, and disposing, and to the extent provided for by agreement and not prohibited by law, reasonable attorneys fees and legal expenses incurred by the secured party;

(b) the satisfaction of obligations secured by the security interest or agricultural lien under which the disposition is made;

(c) the satisfaction of obligations secured by any subordinate security interest in or other lien on the collateral if:

(i) the secured party receives from the holder of the subordinate security interest an authenticated demand for proceeds before distribution of the proceeds is completed; and

(ii) if a consignor has an interest in the collateral, the subordinate security interest or lien is senior to the interest of the consignor; and

(d) a secured party that is a consignor of the collateral if the secured party receives from the consignor an authenticated demand for proceeds before distribution of the proceeds is completed.

(2) If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder does so, the secured party need not comply with the holder's demand under subsection (1)(c).

(3) A secured party need not apply or pay over for application noncash proceeds of disposition under ~~this section~~ *30-9-610* unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.

(4) If the security interest under which a disposition is made secures payment or performance of an obligation, after making the payments and applications required by subsection (1) and permitted by subsection (3):

(a) unless subsection (1)(d) requires the secured party to apply or pay over cash proceeds to a consignor, the secured party shall account to and pay a debtor for any surplus; and

(b) the obligor is liable for any deficiency.

(5) If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes:

(a) the debtor is not entitled to any surplus; and

(b) the obligor is not liable for any deficiency.

(6) The surplus or deficiency following a disposition is calculated based on the amount of proceeds that would have been realized in a disposition complying with the requirements of this part to a transferee other than the secured party, a person related to the secured party, or a secondary obligor if:

(a) the transferee in the disposition is the secured party, a person related to the secured party, or a secondary obligor; and

(b) the amount of proceeds of the disposition is significantly below the range of proceeds that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

(7) A secured party that receives cash proceeds of a disposition in good faith and without knowledge that the receipt violates the rights of the holder of a security interest or other lien that is not subordinate to the security interest or agricultural lien under which the disposition is made:

(a) takes the cash proceeds free of the security interest or other lien;

(b) is not obligated to apply the proceeds of the disposition to the satisfaction of obligations secured by the security interest or other lien; and

(c) is not obligated to account to or pay the holder of the security interest or other lien for any surplus."

Section 22. Section 30-9-625, MCA, is amended to read:

"30-9-625. (Effective July 1, 2001) Remedies for secured party's failure to comply with chapter. (1) If it is established that a secured party is not proceeding in accordance with this chapter, a court may order or restrain collection, enforcement, or disposition of collateral on appropriate terms and conditions.

(2) Subject to subsections (3), (4), and (6), a ~~secured party~~ *person* is liable for damages in the amount of any loss caused by a failure to comply with this chapter. Loss caused by a failure to comply ~~with a request under 30-9-220~~ may include loss resulting from the debtor's inability to obtain, or increased costs of, alternative financing.

(3) Except as otherwise provided in 30-9-628:

(a) a person that, at the time of the failure, was a debtor, was an obligor, or held a security interest in or other lien on the collateral may recover damages under subsection (2) for its loss; and

(b) if the collateral is consumer goods, a person that was a debtor or a secondary obligor at the time a secured party failed to comply with this part may recover for that failure in any event an amount not less than the credit service charge plus 10% of the principal amount of the obligation or the time-price differential plus 10% of the cash price.

(4) A debtor whose deficiency is eliminated under 30-9-626 may recover damages for the loss of any surplus. However, a debtor or secondary obligor whose deficiency is eliminated or reduced under 30-9-626 may not otherwise recover under subsection (2) of this section for noncompliance with the provisions of this part relating to collection, enforcement, disposition, or acceptance.

(5) In addition to any damages recoverable under subsection (2), the debtor, consumer obligor, or person named as a debtor in a filed record, as applicable, may recover $500 in each case from:

(a) a secured party that fails to comply with 30-9-218;

(b) a secured party that fails to comply with 30-9-219;

(c) a person that files a record that the person is not entitled to file under 30-9-529(1);

(d) a secured party that fails to cause the secured party of record to file or send a termination statement as required by 30-9-533(1) or (3);

(e) a secured party that fails to comply with 30-9-616(2)(a) and whose failure is part of a pattern, or consistent with a practice, of noncompliance; or

(f) a secured party that fails to comply with 30-9-616(2)(b).

(6) A debtor or consumer obligor may recover damages under subsection (2) and, in addition, $500 in each case from a person that, without reasonable cause, fails to comply with a request under 30-9-220. A recipient of a request under 30-9-220 that never claimed an interest in the collateral or obligations that are the subject of a request under that section has a reasonable excuse for failure to comply with the request within the meaning of this subsection.

(7) If a secured party fails to comply with a request regarding a list of collateral or a statement of account under 30-9-220, the secured party may claim a security interest only as shown in the *list or* statement included in the request as against a person that is reasonably misled by the failure."

Section 23. Section 164, Chapter 305, Laws of 1999, is amended to read:

"**Section 164. Effectiveness of action taken before effective date of act.** (1) If action other than the filing of a financing statement is taken before [this act] takes effect and the action would have resulted in priority of a security interest over the rights of a lien creditor had the security interest become enforceable before [this act] takes effect, the action is sufficient to perfect a security interest that attaches under [this act] within 1 year after [this act] takes effect. An attached security interest becomes unperfected 1 year after [this act] takes effect unless the security interest becomes a perfected security interest under [this act] before the expiration of that period.

(2) The filing of a financing statement before [this act] takes effect is sufficient to perfect a security interest that attaches after [this act] takes effect to the extent the filing would satisfy the applicable requirements for perfection under [this act].

(3) [This act] does not render ineffective an effective financing statement that is filed before [this act] takes effect in accordance with the law of the jurisdiction governing perfection as provided in [former 30-9-103]. However, except as otherwise provided in subsection (4):

(a) the financing statement ceases to be effective at the earlier of:

(i) the time the financing statement would have ceased to be effective under the law of the jurisdiction in which it is filed; or

(ii) 5 years after [this act] takes effect; and

(b) a continuation statement filed after [this act] takes effect does not continue the effectiveness of the financing statement.

(4) A continuation statement filed after [this act] takes effect and in accordance with the law of the jurisdiction governing perfection as provided in [sections 20 through 61] is effective to continue the effectiveness of a financing statement filed in that jurisdiction before [this act] takes effect.

(5) Subsection (3)(b) applies to a financing statement that, before [this act] takes effect, is filed against a transmitting utility and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in [former 30-9-103] only to the extent that Title 30, chapter 9, part 3, provides that the law of a jurisdiction other than the jurisdiction in which the financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.

~~(5)~~*(6)* [This act] does not render ineffective an effective financing statement that was filed before [this act] takes effect and in the office specified in [former 30-9-401]. However, except as otherwise provided in subsection ~~(6)~~ *(7)*:

(a) the financing statement ceases to be effective at the earlier of:

(i) the time the financing statement would have ceased to be effective under [former chapter 9]; or

(ii) 5 years after [this act] takes effect; and

(b) a continuation statement filed after [this act] takes effect does not continue the effectiveness of the financing statement.

~~(6)~~*(7)* A continuation statement filed after [this act] takes effect and in the office specified in [section 71] is effective to continue the effectiveness of a financing statement filed in that office before [this act] takes effect.

~~(7)~~*(8)* A financing statement that includes a financing statement filed before [this act] takes effect and a continuation statement filed after [this act] takes effect is effective only to the extent that it satisfies the requirements of [sections 71 through 97] for an initial financing statement."

Section 24. Amendment of pre-effective-date financing statement. (1) In this section, "pre-effective-date financing statement" means a financing statement filed before [this act] and Chapter 305, Laws of 1999, take effect.

(2) After [this act] and Chapter 305, Laws of 1999, take effect, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or otherwise amend the information provided in a pre-effective-date financing statement only in accordance with the law of the jurisdiction governing perfection as provided in Title 30, chapter 9, part 3. However, the effectiveness of a pre-effective-date financing statement also may be terminated in accordance with the law of the jurisdiction in which the financing statement is filed.

(3) Except as otherwise provided in subsection (4), if the law of this state governs perfection of a security interest, the information in a pre-effective-date financing statement may be amended after [this act] and Chapter 305, Laws of 1999, take effect only if:

(a) the pre-effective-date financing statement and an amendment are filed in the office specified in 30-9-521;

(b) an amendment is filed in the office specified in 30-9-521 concurrently with, or after the filing in that office of, an initial financing statement that satisfies section 164(3), Chapter 305, Laws of 1999; or

(c) an initial financing statement that provides the information as amended and satisfies section 164(3), Chapter 305, Laws of 1999, is filed in the office specified in 30-9-521.

(4) If the law of this state governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement may be continued only under section 164(4) and (5) or section 165, Chapter 305, Laws of 1999.

(5) Whether or not the law of this state governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement filed in this state may be terminated after [this act] and Chapter 305, Laws of 1999, take effect by filing a termination statement in the office in which the pre-effective-date financing statement is filed, unless an initial financing statement that satisfies section 164(3), Chapter 305, Laws of 1999, has been filed in the office specified by the law of the jurisdiction governing perfection as provided in Title 30, chapter 9, part 3, as the office in which to file a financing statement.

Section 25. Codification instruction. [Section 24] and sections 161 through 167, Chapter 305, Laws of 1999, are intended to be codified as an integral part of Title 30, chapter 9, and the provisions of Title 30, chapter 9, apply to [section 24] and sections 161 through 167, Chapter 305, Laws of 1999.

Section 26. Effective date. [This act] is effective July 1, 2001.

CHAPTER NO. 180

[SB 74]

AN ACT REGULATING THE TERMINATION, CANCELLATION, NONRENEWAL, SUBSTANTIAL ALTERATION, OR TRANSFER OF CONSTRUCTION EQUIPMENT DEALERSHIP AGREEMENTS.

Be it enacted by the Legislature of the State of Montana:

Section 1. Definitions. As used in [sections 1 through 9] the following definitions apply:

(1) "Community of interest" means a continuing financial interest that the grantor and grantee have in common.

(2) "Construction equipment" means any vehicle, machine, or attachment designed or adapted and used in construction, heavy construction, highway construction, and remodeling work.

(3) "Dealer" means a person who is a grantee of a construction equipment dealership situated in this state.

(4) "Dealership" means a contract or agreement, expressed or implied, whether oral or written, including a franchise as defined in 61-4-201, by which a person is granted the right to sell or distribute construction equipment, in which there is a community of interest in the business of offering, selling, or distributing construction equipment.

(5) "Department" means the department of commerce established in 2-15-1801.

(6) "Designated family member" means the spouse, child, grandchild, parent, brother, or sister of a dealer.

(7) "Designated successor" means a person designated in writing by the retiring dealer to succeed in the dealership or, in the case of an incapacitated dealer, a person appointed by a court as the legal representative of the dealer's property or the appointed and qualified personal representative and the testamentary trustee of a deceased dealer.

(8) (a) "Good cause", when used in [sections 2, 3, and 9], means:

(i) failure by a dealer to comply substantially with essential and reasonable requirements imposed upon the dealer by the grantor or sought to be imposed by the grantor, which requirements are not discriminatory as compared with requirements imposed on other similarly situated dealers either by the terms of the requirements or in the manner of their enforcement; or

(ii) bad faith by the dealer in carrying out the terms of the dealership.

(b) Good cause, when used in [sections 4 through 8], means a showing that succession to a dealership would be detrimental to the public interest or to the representation of the grantor.

(9) "Grantor" means a person who grants a dealership.

(10) "Person" means any individual, partnership, association, corporation, or other entity.

Section 2. Cancellation and alteration of dealerships. A grantor may not, directly or indirectly, terminate, cancel, fail to renew, or substantially change the competitive circumstances of a dealership agreement without good cause. The burden of proving good cause is on the grantor.

Section 3. Notice of termination or change in dealership. (1) Except as provided in subsections (2) and (3), a grantor shall provide a dealer at least 90 days' prior written notice by certified mail of termination, cancellation, nonrenewal, or substantial change in competitive circumstances. The notice must state all the reasons for termination, cancellation, nonrenewal, or substantial change in competitive circumstances and must provide that the dealer has 60 days from receipt of the notice in which to rectify any claimed deficiency. If the deficiency is rectified within 60 days, the notice is void.

(2) If the reason for termination, cancellation, nonrenewal, or substantial change in competitive circumstances is nonpayment of sums due under the dealership, the dealer is entitled to 10 days' prior written notice by certified mail. If the dealer does not remedy the default within 10 days after receipt of the notice, the notice is effective according to its terms.

(3) The notice provisions of this section do not apply if the reason for termination, cancellation, or nonrenewal is insolvency, the occurrence of an assignment for the benefit of creditors, or bankruptcy.

Section 4. Transfer. A grantor may not unreasonably withhold consent to any transfer of the dealer's business or transfer of the stock or other interest in the dealership to a designated family member, to the principal owner of the dealership, or to a person whom the dealer wishes to designate as a designated successor. The grantor may require that the designated successor or designated family member meet the reasonable requirements of the grantor. The requirements must be specified and made available to any dealer upon request but may not extend beyond business, financial, character, and experience qualifications. If a grantor determines that a proposed transferee does not meet the requirements, the grantor shall give the dealer written notice stating the specific reasons for withholding consent.

Section 5. Refusal to honor succession to ownership — notice required. (1) If a grantor believes that good cause exists for refusing to honor the succession to the ownership and operation of a dealership by a designated family member or by a designated successor under the existing franchise agreement, the grantor may, within 30 days of receipt of notice of the designated family member's or designated successor's intent to succeed the dealer in the ownership and operation of the dealership, serve upon the designated family member or designated successor and the department notice of the grantor's refusal to honor the succession and of the grantor's intent to discontinue the existing franchise agreement with the dealership no sooner than 60 days from the date the notice is served.

(2) The notice must state the specific grounds for the refusal to honor the succession and the intent to discontinue the existing franchise agreement with the dealership no sooner than 60 days from the date the notice is served.

(3) If notice of refusal and discontinuance is not timely served upon the designated family member or designated successor and the department or if the department rules in favor of the complainant in a hearing held pursuant to [section 6], the franchise agreement must continue in effect subject to termination only as otherwise permitted by law.

Section 6. Procedure to determine right to succeed. (1) A designated family member or designated successor who receives notice of the grantor's refusal to honor succession to the ownership and operation of the dealership may, within the 60-day period provided for in [section 5], file with the department a verified complaint for a hearing and determination by the department on whether good cause exists for refusal and discontinuance.

(2) The grantor shall establish good cause for refusal to honor the succession to ownership.

(3) The franchise agreement must continue in effect until the final determination of the issues raised in the complaint.

(4) If the grantor prevails, the department shall include in its order approving the termination of the franchise agreement reasonable conditions affording the complainant an opportunity to receive fair and reasonable compensation for the value of the dealership.

(5) Any decision by the department may be reviewed pursuant to Title 2, chapter 4, part 7.

Section 7. Written designation of succession unaffected. [Sections 4 through 8] do not preclude a dealer from designating any person as the dealer's successor by written instrument filed with the grantor.

Section 8. Civil damages. A dealer suffering pecuniary loss due to a violation of [sections 4 through 8] who prevails in a civil action for the loss is entitled to damages equal to the pecuniary loss, together with court costs and reasonable attorney fees.

Section 9. Action for damages and injunctive relief. If any grantor violates [sections 1 through 9], a dealer may bring an action against the grantor in any court of competent jurisdiction for damages sustained as a consequence of the grantor's violation, together with the actual costs of the action, including reasonable attorney fees, and the dealer also may be granted injunctive relief against unlawful termination, cancellation, nonrenewal, or substantial change of competitive circumstances.

Section 10. Codification instruction. [Sections 1 through 9] are intended to be codified as an integral part of Title 30, chapter 11, and the provisions of Title 30, chapter 11, apply to [sections 1 through 9].

Section 1. Section 2-2-201, MCA, is amended to read:

"2-2-201. Public officers, employees, and former employees not to have interest in contracts ~~— local government waiver~~. (1) Members of the legislature; state, county, city, town, or township officers; or any ~~deputy~~ *deputies* or ~~employee~~ *employees* of an enumerated governmental entity may not be interested in any contract made by them in their official capacity or by any body, agency, or board of which they are members or employees *if they are directly involved with the contract*. A former employee may not, within 6 months following the termination of employment, contract or be employed by an employer who contracts with the state or any of its subdivisions involving matters with which the former employee was directly involved during employment.

~~(b) whether an opportunity was provided for open competitive bidding or negotiation;~~

~~(c) whether the person affected is a member of a clearly identified group of persons that is the intended beneficiary of the program or project involved in the contract; and~~

2. **Natural Flow:** The United States has a water right to the natural flow in all the tributaries entering the Refuge above the most downstream point on the Refuge at the point the tributary enters the Refuge in the amount of the natural flow remaining after satisfaction of the following water rights:

a. all rights recognized under state law upstream from the Refuge with a priority date prior to the effective date of this Compact; and

b. any rights exempt from the basin closure set forth in Article III.A. of this Compact.

3. **Minimum Flow:** Subject to the provisions of Article III.C.1., the United States has a water right for minimum flows on Red Rock, Tom and Odell Creeks as follows:

a. Red Rock Creek: 15 cfs, measured at NE SE NW Sec. 17, T14S, R1E;

b. Tom Creek: 1.4 cfs, measured at the county road in SW NE NE Sec. 25, T14S, R1W;

c. Odell Creek: 11 cfs, measured at the county road in SW SW SE Sec. 24, T14S, R2W.

4. **Lake Level:** The United States has the right to maintain the natural lake level of Lower Red Rocks Lake at an elevation of ~~6607.5~~ *6607.5* feet. The United States may store additional water only to the extent consistent with the Memorandum of Understanding of February 4, 1987, between the United States and the Water Users Irrigation Company (Lima Reservoir) and East Bench Irrigation District *and state water right permit number 65254-S41A.*

5. **Emergency Fire Suppression:** The use of water for emergency fire suppression benefits the public, and is necessary for the purposes of the Refuge. The United States may, as part of its water right, divert water for fire suppression at the Refuge as needed and without a definition of the specific elements of a recordable water right. Use of water for fire suppression shall not be considered an exercise of the United States' water rights for consumptive use or a violation of its water rights for natural or minimum flow.

B. **Relative Priority:**

1. **Priority Date:**

a. Consumptive Use and Natural Flow: Subject to the subordination provisions of Article II.B.2.a., the United States has a priority date of April 22, 1935, for the water rights for consumptive use and natural flow described in Article II.A.1. and 2. of this Compact.

b. Minimum Flow: Subject to the provisions of Article III.C.1. setting forth the means to satisfy the minimum flow rights for the Refuge and the subordination provisions of Article II.B.2.b., the United States has a priority date of October 30, 1888, for the 15 cfs minimum flow on Red Rock Creek; June 15, 1894, for the 1.4 cfs minimum flow on Tom Creek; and June 28, 1889, for the 11 cfs minimum flow on Odell Creek.

2. **Subordination:**

a. Consumptive Use Natural Flow and Lake Levels: The water rights for consumptive use set forth in Article II.A.1. and natural flow set forth in Article II.A.2. and lake levels set forth in Article II.A.4. are subordinate to the following rights upstream from the most downstream point on the Refuge:

(1) any right recognized under state law with a priority date before the effective date of this Compact; and

(2) any right exempt from the basin closure set forth in Article III.A. of this Compact.

b. Minimum Flow: The water rights for minimum flows on Red Rock, Tom and Odell Creeks set forth in Article II.A.3. of this Compact are subordinate to the following rights upstream from the Refuge:

(1) any right for the purpose of domestic use;

(2) any right for the purpose of instream stockwatering; and

(3) any change in use of a water right for the purpose of instream stockwatering to off-stream stockwatering that does not result in an increase in the historic consumptive use of water.

C. **Period of Use:**

1. **Natural Flow/Consumptive Use:** The period of use of the United States' water rights for natural flow and consumptive use set forth in Article II.A.1. and 2. shall be from January 1 through December 31 of each year.

2. **Minimum Flow:** The period of use of the United States' water rights for minimum flows set forth in Article II.A.3. shall be from April 1 through November 30 of each year.

D. **Points and Means of Diversion/Location of Natural and Minimum Flow Rights:**

1. **Consumptive Use:** See Table at Article II.A.1.

2. **Natural Flow:** The United States' water rights for natural flow apply to the portion of the streams specified in this Compact that flow over or form the boundary of land administered by the Fish and Wildlife Service.

3. **Minimum Flow:** The United States' water rights for minimum flow are measured at the points set forth in Article II.A.3.

E. **Purposes:** The United States' rights to water may be used for the following purposes:

1. **Consumptive Use:** The United States' water rights for consumptive use shall be used for the purposes of the Refuge including wildlife habitat maintenance and enhancement. Subject to the limitations set forth in Article III.E., the United States may change the use of water identified for consumptive use in Article II.A.1.

2. **Natural and Minimum Flows:** The United States' water rights to natural and minimum flows shall be used on the Refuge for wildlife habitat maintenance and enhancement. The United States' water rights to natural flow set forth in Article II.A.2. and to minimum flows set forth in Article II.A.3. shall be used only for the purpose of instream flow and shall not be changed or diverted for any other use, except for fire suppression as set forth in Article II.A.5.

ARTICLE III - IMPLEMENTATION

A. **Basin Closure:**

1. In the drainage basins upstream of the most downstream point on the Refuge, the Department shall not process or grant an application for a permit to

appropriate or to reserve water for consumptive use after the effective date of this Compact, provided that, the following appropriations are exempt from this closure:

a. certificates of water right for appropriation of groundwater by means of a well or developed spring with a maximum appropriation of 35 gallons per minute or less that does not exceed a total appropriation of 10 acre-feet per year;

b. permits for appropriation of groundwater by means of a well or developed spring with an appropriation of greater than 35 gallons per minute or a total appropriation in excess of 10 acre-feet per year, if the Department determines by a preponderance of the evidence based on information provided by the applicant or information from any other source available to the Department that the groundwater is not hydrologically connected to surface water upstream from or on the Refuge;

c. permits or changes in water right for appropriation of groundwater for irrigation purposes when the number of acres to be irrigated from groundwater under the permit or change in water right will be accompanied by a corresponding decrease in the number of acres irrigated from surface water sources upstream from the Refuge;

d. permits for stock watering ponds with a maximum capacity of the impoundment or pit of less than 15 acre-feet and an appropriation of less than 30 acre-feet per year from a source other than a perennial flowing stream;

e. permits for domestic use;

f. permits for nonconsumptive use; and

g. temporary emergency appropriations.

2. If a temporary or permanent basin closure is enacted under state law for a drainage basin or subbasin for which future consumptive water use is limited under this Compact, the most restrictive measures applicable to consumptive use of surface or groundwater shall control.

3. Within 180 days following the effective date of this Compact, the Department shall mail notice of the basin closure to every person or public agency of record with a claim of water right or permit in the portion of the drainage basins subject to closure.

B. **Lake Levels:** The United States agrees to continue efforts to coordinate lake water level management with Water Users Irrigation Company (Lima Reservoir) and East Bench Irrigation District or their successors in interest. It is not intended that this Compact affect in any way the Memorandum of Understanding between the United States and the Irrigation Company and Irrigation District listed above, or the ability of the parties to modify that agreement.

C. **Enforcement of Water Right:**

1. **Minimum flow:**

a. Minimum flow rights set forth in Article II.A.3. may be satisfied through cooperative agreements entered into by the FWS and any person holding a water right with a point of diversion on Red Rock, Tom or Odell Creeks or their tributaries upstream of the Refuge. The FWS may, on agreement with the parties to a cooperative agreement, modify an existing agreement. The FWS may enter into additional cooperative agreements after the effective date of the Compact.

Modification of a cooperative agreement or entry into a new cooperative agreement shall not be considered a modification of the Compact. As between the FWS and signatories to cooperative agreements, the FWS will use its best efforts to seek satisfaction of the minimum flow rights pursuant to the cooperative agreements prior to resorting to remedies set forth in Article III.C.2.

b. Prior to seeking satisfaction of the minimum flow, the FWS shall cease its own diversions, if any, from:

(1) Red Rock Creek and its tributaries upstream from the point of measurement when measured flow is approximately 25 cfs;

(2) Odell Creek and its tributaries upstream from the point of measurement when measured flow is approximately 20 cfs; and

(3) Tom Creek and its tributaries upstream from the point of measurement when measured flow is approximately 5 cfs.

c. On acquisition by or transfer to the FWS of any water right subject to a cooperative agreement, the FWS will continue to exercise the water right in a manner that satisfies the minimum flow at least to the degree set forth in the cooperative agreement, and the provisions of Article III.C.1.b. requiring curtailment of FWS diversions shall apply.

d. In the absence of a cooperative agreement, the FWS may seek curtailment of a water use to satisfy the minimum flow by resort to a court of competent jurisdiction pursuant to Article III.C.2. In any proceeding before a court of competent jurisdiction, the FWS will not seek curtailment of any water right which, based on the experience and observation of the FWS, does not cause a measured or cumulative reduction in flow of Red Rock, Tom, or Odell Creeks at the point of measurement set forth in Article II.A.3., and will limit the period for which curtailment is sought to that necessary to maintain the minimum flow.

2. The United States, the State, or a holder of a water right recognized under state law, may petition a state or federal court of competent jurisdiction for relief when a controversy arises between the United States' reserved water rights described by this Compact, and a holder of a water right recognized under state law. Resolution of the controversy shall be governed by the terms of this Compact where applicable or, to the extent not applicable, by appropriate state or federal law.

3. The United States agrees that a water commissioner appointed by a state or federal court of competent jurisdiction, or other official authorized by future changes in law, may enter the Refuge for the purpose of data collection, including the collection of information necessary for water distribution on or off the Refuge, and to inspect structures for the diversion and measurement of water described in this Compact for consumptive use and for the measurement of natural and minimum flow. The terms of entry shall be as specified in an order of a state or federal court of competent jurisdiction.

4. The Department may enter the Refuge, at a reasonable hour of the day, for the purposes of data collection on water diversion and stream flow or inspection of devices maintained by the United States pursuant to this Compact. The Department shall notify the United States by certified mail or in person, at least 24 hours prior to entry.

5. The United States may request an investigation by the Department of a diversion located upstream of the portion of a stream for which a water right is

described in this Compact. The Department may investigate. If an investigation occurs, the United States may accompany the Department.

6. The United States shall maintain structures, including wellhead equipment and casing, for the diversion and measurement of water authorized for consumptive use by this Compact. The United States shall maintain the devices it considers necessary for enforcement of its reserved water right for natural and minimum flow described in this Compact.

7. A person who violates or refuses or neglects to comply with the provisions of this Compact or an order of the Department pursuant to this Compact is subject to the penalties provided by state law.

D. **Use of Water Right:** The rights of the United States described in this agreement are federal water rights. Non-use of all or a part of the federal water rights described in this Compact shall not constitute abandonment or forfeiture of those rights. The federal water rights described in this Compact need not be applied to a use deemed beneficial under state law, but shall be restricted to uses necessary to fulfill the purposes of the Refuge.

E. **Change in Use:**

1. **Natural and Minimum Flow:** Water rights specified in this Compact for natural and minimum flow shall not be subject to change to any other use, provided that: the emergency use of water for fire suppression as provided for in Article II.A.5. shall not be considered a change or alteration in use, or violation of a water right for natural or minimum flow.

2. **Consumptive Uses:**

a. The United States may make a change in the use of its consumptive use water rights, provided that:

(1) the action shall be in fulfillment of the purposes of the Refuge described in Article II.E. rather than with reference to a beneficial use as defined by state law;

(2) the total use shall not exceed the amount described in this Compact; and

(3) the action shall not adversely affect a water right that is recognized under state law.

b. With the exception of the purpose for which the water right is used, the United States, in making the change, shall comply with the provisions of Title 85, Chapter 2, Montana Code Annotated, applicable to change in appropriative right at the time of the change. The United States may appeal any decision by the Department to a state or federal court of competent jurisdiction.

ARTICLE IV - GENERAL PROVISIONS

A. **No Effect on Tribal Rights or Other Federal Reserved Water Rights:**

1. The relationship between the water rights of the United States described herein and any rights to water of an Indian Tribe, or of any federally derived water right of an individual, or of the United States on behalf of such tribe or individual shall be determined by the rule of priority. The parties to this agreement recognize that the water rights described in this Compact are junior to any tribal water rights with a priority date before the effective date of the Compact, including aboriginal rights, if any, in the basins affected.

2. Nothing in this Compact may be construed or interpreted in any manner to establish the nature, extent or manner of administration of the rights to water of any other federal agency or federal lands in Montana other than those of the Fish and Wildlife Service at the Refuge.

3. Nothing in this Compact may be construed or interpreted in any manner to establish the nature, extent or manner of administration of the rights to water of any Indian Tribes and tribal members.

4. Nothing in this Compact is otherwise intended to conflict with or abrogate a right or claim of any Indian Tribe regarding boundaries or property interests.

B. **State Water Rights:** Nothing in this Compact limits the exclusive authority of the State, including the authority of a water commissioner authorized by state law, to administer all current and future water rights recognized under state law within and upstream of the Refuge, provided that in administration of those water rights in which the United States has an interest, such authority is limited to that not in conflict with federal law.

C. **Abstract:** Concurrent with this Compact, the parties have prepared an Abstract, a copy of which is referenced as Appendix 1, which is a specific listing of all of the United States' water rights for the Refuge, that are described in this Compact and quantified in accordance with this Compact. The parties prepared the Abstract to comply with the requirements for a final decree as set forth in 85-2-234, MCA, and in an effort to assist the state courts in the process of entering decrees accurately and comprehensively reflecting the rights described in this Compact. The rights specified in the Abstract are subject to the terms of this Compact. In the event of a discrepancy between a right listed in the Abstract and that same right as quantified in accordance with Articles II and III of this Compact, the parties intend that the quantification in accordance with Articles II and III of this Compact shall govern and shall be reflected in a final decree.

D. **General Disclaimers:** Nothing in this Compact may be construed or interpreted:

1. as a precedent for the litigation of reserved water rights or the interpretation or administration of future compacts between the United States and the State; or of the United States and any other state;

2. except as agreed to in cooperative agreements authorized by Article III.C.1. of this Compact, as a waiver by the United States on behalf of the FWS of its right under state law to raise objections in state court to individual water rights claimed pursuant to the state Water Use Act, Title 85, of the Montana Code Annotated, in the basins affected by this Compact; or any right to raise objections in an appropriate forum to individual water rights subject to a provisional permit under the state Water Use Act, Title 85, of the Montana Code Annotated, in the basins affected by this Compact;

3. as a waiver by the United States of its right to seek relief from a conflicting water use not entitled to protection under the terms of this Compact;

4. to establish a precedent for other agreements between the State and the United States or an Indian tribe;

5. to determine the relative rights, *inter sese*, of persons using water under the authority of state law or to limit the rights of the parties or a person to litigate an issue not resolved by this Compact;

6. to create or deny substantive rights through headings or captions used in this Compact;

7. to expand or restrict any waiver of sovereign immunity existing pursuant to federal law as of the effective date of this Compact;

8. to affect the right of the State to seek fees or reimbursement for costs or the right of the United States to contest the imposition of such fees or costs, pursuant to a ruling by a state or federal court of competent jurisdiction or Act of Congress;

9. to affect in any manner the entitlement to or quantification of other federal water rights;

10. to be binding on the United States with regard to the water rights of the United States for any area other than the Refuge;

11. to affect the water rights of any other federal agency that is not a successor in interest to the water rights subject to this Compact;

12. to prevent the United States from constructing or modifying an outlet to an impoundment at the Refuge in compliance with all applicable laws;

13. to prevent the United States from seeking a permit to appropriate water under state law from a source not closed to new permits by this Compact or any other law.

E. **Reservation of Rights:** The parties expressly reserve all rights not granted, described or relinquished in this Compact.

F. **Severability:** The provisions of this Compact are not severable.

G. **Multiple Originals:** This Compact is executed in quintuplicate. Each of the five (5) Compacts bearing original signatures shall be deemed an original.

H. **Notice:** Unless otherwise specifically provided for in this Compact, service of notice required hereunder, except service in litigation, shall be:

1. **State:** Upon the Director of the Department and such other officials as he or she may designate in writing.

2. **United States:** Upon the Secretary of the Interior and such other officials as he or she may designate in writing.

ARTICLE V - FINALITY OF COMPACT

A. **Binding Effect:**

1. The effective date of this Compact is the date of the ratification of this Compact by the Montana legislature, written approval by the United States Department of the Interior, or written approval by the United States Department of Justice, whichever occurs later. Once effective, all of the provisions of this Compact shall be binding on the parties.

2. Following the effective date, this Compact shall not be modified without the consent of both parties. Either party may seek enforcement of this Compact in a court of competent jurisdiction. Any attempt unilaterally to modify this Compact by either party shall render this Compact voidable at the election of the other party.

3. On approval of this Compact by a state or federal court of competent jurisdiction and entry of a decree by such court confirming the rights described

herein, this Compact and such rights are binding on all persons bound by the final order of the court.

4. If an objection to this Compact is sustained pursuant to 85-2-702(3), MCA, this Compact shall be voidable by action of and without prejudice to either party.

B. **Disposition of Actions:** Subject to the following stipulations and within one hundred eighty (180) days of the effective date of this Compact, the parties shall submit this Compact to an appropriate state court or courts having jurisdiction over this matter in an action commenced pursuant to 43 U.S.C. 666, for approval in accordance with state law and for the incorporation of the water rights described in this Compact into a decree or decrees entered therein. The parties understand and agree that the submission of this Compact to a state court or courts, as provided for in this Compact, is solely to comply with the provisions of 85-2-702(3), MCA, and does not expand the jurisdiction of the state court or expand in any manner the waiver of sovereign immunity of the United States in the McCarran Amendment, 43 U.S.C. 666, or other provision of federal law.

1. **Dismissal of Filed Claims:** At the time the state courts approve the water rights described in this Compact and enter a decree or decrees confirming the rights described herein, such courts shall dismiss, with prejudice, all of the water right claims specified in Appendix 2 to this Compact. If this Compact is not approved or a water right described herein is not confirmed, the specified claims shall not be dismissed.

2. **Federal Court:** This Compact may be filed as a consent decree in federal court only if it is finally determined in a judgment binding on the State of Montana that the state courts lack jurisdiction over some or all of the water rights described in this Compact. Within one year of such judgment the United States agrees to commence such additional proceedings in the federal district court for the District of Montana as may be necessary to judicially confirm the water rights described herein.

3. **Continuation of Negotiations:** The parties were unable to finalize agreement on quantification of the water rights for: the National Bison Range; Bowdoin National Wildlife Refuge; and Charles M. Russell and UL Bend National Wildlife Refuges and UL Bend Wilderness Area, prior to the effective date of this Compact. The parties agree to continue to pursue, in good faith, quantification of water rights for these areas. [SB 56]

AN ACT CLARIFYING THAT UTILITIES AND LARGE CUSTOMERS MAY RECEIVE CREDIT FOR UNIVERSAL SYSTEM BENEFITS PROGRAMS THAT INCLUDE AMORTIZED OR NONAMORTIZED PORTIONS OF EXPENDITURES; AMENDING SECTION 69-8-402, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A RETROACTIVE APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 69-8-402, MCA, is amended to read:

"69-8-402. Universal system benefits programs. (1) Universal system benefits programs are established for the state of Montana to ensure continued funding of and new expenditures for energy conservation, renewable resource projects and applications, and low-income energy assistance during the transition period and into the future.

(2) Beginning January 1, 1999, 2.4% of each utility's annual retail sales revenue in Montana for the calendar year ending December 31, 1995, is established as the initial funding level for universal system benefits programs. To collect this amount of funds on an annualized basis in 1999, the commission shall establish rates for utilities subject to its jurisdiction and the governing boards of cooperatives shall establish rates for the cooperatives. Except as provided in subsection (7), these universal system benefits charge rates must remain in effect until July 1, 2003.

(a) The recovery of all universal system benefits programs costs imposed pursuant to this section is authorized through the imposition of a universal system benefits charge assessed at the meter for each local utility system customer as provided in this section.

(b) Utilities must receive credit toward annual funding requirements for a utility's internal programs or activities that qualify as universal system benefits programs, including those *amortized or nonamortized* portions of expenditures for the purchase of power that are for the acquisition or support of renewable energy, conservation-related activities, or low-income energy assistance, and for large customers' programs or activities as provided in subsection (7). The department of revenue shall review claimed credits of the utilities and large customers pursuant to 69-8-414.

(c) A utility's distribution services provider at which the sale of power for final end use occurs is the utility that receives credit for the universal system benefits programs expenditure.

(d) A customer's distribution services provider shall collect universal system benefits funds less any allowable credits.

(e) For a utility to receive credit for low-income related expenditures, the activity must have taken place in Montana.

(f) If a utility's or a large customer's credit for internal activities does not satisfy the annual funding provisions of subsection (2), then the utility shall make a payment to the universal system benefits fund established in 69-8-412 for any difference.

(3) Cooperative utilities may collectively pool their statewide credits to satisfy their annual funding requirements for universal system benefits programs and low-income energy assistance.

(4) A utility's transition plan must describe how the utility proposes to provide for universal system benefits programs, including the methodologies, such as cost-effectiveness and need determination, used to measure the utility's level of contribution to each program.

(5) A utility's minimum annual funding requirement for low-income energy and weatherization assistance is established at 17% of the utility's annual universal system benefits funding level and is inclusive within the overall universal system benefits funding level.

(a) A utility must receive credit toward the utility's low-income energy assistance annual funding requirement for the utility's internal low-income energy assistance programs or activities.

(b) If a utility's credit for internal activities does not satisfy its annual funding requirement, then the utility shall make a payment for any difference to the universal low-income energy assistance fund established in 69-8-412.

(6) An individual customer may not bear a disproportionate share of the local utility's funding requirements, and a sliding scale must be implemented to provide a more equitable distribution of program costs.

(7) (a) A large customer:

(i) shall pay a universal system benefits programs charge with respect to the large customer's qualifying load equal to the lesser of:

(A) $500,000, less the large customer credits provided for in this subsection (7); or

(B) the product of 0.9 mills per kilowatt hour multiplied by the large customer's total kilowatt hour purchases, less large customer credits with respect to that qualifying load provided for in this subsection (7);

(ii) must receive credit toward that large customer's universal system benefits charge for internal expenditures and activities that qualify as a universal system benefits programs expenditure, and these internal expenditures must include but not be limited to:

(A) expenditures that result in a reduction in the consumption of electrical energy in the large customer's facility; and

(B) those *amortized or nonamortized* portions of expenditures for the purchase of power at retail or wholesale that are for the acquisition or support of renewable energy or conservation-related activities.

(b) Large customers making these expenditures must receive a credit against the large customer's universal system benefits charge, except that any of those amounts expended in a calendar year that exceed that large customer's universal system benefits charge for the calendar year must be used as a credit against those charges in future years until the total amount of those expenditures has been credited against that large customer's universal system benefits charges.

(8) A public utility shall prepare and submit an annual summary report of the public utility's activities relating to all universal system benefits programs to the commission, the department of revenue, and the transition advisory committee provided for in 69-8-501. A cooperative utility shall prepare and submit annual summary reports of activities to the cooperative utility's respective local governing body, the statewide cooperative utility office, and the transition advisory committee. The statewide cooperative utility office shall prepare and submit an annual summary report of the activities of individual cooperative utilities, including a summary of the pooling of statewide credits, as provided in subsection (3), to the department of revenue and to the transition advisory committee. The annual report of a public utility or of the statewide cooperative utility office must include but is not limited to:

(a) the types of internal utility and customer programs being used to satisfy the provisions of this chapter;

(b) the level of funding for those programs relative to the annual funding requirements prescribed in subsection (2); and

(c) any payments made to the statewide funds in the event that internal funding was below the prescribed annual funding requirements.

(9) A utility or large customer filing for a credit shall develop and maintain appropriate documentation to support the utility's or the large customer's claim for the credit.

(10) (a) A large customer claiming credits for a calendar year shall submit an annual summary report of its universal system benefits programs activities and expenditures to the department of revenue and to the large customer's utility. The annual report of a large customer must identify each qualifying project or expenditure for which it has claimed a credit and the amount of the credit. Prior approval by the department of revenue or the utility is not required, except as provided in subsection (10)(b).

(b) If a large customer claims a credit that the department of revenue disallows in whole or in part, the large customer is financially responsible for the disallowance. A large customer and the large customer's utility may mutually agree that credits claimed by the large customer be first approved by the utility. If the utility approves the large customer credit, the utility may be financially responsible for any subsequent disallowance."

Section 2. Effective date. [This act] is effective on passage and approval.

Section 3. Retroactive applicability. [This act] applies retroactively, within the meaning of 1-2-109, to those amortized or nonamortized portions of a utility's expenditures claimed in a universal system benefits programs reporting period, for the purchase of power that is for the acquisition or support of internal programs that qualify as universal system benefits programs, made either prior to or after January 1, 1999, for which payments continue beyond January 1, 1999.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-10-420, MCA, is amended to read:

"**15-10-420. Procedure for calculating levy.** (1) A governmental entity that is authorized to impose mills may impose a mill levy sufficient to generate the amount of property taxes actually assessed in the prior year, even if that levy is greater than the levy established by law. The maximum number of mills that a governmental entity may impose is established by calculating the number of mills required to generate the amount of property tax actually assessed in the governmental unit in the prior year based on the current year taxable value, less the value of newly taxable property.

(2) A governmental entity may apply the levy calculated pursuant to subsection (1) plus any additional levies authorized by the voters to all property in the governmental unit, including newly taxable property.

(3) For purposes of this section, newly taxable property includes:

(a) annexation of real property and improvements into a taxing unit;

(b) construction, expansion, or remodeling of improvements;

(c) transfer of property into a taxing unit;

(d) subdivision of real property;

(e) reclassification of property;

(f) transfer of property from tax-exempt to taxable status; and

(g) revaluations caused by expansion, addition, replacement, or remodeling of improvements.

(4) Subsection (1) does not apply to school district general fund levies and the school district levy for tuition obligations established in 20-5-324(5).

(5) For purposes of subsection (1), taxes imposed:

(a) include registration fees ~~imposed~~ *collected* on light vehicles under ~~61-3-561~~ *61-3-560 through 61-3-562* and distributed under 61-3-509~~(2)~~*(1)(b)*; and

(b) do not include net or gross proceeds taxes received under 15-6-131 and 15-6-132.

(6) In determining the maximum number of mills in subsection (1), the governmental entity shall take into account any change from the prior year in the amount of statutory reimbursements for changes in the property tax laws. The amount of motor vehicle disposition under 61-3-509(2), as that section read on December 31, 2000, is an increased statutory reimbursement. It may increase the number of mills to account for a decrease in reimbursements and shall decrease the number of mills to fully account for any increase in reimbursements.

(7) The department shall calculate the number of mills to be imposed for purposes of 15-10-107, 20-9-331, 20-9-333, 20-9-360, 20-25-423, 20-25-439, and 53-2-813. However, the number of mills calculated by the department may not exceed the mill levy limits established in those sections.

(8) The department may adopt rules to implement this section. The rules may include a method for calculating the percentage of change in valuation for purposes of determining the elimination of property, new improvements, or newly taxable property in a governmental unit."

Section 2. Section 15-15-201, MCA, is amended to read:

"15-15-201. Motor vehicle tax appeals — payment and protest of *local option* taxes or fees in lieu of tax on motor vehicles. (1) (a) A taxpayer who seeks to appeal the imposition of *local option* taxes *on light vehicles* or fees in lieu of tax assessed against a motor vehicle and imposed by the department of justice under authority of 15-8-202 shall file a written application for the appeal not later than 30 days after the anniversary date for reregistration, as determined by 61-3-315, of the vehicle that is the subject of the appeal. The application must be on a form prescribed by the department of justice in consultation with the state tax appeal board.

(b) The application must include a specific explanation of the basis for the taxpayer's appeal. The basis for appeal must be related to the factors to be considered and applied by the department of justice under ~~61-3-502 through 61-3-504~~ *61-3-503*, 61-3-506, 61-3-528, and 61-3-529.

(2) (a) The treasurer of the county or municipality is not required to deposit ~~property~~ *local option vehicle* taxes or fees in lieu of tax on a motor vehicle paid under protest in the special fund designated as a protest fund as required for property taxes under 15-1-402. The taxes or fees paid under protest may be reported and distributed in the same manner as those received without protest.

(b) If a refund is payable as a result of the taxpayer prevailing in a tax appeal or court proceeding concerning the protested motor vehicle taxes or fees, a refund may be made in accordance with 15-16-603.

(3) (a) A motor vehicle tax appeal may be heard by the county tax appeal board during its next regularly scheduled session if the application for the appeal was filed by December 1. If during its current session, a county tax appeal board refuses or fails to hear a taxpayer's application that was timely filed by December 1, then the taxpayer's application is considered to be granted on the day following the board's final meeting for that year.

(b) A motor vehicle tax appeal filed after December 1 may be held over by the board to a session in the following year. If a taxpayer's application that was timely filed after December 1 of the current session of the county tax appeal board is held over to a session in the following year and if the county tax appeal board refuses or fails to hear the application during the following session, then the application is considered to be granted on the day following the board's final meeting for that year."

Section 3. Section 15-16-202, MCA, is amended to read:

"15-16-202. Boats, snowmobiles, and motor vehicles — payment of current and back ~~taxes and~~ fees. (1) The fee in lieu of personal property taxes assessed against a boat for the year in which application for decals is made and the immediately previous year must be paid before license decals may be issued pursuant to 23-2-515.

(2) The fee in lieu of tax imposed on a snowmobile for the year in which application for registration is made and the immediately previous year must be paid before a snowmobile may be registered pursuant to 23-2-616.

(3) Except for mobile homes and manufactured homes as defined in 15-1-101, the ~~new motor vehicle sales tax and the motor vehicle tax~~ *light vehicle registration fee* or fee in lieu of tax imposed or assessed against a motor vehicle for the current year and the immediately previous year must be paid before a motor vehicle may be registered or reregistered pursuant to 61-3-303.

~~(2)~~*(3)* (a) ~~All~~ *Except as provided in subsections (4)(c) and (4)(d), all* number plates for motor vehicles must be issued for a maximum period of 4 years, bear a distinctive marking, and be furnished by the state. In years when number plates are not issued, the department shall provide nonremovable stickers bearing appropriate registration numbers that must be affixed to the license plates in use.

(b) For *motorcycles, quadricycles, and* light vehicles that are permanently registered as provided in 61-3-527 or *61-3-315 and* 61-3-562, the department shall provide distinctive nonremovable stickers indicating that the vehicle is permanently registered. The stickers must be affixed to the license plates in use.

~~(3)~~*(4)* (a) Subject to the provisions of this section, the department shall create a new design for number plates as provided in this section, and it shall manufacture the newly designed number plates for issuance after December 31, 1999, to replace at renewal, as required in 61-3-312 and 61-3-314, number plates that were displayed on motor vehicles before that date.

(b) Beginning January 1, 2000, the department shall manufacture and issue new number plates every 4 years.

(c) A light vehicle that is registered for a 24-month period, as provided in 61-3-315 and 61-3-560, may display the number plate and plate design in effect at the time of registration for the entire 24-month registration period.

(d) A motorcycle, quadricycle, or light vehicle that is permanently registered, as provided in 61-3-527 or 61-3-315 and 61-3-562, may display the number plate and plate design in effect at the time of registration for the entire period that the vehicle is permanently registered.

~~(4)~~*(5)* In the case of ~~motorcars~~ *passenger vehicles* and trucks, plates must be of metal 6 inches wide and 12 inches in length. The outline of the state of Montana must be used as a distinctive border on the license plates, and the word "Montana" and the year must be placed across the plates. Registration plates must be treated with a reflectorized background material according to specifications prescribed by the department.

~~(5)~~*(6)* The distinctive registration numbers must begin with a number one or with a letter-number combination, such as "A 1" or "AA 1", or any other similar combination of letters and numbers. The distinctive registration number or letter-number combination assigned to the vehicle must appear on the plate preceded by the number of the county and appearing in horizontal order on the same horizontal baseline. The county number must be separated from the distinctive registration number by a separation mark unless a letter-number combination is used. The dimensions of the numerals and letters must be determined by the department, and all county and registration numbers must be of equal height.

~~(6)~~*(7)* For the use of exempt motor vehicles and motor vehicles that are exempt from the registration fee as provided in 61-3-560(2)(a), in addition to the markings provided in this section, number plates must bear the following distinctive markings:

(a) For vehicles owned by the state, the department may designate the prefix number for the various state departments. All numbered plates issued to state departments must bear the words "State Owned", and a year number may not be indicated on the plates because these numbered plates are of a permanent nature and will be replaced by the department only when the physical condition of numbered plates requires it.

(b) For vehicles that are owned by the counties, municipalities, and special districts, as defined in 18-8-202, organized under the laws of Montana and not operating for profit, and that are used and operated by officials and employees in the line of duty and for vehicles on loan from the United States government or the state of Montana to, or owned by, the civil air patrol and used and operated by officials and employees in the line of duty, there must be placed on the number plates assigned, in a position that the department may designate, the letter "X" or the word "EXEMPT". Distinctive registration numbers for plates assigned to motor vehicles of each of the counties in the state and those of the municipalities and special districts that obtain plates within each county must begin with number one and be numbered consecutively. Because these number plates are of a permanent nature, they are subject to replacement by the department only when the physical condition of the number plates requires it and a year number may not be displayed on the number plates.

~~(7) On all number plates assigned to motor vehicles of the truck and trailer type, other than tax-exempt trucks and tax-exempt trailers, there must appear~~

~~the letter "T" or the word "TRUCK" on plates assigned to trucks and the letters "TR" or the word "TRAILER" on plates assigned to trailers and housetrailers. The letters "MC" or the word "CYCLE" must appear on plates assigned to vehicles of the motorcycle or quadricycle type.~~

(8) Number plates issued to a passenger ~~car~~ *vehicle*, truck, trailer, ~~or vehicle of the~~ motorcycle, or quadricycle ~~type~~ may be transferred only to a replacement passenger ~~car~~ *vehicle*, truck, trailer, ~~or motorcycle- or quadricycle-type vehicle~~ *motorcycle, or quadricycle.* A registration or license fee may not be assessed upon a transfer of a number plate under 61-3-317 and 61-3-335.

"39-71-704. Payment of medical, hospital, and related services — fee schedules and hospital rates — fee limitation. (1) In addition to the compensation provided under this chapter and as an additional benefit separate and apart from compensation benefits actually provided, the following must be furnished:

(a) After the happening of a compensable injury and subject to other provisions of this chapter, the insurer shall furnish reasonable primary medical services for conditions resulting from the injury for those periods as the nature of the injury or the process of recovery requires.

(b) The insurer shall furnish secondary medical services only upon a clear demonstration of cost-effectiveness of the services in returning the injured worker to actual employment.

(c) The insurer shall replace or repair prescription eyeglasses, prescription contact lenses, prescription hearing aids, and dentures that are damaged or lost as a result of an injury, as defined in 39-71-119, arising out of and in the course of employment.

(d) The insurer shall reimburse a worker for reasonable travel expenses incurred in travel to a medical provider for treatment of an injury only if the travel is incurred at the request of the insurer. Reimbursement must be at the rates allowed for reimbursement of travel by state employees.

(e) Except for the repair or replacement of a prosthesis furnished as a result of an industrial injury, the benefits provided for in this section terminate when they are not used for a period of 60 consecutive months.

(f) Notwithstanding subsection (1)(a), the insurer may not be required to furnish, after the worker has achieved medical stability, palliative or maintenance care except:

(i) when provided to a worker who has been determined to be permanently totally disabled and for whom it is medically necessary to monitor administration of prescription medication to maintain the worker in a medically stationary condition;

(ii) when necessary to monitor the status of a prosthetic device; or

(iii) when the worker's treating physician believes that the care that would otherwise not be compensable under subsection (1)(f) is appropriate to enable the worker to continue current employment or that there is a clear probability of returning the worker to employment. A dispute regarding the compensability of palliative or maintenance care is considered a dispute over which, after mediation pursuant to department rule, the workers' compensation court has jurisdiction.

(g) Notwithstanding any other provisions of this chapter, the department, by rule and upon the advice of the professional licensing boards of practitioners affected by the rule, may exclude from compensability any medical treatment that the department finds to be unscientific, unproved, outmoded, or experimental.

(2) The department shall annually establish a schedule of fees for medical services not provided at a hospital that are necessary for the treatment of injured workers. Charges submitted by providers must be the usual and customary charges for nonworkers' compensation patients. The department may require insurers to submit information to be used in establishing the schedule.

(3) (a) The department shall establish rates for hospital services necessary for the treatment of injured workers.

(b) Except as provided in subsection (3)(g), rates for services provided at a hospital must be the greater of:

(i) 69% of the hospital's January 1, 1997, usual and customary charges; or

(ii) the discount factor established by the department that was in effect on June 30, 1997, for the hospital. The discount factor for a hospital formed by the merger of two or more existing hospitals is computed by using the weighted average of the discount factors in effect at the time of the merger.

(c) Except as provided in subsection (3)(g), beginning July 1, 1998, the department shall adjust hospital discount factors so that the rate of payment does not exceed the annual percentage increase in the state's average weekly wage, as defined in 39-71-116.

(d) The department may establish a fee schedule for hospital outpatient services rendered on or after July 1, 1998. The fee schedule must, in the aggregate, provide for fees that are equal to the statewide average discount factors paid to hospitals to provide the same or equivalent procedure to workers' compensation hospital outpatients.

(e) The discount factors established by the department pursuant to this subsection (3) may not be less than medicaid reimbursement rates.

(f) For services available in Montana, insurers are not required to pay facilities located outside Montana rates that are greater than those allowed for services delivered in Montana.

(g) For a hospital licensed as a medical assistance facility *or a critical access hospital* pursuant to Title 50, chapter 5, the rate for services is the hospital's usual and customary charge. Fees paid to a hospital licensed as a medical assistance facility are not subject to the limitation provided in subsection (4).

(4) The percentage increase in medical costs payable under this chapter may not exceed the annual percentage increase in the state's average weekly wage, as defined in 39-71-116.

(5) Payment pursuant to reimbursement agreements between managed care organizations or preferred provider organizations and insurers is not bound by the provisions of this section.

(6) Disputes between an insurer and a medical service provider regarding the amount of a fee for medical services must be resolved by a hearing before the department upon written application of a party to the dispute.

(7) (a) After the initial visit, the worker is responsible for 20%, but not to exceed $10, of the cost of each subsequent visit to a medical service provider for treatment relating to a compensable injury or occupational disease, unless the visit is to a medical service provider in a managed care organization as requested by the insurer or is a visit to a preferred provider as requested by the insurer.

(b) After the initial visit, the worker is responsible for $25 of the cost of each subsequent visit to a hospital emergency department for treatment relating to a compensable injury or occupational disease.

(c) "Visit", as used in subsections (7)(a) and (7)(b), means each time that the worker obtains services relating to a compensable injury or occupational disease from:

(i) a treating physician;

(ii) a physical therapist;

(iii) a psychologist; or

(iv) hospital outpatient services available in a nonhospital setting.

(11) "Parent" means a biological or adoptive parent or stepparent.

(12) "Parent-child legal relationship" means the legal relationship that exists between a child and the child's birth or adoptive parents, as provided in Title 40, chapter 6, part 2, unless the relationship has been terminated by competent judicial decree as provided in 40-6-234, Title 42, or part 6 of this chapter.

(13) "Physical abuse" means an intentional act, an intentional omission, or gross negligence resulting in substantial skin bruising, internal bleeding, substantial injury to skin, subdural hematoma, burns, bone fractures, extreme pain, permanent or temporary disfigurement, impairment of any bodily organ or function, or death.

(14) "Psychological abuse or neglect" means severe maltreatment through acts or omissions that are injurious to the child's emotional, intellectual, or psychological capacity to function, including acts of violence against another person residing in the child's home.

(15) "Reasonable cause to suspect" means cause that would lead a reasonable person to believe that child abuse or neglect may have occurred or is occurring, based on all the facts and circumstances known to the person.

(16) "Residential setting" means an out-of-home placement where the child typically resides for longer than 30 days for the purpose of receiving food, shelter, security, guidance, and, if necessary, treatment.

(17) (a) "Sexual abuse" means the commission of sexual assault, sexual intercourse without consent, indecent exposure, deviate sexual conduct, sexual abuse, ritual abuse, or incest, as described in Title 45, chapter 5.

(b) Sexual abuse does not include any necessary touching of an infant's or toddler's genital area while attending to the sanitary or health care needs of that infant or toddler by a parent or other person responsible for the child's welfare.

(18) "Sexual exploitation" means allowing, permitting, or encouraging a child to engage in a prostitution offense, as described in 45-5-601 through 45-5-603, or allowing, permitting, or encouraging sexual abuse of children as described in 45-5-625.

(19) "Social worker" means an employee of the department who, before the employee's field assignment, has been educated or trained in a program of social work or a related field that includes cognitive and family systems treatment or who has equivalent verified experience or verified training in the investigation of child abuse, neglect, and endangerment. This definition does not apply to any provision of this code that is not in this chapter.

(20) "Treatment plan" means a written agreement between the department and the parent or guardian or a court order that includes action that must be taken to resolve the condition or conduct of the parent or guardian that resulted in the need for protective services for the child. The treatment plan may involve court services, the department, and other parties, if necessary, for protective services.

(21) "Unfounded" means that after an investigation, the investigating person has determined that the reported abuse, neglect, or exploitation has not occurred.

(22) (a) "Withholding of medically indicated treatment" means the failure to respond to an infant's life-threatening conditions by providing treatment, including appropriate nutrition, hydration, and medication, that, in the treating physician's or physicians' reasonable medical judgment, will be most likely to be effective in ameliorating or correcting the conditions.

(b) The term does not include the failure to provide treatment, other than appropriate nutrition, hydration, or medication, to an infant when, in the treating physician's or physicians' reasonable medical judgment:

(i) the infant is chronically and irreversibly comatose;

(ii) the provision of treatment would:

(A) merely prolong dying;

(B) not be effective in ameliorating or correcting all of the infant's life-threatening conditions; or

(C) otherwise be futile in terms of the survival of the infant; or

(iii) the provision of treatment would be virtually futile in terms of the survival of the infant and the treatment itself under the circumstances would be inhumane. For purposes of this subsection (22), "infant" means an infant less than 1 year of age or an infant 1 year of age or older who has been continuously hospitalized since birth, who was born extremely prematurely, or who has a long-term disability. The reference to less than 1 year of age may not be construed to imply that treatment should be changed or discontinued when an infant reaches 1 year of age or to affect or limit any existing protections available under state laws regarding medical neglect of children 1 year of age or older.

(23) "Youth in need of care" means a youth who has been adjudicated or determined, after a hearing, to be or to have been abused ~~or~~, neglected, *or abandoned*."

Section 2. Section 41-3-401, MCA, is amended to read:

"**41-3-401. Abuse and neglect petitions.** (1) The county attorney, attorney general, or an attorney hired by the county is responsible for filing all petitions under this chapter. The petition must be accompanied by an affidavit by the department alleging that the child appears to have been abused~~,~~ *or* neglected~~,~~ ~~or abandoned~~ and stating the basis for the allegation.

(2) Upon receipt of a petition, except a petition for temporary investigative authority, the court shall set a date for an adjudicatory hearing on the petition. The petitions must be given preference by the court in setting hearing dates.

(3) A petition alleging abuse or neglect is a civil action brought in the name of the state of Montana. The Montana Rules of Civil Procedure apply except as

modified in this part. Proceedings under a petition are not a bar to criminal prosecution.

(4) The parents or parent, guardian, or other person or agency having legal custody of the youth named in the petition, if residing in the state, must be served personally with a copy of the petition and summons at least 5 working days before the date set for hearing. If the person or agency cannot be served personally, the person or agency may be served by publication in the manner provided by the Montana Rules of Civil Procedure for other types of proceedings.

(5) If personal service cannot be made upon the parents or parent, guardian, or other person or agency having legal custody, the court shall appoint an attorney to represent the unavailable party when in the opinion of the court the interests of justice require.

(6) If a parent of the child is a minor, notice must be given to the minor parent's parents or guardian, and if there is no guardian, the court shall appoint one.

(7) *(a)* Any person interested in any cause under this chapter has the right to appear. Any foster parent, preadoptive parent, or relative caring for the child must be given legal notice by the attorney filing the petition of all judicial hearings for the child and must be given an opportunity to be heard. The right to appear or to be heard does not make that person a party to the action. Any foster parent, preadoptive parent, or relative caring for the child must be given notice of all reviews by the reviewing body.

(b) A foster parent, preadoptive parent, or relative of the child who is caring for or a relative of the child who has cared for a child who is the subject of the petition who appears at a hearing set pursuant to this section may be allowed by the court to intervene in the action if the court, after a hearing in which evidence is presented on those subjects provided for in 41-3-404(3), determines that the intervention of the person is in the best interests of the child. A person granted intervention pursuant to this subsection is entitled to participate in the adjudicatory hearing held pursuant to 41-3-404 and to notice and participation in subsequent proceedings held pursuant to this chapter involving the custody of the child.

(8) Except when the proceeding is instituted or commenced at the request of the department, a citation must be issued and served upon a representative of the department before the court hearing.

(9) The petition must:

(a) state the nature of the alleged abuse or neglect;

(b) state the full name, age, and address of the youth and the name and address of the youth's parents or guardian or person having legal custody of the youth;

(c) state the names, addresses, and relationship to the youth of all persons who are necessary parties to the action.

(10) The petition may ask for the following relief:

(a) temporary investigative authority and protective services, as provided in 41-3-402;

(b) temporary legal custody, as provided in 41-3-406;

(c) appointment of a guardian pursuant to 41-3-421;

(d) termination of the parent-child legal relationship and either:

(i) permanent legal custody with the right to consent to adoption, as provided in 41-3-607; or

(ii) appointment of a guardian; or

(e) any combination of the provisions of subsections (10)(a) through (10)(d) or any other relief that may be required for the best interests of the child.

(11) A request for a determination that reunification services need not be provided pursuant to 41-3-403 may be made in conjunction with the filing of a petition requesting relief, as provided for in subsection (10) of this section.

(12) The petition may be modified for different relief at any time within the discretion of the court.

(13) The court may at any time on its own motion or the motion of any party appoint counsel for any indigent party."

Section 3. Section 41-3-404, MCA, is amended to read:

"**41-3-404. Adjudicatory hearing — temporary disposition.** (1) In the adjudicatory hearing on a petition under 41-3-401, the court shall determine by a preponderance of the evidence whether the youth is a youth in need of care and ascertain, as far as possible, the cause.

(2) The court shall hear evidence regarding the residence of the youth, the whereabouts of the parents, guardian, or nearest adult relative, and any other matters the court considers relevant in determining the status of the youth.

(3) In a case in which abandonment has been alleged by the county attorney, the attorney general, or an attorney hired by the county, the court shall hear offered evidence, including evidence offered by a person appearing pursuant to 41-3-401(7)(a) or (7)(b), regarding any of the following subjects:

(a) the extent to which the child has been cared for, nurtured, or supported by a person other than the child's parents; and

(b) whether the child was placed or allowed to remain by the parents with another person for the care of the child, and, if so, then the court shall accept evidence regarding:

(i) the intent of the parents in placing the child or allowing the child to remain with that person; and

(ii) the circumstances under which the child was placed or allowed to remain with that other person, including:

(A) whether a parent requesting return of the child was previously prevented from doing so as a result of an order issued pursuant to Title 40, chapter 15, part 2, or of a conviction pursuant to 45-5-206; and

(B) whether the child was originally placed with the other person to allow the parent to seek employment or attend school.

~~(3)~~*(4)* In all civil and criminal proceedings relating to abuse or neglect, the privileges related to the examination or treatment of the child do not apply, except the attorney-client privilege granted by 26-1-803 and the mediation privilege granted by 26-1-813.

~~(4)~~*(5)* (a) If the court determines that the youth is not an abused or neglected child, the petition must be dismissed and any order made pursuant to 41-3-403 must be vacated.

(b) If the youth is adjudicated a youth in need of care, the court shall set a date for a dispositional hearing to be conducted within 30 days and order any necessary or required investigations. The court may issue a temporary dispositional order pending the dispositional hearing. The temporary dispositional order may provide for any of the forms of relief listed in 41-3-403(6)."

Section 4. Section 41-3-406, MCA, is amended to read:

"**41-3-406. Dispositional hearing — temporary legal custody.** (1) If a youth is found to be a youth in need of care under 41-3-404, the court may enter its judgment, making any of the following dispositions to protect the welfare of the youth:

(a) permit the youth to remain with the youth's parent or guardian, subject to those conditions and limitations the court may prescribe;

(b) grant an order of limited emancipation to a youth who is 16 years of age or older, as provided in 41-3-408;

(c) transfer temporary legal custody to any of the following:

(i) the department;

(ii) a licensed child-placing agency that is willing and able to assume responsibility for the education, care, and maintenance of the youth and that is licensed or otherwise authorized by law to receive and provide care of the youth; or

(iii) a relative or other individual who is recommended by the department or a licensed child-placing agency designated by the court and who is found by the court to be qualified to receive and care for the youth;

(d) order a party to the action to do what is necessary to give effect to the final disposition, including undertaking medical and psychological evaluations, treatment, and counseling that does not require an expenditure of money by the department unless the department is notified and a court hearing is set in a timely manner on the proposed expenditure. The department is the payor of last resort after all family, insurance, and other resources have been examined.

(e) order further care and treatment as the court considers in the best interests of the child that does not require an expenditure of money by the department unless the department is notified and a court hearing is set in a timely manner on the proposed expenditure. The department is the payor of last resort after all family, insurance, and other resources have been examined pursuant to 41-3-411.

(2) To grant temporary legal custody, the court shall make a finding that:

(a) dismissing the petition would create a substantial risk of harm to the child or detriment to the child's physical or psychological well-being; and

(b) unless there is a finding that reasonable efforts are not required pursuant to 41-3-403, reasonable services have been provided to the parent or guardian to prevent the removal of the child from the home or to make it possible for the child to safely return home.

(3) (a) If the court awards temporary legal custody of an abandoned child other than to the department or to a noncustodial parent, the court shall award temporary legal custody of the child to a member of the child's extended family, including adult siblings, grandparents, great-grandparents, aunts, and uncles, if:

(i) placement of the abandoned child with the extended family member is in the best interests of the child;

(ii) the extended family member requests that the child be placed with the family member; and

(iii) the extended family member is found by the court to be qualified to receive and care for the child.

(b) If more than one extended family member satisfies the requirements of subsection (3)(a), the court may award custody to the extended family member who can best meet the child's needs.

~~(3)~~*(4)* If reasonable efforts have been made to prevent removal of a child from the home or to return a child to the child's home but continuation of the efforts is determined by the court to be inconsistent with permanency for the child, the department shall make reasonable efforts to place the child in a timely manner in accordance with a permanent plan and to complete whatever steps are necessary to finalize the permanent placement of the child.

~~(4)~~*(5)* If the court finds that reasonable efforts are not necessary pursuant to subsection (2) or ~~(3)~~ *(4)*, a permanency hearing must be held within 30 days of that determination and reasonable efforts must be made to place the child in a timely manner in accordance with the permanency plan and to complete whatever steps are necessary to finalize the permanent placement of the child.

~~(5)~~*(6)* An order for temporary legal custody may be in effect for no longer than 6 months. Before the expiration of the order for temporary legal custody, the county attorney, the attorney general, or an attorney hired by the county shall petition for one of the following:

(a) an extension of temporary legal custody, not to exceed a total of 6 months, upon a showing that additional time is necessary for the parent or guardian to successfully complete a treatment plan;

(b) termination of the parent-child legal relationship and either:

(i) permanent legal custody with the right of adoption; or

(ii) appointment of a guardian pursuant to 41-3-607;

(c) long-term custody pursuant to 41-3-412;

(d) appointment of a guardian pursuant to 41-3-421; or

(e) dismissal.

~~(6)~~*(7)* The court may continue an order for temporary legal custody pending a hearing on a petition provided for in subsection ~~(5)~~ *(6)*.

~~(7)~~*(8)* If an extension of temporary legal custody is granted to the department, the court shall state the reasons why the child was not returned home and the conditions upon which the child may be returned home.

~~(8)~~*(9)* If the time limitations of this section are not met, the court shall review the reasons for the failure and order an appropriate remedy that considers the best interests of the child."

Section 5. Section 41-3-421, MCA, is amended to read:

"41-3-421. Abuse and neglect proceedings — appointment of guardian — financial subsidies. (1) The court may, upon the petition of the department or guardian ad litem, enter an order appointing a guardian for a child who has been placed in the temporary or permanent custody of the department pursuant to 41-3-406, 41-3-412, or 41-3-607. The guardianship may be subsidized by the department under subsection ~~(8)~~ *(9)* if the guardianship meets the department's criteria, or the guardianship may be nonsubsidized.

(2) The court may appoint a guardian for a child pursuant to this section if the following facts are found by the court:

(a) the department has given its written consent to the appointment of the guardian, whether the guardianship is to be subsidized or not;

(b) if the guardianship is to be subsidized, the department has given its written consent after the department has considered initiating or continuing financial subsidies pursuant to subsection ~~(8)~~ *(9)*;

(c) the child has been adjudicated a youth in need of care;

(d) the department has made reasonable efforts to reunite the parent and child, further efforts to reunite the parent and child by the department would likely be unproductive, and reunification of the parent and child would be contrary to the best interests of the child;

(e) the child is at least 12 years ~~old~~ *of age* or the child is in a group of siblings, at least one of whom is at least 12 years ~~old~~ *of age*, and the guardianship is in the best interests of the siblings;

(f) the child has lived with the potential guardian in a family setting and the potential guardian is committed to providing a long-term relationship with the child;

(g) it is in the best interests of the child to remain or be placed with the potential guardian;

(h) either termination of parental rights to the child is not in the child's best interests or parental rights to the child have been terminated, but adoption is not in the child's best interests; and

(i) if the child concerning whom the petition for guardianship has been filed is an Indian child, as defined in the Indian Child Welfare Act, 25 U.S.C. 1901, et seq., the child's tribe has received notification from the state of the initiation of the proceedings.

(3) In the case of an abandoned child, the court may give priority to a member of the abandoned child's extended family, including adult siblings, grandparents, great-grandparents, aunts, and uncles, if placement with the extended family member is in the best interests of the child. If more than one extended family member has requested to be appointed as guardian, the court may determine which extended family member to appoint in the same manner provided for in 41-3-406(3).

~~(3)~~*(4)* The entry of a decree of guardianship pursuant to this section terminates the custody of the department and the involvement of the department with the child and the child's parents except a provision of a financial subsidy, if any, pursuant to subsection ~~(8)~~ *(9)*.

~~(4)~~*(5)* A guardian appointed under this section may exercise the powers and has the duties provided in 72-5-231.

~~(5)~~*(6)* The court may revoke a guardianship ordered pursuant to this section if the court finds, after hearing on a petition for removal of the child's guardian, that continuation of the guardianship is not in the best interests of the child. Notice of hearing on the petition must be provided by the moving party to the child's lawful guardian, the department, any court appointed guardian ad litem, the child's parent if the rights of the parent have not been terminated, and other persons directly interested in the welfare of the child.

~~(6)~~*(7)* A guardian may petition the court for permission to resign the guardianship. A petition may include a request for appointment of a successor guardian.

~~(7)~~*(8)* After notice and hearing on a petition for removal or permission to resign, the court may appoint a successor guardian or may terminate the guardianship and restore temporary legal custody to the department pursuant to 41-3-406.

~~(8)~~*(9)* The department may provide a financial subsidy to a guardian appointed pursuant to this section if the guardianship meets the department's criteria and if the department determines that a subsidy is in the best interests of the child. The amount of the subsidy must be determined by the department.

~~(9)~~*(10)* This section does not apply to guardians appointed pursuant to Title 72, chapter 5."

Section 6. Department to give placement priority to extended family member of an abandoned child. (1) If the department has received temporary legal custody of an abandoned child pursuant to 41-3-406 or permanent legal custody pursuant to 41-3-607, the department shall give priority to a member of the child's extended family, including adult siblings, grandparents, great-grandparents, aunts, and uncles, in determining the person or persons with whom the abandoned child should be placed if:

(a) placement with the extended family member is in the best interests of the abandoned child;

(b) the extended family member has requested that the abandoned child be placed with the family member; and

(c) the department has determined that the extended family member is qualified to receive and care for the abandoned child.

(2) If more than one extended family member of the abandoned child has requested that the child be placed with the family member and all are qualified to receive and care for the child, the department may determine which extended family member to place the abandoned child with in the same manner as provided for in 41-3-406(3).

(3) This part does not affect the department's ability to assess the appropriateness of placement of the child with a noncustodial parent when abandonment has been found against only one parent.

Section 7. Codification instruction. [Section 6] is intended to be codified as an integral part of Title 41, chapter 3, part 4, and the provisions of Title 41, chapter 3, part 4, apply to [section 6].

Section 8. Applicability. [This act] applies to proceedings on petitions filed pursuant to 41-3-401 after October 1, 2001.

(1) The proceeds of the tax imposed by 15-65-111 must, in accordance with the provisions of 15-1-501, be deposited in an account in the state special revenue fund to the credit of the department. The department may spend from that account in accordance with an expenditure appropriation by the legislature based on an estimate of the costs of collecting and disbursing the proceeds of the tax. Before allocating the balance of the tax proceeds in accordance with the provisions of 15-1-501 and as provided in subsections (1)(a) through (1)(e) of this section, the department shall determine the expenditures by state agencies for in-state lodging for each reporting period and deduct 4% of that amount from the tax proceeds received each reporting period. The amount deducted must be deposited in the fund or funds from which in-state lodging expenditures were paid by state agencies. The amount of $400,000 each year must be deposited in the Montana heritage preservation and development account provided for in 22-3-1004. On July 1, 1997, the amount of $45,000 is transferred to the department of commerce for purposes of a grant to the Fort Peck interpretive center. (ii) if 22.5% of the proceeds collected annually within the limits of a city, ~~or~~ consolidated city-county, *resort area, or resort area district* exceeds $35,000, 50%

of the amount available for distribution to the regional nonprofit tourism corporation in the region where the city, ~~or~~ consolidated city-county, *resort area, or resort area district* is located, to be distributed to the nonprofit convention and visitors bureau in that city, ~~or~~ consolidated city-county, *resort area, or resort area district.*

(2) If a city, ~~or~~ consolidated city-county, *resort area, or resort area district* qualifies under this section for funds but fails to either recognize a nonprofit convention and visitors bureau or submit and gain approval for an annual marketing plan as required in 15-65-122, then those funds must be allocated to the regional nonprofit tourism corporation in the region in which the city, ~~or~~ consolidated city-county, *resort area, or resort area district* is located.

(3) If a regional nonprofit tourism corporation fails to submit and gain approval for an annual marketing plan as required in 15-65-122, then those funds otherwise allocated to the regional nonprofit tourism corporation may be used by the department of commerce for tourism promotion and promotion of the state as a location for the production of motion pictures and television commercials. 15-65-121. (Effective July 1, 2001) Distribution of tax proceeds. (1) The proceeds of the tax imposed by 15-65-111 must, in accordance with the provisions of 15-1-501, be deposited in an account in the state special revenue fund to the credit of the department. The department may spend from that account in accordance with an expenditure appropriation by the legislature based on an estimate of the costs of collecting and disbursing the proceeds of the tax. Before allocating the balance of the tax proceeds in accordance with the provisions of 15-1-501 and as provided in subsections (1)(a) through (1)(e) of this section, the department shall determine the expenditures by state agencies for in-state lodging for each reporting period and deduct 4% of that amount from the tax proceeds received each reporting period. The amount deducted must be deposited in the fund or funds from which in-state lodging expenditures were paid by state agencies. The balance of the tax proceeds received each reporting period and not deducted pursuant to the expenditure appropriation or deposited in the fund or funds from which in-state lodging expenditures were paid by state agencies is statutorily appropriated, as provided in 17-7-502, and must be transferred to an account in the state special revenue fund to the credit of the department of commerce for tourism promotion and promotion of the state as a location for the production of motion pictures and television commercials, to the Montana historical society, to the university system, and to the department of fish, wildlife, and parks, as follows:

(a) 1% to the Montana historical society to be used for the installation or maintenance of roadside historical signs and historic sites;

(ii) if 22.5% of the proceeds collected annually within the limits of a city, ~~or~~ consolidated city-county, *resort area, or resort area district* exceeds $35,000, 50% of the amount available for distribution to the regional nonprofit tourism corporation in the region where the city, ~~or~~ consolidated city-county, *resort area, or resort area district* is located, to be distributed to the nonprofit convention and visitors bureau in that city, ~~or~~ consolidated city-county, *resort area, or resort area district.*

(2) If a city, ~~or~~ consolidated city-county, *resort area, or resort area district* qualifies under this section for funds but fails to either recognize a nonprofit convention and visitors bureau or submit and gain approval for an annual marketing plan as required in 15-65-122, then those funds must be allocated to the regional nonprofit tourism corporation in the region in which the city, ~~or~~ consolidated city-county, *resort area, or resort area district* is located.

(3) If a regional nonprofit tourism corporation fails to submit and gain approval for an annual marketing plan as required in 15-65-122, then those funds otherwise allocated to the regional nonprofit tourism corporation may be used by the department of commerce for tourism promotion and promotion of the state as a location for the production of motion pictures and television commercials."

CHAPTER NO. 196

[HB 292]

AN ACT CREATING THE FISHING ACCESS ENHANCEMENT PROGRAM TO PROVIDE INCENTIVES TO LANDOWNERS WHO PROVIDE ACCESS TO OR ACROSS PRIVATE LAND FOR PUBLIC FISHING; INCLUDING FISHING ACCESS ENHANCEMENT WITHIN THE SCOPE OF ISSUES THAT MAY BE CONSIDERED BY THE GOVERNOR'S REVIEW COMMITTEE ON PRIVATE LANDS AND PUBLIC WILDLIFE; AMENDING SECTION 87-1-269, MCA; AND PROVIDING A DELAYED EFFECTIVE DATE AND A TERMINATION DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Fishing access enhancement program created — private landowner assistance to promote public fishing access — rules. (1) The department may establish programs of landowner assistance that encourage public access to and across private lands for purposes of fishing and may adopt rules to carry out program purposes. Rules may address but are not limited to incentives for private landowners who allow public fishing access on or across their lands, where legal access does not presently exist. Participation in the fishing access enhancement program is established through a cooperative agreement between a landowner and the department, including other resource management agencies when appropriate, that allows access for public fishing with certain restrictions or use rules.

(2) The department may also develop similar voluntary programs that are designed to promote public access across private lands for fishing purposes.

(3) Participation in a program established under subsection (1) is voluntary. Programs may not be structured in a manner that provides assistance to a private landowner who charges a fee for fishing access to private land that is enrolled in the program or who does not provide reasonable public fishing access to private land that is enrolled in the program. The commission shall develop criteria by which tangible benefits are allocated to participating landowners, and the department may distribute the benefits to participating landowners.

(4) Funds from the account established pursuant to 87-1-605 may be used to purchase or lease public fishing access at county road bridge crossings or for necessary parking facilities, trails, or ramps to facilitate fishing access to public waters at bridge crossings.

Section 2. Fishing access enhancement program — benefits for providing fishing access — cooperative agreement — factors for determining benefits earned — restriction on landowner liability. (1) As provided in [section 1], the department may establish and administer a voluntary program to enhance fishing access. The program must be designed to provide tangible benefits to participating private landowners who grant access to or across their land for public fishing.

(2) A contract for participation in the fishing access enhancement program is established through a cooperative agreement between the landowner and the department that will guarantee reasonable access for public fishing, which may include leases, easements, or rights-of-way to rivers, streams, ponds, or lakes on the landowner's property and leases or easements for access along the banks or shorelines of rivers, streams, ponds, or lakes on the property. Landowners may also form a voluntary association when development of a unified cooperative agreement is advantageous. A cooperative agreement must contain a detailed description of the plan developed by the landowner and the department and may include but is not limited to:

(a) fishing access management, which may include off-road parking, foot trails, and vehicle access roads;

(b) services to be provided to the public;

(c) landowner property rules and other restrictions;

(d) any other management information to be gathered, which must be made available to the public; and

(e) notice to adjacent landowners.

(3) If the department determines that the plan referred to in subsection (2) may adversely influence fish management decisions or fishing habitat on public lands, then other public land agencies, interested sportspersons, and affected landowners must be consulted. An affected landowner's management goals and personal observations regarding fish populations and habitat use must be considered in developing the plan.

(4) The commission shall develop rules for determining tangible benefits to be provided to a landowner for providing public fishing access. Benefits will be provided to offset potential impacts associated with public fishing access, including but not limited to those associated with general property maintenance, conservation efforts, weed control, fire protection, liability insurance, roads, fences, and parking area maintenance. Program priority must be given to properties that provide the greatest fishing access for the lowest costs. Factors used in determining benefits may include but are not limited to:

(a) the number of days of public fishing provided by a participating landowner;

(b) fish habitat provided; and

(c) access provided to adjacent public lands.

(5) Benefits earned by a landowner under this section may be applied in, but application is not limited to, the following manner:

(a) A landowner may receive direct monetary compensation for providing fishing access.

(b) A landowner may direct weed control payments to be made directly to the county weed control board or may elect to receive payments directly.

(c) A landowner may direct fire protection payments to be made directly to the local fire district or the county where the landowner resides or may elect to receive payments directly.

(d) A landowner may receive direct payment to offset insurance costs incurred for allowing public fishing access.

(e) The department may provide assistance in the construction and maintenance of roads, fencing, gates, and parking facilities and in the signing of property.

(6) The restriction on liability of a landowner, agent, or tenant that is provided under 70-16-302(1) applies to a landowner who participates in the fishing access enhancement program.

Section 3. Section 87-1-269, MCA, is amended to read:

"**87-1-269. (Temporary) Report required — review committee.** (1) The governor shall appoint a committee of persons interested in issues related to hunters, *anglers,* landowners, and outfitters, including but not limited to the hunting access enhancement program, *the fishing access enhancement program,* landowner-hunter relations, outfitting industry issues, and other issues related to private lands and public wildlife. The committee must have broad representation of landowners, outfitters, and sportspersons. The department may provide administrative assistance as necessary to assist the review committee.

(2) *(a)* The review committee shall report to the governor and to the ~~57th~~ *58th* legislature regarding the success of various elements of the hunting access

enhancement program, including a report of annual landowner participation, the number of acres annually enrolled in the program, hunter harvest success on enrolled lands, the number of qualified applicants who were denied enrollment because of a shortfall in funding, and an accounting of program expenditures, and make suggestions for funding, modification, or improvement needed to achieve the objectives of the program.

(b) The review committee shall report to the governor and to the 58th legislature regarding the success of the fishing access enhancement program and make suggestions for funding, modification, or improvement needed to achieve the objectives of the program.

(3) The director may appoint additional advisory committees that are considered necessary to assist in the implementation of the hunting access enhancement program *and the fishing access enhancement program* and to advise the commission regarding the development of rules implementing the hunting access enhancement program *and the fishing access enhancement program*. (Terminates March 1, 2006—sec. 6, Ch. 544, L. 1999.)"

Section 4. Codification instruction. [Sections 1 and 2] are intended to be codified as an integral part of Title 87, chapter 1, part 2, and the provisions of Title 87, chapter 1, part 2, apply to [sections 1 and 2].

Section 5. Effective date. [This act] is effective March 1, 2002.

Section 6. Termination. [This act] terminates March 1, 2006.

(2) (a) A licensed machine owner is entitled to a tax credit for each video gambling machine for which a permit has been issued under this part if:

(i) the permit was active for the video gambling machine ~~on~~ *during the 12-month period ending* December 31, ~~2000~~ *2001*;

(b) The amount of the tax credit allowed under subsection (2)(a) is $250 for each video gambling machine or the actual hardware and software cost necessary for conversion of the video gambling machine to the automated accounting and reporting system, whichever is less.

(3) If a tax credit is claimed under subsection (2)(a), the credit is deducted from the tax due for the quarter or quarters that begin after the video gambling machine for which the tax credit is claimed is connected to the automated accounting and reporting system authorized by 23-5-637.

(4) A licensed machine owner shall keep a record of the gross income from each video gambling machine issued a permit under this part in the form the department requires. The records must at all times during the business hours of the licensee be subject to inspection by the department.

CHAPTER NO. 200

[HB 579]

AN ACT REVISING THE UNEMPLOYMENT INSURANCE LAWS TO CONFORM WITH FEDERAL REQUIREMENTS RELATED TO EMPLOYMENT BY AN EMPLOYER THAT IS AN INDIAN TRIBE; AMENDING SECTIONS 39-51-201, 39-51-204, 39-51-1103, 39-51-1124, AND 39-51-1126, MCA; AND PROVIDING AN EFFECTIVE DATE AND A RETROACTIVE APPLICABILITY DATE.

WHEREAS, on December 21, 2000, federal law changed regarding state law treatment of employment by recognized Indian tribes for the purposes of state unemployment insurance programs by mandating the formerly optional state unemployment insurance coverage of employment by those Indian tribes; and

WHEREAS, as of December 21, 2000, federal law now requires states in which recognized Indian tribes exist to offer to those tribes a choice of experience-rating or direct reimbursable unemployment insurance accounts; and

WHEREAS, Montana's unemployment laws do not conform to the new federal requirements, and nonconformity of the state's unemployment insurance laws with the new federal provisions will jeopardize the ability of all Montana employers to take credit on federal taxes for the amounts paid to Montana's unemployment insurance program and will further depress Montana's economy; and

WHEREAS, the Legislature finds that it is the best interests of all the people of Montana that Montana's unemployment insurance laws conform to those December 21, 2000, federal law changes with respect to the treatment of Indian tribes for unemployment insurance purposes.

Be it enacted by the Legislature of the State of Montana:

Section 1. Liability of tribal units — cancellation for failure to make payments. (1) Each tribal unit of an Indian tribe is jointly and severally liable for all contributions or payments in lieu of contributions, including those under subsection (2), owed by any other tribal unit of the same Indian tribe.

(2) (a) An Indian tribe and its tribal units that make contributions are liable for reimbursing the department for 50% of any extended benefits paid pursuant to Title 39, chapter 51, part 24, that are chargeable to the account of the Indian tribe or one of its tribal units.

(b) An Indian tribe and its tribal units that elect to make payments in lieu of contributions are liable for reimbursing the department for 100% of any extended benefits paid pursuant to Title 39, chapter 51, part 24, that are chargeable to the account of the Indian tribe or one of its tribal units.

(3) (a) The failure of an Indian tribe or any of its tribal units to make the required payments under this chapter within 90 days of being given notice that the Indian tribe or tribal unit is delinquent in payment cancels the participation of the Indian tribe and all of its tribal units in the unemployment insurance program provided by this chapter and removes service provided to the Indian tribe and all of its tribal units from being considered as employment, within the meaning 39-51-203.

(b) Payment in full of amounts that have been delinquent for more than 90 days reinstate the participation of the Indian tribe and its tribal units in Montana's unemployment insurance system, and service to the Indian tribe and its tribal units once again is considered to be employment within the meaning of 39-51-203. However, upon reinstatement, the Indian tribe and all of its tribal units no longer have the option of electing to make payments in lieu of contributions and, pursuant to 39-51-1126, are required to make contributions as provided in this chapter.

Section 2. Section 39-51-201, MCA, is amended to read:

"39-51-201. General definitions. As used in this chapter, unless the context clearly requires otherwise, the following definitions apply:

(3) "Benefit year", with respect to any individual, means the 52-consecutive-week period beginning with the first day of the calendar week in which the individual files a valid claim for benefits, except that the benefit year is 53 weeks if filing a new valid claim would result in overlapping any quarter of the base year of a previously filed new claim. A subsequent benefit year may not be established until the expiration of the current benefit year. However, in the case of a combined-wage claim pursuant to the arrangement approved by the secretary of labor of the United States, the base period is the period applicable under the unemployment law of the paying state.

(4) "Benefits" means the money payments payable to an individual, as provided in this chapter, with respect to the individual's unemployment.

(5) "Board" means the board of labor appeals provided for in Title 2, chapter 15, part 17.

(6) "Calendar quarter" means the period of 3 consecutive calendar months ending on March 31, June 30, September 30, or December 31.

(8) "Department" means the department of labor and industry provided for in Title 2, chapter 15, part 17.

(9) "Domestic or household service" means employment of persons other than members of the household for the purpose of tending to the aid and comfort of the employer or members of the employer's family, including but not limited to housecleaning and yard work, but does not include employment beyond the scope of normal household or domestic duties, such as home health care or domiciliary care.

All individuals performing services within this state for any employing unit that maintains two or more separate establishments within this state are considered to be employed by a single employing unit for all the purposes of this chapter. Each individual employed to perform or assist in performing the work of any agent or employee of an employing unit is considered to be employed by the employing unit for the purposes of this chapter, whether the individual was hired or paid directly by the employing unit or by the agent or employee, provided that the employing unit has actual or constructive knowledge of the work.

(11) "Employment office" means a free public employment office or branch of an office operated by this state or maintained as a part of a state-controlled system of public employment offices or other free public employment offices operated and maintained by the United States government or its instrumentalities as the department may approve.

(13) "Gross misconduct" means a criminal act, other than a violation of a motor vehicle traffic law, for which an individual has been convicted in a criminal court or has admitted or conduct that demonstrates a flagrant and wanton disregard of and for the rights or title or interest of a fellow employee or the employer.

(14) "Hospital" means an institution that has been licensed, certified, or approved by the state as a hospital.

"**61-4-120. The application must be made in the following manner:

(a) Each application and all of the information contained in it must be verified by the department or an authorized representative of the department on a form to be furnished by the department for that purpose. The application must provide the following information:

(i) the name in which the business is to be conducted and the location of premises, including street address, city, county, and state, where records are kept, sales are made, and motor vehicle stock is displayed as an established place of business that displays a sign indicating the firm name and that vehicles are offered for sale. The letters on the sign must be clearly visible and readable to the major avenue of traffic at a minimum distance of 150 feet.

(ii) the name and address of all owners or persons having an interest in the business. In the case of a corporation, the names and addresses of the president and secretary are sufficient.

(iii) a statement that the applicant is authorized to auction used motor vehicles, recreational vehicles, trailers, semitrailers, special mobile equipment, motorcycles, and quadricycles under one license. A licensed auto auction may not auction a new motor vehicle except when authorized by a new motor vehicle manufacturer, importer, distributor, or representative, for the purpose of conducting a closed-factory fleet sale to dispose of new motor vehicles by the franchisor (manufacturer, distributor, or importer) to franchisee purchasers when the purchasers are licensed new motor vehicle dealers purchasing new motor vehicle line-makes authorized by their respective franchise, sales, or distributor agreements. An auto auction licensed under the provisions of this section shall notify and update the department with current fleet sale agreements between the auto auction and franchisor. An auto auction may not conduct a factory fleet sale unless authorized or appointed by a franchisor licensed under part 2 of this chapter.

(b) Each application must be accompanied by a bond of ~~$25,000~~ *$35,000* and must be conditioned that the applicant shall conduct business in accordance with the requirements of the law. All bonds must run to the state of Montana, must be approved by the department and filed in its office, and must be renewed annually.

(2) An auto auction's license must be renewed and paid for annually to the department, and an application for relicensure must be filed by January 1 of each year. The fee required for each first-time applicant is $500 and for subsequent renewal applications is $100 each year. Upon receipt of a properly completed application, fee, and bond, the department shall issue the auto auction license and assign an auto auction license number for each applicant in a manner determined

by the department. Auto auctions dealing in motor vehicles may sell only to licensed dealers and wholesalers.

(3) Auto auctions that are licensed under this section and that hold a current license number may issue temporary permits, which may be displayed and used by a buyer to operate an unregistered vehicle purchased from the auto auction. The temporary permit is valid for a period of 72 hours from the time of purchase and may be used only for the purpose of driving or transporting a vehicle from the auction premises to the purchaser's established place of business or point of destination. Temporary permits must be on a form prescribed by the department and must contain the name, address, and license number of the purchaser, *the* date of sale, *the* name, address, license number, and authorized signature of the auto auction, and a description of the vehicle, including its serial number. The department shall collect a fee of $10 from the auto auction for each temporary permit, and the auto auction may charge a vehicle purchaser no more than $10 for the issuance of each permit to offset the cost of the permit. It is unlawful for the auto auction to issue more than one temporary permit per vehicle sale.

(4) A licensed auto auction may apply for and may be authorized by the department to purchase and use license plates of a type and amount approved by the department, upon payment of a fee to the department to offset the cost of production. Licensed auto auctions may use the license plates to transport inventory vehicles from a point of storage or a point of delivery in this state to the auto auction's place of business, for road testing authorized vehicles, or for moving vehicles for purposes of repairing, painting, upholstering, polishing, and related activities. One license plate is required to be conspicuously displayed on the rear of the vehicle. Auto auctions may appoint designated persons, partnerships, corporations, service stations, or repair garages to use the license plate only when conducting work for the auto auction involving repairing, painting, upholstering, polishing, or performing similar types of work upon a vehicle. Upon application for an auto auction license, the applicant, if requesting the license plates, shall submit a sworn affidavit on a form prescribed by the department, listing each authorized person designated by the auction to use the license plates. The auto auction is responsible for reporting any changes to the affidavit within 72 hours after the amendment has occurred. An auto auction licensed under the provisions of this section is liable for the proper use of the license plates, which may not be used for private purposes. The department may revoke an auto auction's 72-hour temporary permit and license plate privileges if an auction issues, authorizes the use of, or uses a temporary permit or the license plate in violation of the provisions of this section.

(5) (a) Each auto auction shall keep a book or record, in a form and manner subject to approval by the department, of the purchases, sales, or exchanges or the receipts for the purpose of sale of any motor vehicle, a properly completed copy of a temporary permit issued to a vehicle purchaser, the date of title transfer, and a description of the motor vehicle, together with the name and address of the seller, the purchaser, and the alleged owner or other person from whom the motor vehicle was purchased or received or to whom it was sold or delivered. The description in the case of a motor vehicle must include:

(i) the vehicle identification number and engine number, if any; and

(ii) a statement that a number has been obliterated, defaced, or changed, if it has.

(b) An auto auction licensed under this section shall validate the sale of a motor vehicle through its auction by stamping its name and license number upon the certificate of ownership at a location on the front or back of the certificate, at the margin in the assignment section as executed between the transferor and transferee. An auto auction's stamp must be legible and may not interfere with the information recorded on the certificate between the transferor and transferee. If the certificate of ownership lacks adequate space for the auto auction to place its stamp, the auction may provide the transferee a copy of the auction invoice bearing the:

(i) name and license number of the auction, along with an indication of the vehicle year, make, model, and identification number;

(ii) name, address, and signature of the transferor;

(iii) name, license number, and signature of the transferee; and

(iv) date the vehicle was sold through the auction.

(c) The invoice must be attached to the certificate of ownership and must be presented to the department with any application for title.

The odometer information may be retained in any way that is systematically retrievable and is not required to be maintained on any special disclosure form. The information may be part of the auction receipt or invoice or be maintained as a portion of a computer database or manual file. (b) the duty to secure or make copies, or both, of all bills of lading or other evidence of delivery for shipment of agricultural seeds as defined in 80-5-120 that have been sold or are intended for sale in Montana and to forward the copies to the department of agriculture within 24 hours of the date the bill of lading was obtained*; and*

(c) the authority, if probable cause exists, to stop and inspect a supply tank connected to the engine of any diesel-powered motor vehicle operating on the public highways of this state in order to determine compliance with Title 15, chapter 70, part 3.

(7) The department of transportation shall report to the revenue and taxation interim committee at least once each year on its enforcement, pursuant to the authority provided in subsection (6)(c), of the provisions of Title 15, chapter 70, part 3, and on any impacts that enforcement has had on the state special revenue fund."

(b) When a person is convicted or forfeits bail or collateral not vacated for the offense of operating or being in actual physical control of a motor vehicle while under the influence of alcohol or any drug or a combination of alcohol or drugs or for the offense of operation of a motor vehicle by a person with alcohol concentration of 0.10 or more, the department shall, upon receiving a report of conviction or forfeiture of bail or collateral not vacated, suspend the driver's license or driving privilege of the person for a period of 6 months. Upon receiving a report of a conviction or forfeiture of bail or collateral for a second, third, or subsequent offense within 5 years of the first offense, the department shall revoke the license or driving privilege of the person for a period of 1 year and, upon issuance of any restricted probationary license during the period of revocation, restrict the person to driving only a motor vehicle equipped with a functioning ignition interlock device. If the 1-year period passes and the person has not completed a chemical dependency education course, treatment, or both, as ordered by the sentencing court, the license revocation remains in effect until the course, treatment, or both, are completed.

(c) For the purposes of subsection (2)(b), a person is considered to have committed a second, third, or subsequent offense if fewer than 5 years have passed between the date of an offense that resulted in a prior conviction and the date of the offense that resulted in the most recent conviction.

(3) (a) If a person pays the reinstatement fee required in 61-2-107 and provides the department proof of compliance with an ignition interlock restriction imposed under 61-8-442, the department shall stay the license

suspension of a person who has been convicted of a violation of 61-8-401 or 61-8-406 and return the person's driver's license. The stay must remain in effect until the period of suspension has expired and any required chemical dependency education course, treatment, or both, have been completed.

(b) If the department receives notice from a court, peace officer, or ignition interlock vendor that the person has violated the court-imposed ignition interlock restriction by, including but not limited to operating a motor vehicle not equipped with the device, tampering with the device, or removing the device before the period of restriction has expired, the department shall lift the stay and reinstate the license suspension for the remainder of the time period. The department may not issue a probationary driver's license to a person whose license suspension has been reinstated because of violation of an ignition interlock restriction.

(4) The period for all revocations made mandatory by 61-5-205 is 1 year except as provided in subsection (2).

(5) The period of revocation for a person convicted of any offense that makes mandatory the revocation of the person's driver's license commences from the date of conviction or forfeiture of bail.

(6) If a person is convicted of a violation of 61-8-401 or 61-8-406 while operating a commercial motor vehicle, the department shall suspend the person's driver's license as provided in ~~61-8-811 and subsection (2) of this section~~ *61-8-802*."

Section 10. Section 61-8-801, MCA, is amended to read:

"**61-8-801. Purpose.** (1) The purpose of this part is to reduce the number of commercial motor vehicle accidents in Montana, to provide greater safety to the motoring public and others by establishing stringent criteria governing the operation of commercial motor vehicles, and to deny the privilege of operating commercial motor vehicles upon the public streets and highways to those commercial motor vehicle operators who are ~~determined to be~~ not qualified.

(2) To fulfill this purpose, the legislature intends that this part:

(a) establish criteria and procedures for the operation of commercial motor vehicles that require safety practices commensurate with the danger inherent to their operation;

(b) provide for increased administrative punishment for commercial motor vehicle operators who use alcohol while operating commercial motor vehicles;

(c) provide greater control of commercial motor vehicle operators using the streets and highways; and

(b) upon notice of a second conviction of the same offense or conduct, for life, subject to federal rules allowing for license reinstatement, if otherwise eligible, upon completion of a minimum suspension period of 10 years.

(2) ~~A commercial driver's license suspended pursuant to this section remains suspended for the duration of the period of disqualification under federal regulations~~ *The department is required by federal law to suspend a person's commercial driver's license upon the report of a conviction of any of the following offenses or conduct:*

(c) using a commercial motor vehicle in the commission of a felony, other than a felony under 61-8-804;

(d) operating a commercial motor vehicle while the person's commercial driver's license is revoked, suspended, or canceled or the person is disqualified from operating a commercial motor vehicle;

(B) failing to obey a traffic control device or the directions of an enforcement official at the crossing; or

(C) failing to negotiate a crossing because of insufficient undercarriage clearance.

(3) *The department shall suspend the commercial driver's license of a person who is convicted of a railroad grade crossing violation for:*

(a) 60 days upon a first conviction;

(b) 120 days upon a second conviction within a 3-year period; or

(c) 1 year upon a third or subsequent conviction within a 3-year period.

(4) A person whose commercial driver's license is suspended under this section ~~due to disqualification~~:

(a) ~~may appeal the suspension as provided in 61-5-211~~ *is not eligible for a restricted probationary driver's license*; and

(b) may not operate a commercial *motor* vehicle until the suspension is lifted and the person's commercial driver's license is restored."

Section 12. Section 61-8-803, MCA, is amended to read:

"61-8-803. Suspension of commercial driver's license — serious traffic violations. (1) If the department receives notice from a court or another licensing jurisdiction that a person holding a commercial driver's license has been convicted of more than one serious traffic violation in separate incidents within a 3-year period, the department shall suspend the person's commercial driver's license:

(a) for 60 days upon receipt of notice of the second conviction; or

(b) for 120 days upon receipt of notice of the third or subsequent conviction.

(2) For purposes of this section, "serious traffic violation" means conviction, when operating a commercial motor vehicle, of:

(a) speeding in excess of 15 miles an hour above a posted speed limit;

(b) reckless driving;

(c) improper or erratic traffic lane changes;

(d) following too closely; ~~or~~

(h) operating a commercial motor vehicle when the minimum testing standards for the class of vehicle operated or the type of cargo carried have not been satisfied by the individual."

Section 13. Section 61-8-805, MCA, is amended to read:

"61-8-805. Suspension for operating commercial vehicle with alcohol concentration of 0.04 or more — hearing. (1) A person whose alcohol concentration is 0.04 or more while the person drives or is in actual physical control of a commercial motor vehicle is subject to the suspension of the person's commercial driver's license. The peace officer who determines that the person is operating a commercial motor vehicle with an alcohol concentration of 0.04 or more shall immediately seize the person's commercial driver's license and, on behalf of the department, give the person written notice of the license suspension and the right to a hearing under 61-8-808. Upon receipt of a report certified under penalty of law from the peace officer that the person was operating a commercial motor vehicle with an alcohol concentration of 0.04 or more, the department shall suspend the license, with no provision for a restricted probationary commercial license, for:

(a) 1 year, upon receipt of the first report of a 0.04 or more alcohol concentration violation, except that if the violation occurred in a commercial motor vehicle transporting placardable hazardous materials, the suspension must be for 3 years; and

(b) life, upon receipt of a second or subsequent 0.04 or more alcohol concentration violation report at any time as determined from the records of the department, subject to federal rules allowing for driver rehabilitation and license reinstatement, if otherwise eligible, upon service of a minimum period of 10 years' suspension.

(2) A peace officer who determines that a commercial motor vehicle operator has a measured amount or detected presence of alcohol in the operator's body while operating a commercial motor vehicle shall place the commercial motor vehicle operator out of service as mandated by federal regulations for 24 hours.

(3) The fact that a person charged with a violation of the provisions of subsection (1) is entitled to use alcohol under the laws of Montana is not a defense against a charge of violating the provisions of subsection (1).

(4) For purposes of this section, a conviction for violation of 61-8-401 or 61-8-406 while operating a commercial motor vehicle must be treated as a prior report of a 0.04 or more alcohol concentration violation and must be used in determining the length of the license suspension under subsection (1)."

Section 14. Section 61-8-811, MCA, is amended to read:

"61-8-811. Suspension of commercial driver's license — duration — second or subsequent offense. Upon receiving notice pursuant to ~~61-5-208,~~ 61-8-809~~,~~ or 61-8-810, the department shall suspend ~~an operator's~~ *a person's* commercial driver's license, as follows:

(1) upon notice of a first conviction, for 1 year, with no provision for a probationary license, except that if the offense occurred while operating a commercial motor vehicle transporting hazardous material, the suspension must be for 3 years;

(2) upon notice of a second conviction, as determined from the records of the department, for life, with no provision for a restricted license unless allowed by federal rules governing commercial drivers; and

(3) upon notice of a third conviction, an operator's commercial driver's license must be suspended for life and the operator is ineligible for reinstatement."

Section 15. Section 61-11-101, MCA, is amended to read:

Report of convictions and suspension or revocation of driver's licenses — surrender of licenses.** (1) If a person is convicted of an offense for which chapter 5 *or chapter 8, part 8,* makes mandatory the suspension or revocation of the driver's license *or commercial driver's license* of the person by the department, the court in which the conviction occurs shall require the surrender to it of all driver's licenses then held by the convicted person. The court shall, within 5 days, forward the license and a record of the conviction to the department. If the person does not possess a driver's license, the court shall indicate that fact in its report to the department.

(2) A court having jurisdiction over offenses committed under a statute of this state or a municipal ordinance regulating the operation of motor vehicles on highways shall forward a record of the conviction or forfeiture to the department within 5 days after a conviction or a forfeiture of bail that is not vacated, except for a conviction or a forfeiture of bail for a standing or parking statute or ordinance~~, and may recommend the suspension of the driver's license of the convicted person~~. The court may ~~also~~ recommend that the department issue a restricted probationary license on the condition that the individual comply with the requirement that the person attend and complete a chemical dependency education course, treatment, or both, as ordered by the court under 61-8-732. ~~The department shall issue a restricted probationary license unless the person is not entitled to a Montana driver's license. Upon issuance of a probationary license, the licensee is subject to the restrictions and may not operate a vehicle in violation of the restrictions.~~

(3) A court or other agency of this state or of a subdivision of the state that has jurisdiction to take any action suspending, revoking, or otherwise limiting a license to drive shall report an action and the adjudication upon which it is based to the department within 5 days on forms furnished by the department."

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-4-110, MCA, is amended to read:

"**2-4-110. Departmental review of rule notices.** (1) The head of each department of the executive branch shall appoint an existing attorney, paralegal, or other qualified person from that department to review each departmental rule proposal notice, adoption notice, or other notice relating to administrative rulemaking. Notice of the name of the person appointed under this subsection and of any successor must be given to the secretary of state and the appropriate administrative rule review committee within 10 days of the appointment.

(2) The person appointed under subsection (1) shall review each notice by any division, bureau, or other unit of the department, including units attached to the department for administrative purposes only under 2-15-121, for compliance with this chapter before the notice is filed with the secretary of state. The reviewer shall pay particular attention to 2-4-302 and 2-4-305. The review must include but is not limited to consideration of:

(a) the adequacy of the ~~rationale~~ *statement of reasonable necessity* for the intended action and whether the intended action is reasonably necessary to effectuate the purpose of the code section or sections implemented;

(b) whether the proper statutory authority for the rule is cited;

(c) whether the citation of the code section or sections implemented is correct; and

(d) whether the intended action is contrary to the code section or sections implemented or to other law.

(3) The person appointed under subsection (1) shall sign each notice for which this section requires a review. The act of signing is an affirmation that the review required by this section has been performed to the best of the reviewer's ability. The secretary of state may not accept for filing a notice that does not have the signature required by this section."

Section 2. Section 2-4-302, MCA, is amended to read:

"**2-4-302. Notice, hearing, and submission of views.** (1) Prior to the adoption, amendment, or repeal of any rule, the agency shall give written notice of its intended action. The notice must include a statement of either the terms or substance of the intended action or a description of the subjects and issues involved, the ~~rationale~~ *reasonable necessity* for the intended action, and the time when, place where, and manner in which interested persons may present their views on the intended action. The ~~rationale~~ *reasonable necessity* must be written in plain, easily understood language. If the agency proposes to adopt, increase, or decrease a monetary amount that a person shall pay or will receive, such as a fee, cost, or benefit, the notice must include an estimate, if known, of:

(a) the cumulative amount for all persons of the proposed increase, decrease, or new amount; and

(b) the number of persons affected.

(2) (a) The notice must be filed with the secretary of state for publication in the register, as provided in 2-4-312, and mailed within 3 days of publication to the sponsor of the legislative bill that enacted the section that is cited as implemented in the notice if the notice is the initial proposal to implement the section, to interested persons who have made timely requests to the agency to be informed of its rulemaking proceedings, and to the office of any professional, trade, or industrial society or organization or member of those entities who has filed a request with the appropriate administrative rule review committee when the request has been forwarded to the agency as provided in subsection (2)(b). Each agency shall create and maintain a list of interested persons and the subject or subjects in which each person on the list is interested. A person who submits a written comment or attends a hearing in regard to proposed agency action under this part must be informed of the list by the agency. An agency complies with this subsection if it includes in the notice an advisement explaining how persons may be placed on the list of interested persons and if it complies with subsection (7).

(b) The appropriate administrative rule review committee shall forward a list of all organizations or persons who have submitted a request to be informed of agency actions to the agencies that the committee oversees that publish rulemaking notices in the register. The list must be amended by the agency upon request of any person requesting to be added to or deleted from the list.

(c) The notice required by subsections (1) and (2)(a) must be published and mailed at least 30 days in advance of the agency's intended action. In addition to publishing and mailing the notice under subsection (2)(a), the agency shall post the notice on a state electronic access system or other electronic communications system available to the public.

(d) The agency shall also, at the time that its personnel begin to work on the substantive content and the wording of the initial rule proposal to implement one or more statutes, notify the sponsor of the legislative bill that enacted the section.

(3) If a statute provides for a method of publication different from that provided in subsection (2), the affected agency shall comply with the statute in addition to the requirements contained in this section. However, the notice period may not be less than 30 days or more than 6 months.

(4) Prior to the adoption, amendment, or repeal of any rule, the agency shall afford interested persons at least 20 days' notice of a hearing and at least 28 days from the day of the original notice to submit data, views, or arguments, orally or in writing. If an amended or supplemental notice is filed, additional time may be allowed for oral or written submissions. In the case of substantive rules, the notice of proposed rulemaking must state that opportunity for oral hearing must be granted if requested by either 10% or 25, whichever is less, of the persons who will be directly affected by the proposed rule, by a governmental subdivision or agency, by the appropriate administrative rule review committee, or by an association having not less than 25 members who will be directly affected. If the proposed rulemaking involves matters of significant interest to the public, the agency shall schedule an oral hearing.

(5) An agency may continue a hearing date for cause. In the discretion of the agency, contested case procedures need not be followed in hearings held pursuant to this section. If a hearing is otherwise required by statute, nothing in this section alters that requirement.

(6) If an agency fails to publish a notice of adoption within the time required by 2-4-305(7) and the agency again proposes the same rule for adoption, amendment, or repeal, the proposal must be considered a new proposal for purposes of compliance with this chapter.

(7) At the commencement of a hearing on the intended action, the person designated by the agency to preside at the hearing shall:

(a) read aloud the "Notice of Function of Administrative Rule Review Committee" appearing in the register; and

(b) inform the persons at the hearing of the provisions of subsection (2)(a) and provide them an opportunity to place their names on the list.

(8) For purposes of notifying sponsors under subsections (2)(a) and (2)(d) who are no longer members of the legislature, a former legislator who wishes to receive notice may keep the former legislator's name, address, and telephone number on file with the secretary of state. An agency proposing rules shall consult the register when providing sponsor notice."

Section 3. Section 2-4-305, MCA, is amended to read:

"**2-4-305. Requisites for validity — authority and statement of reasons.** (1) The agency shall fully consider written and oral submissions respecting the proposed rule. Upon adoption of a rule, an agency shall issue a concise statement of the principal reasons for and against its adoption, incorporating in the statement the reasons for overruling the considerations urged against its adoption. If substantial differences exist between the rule as proposed and as adopted and the differences have not been described or set forth in the adopted rule as that rule is printed in the register, the differences must be described in the statement of reasons for and against agency action. When written or oral submissions have not been received, an agency may omit the statement of reasons.

(2) Rules may not unnecessarily repeat statutory language. Whenever it is necessary to refer to statutory language in order to convey the meaning of a rule interpreting the language, the reference must clearly indicate the portion of the language that is statutory and the portion that is an amplification of the language.

(3) Each proposed and adopted rule must include a citation to the specific grant of rulemaking authority pursuant to which the rule or any part of the rule is adopted. In addition, each proposed and adopted rule must include a citation to the specific section or sections in the Montana Code Annotated that the rule purports to implement. A substantive rule may not be proposed or adopted unless:

(a) a statute granting the agency authority to adopt rules clearly and specifically lists the subject matter of the rule as a subject upon which the agency shall or may adopt rules; or

(b) the rule implements and relates to a subject matter or an agency function that is clearly and specifically included in a statute to which the grant of rulemaking authority extends.

(4) Each rule that is proposed and adopted by an agency and that implements a policy of a governing board or commission must include a citation to and description of the policy implemented. Each agency rule implementing a policy and the policy itself must be based on legal authority and otherwise comply with the requisites for validity of rules established by this chapter.

(5) To be effective, each substantive rule adopted must be within the scope of authority conferred and in accordance with standards prescribed by other provisions of law.

(6) Whenever by the express or implied terms of any statute a state agency has authority to adopt rules to implement, interpret, make specific, or otherwise carry out the provisions of the statute, an adoption, amendment, or repeal of a rule is not valid or effective unless it is:

(a) consistent and not in conflict with the statute; and

(b) reasonably necessary to effectuate the purpose of the statute. A statute mandating that the agency adopt rules establishes the necessity for rules but does not, standing alone, constitute reasonable necessity for a rule. The agency shall also address the reasonableness component of the reasonable necessity requirement by, as indicated in 2-4-302(1) and subsection (1) of this section, stating the principal reasons and the rationale for its intended action and for the particular approach that it takes in complying with the mandate to adopt rules. Subject to the provisions of subsection (8), reasonable necessity must be clearly and thoroughly demonstrated for each adoption, amendment, or repeal of a rule in the agency's notice of proposed rulemaking and in the written and oral data, views, comments, or testimony submitted by the public or the agency and considered by the agency. *A statement that merely explains what the rule provides is not a statement of the reasonable necessity for the rule.*

(7) A rule is not valid unless notice of it is given and it is adopted in substantial compliance with 2-4-302, 2-4-303, or 2-4-306 and this section and unless notice of adoption of the rule is published within 6 months of the publishing of notice of the proposed rule. If an amended or supplemental notice of either proposed or final rulemaking, or both, is published concerning the same rule, the 6-month limit must be determined with reference to the latest notice in all cases.

(8) An agency may use an amended proposal notice or the adoption notice to correct deficiencies in citations of authority for rules and in citations of sections implemented by rules. An agency may use an amended proposal notice but, except for clerical corrections, may not use the adoption notice to correct deficiencies in a statement of reasonable necessity.

(9) If a majority of the members of the appropriate administrative rule review committee notify the committee presiding officer that those members object to a notice of proposed rulemaking, the committee shall notify the agency in writing that the committee objects to the proposal notice and will address the objections at the next committee meeting. Following notice by the committee to the agency, the proposal notice may not be adopted until publication of the last issue of the register that is published before expiration of the 6-month period during which the adoption notice must be published, unless prior to that time, the committee meets and does not make the same objection. A copy of the committee's notification to the agency must be included in the committee's records."

Section 4. Section 2-4-306, MCA, is amended to read:

"2-4-306. Filing, format, and *adoption and* effective ~~date~~ *dates* — dissemination of emergency rules. (1) Each agency shall file with the secretary of state a copy of each rule adopted by it *or a reference to the rule as contained in the proposal notice. A rule is adopted on the date that the adoption notice is filed with the secretary of state and is effective on the date referred to in subsection (4), except that if the secretary of state requests corrections to the adoption notice, the rule is adopted on the date that the revised notice is filed with the secretary of state.*

(2) The secretary of state may prescribe a format, style, and arrangement for notices and rules that are filed pursuant to this chapter and may refuse to accept the filing of any notice or rule that is not in compliance with this chapter. The secretary of state shall keep and maintain a permanent register of all notices and rules filed, including superseded and repealed rules, that must be open to public inspection and shall provide copies of any notice or rule upon request of any person. Unless otherwise provided by statute, the secretary of state may require the payment of the cost of providing copies.

(3) In the event that the appropriate administrative rule review committee has conducted a poll of the legislature in accordance with 2-4-403, the results of the poll must be published with the rule.

(4) Each rule is effective after publication in the register, as provided in 2-4-312, except that:

(a) if a later date is required by statute or specified in the rule, the later date is the effective date;

(b) subject to applicable constitutional or statutory provisions:

(i) a temporary rule is effective immediately upon filing with the secretary of state or at a stated date following publication in the register; and

(ii) an emergency rule is effective at a stated date following publication in the register or immediately upon filing with the secretary of state if the agency finds that this effective date is necessary because of imminent peril to the public health, safety, or welfare. The agency's finding and a brief statement of reasons for the finding must be filed with the rule. The agency shall, in addition to the required publication in the register, take appropriate and extraordinary measures to make emergency rules known to each person who may be affected by them.

(c) if, following written administrative rule review committee notification to an agency under 2-4-305(9), the committee meets and under 2-4-406(1) objects to all or some portion of a proposed rule before the rule is adopted, the rule or portion of the rule objected to is not effective until the day after final adjournment of the regular session of the legislature that begins after the notice proposing the rule was published by the secretary of state, unless, following the committee's objection under 2-4-406(1):

(i) the committee withdraws its objection under 2-4-406 before the rule is adopted; or

CHAPTER NO. 211

[SB 38]

AN ACT GENERALLY REVISING THE MEDICAL SUPPORT REFORM ACT TO COMPLY WITH FEDERAL LAW REGARDING ISSUANCE OF A MEDICAL SUPPORT NOTICE; AND AMENDING SECTIONS 40-5-804, 40-5-806, AND 40-5-810, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 40-5-804, MCA, is amended to read:

"**40-5-804. Definitions.** For purposes of this part, the following definitions apply:

(1) "Child" means an individual, whether over or under 18 years of age, to whom or on whose behalf a legal duty of support is owed by a parent. The term includes but is not limited to a child enrolled or eligible for enrollment under a health benefit plan or individual insurance policy.

(2) "Child support guidelines" means guidelines adopted under the provisions of 40-5-209.

(3) "COBRA" means the federal Consolidated Omnibus Budget Reconciliation Act of 1985, under which dependent children of employees may continue to receive, for a limited time under specific circumstances, health plan coverage after termination of employment.

(4) "Department" means the department of public health and human services as provided for in 2-15-2201.

(5) "Health benefit plan" or "plan" means a group health benefit plan or combination of plans, other than public assistance programs, that provides medical care or benefits for a child. The term includes but is not limited to a health maintenance organization, self-funded group, *state or local government group health plan, church group plan,* medical or health service corporation, or similar plan.

(6) "Individual insurance" means health or medical insurance coverage other than a group health benefit plan or public assistance that is or may be provided individually for a child.

(7) "Medical care" means diagnosis, cure, mitigation, treatment, or prevention of disease, illness, or injury, including well baby checkups, periodic examinations, and any other undertaking for the purpose of affecting any structure or function of the body.

(8) "Medical support order" means a judgment, decree, or order, including approval of a settlement agreement issued by a tribunal of competent jurisdiction, that provides for the medical care of a child and that complies with the requirements of this part.

(9) "Obligated parent" means the parent who is required by a medical support order to provide for the medical care of a child. The obligated parent is not necessarily the same as an obligor for child support.

(10) "Parent" means a father or mother and includes a child's guardian or other adult caretaker having lawful charge of the child.

(11) "Payor" or "payor of income" means a person, firm, corporation, association, union, employer, trustee, political subdivision, state agency, or any agent thereof who pays income to a parent on a periodic basis, who has or provides individual insurance or a health benefit plan, and who is subject to the jurisdiction of this state under Rule 4B of the Montana Rules of Civil Procedure *or any employer under the Uniform Interstate Family Support Act.*

(12) "Plan administrator" means the person or entity, *including but not limited to a state or local government or church,* that assesses and collects premiums, accepts and processes claims, and pays benefits.

(13) "Primary parent" means the parent with whom the child resides for the most 24-hour periods in a plan year.

(14) "Qualified medical child support order" means an order that meets the requirements of 29 U.S.C. 1169.

(15) "Third-party custodian" means an agency or person other than a parent who:

(a) is authorized by legal process to have physical custody of a child;

(b) has actual physical custody of a child with the written consent of the parent or parents having legal custody of the child; or

(c) has actual physical custody of a child because of the parents' neglect, failure, or inability to provide for the child's support, medical care, and other needs.

(16) "Tribunal" means a court of competent jurisdiction or the department."

Section 2. Section 40-5-806, MCA, is amended to read:

"**40-5-806. Contents of medical support order.** (1) A medical support order may specify terms for individual insurance coverage and, to the extent of options within an available health benefit plan, the terms for plan coverage, including:

(a) minimum required policy limits;

(b) minimum required coverage;

(c) maximum terms for deductibles or required copayments; and

(d) other significant terms.

(2) If a child is already covered by individual insurance or a health benefit plan, if the child does not have existing coverage but coverage can be obtained under a health benefit plan that is available to the primary parent, or if the child does not have existing coverage and coverage for the child under a plan is available to the other parent, then the medical support order must require participation in that plan unless:

(a) the cost of continuing coverage or the cost of the health benefit plan is not reasonable or cost-beneficial; or

(b) another plan or individual insurance is available that will better serve the interests of the parties.

(3) If health benefit plans are available to both parents at a combined cost that is reasonable or cost-beneficial and with benefits that are complementary or compatible as primary and secondary coverage, the medical support order must require both parents to provide coverage for the child.

(4) If, at the time of the medical support order, coverage for the child in a health benefit plan is not available to either parent, the parent other than the primary parent must be required to obtain individual insurance coverage for the child. If the cost of individual insurance is not reasonable or cost-effective, the parent other than the primary parent must be required to obtain individual insurance or a health benefit plan at such time in the future that it becomes available to that parent at reasonable cost. The requirements in this subsection (4) to obtain a plan are not enforceable if:

(a) the primary parent has obtained individual insurance or a health benefit plan for the child and both parents have agreed in writing to share the costs of maintaining the coverage; or

(b) the other parent persuades the tribunal that the cost of available health benefit plans is not reasonable or cost-beneficial.

(5) If the department is providing child support enforcement services, the department shall ensure that a parent required by a medical support order to obtain a health benefit plan or individual insurance for a child is informed of any state group health benefit plan, such as the state children's health insurance plan, for which a child may be eligible. If a medical support order requiring enrollment is issued by the department or the court and a determination is made that insurance is not available at a reasonable cost, the tribunal shall notify the primary parent of the determination and of any state group health benefit plan for which a child may be eligible and may order the primary parent to submit an application to the department for enrollment of the child in a state group health benefit plan, such as the state children's health insurance plan. If the department

determines that the child is eligible, it shall enroll the child in the program pursuant to standard enrollment procedures.

~~(5)~~*(6)* This section also applies when a child is placed with a third-party custodian, unless a parent has obtained individual insurance or a plan for the child and both parents have agreed in writing to share the costs of maintaining the coverage or a parent persuades the tribunal that the cost of available individual insurance and plans is not reasonable or cost-beneficial. For purposes of this subsection, the primary parent is considered to be the parent with whom the child resided for the most 24-hour periods in the 12 months prior to placement with the third-party custodian.

~~(6)~~*(7)* The medical support order must also provide that the cost of individual insurance or the health benefit plan, any copayments and deductibles required under the coverage, and all medical expenses for the child that are not covered by individual insurance or the plan must be shared between parents in accordance with the child support guidelines. If the order fails to designate each parent's share, each parent is liable for 50% of the costs and expenses.

~~(7)~~*(8)* The costs of providing individual insurance or a health benefit plan may not be used as a direct offset to the child support obligation. However, as provided by the child support guidelines, the costs may be considered in making or modifying a child support order.

~~(8) (a) Individual insurance or a health benefit plan is presumed to be available at reasonable cost if:~~

~~(i) an amount payable for individual insurance or health benefit plan premiums does not exceed 25% of the obligated parent's total parental child support obligation when calculated under the child support guidelines without credit for the medical support obligation; or~~

~~(ii) a health benefit plan is available through an employer or other group organization for which the premium is partially or entirely paid by the employer or other group organization.~~

~~(b) The presumption under subsection (8)(a) may be rebutted by clear and convincing evidence, and the tribunal has the discretion to:~~

~~(i) order individual insurance or health benefit plan coverage when the amount of the premium may be greater than the presumptive amount; or~~

~~(ii) not order coverage when the amount of the premium is less than the presumptive amount.~~

(9) The department shall adopt rules establishing guidelines to determine whether individual insurance or a health benefit plan is presumed to be available at a reasonable cost and under what conditions the presumption may be rebutted. The rules must apply in any proceeding to establish or enforce a medical support order."

Section 3. Section 40-5-810, MCA, is amended to read:

"**40-5-810. ~~Authorization~~ *Notice of intent to enroll — order to enroll — authorization* to enroll and participate in health benefit plan — *rules*.** *(1) When a parent is required by a medical support order to obtain a health benefit plan for a child, the parent may be served with a notice of intent to enroll the child in any plan available to that parent. The notice may be issued separately or may be combined with any other notice issued under this part.*

(2) The notice must contain a statement of the:

(a) procedures to follow if the parent wishes to contest enrollment of a child in the plan;

(b) conditions under which enrollment will occur and that enrollment applies to all current and subsequent plans; and

(c) period of time within which the parent may file a request for a hearing to contest the enrollment.

(3) For notices issued by the department under this section, hearings must be contested cases under Title 2, chapter 4.

(4) The notice must be served upon the parent by certified mail or personally, including by acknowledgment of service.

(5) An order requiring enrollment of a child in a plan may be issued:

(a) at any time after the parent's time for filing a request for a hearing on the notice of intent to enroll has lapsed;

(b) as a result of a hearing that authorizes an order to enroll;

(c) upon identifying a plan that is available to the parent; or

(d) upon determining that the cost of the plan available to the parent is reasonable.

(6) An order requiring enrollment in a plan may be served on a plan administrator, an employer, or another individual or entity by certified mail or personally, including by acknowledgment of service.

~~(1)~~*(7)* A plan administrator shall enroll a child when given a medical support order *or an order to enroll the child issued under this section,* even if ~~the obligated~~ *a* parent fails to execute documents required by the plan. The parents, the department, and a third-party custodian may release to a plan provider, employer, union, or other group any information necessary to obtain or enforce medical support or to facilitate the preparation, submission, processing, verification, or payment of claims.

~~(2)~~*(8)* The signature of either parent, of an authorized representative of the department, or of a third-party custodian *or the receipt of an order to enroll the child issued under this section* authorizes the plan to receive and process claims and exercise any available options for the continuation or extension.

(9) (a) The order to enroll the child must instruct the employer to:

(i) transfer the notice and order to the plan administrator within 20 days of service or by another date specified in the order;

(ii) notify the entity issuing the order of any lapse in insurance coverage or employment;

(iii) notify the entity issuing the order when the child is enrolled;

(iv) withhold any premiums from the parent's income and transfer the premiums to the plan; and

(v) not disenroll the child except in situations specified in the order.

(b) The order to enroll the child must instruct the plan administrator to, within 40 days of receipt of the order:

(i) take steps to cover the child, to notify the employer, and to provide verification of enrollment and a plan description to the department, parents, and any third-party custodian of the child; or

(ii) provide information to the entity issuing the order concerning why coverage is not available.

(10) The department may adopt rules in conformity with federal law establishing the priority of withholdings for financial support and medical support. Regardless of the priority of withholdings, the maximum amount withheld from the parent's wages or salary, including fees, may not exceed the maximum amount permitted under the federal Consumer Credit Protection Act, 15 U.S.C. 1673.

(11) An order to enroll may be modified or replaced at any time to add a child to or remove a child from a plan, consistent with the parent's medical support obligation.

(12) The department may terminate an order to enroll issued by the department when the department is no longer authorized to enforce the parent's medical support obligation, when the parent's medical support obligation is terminated, or when the department determines that the cost of the plan to the parent is not reasonable."

CHAPTER NO. 212

[SB 107]

AN ACT ALLOWING THE USE OF TWO-WAY ELECTRONIC AUDIO-VIDEO COMMUNICATION IN MENTAL ILLNESS PROCEEDINGS AT THE DISCRETION OF THE COURT; PROVIDING FOR COSTS; AND AMENDING SECTION 53-21-132, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Use of two-way electronic audio-video communication. (1) For purposes of this chapter, a hearing that is conducted by the use of two-way electronic audio-video communication, allowing all of the participants to be observed and heard by all present, is considered to be a hearing in open court.

(2) Whenever the law requires that a respondent or patient in any of the hearings provided for in subsection (3) be present before a court, this requirement may, in the discretion of the court, be satisfied either by the respondent's or patient's physical appearance before the court or by two-way electronic audio-video communication. The audio-video communication must operate so that the respondent or patient, and the respondent's or patient's counsel, and the judge can see each other simultaneously and converse with each other, so that the respondent or patient and the respondent's or patient's counsel can communicate privately, and so that the respondent or patient and counsel are both present during the two-way electronic audio-video communication. A respondent or patient may request that counsel from the board of visitors be present, for consulting purposes only, if the respondent or patient is located at the state hospital.

(3) At the discretion of the court, the following hearings may be conducted through two-way electronic audio-video communication:

(a) the initial hearing provided for in 53-21-122;

(b) the detention hearing provided for in 53-21-124;

(c) the trial or hearing on a petition provided for in 53-21-126;

(d) a hearing on posttrial disposition as provided for in 53-21-127;

(e) a hearing on the extension of a commitment period as provided for in 53-21-128;

(f) a hearing on rehospitalization of a person conditionally released from an inpatient treatment facility as provided for in 53-21-197;

(g) a hearing on an extension of the conditions of release as provided for in 53-21-198.

(4) This section does not abrogate a person's rights under 53-21-115, 53-21-116, or 53-21-117. A respondent or patient, the respondent's or patient's counsel, and a friend of the respondent or patient, if any, must be informed of these rights prior to a hearing by two-way electronic audio-video communication in lieu of a hearing in person. A respondent or patient or the respondent's or patient's counsel and a friend of the respondent or patient, acting together, may waive any of the rights, as provided under 53-21-119.

(5) If a respondent or patient, the respondent's or patient's counsel, or the professional person object to two-way electronic audio-video communication in lieu of a hearing in person, the court may not allow a two-way electronic audio-video communication.

Section 2. Section 53-21-132, MCA, is amended to read:

"**53-21-132. Cost of examination and commitment.** (1) The cost of precommitment examination, detention, treatment, and taking a person who is suffering from a mental disorder and who requires commitment to a mental health facility must be paid by the county in which the person resides at the time that the person is committed. The sheriff must be allowed the actual expenses incurred in taking a committed person to the facility, as provided by 7-32-2144.

(2) The county of residence shall also pay all precommitment expenses, including transportation to a mental health facility, incurred in connection with the detention, examination, and precommitment custody of the respondent. However, the county of residence is not required to pay costs of treatment and custody of the respondent after the respondent is committed pursuant to this part. *Precommitment costs related to the use of two-way electronic audio-video communication in the county of commitment must be paid by the county in which the person resides at the time that the person is committed. The costs of the use of two-way electronic audio-video communication from the state hospital for a patient who is under a voluntary or involuntary commitment to the state hospital must be paid by the state.* The fact that a person is examined, hospitalized, or receives medical, psychological, or other mental health treatment pursuant to this part does not relieve a third party from a contractual obligation to pay for the cost of the examination, hospitalization, or treatment.

(3) The adult respondent or the parent or guardian of a minor shall pay the cost of treatment and custody ordered pursuant to 53-21-127, except to the extent that the adult or minor is eligible for public mental health program funds.

(4) A community service provider that is a private, nonpublic provider may not be required to treat or treat without compensation a person who has been committed."

Section 3. Codification instruction. [Section 1] is intended to be codified as an integral part of Title 53, chapter 21, part 1, and the provisions of Title 53, chapter 21, part 1, apply to [section 1].

CHAPTER NO. 213

[SB 146]

AN ACT CLARIFYING REQUIREMENTS FOR WATER AND WASTEWATER OPERATOR CERTIFICATION; AMENDING SECTION 37-42-102, MCA; REPEALING SECTION 37-42-103, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

WHEREAS, section 37-42-102(8), MCA, currently contains three elements in the definition of a "wastewater treatment plant" and defines it as a plant that treats wastewater, that discharges an effluent directly into state waters, and that is either an industrial waste discharge system or a public sewage system as defined in section 75-6-102, MCA; and

WHEREAS, section 75-6-102(9), MCA, already defines "industrial waste discharge system" as a system that discharges industrial waste into state waters; and

WHEREAS, the current definition of "wastewater treatment plant" in section 37-42-102(8), MCA, which includes only systems that discharge directly to state waters, may restrict regulation more than is desired so that some public sewage systems might not be required to have a certified operator; and

WHEREAS, the Legislature wishes to require public sewage systems, whether or not they discharge to state waters, and systems that process industrial waste water and discharge to state waters to be operated by certified operators; and

WHEREAS, removing the requirement that a discharge to state waters is necessary from the definition of a "wastewater treatment plant" would clarify that intent; and

WHEREAS, section 37-42-103, MCA, exempts public water supplies and sewage systems serving fewer than 15 or more service connections or 25 or more people for at least 60 days of the calendar year from the requirement of having a certified operator in responsible charge; and

WHEREAS, a water supply or sewage system that does not serve 15 service connections or 25 or more people for at least 60 days of the calendar year is already excluded from the definition of a "public sewage system" and the definition of a "public water supply system" under section 75-6-102(15) and (16), MCA, and is therefore not required to have a certified operator; and

WHEREAS, industrial waste discharge systems generally do not serve 15 or more service connections or 25 or more people for at least 60 days of the calendar year, and the exemption in section 37-42-103, MCA, might be interpreted to exempt industrial waste discharge systems from needing to have certified operators; and

WHEREAS, repeal of section 37-42-103, MCA, would clarify that industrial waste discharge systems that discharge an effluent to state waters require certified operators.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 37-42-102, MCA, is amended to read:

"37-42-102. Definitions. Unless the context requires otherwise, in this chapter, the following definitions apply:

(9) "Water distribution system" means that portion of the water supply system that conveys water from the water treatment plant or other supply source to the premises of the consumer and that is part of a community water system or a nontransient noncommunity water system.

(10) "Water supply system" means a system of pipes, structures, and facilities through which water is obtained, treated, sold, distributed, or otherwise offered to the public for household use or use by humans and that is part of a community water system or a nontransient noncommunity water system.

(11) "Water treatment plant" means that portion of the water supply system that alters either the physical, chemical, or bacteriological quality of the water and renders it safe and palatable for human use."

Section 2. Repealer. Section 37-42-103, MCA, is repealed.

Be it enacted by the Legislature of the State of Montana:

Section 1. Burden of proof — insurance coverage. (1) In a proceeding brought by the department or an employer to resolve the issue of the existence of workers' compensation insurance coverage for that employer, the initial burden of proof is on the department to demonstrate that:

(a) the employer is required to have workers' compensation insurance coverage; and

(b) either:

(i) that the database of the recognized agent providing proof of coverage indicates that no coverage is reported by an insurer to cover the employer's Montana operations; or

(ii) that the department confirms with the insurer that reported coverage for the employer that the policy previously covering the employer's Montana operations has been canceled by that insurer.

(2) The burden then shifts to the employer to demonstrate that the employer is not required either to have workers' compensation insurance coverage or to produce a valid workers' compensation insurance policy covering the employer's Montana operations during the period of time in question. A valid workers' compensation insurance policy is one acknowledged by the insurer to be valid or adjudged to be valid by a court of competent jurisdiction.

Section 2. Section 30-9-129, MCA, is amended to read:

"**30-9-129. (Effective July 1, 2001) Scope.** (1) Except as otherwise provided in subsections (3) and (4), this chapter applies to:

(f) a security interest arising under 30-4-208 or 30-5-118.

(2) The application of this chapter to a security interest in a secured obligation is not affected by the fact that the obligation is itself secured by a transaction or interest to which this chapter does not apply.

(3) This chapter does not apply to the extent that:

(a) a statute, regulation, or treaty of the United States preempts this chapter;

(b) another statute of this state expressly governs the creation, perfection, priority, or enforcement of a security interest created by this state or a governmental unit of this state;

(4) This chapter does not apply to:

(a) a landlord's lien, other than an agricultural lien;

(b) a lien, other than an agricultural lien, given by statute or other rule of law for services or materials, but 30-9-353 applies with respect to priority of the lien;

(h) a transfer of an interest in or an assignment of a claim under a policy of insurance, other than an assignment by or to a health care provider of a health-care-insurance receivable and any subsequent assignment of the right to payment, but 30-9-335 and 30-9-342 apply with respect to proceeds and priorities in proceeds;

(i) an assignment of a right represented by a judgment, other than a judgment taken on a right to payment that was collateral;

(j) a right of recoupment or setoff, but:

(i) 30-9-360 applies with respect to the effectiveness of rights of recoupment or setoff against deposit accounts; and

(ii) 30-9-444 applies with respect to defenses or claims of an account debtor;

(k) the creation or transfer of an interest in or lien on real property, including a lease or rents ~~thereunder~~ *under the interest in real property*, except to the extent that provision is made for:

(i) liens on real property in 30-9-213 and 30-9-328;

(ii) fixtures in 30-9-354;

Section 3. Section 39-71-107, MCA, is amended to read:

"**39-71-107. Insurers to act promptly on claims — *in-state adjusters.*** (1) Pursuant to the public policy stated in 39-71-105, prompt claims handling practices are necessary to provide appropriate service to injured workers, to employers, and to providers who are the customers of the workers' compensation system.

(2) All workers' compensation and occupational disease claims filed pursuant to the Workers' Compensation Act and the Occupational Disease Act of Montana must be adjusted by a person in Montana. For a claim to be considered as adjusted by a person in Montana, the person adjusting the claim is required to determine the entitlement to benefits, authorize payment of all benefits due, manage the claim, have authority to settle the claim, maintain an office located in Montana, and adjust Montana claims from that office. Use of a mailbox or maildrop in Montana does not constitute maintaining an office in Montana.

(3) An insurer shall maintain the documents related to each claim filed with the insurer under the Workers' Compensation Act and the Occupational Disease Act of Montana at the Montana office of the person adjusting the claim in Montana until the claim is settled. The documents may be either original documents or duplicates of the original documents and must be maintained in a manner that allows the documents to be retrieved from that office and copied at the request of the claimant or the department. Settled claim files stored outside of the adjuster's office must be made available within 48 hours of a request for the file. Electronic or optically imaged documents are permitted.

~~(2)~~*(4)* An insurer shall provide to the claimant:

(a) a written statement of the reasons that a claim is being denied at the time of denial;

(b) whenever benefits requested by a claimant are denied, a written explanation of how the claimant may appeal an insurer's decision; and

(c) a written explanation of the amount of wage loss benefits being paid to the claimant, along with an explanation of the calculation used to compute those benefits. The explanation must be sent within 7 days of the initial payment of the benefit.

~~(3)~~*(5)* An insurer shall:

(a) begin making payments that are due on a claim within 14 days of acceptance of the claim, unless the insurer promptly notifies the claimant that the insurer needs additional information in order to begin paying benefits and specifies the information needed; and

(b) pay settlements within 30 days of the date the department issues an order approving the settlement.

~~(4)~~*(6)* An insurer may not make payments pursuant to 39-71-608 or any other reservation of rights for more than 90 days without:

(a) written consent of the claimant; or

(b) approval of the department.

~~(5)~~*(7)* The department may adopt rules to implement this section.

(8) For purposes of this section, "settled claim" means a department-approved or court-ordered compromise of benefits between a claimant and an insurer or a

claim that was paid in full. The term does not include a claim in which there has been only a lump-sum advance of benefits."

Section 4. Section 39-71-117, MCA, is amended to read:

"**39-71-117. Employer defined.** (1) "Employer" means:

(a) the state and each county, city and county, city school district, and irrigation district; all other districts established by law; all public corporations and quasi-public corporations and public agencies; each person; each prime contractor; each firm, voluntary association, limited liability company, limited liability partnership, and private corporation, including any public service corporation and including an independent contractor who has a person in service under an appointment or contract of hire, expressed or implied, oral or written; and the legal representative of any deceased employer or the receiver or trustee of the deceased employer;

(b) any association, corporation, limited liability company, limited liability partnership, or organization that seeks permission and meets the requirements set by the department by rule for a group of individual employers to operate as self-insured under plan No. 1 of this chapter; and

(c) any nonprofit association, limited liability company, limited liability partnership, or corporation or other entity funded in whole or in part by federal, state, or local government funds that places community service participants, as described in 39-71-118(1)(e), with nonprofit organizations or associations or federal, state, or local government entities.

(2) A temporary service contractor is the employer of a temporary worker for premium and loss experience purposes.

(3) Except as provided in chapter 8 of this title, an employer defined in subsection (1) who uses the services of a worker furnished by another person, association, contractor, firm, limited liability company, limited liability partnership, or corporation, other than a temporary service contractor, is presumed to be the employer for workers' compensation premium and loss experience purposes for work performed by the worker. The presumption may be rebutted by substantial credible evidence of the following:

(a) the person, association, contractor, firm, limited liability company, limited liability partnership, or corporation, other than a temporary service contractor, furnishing the services of a worker to another retains control over all aspects of the work performed by the worker, both at the inception of employment and during all phases of the work; and

(b) the person, association, contractor, firm, limited liability company, limited liability partnership, or corporation, other than a temporary service contractor, furnishing the services of a worker to another has obtained workers' compensation insurance for the worker in Montana both at the inception of employment and during all phases of the work performed.

(4) An interstate or intrastate common or contract motor carrier ~~doing business~~ *that maintains a place of business* in this state ~~who~~ *and* uses ~~drivers~~ *an employee or worker* in this state is considered the employer *of that employee*, is liable for workers' compensation premiums, and is subject to loss experience rating in this state unless:

(a) the ~~driver~~ *worker* in this state is certified as an independent contractor as provided in 39-71-401(3); or

(b) the person, association, contractor, firm, limited liability company, limited liability partnership, or corporation furnishing ~~drivers~~ *employees or workers* in this state to a motor carrier has obtained *Montana* workers' compensation insurance on the ~~drivers~~ *employees or workers* in Montana both at the inception of employment and during all phases of the work performed."

Section 5. Section 39-71-201, MCA, is amended to read:

"**39-71-201. Administration fund.** (1) A workers' compensation administration fund is established out of which all costs of administering the Workers' Compensation and Occupational Disease Acts and the statutory occupational safety acts the department is required to administer, with the exception of the subsequent injury fund, as provided for in 39-71-907, and the uninsured employers' fund, are to be paid upon lawful appropriation. The department shall collect and deposit in the state treasury to the credit of the workers' compensation ~~administrative~~ *administration* fund:

(a) all fees and penalties provided in 39-71-205, 39-71-223, 39-71-304, 39-71-307, 39-71-308, 39-71-315, 39-71-316, 39-71-401(6), 39-71-2204, 39-71-2205, and 39-71-2337; and

(b) all fees paid by an assessment ~~on each plan No. 1 employer, plan No. 2 insurer, and plan No. 3, the state fund~~ *of 3% of paid losses, plus administrative fines and interest provided by this section.* ~~The assessments must be 3% of the following~~

(2) For the purposes of this section, paid losses include the following benefits paid during the preceding calendar year for injuries covered by the Workers' Compensation Act and the Occupational Disease Act *of Montana* without regard to the application of any deductible whether the employer or the insurer pays the losses:

~~(i)~~*(a)* total compensation benefits paid; and

~~(ii)~~*(b)* except for medical benefits in excess of $200,000 ~~per~~ *for each* occurrence that are exempt from assessment, total medical benefits paid for medical treatment rendered to an injured worker, including hospital treatment and prescription drugs.

~~(2)~~*(3)* Each plan No. 1 employer, plan No. 2 insurer subject to the provisions of this section, and plan No. 3, the state fund, shall file annually on March 1 in the form and containing the information required by the department a report of paid losses pursuant to subsection ~~(1)(b)~~ *(2).*

~~(3) An assessment of the plan No. 1 employer or plan No. 2 insurer may not be less than $500. If at any time during the fiscal year a plan No. 1 employer is granted permission to self-insure or a plan No. 2 insurer is authorized to insure employers under this chapter, that plan No. 1 employer or plan No. 2 insurer is subject to an initial assessment equal to the minimum assessment against plan No. 1 employers and plan No. 2 insurers.~~

~~(4) Payment of the assessment required by this section must be submitted by the employer or insurer under plan No. 1, plan No. 2, or plan No. 3 in:~~

~~(a) one installment made on or before July 1; or~~

~~(b) two equal installments made on or before July 1 and December 31 of each year. If an employer or insurer fails to pay the assessment required under this~~

~~section, the department may impose a fine of $100 plus interest on the delinquent amount at the annual interest rate of 12%.~~

~~(5) (a) Beginning July 1, 2000, each plan No. 2 insurer providing workers' compensation insurance and plan No. 3, the state fund, shall collect from the insurer's policyholders an amount equal to the insurer's assessment through a surcharge based on premium. When collected, assessments may not constitute an element of loss for the purpose of establishing rates for workers' compensation insurance but, for the purpose of collection, must be treated as separate costs imposed upon insured employers.~~

~~(b) The total of this assessment must be stated as a separate cost on an insured employer's policy or on a separate document submitted to the insured employer and must be identified as "workers' compensation regulatory assessment surcharge". Each assessment surcharge must be shown as a percentage of the total workers' compensation policyholder premium.~~

~~(c) The portion of the plan No. 2 assessment identified as a premium surcharge for an individual plan No. 2 insured employer must be calculated as a percentage to be applied to premium. The percentage applied must be determined by the amount of the plan No. 2 assessment, as determined in subsection (1)(b), divided by the total net premium as calculated under 33-2-705 paid by all plan No. 2 insured employers during the preceding calendar year.~~

~~(d) The portion of the plan No. 3 assessment identified as a premium surcharge for an individual plan No. 3 insured employer must be calculated as a percentage to be applied to premium. The percentage applied must be determined by the amount of the plan No. 3 assessment, as determined in subsection (1)(b), divided by the total net premium as calculated under 33-2-705 paid by all plan No. 3 insured employers during the preceding fiscal year.~~

~~(e) On or before March 31, 2000, and each March 31 thereafter, the department, in consultation with the advisory organization designated pursuant to 33-16-1023, shall notify plan No. 2 insurers and plan No. 3, the state fund, of the insurer assessment identified as the premium surcharge percentage to be effective for policies written or renewed annually on and after July 1 of that year.~~

~~(f) The assessment provided for in subsection (1)(b), which will be identified as a premium surcharge, must be collected at the same time and in the same manner that the premium for the coverage is collected. This premium surcharge must be excluded from the definition of premiums for all purposes, including computation of insurance producers' commissions or premium taxes, except that an insurer may cancel a workers' compensation policy for nonpayment of the premium surcharge. Cancellation must be in accordance with the procedures applicable to the nonpayment of premium.~~

(4) Each employer enrolled under compensation plan No. 1, compensation plan No. 2, or compensation plan No. 3, the state fund, shall pay a proportionate share of all costs of administering and regulating the Workers' Compensation Act and the Occupational Disease Act of Montana and the statutory occupational safety acts that the department is required to administer, with the exception of the subsequent injury fund, as provided for in 39-71-907, and the uninsured employers' fund. In addition, compensation plan No. 3, the state fund, shall pay a proportionate share of these costs based upon paid losses for claims arising before July 1, 1990.

(5) (a) Each employer enrolled under compensation plan No. 1 shall pay an assessment to fund administrative and regulatory costs. The assessment is equal to 3% of the paid losses paid in the preceding calendar year by or on behalf of the plan No. 1 employer or $500, whichever is greater. Any entity, other than the department, that assumes the obligations of an employer enrolled under compensation plan No. 1 is considered to be the employer for the purposes of this section.

(b) An employer formerly enrolled under compensation plan No. 1 shall pay an assessment to fund administrative and regulatory costs. The assessment is equal to 3% of the paid losses paid in the preceding calendar year by or on behalf of the employer for claims arising out of the time when the employer was enrolled under compensation plan No. 1.

(c) Payment of the assessment provided for by this subsection (5) must be paid by the employer in:

(i) one installment due on July 1; or

(ii) two equal installments due on July 1 and December 31 of each year.

(d) If an employer fails to timely pay to the department the assessment under this section, the department may impose on the employer an administrative fine of $500 plus interest on the delinquent amount at the annual interest rate of 12%. Administrative fines and interest must be deposited in the workers' compensation administration fund.

(6) (a) Compensation plan No. 3, the state fund, shall pay an assessment to fund administrative and regulatory costs attributable to claims arising before July 1, 1990. The assessment is equal to 3% of the paid losses paid in the preceding calendar year for claims arising before July 1, 1990. As required by 39-71-2352, the state fund may not pass along to insured employers the cost of the assessment for administrative and regulatory costs that is attributable to claims arising before July 1, 1990.

(b) Payment of the assessment must be paid in:

(i) one installment due on July 1; or

(ii) two equal installments due on July 1 and December 31 of each year.

(c) If the state fund fails to timely pay to the department the assessment under this section, the department may impose on the state fund an administrative fine of $500 plus interest on the delinquent amount at the annual interest rate of 12%. Administrative fines and interest must be deposited in the workers' compensation administration fund.

(7) (a) Each employer insured under compensation plan No. 2 or plan No. 3, the state fund, shall pay a premium surcharge to fund administrative and regulatory costs. The premium surcharge must be collected by each plan No. 2 insurer and by plan No. 3, the state fund, from each employer that it insures. The premium surcharge must be stated as a separate cost on an insured employer's policy or on a separate document submitted to the insured employer and must be identified as "workers' compensation regulatory assessment surcharge". The premium surcharge must be excluded from the definition of premiums for all purposes, including computation of insurance producers' commissions or premium taxes. However, an insurer may cancel a workers' compensation policy for nonpayment of the premium surcharge. When collected, assessments may not constitute an element of loss for the purpose of establishing rates for workers'

compensation insurance but, for the purpose of collection, must be treated as a separate cost imposed upon insured employers.

(b) The amount to be funded by the premium surcharge is equal to 3% of the paid losses paid in the preceding calendar year by or on behalf of all plan No. 2 insurers and 3% of paid losses for claims arising on or after July 1, 1990, for plan No. 3, the state fund, plus or minus any adjustments as provided by subsection (7)(f). The amount to be funded must be divided by the total premium paid by all employers enrolled under compensation plan No. 2 or plan No. 3 during the preceding calendar year. A single premium surcharge rate, applicable to all employers enrolled in compensation plan No. 2 or plan No. 3, must be calculated annually by the department by not later than April 30. The resulting rate, expressed as a percentage, is levied against the premium paid by each employer enrolled under compensation plan No. 2 or plan No. 3 in the next fiscal year.

(c) On or before April 30, 2001, and on each succeeding April 30, the department, in consultation with the advisory organization designated pursuant to 33-16-1023, shall notify plan No. 2 insurers and plan No. 3, the state fund, of the premium surcharge percentage to be effective for policies written or renewed annually on and after July 1 of that year.

(d) The premium surcharge must be paid whenever the employer pays a premium to the insurer. Each insurer shall collect the premium surcharge levied against every employer that it insures. Each insurer shall pay to the department all money collected as a premium surcharge within 20 days of the end of the calendar quarter in which the money was collected. If an insurer fails to timely pay to the department the premium surcharge collected under this section, the department may impose on the insurer an administrative fine of $500 plus interest on the delinquent amount at the annual interest rate of 12%. Administrative fines and interest must be deposited in the workers' compensation administration fund.

(e) If an employer fails to remit to an insurer the total amount due for the premium and premium surcharge, the amount received by the insurer must be applied to the premium surcharge first and the remaining amount applied to the premium due.

(f) The amount actually collected as a premium surcharge in a given year must be compared to the 3% of paid losses paid in the preceding year. Any amount collected in excess of the 3% must be deducted from the amount to be collected as a premium surcharge in the following year. The amount collected that is less than the 3% must be added to the amount to be collected as a premium surcharge in the following year.

(8) On or before April 30, 2001, and on each succeeding April 30, upon a determination by the department, an insurer under compensation plan No. 2 that pays benefits in the preceding calendar year but that will not collect any premium for coverage in the following fiscal year shall pay an assessment equal to 3% of paid losses paid in the preceding calendar year, subject to a minimum assessment of $500, that is due on July 1.

(9) An employer that makes a first-time application for permission to enroll under compensation plan No. 1 shall pay an assessment of $500 within 15 days of being granted permission by the department to enroll under compensation plan No. 1.

(10) The department shall deposit all funds received pursuant to this section in the state treasury, as provided in this section.

~~(6)~~*(11)* The administration fund must be debited with expenses incurred by the department in the general administration of the provisions of this chapter, including the salaries of its members, officers, and employees and the travel expenses of the members, officers, and employees, as provided for in 2-18-501 through 2-18-503, ~~as amended,~~ incurred while on the business of the department either within or without the state.

~~(7)~~*(12)* Disbursements from the administration money must be made after being approved by the department upon claim for disbursement.

(13) The department may assess and collect the workers' compensation regulatory assessment surcharge from uninsured employers, as defined in 39-71-501, that fail to properly comply with the coverage requirements of the Workers' Compensation Act and the Occupational Disease Act of Montana. Any amounts collected by the department pursuant to this subsection must be deposited in the workers' compensation administration fund."

Section 6. Section 39-71-304, MCA, is amended to read:

"**39-71-304. Books, records, and payrolls to be open to inspection — penalty for refusal — subpoenas.** (1) The books, records, and payrolls of an employer pertinent to the administration of this chapter must always be open to inspection by the department or any authorized employee of the department for the purpose of ascertaining the correctness of the payroll, the number of workers employed, and other information that may be necessary for the department and its management under this chapter. Refusal on the part of an employer to submit the books, records, and payrolls for inspection will subject the offending employer to a penalty not exceeding $500 for each offense, to be collected through a ~~workers' compensation court~~ *civil* action in the name of the state and paid into the state treasury.

(2) In addition to the remedy provided in subsection (1), the department may issue subpoenas and compel testimony for the production of evidence, including books, records, papers, documents, and other objects ~~as~~ *that* may be necessary and proper in regard to any investigation or proceeding under this chapter. In the case of disobedience of a subpoena issued and served or the refusal of a witness to testify as to any matter for which the witness may be interrogated in a proceeding before the department, the department may apply to ~~the workers' compensation~~ *a district* court for an order to compel compliance with the subpoena or testimony. Disobedience of the court's order constitutes contempt of court."

Section 7. Section 39-71-306, MCA, is amended to read:

"**39-71-306. Insurers to file summary reports of benefits paid for injuries, *miscellaneous expenses*, and statements of medical expenditures.** *(1)* ~~Every~~ *Each* insurer shall, on or before the 15th day after each state government fiscal quarter *ends*, file with the department:

~~(1)~~*(a)* summary reports of benefits for all compensation payments made during the previous state fiscal quarter to injured workers or their beneficiaries or dependents; ~~and~~

~~(2)~~*(b)* statements showing the amounts expended during the previous state fiscal quarter for all medical services for injured workers~~.~~*; and*

(c) statements showing all miscellaneous amounts, other than compensation and medical expenditures, paid during the previous state fiscal quarter to or on behalf of injured workers or their beneficiaries or dependents and not otherwise

reported as an expenditure for the workers' compensation administration assessment provided for in 39-71-201.

(2) An insurer that fails to file the summary report after a 5-day grace period after the date on which the report is due may be assessed a penalty in an amount of not less than $250 or more than $1,000 to be deposited in the workers' compensation administration fund."

Section 8. Section 39-71-415, MCA, is amended to read:

"**39-71-415. Procedure for resolving disputes regarding independent contractor status.** (1) If an individual, employer, or insurer has a dispute as to whether an individual is an independent contractor or an employee, as defined in this chapter, any party may, after mediation pursuant to department rules, petition the workers' compensation court for resolution of the dispute.

(2) If a claimant and insurer have a dispute over benefits and the dispute involves an issue of whether the claimant is an independent contractor or employee, as defined in this chapter, and after mediating pursuant to department rule, either party may petition the workers' compensation judge for resolution of the dispute in accordance with 39-71-2905.

(3) A dispute between an employer and the department involving the issue of whether a worker is an independent contractor or an employee, but not involving workers' compensation benefits, must be brought before the independent contractor central unit of the department for resolution. A decision of the independent contractor central unit is final unless a party dissatisfied with the decision appeals by filing a petition for mediation within 10 days of service of the decision. A party may petition the workers' compensation court for resolution of the dispute within 45 days of the mailing of the mediator's report. An appeal from the independent contractor central unit to the workers' compensation court brought pursuant to this part is a new proceeding.

~~(3)~~*(4)* Notwithstanding the provisions of subsection (1), an individual may apply to the department for an exemption from the Workers' Compensation Act in accordance with 39-71-401."

Section 9. Section 39-71-435, MCA, is amended to read:

"**39-71-435. Workers' compensation and employers' liability insurance — optional deductibles.** (1) An insurer issuing a workers' compensation or an employer's liability insurance policy may offer to the policyholder, as part of the policy or by endorsement, optional deductibles for benefits payable under the policy consistent with the standards contained in subsection (3).

(2) The advisory organization designated under 33-16-1023 may develop and file a deductible plan or plans on behalf of its members consistent with the standards contained in subsection (3).

(3) The commissioner of insurance shall approve a deductible plan that is in accordance with the following standards:

(a) Claimants' rights are properly protected and claimants' benefits are paid without regard to the deductible.

(b) Premium reductions reflect the type and level of the deductible, consistent with accepted actuarial standards.

(c) Premium reductions for deductibles are determined before application of any experience modification, premium surcharge, or premium discount.

(d) Recognition is given to policyholder characteristics, including but not limited to size, financial capabilities, nature of activities, and number of employees.

(e) The policyholder is liable to the insurer for the deductible amount in regard to benefits paid for compensable claims.

(f) The insurer pays all of the deductible amount applicable to a compensable claim to the person or provider entitled to benefits and then seeks reimbursement from the policyholder for the applicable deductible amount.

(g) Failure by the policyholder to reimburse deductible amounts to the insurer is treated under the policy as nonpayment of premium.

(h) Losses subject to the deductible must be reported and recorded as losses for purposes of calculating rates for a policyholder on the same basis as losses under policies providing first dollar coverage.

(4) The state compensation insurance fund, plan No. 3, may adopt the plan filed by the designated advisory organization or adopt an optional deductible plan that meets the requirements of this section.

(5) For purposes of 39-71-201 *and 39-71-915*, liability for assessments must be ascertained ~~based on premiums collected, in the case of policies written under plan No. 2, or on the assessment levied, in the case of policies written under plan No. 3, for which the policyholder would have been obligated without the deductible~~ *without regard to application of any deductible, whether the employer or the insurer pays the losses*. For all other taxes and assessments based on premium, the amount of premium or assessment must be determined after application of the deductible."

Section 10. Section 39-71-610, MCA, is amended to read:

"**39-71-610. Termination of benefits by insurer — department order to pay disputed benefits prior to hearing or mediation — limitation on order — right of reimbursement.** If an insurer terminates biweekly compensation benefits and the termination of compensation benefits is disputed by the claimant, the department may, upon written request, order an insurer to pay additional biweekly compensation benefits prior to a hearing before the workers' compensation court or prior to mediation, but ~~in no event may~~ the biweekly compensation benefits *may not* be ordered to be paid under this section for a period exceeding 49 days or for any period subsequent to the date of the hearing or mediation. A party may appeal this order to the workers' compensation court. *A proceeding in the workers' compensation court brought pursuant to this section is a new proceeding and is not subject to mediation.* If after a hearing before the workers' compensation court it is held that the insurer was not liable for the compensation payments ordered by the department, the insurer has the right to be reimbursed for the payments by the claimant."

Section 11. Section 39-71-805, MCA, is amended to read:

"**39-71-805. Determining percent of hearing loss.** (1) The percent of hearing loss, for purposes of the determination of compensation claims for occupational deafness, ~~shall~~ *must* be calculated as the average in decibels of the thresholds of hearing for the frequencies of 500, 1,000, and 2,000 cycles ~~per~~ *a* second. Pure tone air conduction audiometric instruments, approved by nationally recognized authorities in this field, ~~shall~~ *must* be used for measuring hearing loss. If the losses of hearing average 25 decibels or less in the three frequencies, as measured under ~~ISO Standard 1964~~ *American national standards institute ANSI/S3.6, 1996*, ~~such~~ *the* losses of hearing ~~shall~~ *may* not then constitute any compensable hearing disability. If the losses of hearing average 92 decibels or more in the three frequencies, as measured under ~~ISO Standard 1964~~ *ANSI/S3.6, 1996*, then ~~the same shall~~ *those losses* constitute ~~and be~~ total or 100% compensable hearing loss.

(2) In measuring hearing impairment, the lowest measured losses in each of the three frequencies ~~shall~~ *must* be added together and divided by three to determine the average decibel loss. For every decibel of loss exceeding 25 decibels, an allowance of 1 1/2% ~~shall~~ *must* be made, up to the maximum of 100%, which is reached at 92 decibels.

(3) In determining the binaural percentage of loss, the percentage of impairment in the better ear ~~shall~~ *must* be multiplied by five. The resulting figure ~~shall~~ *must* be added to the percentage of impairment in the poorer ear and the sum of the two divided by six. The final percentage ~~shall~~ *must* be representative of the binaural hearing impairment.

(4) Before determining the percentage of hearing impairment, in order to allow for the average amount of hearing loss from nonoccupational causes found in the population at any given age, ~~there shall be deducted from the total average decibel loss~~ one-half decibel for each year of the employee's age over 40 at the time of last exposure to industrial noise *must be deducted from the total average decibel loss.*

(5) ~~No consideration shall~~ *Consideration may not* be given to the question of whether or not the ability of an employee to understand speech is improved by the use of a hearing aid."

Section 12. Section 39-71-906, MCA, is amended to read:

"**39-71-906. Employer hiring or retaining certified person with a disability to file information with department — effect of failure to file.** Upon commencement of employment or retention in employment of a certified person with a disability, the employer shall submit to the department, on forms furnished by the department, all pertinent information requested by the department. The department shall acknowledge receipt of the information. Failure to file the required information with the department within 60 days after the first day of the person's employment or ~~retention in employment~~ *within 60 days of a current employee's certification as an individual with a disability* precludes the employer from the protection and benefits of this part unless the information is filed before an injury for which benefits are payable under this part."

Section 13. Section 39-71-915, MCA, is amended to read:

"**39-71-915. Assessment of ~~insurers~~ *insurer — employers* — definition — *collection*.** (1) As used in this section, "paid losses" means the following benefits paid during the preceding calendar year for injuries covered by the Montana Workers' Compensation Act *and the Occupational Disease Act of Montana* without regard to the application of any deductible, regardless of whether the employer or the insurer pays the losses:

(a) total compensation benefits paid; and

(b) except for medical benefits in excess of $200,000 ~~per~~ *for each* occurrence that are exempt from assessment, total medical benefits paid for medical treatment rendered to an injured worker, including hospital treatment and prescription drugs.

(2) The fund must be maintained by assessing each plan No. 1 employer, each *employer insured by a* plan No. 2 insurer, *plan No. 3, the state fund, with respect to claims arising before July 1, 1990,* and *each employer insured by* plan No. 3, the state fund. The assessment amount is the total amount of paid losses reimbursed from the fund in the preceding calendar year and the expenses of administration less other income. The total assessment amount *to be* collected must be allocated among plan No. 1 employers, plan No. 2 ~~insurers~~ *employers,* ~~and~~ plan No. 3, the state fund, *and plan No. 3 employers,* based on *a proportionate share of* paid losses for the calendar year preceding the year in which the assessment is collected. The board of investments shall invest the money of the fund, and the investment income must be deposited in the fund.

(3) On or before ~~March 31~~ *April 30* each year, the department shall notify each plan No. 1 employer, plan No. 2 insurer, and plan No. 3, the state fund, of the amount to be assessed ~~against the employer, plan No. 2 insurer, or the state fund~~ for ~~that calendar~~ *the ensuing fiscal* year. *The amount to be assessed against the state fund must separately identify the amount attributed to claims arising before July 1, 1990, and the amount attributable to state fund claims arising on or after July 1, 1990.* On or before ~~March 31~~ *April 30* each year, the department, in consultation with the advisory organization designated under 33-16-1023, shall notify plan No. 2 insurers and plan No. 3 of the premium surcharge rate to be effective for policies written or renewed on and after July 1 in that year.

(4) The portion of the plan No. 1 assessment assessed against an individual plan No. 1 employer is a proportionate amount of total plan No. 1 paid losses during the preceding calendar year that is equal to the percentage that the total paid losses of the individual plan No. 1 employer bore to the total paid losses of all plan No. 1 employers during the preceding calendar year.

~~(5) The portion of the plan No. 2 assessment subject to premium surcharge for an individual plan No. 2 insured employer is a proportionate amount of total plan No. 2 paid losses during the preceding calendar year that is equal to the percentage that the total paid losses of the individual plan No. 2 insured employer bore to the total paid losses of all plan No. 2 insurers during the preceding calendar year.~~

~~(6) The portion of the state fund assessment subject to premium surcharge for a state fund insured employer is a proportionate amount of total state fund paid losses during the preceding calendar year that is equal to the percentage that the total paid losses of the individual state fund insured employer bore to the total paid losses of state fund insured employers during the preceding calendar year.~~

(5) The portion of the assessment attributable to state fund claims arising before July 1, 1990, is the proportionate amount that is equal to the percentage that total paid losses for those claims during the preceding calendar year bore to the total paid losses for all plans in the preceding calendar year. As required by 39-71-2352, the state fund may not pass along to insured employers the cost of the subsequent injury fund assessment that is attributable to claims arising before July 1, 1990.

(6) The remaining portion of the assessment must be paid by way of a surcharge on premiums paid by employers being insured by a plan No. 2 insurer or plan No. 3, the state fund, for policies written or renewed annually on or after July 1. The surcharge rate must be computed by dividing the remaining portion of the assessment by the total amount of premiums paid by employers insured under plan No. 2 or plan No. 3 in the previous calendar year. The numerator for the calculation must be adjusted as provided by subsection (9).

~~(7) Payment of assessments due must be made to the department semiannually on June 30 and December 31 of the year following the calendar year on which the assessment is based.~~

~~(8)~~*(7)* Each plan No. 2 insurer providing workers' compensation insurance and plan No. 3, the state fund, shall collect from its policyholders the assessment *premium surcharge provided for* in subsection ~~(2)~~ *(6)*. When collected, ~~assessments~~ *the assessment premium surcharge* may not constitute an element of loss for the purpose of establishing rates for workers' compensation insurance but, for the purpose of collection, must be treated as separate costs imposed upon insured employers. The total of this assessment *premium surcharge* must be stated as a separate cost on an insured employer's policy or on a separate document submitted by the insured employer and must be identified as "workers' compensation subsequent injury fund surcharge". Each assessment *premium surcharge* must be shown as a percentage of the total workers' compensation policyholder premium. This *assessment* premium surcharge must be collected at the same time and in the same manner that the premium for the coverage is collected. The *assessment* premium surcharge must be excluded from the definition of premiums for all purposes, including computation of insurance producers' commissions or premium taxes, except that an insurer may cancel a workers' compensation policy for nonpayment of the *assessment* premium surcharge. Cancellation must be in accordance with the procedures applicable to the nonpayment of premium. *If an employer fails to remit to an insurer the total amount due for the premium and assessment premium surcharge, the amount received by the insurer must be applied to the assessment premium surcharge first and the remaining amount applied to the premium due.*

~~(9)~~*(8) (a)* All assessments paid to the department must be deposited in the fund.

(b) Each plan No. 1 employer shall pay its assessment by July 1.

(c) Each plan No. 2 insurer and plan No. 3, the state fund, shall remit to the department all assessment premium surcharges collected during a calendar quarter by not later than 20 days following the end of the quarter.

(d) The state fund shall pay the portion of the assessment attributable to claims arising before July 1, 1990, by July 1.

(e) If a plan No. 1 employer, a plan No. 2 insurer, or plan No. 3, the state fund, fails to timely pay to the department the assessment or assessment premium surcharge under this section, the department may impose on the plan No. 1 employer, the plan No. 2 insurer, or plan No. 3, the state fund, an administrative fine of $100 plus interest on the delinquent amount at the annual interest rate of 12%. Administrative fines and interest must be deposited in the fund.

(9) The amount of the assessment premium surcharge actually collected pursuant to subsection (7) must be compared each year to the amount assessed and upon which the premium surcharge was calculated. The amount undercollected or

overcollected in any given year must be used as an adjustment to the numerator provided for by subsection (6) for the following year's assessment premium surcharge."

Section 14. Section 39-71-2204, MCA, is amended to read:

"**39-71-2204. Insurer to submit notice of coverage within thirty days — penalty for failure.** (1) The insurer shall, within 30 days after the issuance of the policy of workers' compensation insurance, submit to the department the notice of coverage stating the effective date of the policy insuring the employer and other information that may be required by the department.

(2) The department ~~may~~:

(a) *may* recognize the advisory organization designated under 33-16-1023 *or recognize other organizations* as ~~an agent~~ *agents* for authorized workers' compensation insurers in Montana; and

(b) *shall,* under terms and conditions acceptable to the department, accept notice of coverage received from the ~~advisory organization designated under 33-16-1023~~ *agents recognized under subsection (2)(a)* as the insurer's notice of coverage.

(3) The department may, in its discretion, assess a penalty of no more than $200 against an insurer that as a general business practice does not comply with the 30-day notice requirement set forth in subsection (1)."

Section 15. Section 39-71-2205, MCA, is amended to read:

"**39-71-2205. Policy in effect until canceled or replaced — twenty-day notification of cancellation required — penalty.** (1) The policy remains in effect until canceled, and cancellation may take effect only by written notice to the named insured and to the department at least 20 days prior to the date of cancellation. However, the policy terminates on the effective date of a replacement or succeeding workers' compensation insurance policy issued to the insured. Nothing in this section prevents an insurer from canceling a policy of workers' compensation insurance before a replacement policy is issued to the insured.

(2) The department ~~may~~:

(a) *may* recognize the advisory organization designated under 33-16-1023 *or recognize other organizations* as ~~an agent~~ *agents* for authorized workers' compensation insurers in Montana; and

(b) *shall,* under terms and conditions acceptable to the department, accept notice of cancellation received from the ~~advisory organization designated under 33-16-1023~~ *agents recognized under subsection (2)(a)* as the insurer's notice of cancellation.

(3) (a) The department may assess a penalty of up to $200 against an insurer that does not comply with the notice requirement in subsection (1).

(b) An insurer may contest the penalty assessment in a hearing conducted according to department rules."

Section 16. Section 39-71-2337, MCA, is amended to read:

"**39-71-2337. State fund to submit notice of coverage within thirty days — penalty for failure.** (1) The state fund shall, within 30 days after the issuance of an insurance policy, submit to the department the notice of coverage stating the effective date of the policy insuring the employer and other information the department requires.

(2) The department:

(a) may recognize the advisory organization designated under 33-16-1023 or recognize other organizations as agents for the state fund; and

(b) shall, under terms and conditions acceptable to the department, accept notice of coverage received from the agents recognized under subsection (2)(a) as the state fund's notice of coverage.

~~(2)~~*(3)* The department may assess a penalty of no more than $200 against the state fund if, as a general business practice, the state fund does not comply with the 30-day notice requirement."

Section 17. Section 39-71-2339, MCA, is amended to read:

"**39-71-2339. Cancellation of coverage — twenty days' notice required.** *(1)* The state fund may cancel an employer's coverage under this part for failure to report payroll or pay the premiums due or for another cause provided in the insurance policy. Cancellation may take effect only by written notice to the named insured *and the department* at least 20 days prior to the date of cancellation or, in cases of nonreporting of payroll or nonpayment of a premium, by failure of the employer to submit payroll reports or pay a premium within 20 days after the due date. The state fund shall notify the department of the names and effective dates of all policies canceled. However, the policy terminates on the effective date of a replacement or succeeding insurance policy issued to the insured. This section does not prevent the state fund from canceling an insurance policy before a replacement policy is issued to the insured. After the cancellation date, the employer has the same status as an employer who is not enrolled under the Workers' Compensation Act unless a replacement or succeeding insurance policy has been issued.

(2) The department:

(a) may recognize the advisory organization designated under 33-16-1023 or recognize other organizations as agents for the state fund; and

(b) shall, under terms and conditions acceptable to the department, accept notice of cancellation received from the agents recognized under subsection (2)(a) as the state fund's notice of cancellation.

(3) (a) The department may assess a penalty of up to $200 against the state fund if it does not comply with the notice requirement in subsection (1).

(b) The state fund may contest the penalty assessment in a hearing conducted according to department rules."

Section 18. Section 39-72-606, MCA, is amended to read:

"**39-72-606. Autopsy.** Upon the filing of a claim for compensation for death caused by an occupational disease if an autopsy is necessary to determine the cause of death, an autopsy ~~shall~~ *must* be ordered by the department. The autopsy ~~shall~~ *must* be made under the supervision of the county coroner or a medical examiner. The department may designate a ~~duly~~ licensed physician who is a specialist in ~~such~~ *these* examinations to perform or attend the autopsies and to certify ~~his~~ findings ~~thereon~~ *on the autopsies*. The findings ~~shall~~ *must* be examined by the ~~physicians~~ *evaluator* submitting a report under ~~39-72-605~~ *39-72-602* before the final report under that section is submitted to the department."

Section 19. Section 39-72-608, MCA, is amended to read:

"**39-72-608. Payment of medical examination, report, and autopsy expenses.** The expense of the medical examination and report, as provided in 39-72-602, must be paid by the insurer. The expense of the periodic medical examinations and reports, as provided in 39-72-607, must be paid by the party requesting the periodic medical examination. The expense of the autopsy, as provided for in 39-72-606, must be paid by the party requesting the autopsy. ~~The expense of any examinations and reports, as provided in 39-72-605, must be paid by the party requesting the examination.~~"

Section 20. Section 39-73-103, MCA, is amended to read:

"**39-73-103. Conformity with acts of federal government.** If ~~and when~~ the government of the United States makes grants to states in aid of and allowing payments to persons having silicosis, ~~as herein defined,~~ the department of labor and industry is ~~hereby~~ authorized to administer ~~in the state of Montana such~~ *the* grants-in-aid and payments in addition to grants made by this chapter. The total payments to any individual under this chapter ~~shall~~ *may* not exceed ~~$200~~ *$250* ~~per~~ *a* month, exclusive of any grants made by congress."

Section 21. Section 39-73-107, MCA, is amended to read:

"**39-73-107. Amount of payments.** Subject to the provisions of this chapter and the deductions ~~herein~~ provided *in this chapter*, any person who has silicosis~~,~~ ~~as defined in this chapter,~~ and who has, subject to the regulations and standards of the department of labor and industry, been determined by the department to be entitled payment under this chapter for silicosis ~~shall~~ *must* be granted a payment by the department of ~~$200~~ *$250* ~~per~~ *a* month, subject to ~~such~~ *any additional* appropriations ~~as may from time to time be made~~. If ~~he~~ *the person* is receiving payments under ~~The~~ *the* Occupational Disease Act of Montana, as provided by chapter 72 of this title, ~~which~~ *that* are less in the aggregate than $200, then ~~he~~ *the person* is entitled to a payment under this chapter of the difference between the amount received under ~~The~~ *the* Occupational Disease Act of Montana, as provided by chapter 72 of this title, and ~~$200~~ *$250* ~~per~~ *a* month. The legislature shall authorize ~~such~~ additional appropriations ~~as~~ *that* may be necessary to make the increased monthly payments provided ~~herein~~ *in this section*."

Section 22. Section 39-73-109, MCA, is amended to read:

CHAPTER NO. 216

[SB 285]

AN ACT MODIFYING FUNDING OF THE HUNTER MANAGEMENT AND HUNTING ACCESS ENHANCEMENT PROGRAMS BY CREATING RESIDENT AND NONRESIDENT WILDLIFE CONSERVATION HUNTING ACCESS ENHANCEMENT FEES, TO BE USED BY THE DEPARTMENT OF FISH, WILDLIFE, AND PARKS TO ENCOURAGE ENHANCED HUNTING ACCESS TO PRIVATE AND PUBLIC LANDS THROUGH VOLUNTARY PROGRAMS; PROVIDING THAT THE HUNTING ACCESS ENHANCEMENT FEE IS CHARGEABLE ONLY ONCE EACH LICENSE

YEAR; INCREASING FROM $8,000 TO $12,000 THE INCENTIVE AMOUNT THAT MAY BE PAID TO LANDOWNERS PARTICIPATING IN THE HUNTER MANAGEMENT PROGRAM OR HUNTING ACCESS ENHANCEMENT PROGRAM; AMENDING SECTIONS 87-1-265, 87-1-267, 87-1-270, 87-2-202, 87-2-505, 87-2-510, AND 87-2-711, MCA; AND PROVIDING A DELAYED EFFECTIVE DATE AND A TERMINATION DATE.

WHEREAS, the Private Land/Public Wildlife Advisory Council is charged with the responsibility to make suggestions for funding, modification, or improvement of the hunting access enhancement program; and

WHEREAS, although the hunting access enhancement program has enjoyed considerable success to date in providing greater opportunities for Montana hunters, the Private Land/Public Wildlife Advisory Council recognizes the potential to increase hunting access through expansion of the program; and

WHEREAS, increasing the size of the current program through a once-a-season hunting access enhancement fee on resident and most nonresident hunters would provide revenue to allow greater landowner incentives, improve hunting access to private and public lands, improve program management and services, increase upland bird hunting opportunities, and provide for future increased program costs because of inflation.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 87-1-265, MCA, is amended to read:

"87-1-265. (Temporary) Hunter management and hunting access enhancement programs created — private landowner assistance to promote public hunting access — rules. (1) The department may establish within the block management program established by administrative rule pursuant to authority contained in 87-1-301 and 87-1-303 programs of landowner assistance that encourage public access to private *and public* lands for purposes of hunting and may adopt rules to carry out program purposes. Rules may address but are not limited to incentives provided under:

(a) a hunter management program as set out in 87-1-266, consisting of a cooperative agreement between a landowner and the department and including other resource management agencies when appropriate, that allows public hunting with certain restrictions or use rules; and

(b) a hunting access enhancement program as set out in 87-1-267, consisting of incentives for private landowners who allow public hunting access on their lands.

(2) The department may also develop similar efforts outside the scope of the block management program that are designed to promote public access to private lands for hunting purposes.

(3) Participation in a program established under ~~subsection (1)~~ *this section* is voluntary. *A lease, acquisition, or other arrangement for public access across private property that is initiated through a program established under this part must be negotiated on a cooperative basis and may only be initiated with the voluntary participation of private landowners.*

(4) Programs may not be structured in a manner that provides assistance to a private landowner who charges a fee for hunting access to private land that is enrolled in the program or who does not provide reasonable public hunting access

to private land that is enrolled in the program. The commission shall develop criteria by which tangible benefits are allocated to participating landowners, and the department may distribute the benefits to participating landowners. The department may by rule limit the number of licenses that can be provided as incentives. (Terminates March 1, 2006—sec. 6, Ch. 544, L. 1999.)"

Section 2. Section 87-1-267, MCA, is amended to read:

"87-1-267. (Temporary) Hunting access enhancement program — benefits for providing hunting access — cooperative agreement — factors for determining benefits earned — restriction on landowner liability. (1) As provided in 87-1-265, the department may establish and administer a voluntary program to enhance the block management program, to be known as the hunting access enhancement program. The program must be designed to provide tangible benefits to participating private landowners who grant access to their land for public hunting.

(2) Land is not eligible for inclusion in the hunting access enhancement program if outfitting or commercial hunting restricts public hunting opportunities.

(3) A contract for participation in the hunting access enhancement program is established through a cooperative agreement between the landowner and the department that will guarantee reasonable access for public hunting. Landowners may also form a voluntary association when development of a unified cooperative agreement is advantageous. A cooperative agreement must contain a detailed description of the plan developed by the landowner and the department and may include but is not limited to:

(a) hunting access management;

(b) services to be provided to the public;

(c) ranch rules and other restrictions; and

(d) any other management information to be gathered, which must be made available to the public.

(4) If the department determines that the plan referred to in subsection (3) may adversely influence game management decisions or wildlife habitat on public lands outside the block management area, then other public land agencies, interested sportspersons, and affected landowners must be consulted. An affected landowner's management goals and personal observations regarding game populations and habitat use must be considered in developing the plan.

(5) The commission shall develop rules for determining tangible benefits to be provided to a landowner for providing public hunting access. Benefits will be provided to offset potential impacts associated with public hunting access, including but not limited to those associated with general ranch maintenance, conservation efforts, weed control, fire protection, liability insurance, roads, fences, and parking area maintenance. Factors used in determining benefits may include but are not limited to:

(a) the number of days of public hunting provided by a participating landowner;

(b) wildlife habitat provided;

(c) resident game populations;

(d) number, sex, and species of animals taken; and

(e) access provided to adjacent public lands.

(6) Benefits earned by a landowner under this section may be applied in, but application is not limited to, the following manner:

(a) A landowner may direct weed control payments to be made directly to the county weed control board or may elect to receive payments directly.

(b) A landowner may direct fire protection payments to be made to the local fire district or the county where the landowner resides or may elect to receive payments directly.

(c) A landowner may receive direct payment to offset insurance costs incurred for allowing public hunting access.

(d) The department may provide assistance in the construction and maintenance of roads, gates, and parking facilities and in the signing of property.

(7) The commission may provide a total of not more than ~~$8,000~~ *$12,000* a year to a landowner who participates in the hunter management program or hunting access enhancement program, or both, subject to the conditions set out in 87-1-266(4).

(8) The restriction on liability of a landowner, agent, or tenant that is provided under 70-16-302(1) applies to a landowner who participates in the hunting access enhancement program. (Terminates March 1, 2006—sec. 6, Ch. 544, L. 1999.)"

Section 3. Section 87-1-270, MCA, is amended to read:

"**87-1-270. (Temporary) Allocation of license ~~fee~~ *fees* to hunting access enhancement program.** *(1)* The amount of $55 from the sale of each Class B-1 nonresident upland game bird license must be used by the department to encourage public access to private lands for hunting purposes in accordance with 87-1-265 through 87-1-267.

(2) The resident hunting access enhancement fee in 87-2-202(3)(c) and the nonresident hunting access enhancement fee in 87-2-202(3)(d) must be used by the department to encourage public access to private and public lands for hunting purposes in accordance with 87-1-265 through 87-1-267. (Terminates March 1, 2006—sec. 8, Ch. 544, L. 1999.)"

Section 4. Section 87-2-202, MCA, is amended to read:

"**87-2-202. Application — fee — expiration.** (1) A wildlife conservation license must be sold upon written application. The application must contain the applicant's name, age, social security number, occupation, street address of permanent residence, mailing address, qualifying length of time as a resident in the state of Montana, and status as a citizen of the United States or as an alien and must be signed by the applicant. The applicant shall present a valid Montana driver's license, a Montana driver's examiner's identification card, or other identification specified by the department to substantiate the required information when applying for a wildlife conservation license. It is the applicant's burden to provide documentation establishing the applicant's identity and qualifications to purchase a wildlife conservation license. It is unlawful and a misdemeanor for a license agent to sell a wildlife conservation license to an applicant who fails to produce the required identification at the time of application for licensure.

(2) Hunting, fishing, or trapping licenses issued in a form determined by the department must be recorded according to rules that the department may prescribe.

(3) (a) Resident wildlife conservation licenses may be purchased for a fee of $4.

(b) Nonresident wildlife conservation licenses may be purchased for a fee of $5.

(c) In addition to the fee in subsection (3)(a), the first time in any license year that a resident uses the wildlife conservation license as a prerequisite to purchase a hunting license, an additional hunting access enhancement fee of $2 is assessed. The additional fee may be used by the department only to encourage enhanced hunting access through the hunter management and hunting access enhancement programs established in 87-1-265 through 87-1-267. The wildlife conservation license must be marked appropriately when the hunting access enhancement fee is paid. The resident hunting access enhancement fee is chargeable only once during any license year.

(d) In addition to the fee in subsection (3)(b), the first time in any license year that a nonresident uses the wildlife conservation license as a prerequisite to purchase a hunting license, except a variably priced outfitter-sponsored Class B-10 or Class B-11 license issued under 87-1-268, an additional hunting access enhancement fee of $10 is assessed. The additional fee may be used by the department only to encourage enhanced hunting access through the hunter management and hunting access enhancement programs established in 87-1-265 through 87-1-267. The wildlife conservation license must be marked appropriately when the hunting access enhancement fee is paid. The nonresident hunting access enhancement fee is chargeable only once during any license year.

(4) Licenses issued are void after the last day of February next succeeding their issuance.

(5) The department shall keep the applicant's social security number confidential, except that the number may be provided to the department of public health and human services for use in administering Title IV-D of the Social Security Act.

(6) The department shall delete the applicant's social security number in any electronic database 5 years after the date that application is made for the most recent license."

[SB 117]

AN ACT EXEMPTING ALL SCHOOL DISTRICT LEVIES FROM PROPERTY TAX MILL LEVY LIMITATIONS; INCREASING THE MILL LEVY LIMIT FOR ADULT EDUCATION; AMENDING SECTIONS 15-10-420, 20-3-205, 20-7-705, AND 20-10-147, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-10-420, MCA, is amended to read:

"15-10-420. Procedure for calculating levy. (1) A governmental entity that is authorized to impose mills may impose a mill levy sufficient to generate the amount of property taxes actually assessed in the prior year, even if that levy is greater than the levy established by law. The maximum number of mills that a governmental entity may impose is established by calculating the number of mills required to generate the amount of property tax actually assessed in the governmental unit in the prior year based on the current year taxable value, less the value of newly taxable property.

(2) A governmental entity may apply the levy calculated pursuant to subsection (1) plus any additional levies authorized by the voters to all property in the governmental unit, including newly taxable property.

(3) For purposes of this section, newly taxable property includes:

(a) annexation of real property and improvements into a taxing unit;

(b) construction, expansion, or remodeling of improvements;

(c) transfer of property into a taxing unit;

(d) subdivision of real property;

(e) reclassification of property;

(f) transfer of property from tax-exempt to taxable status; and

(g) revaluations caused by expansion, addition, replacement, or remodeling of improvements.

(4) ~~Subsection~~ *Subject to subsection (7), subsection* (1) does not apply to school district ~~general fund~~ levies ~~and the school district levy for tuition obligations~~ established in ~~20-5-324(5)~~ *Title 20.*

(5) For purposes of subsection (1), taxes imposed:

(a) include registration fees imposed on light vehicles under 61-3-561 and distributed under 61-3-509(2); and

(b) do not include net or gross proceeds taxes received under 15-6-131 and 15-6-132.

(6) In determining the maximum number of mills in subsection (1), the governmental entity shall take into account any change from the prior year in the amount of statutory reimbursements for changes in the property tax laws. The amount of motor vehicle disposition under 61-3-509(2), as that section read on December 31, 2000, is an increased statutory reimbursement. It may increase the number of mills to account for a decrease in reimbursements and shall decrease the number of mills to fully account for any increase in reimbursements.

(7) The department shall calculate the number of mills to be imposed for purposes of 15-10-107, 20-9-331, 20-9-333, 20-9-360, 20-25-423, 20-25-439, and 53-2-813. However, the number of mills calculated by the department may not exceed the mill levy limits established in those sections.

(8) The department may adopt rules to implement this section. The rules may include a method for calculating the percentage of change in valuation for purposes of determining the elimination of property, new improvements, or newly taxable property in a governmental unit."

CHAPTER NO. 223

[HB 213]

AN ACT ADOPTING THE UNIFORM INTERSTATE ENFORCEMENT OF DOMESTIC VIOLENCE PROTECTION ORDERS ACT; PROVIDING FOR THE ENFORCEMENT OF FOREIGN ORDERS OF PROTECTION INCLUDING CUSTODY AND VISITATION ORDERS; PROVIDING FOR JUDICIAL AND NONJUDICIAL ENFORCEMENT OF ORDERS OF PROTECTION; PROVIDING FOR REGISTRATION OF FOREIGN ORDERS OF PROTECTION; PROVIDING IMMUNITY FOR GOVERNMENTAL ENTITIES AND EMPLOYEES ENFORCING FOREIGN ORDERS OF PROTECTION; AMENDING SECTIONS 40-4-125 AND 40-15-303, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Short title. [Sections 1 through 8] may be cited as the "Uniform Interstate Enforcement of Domestic Violence Protection Orders Act".

Section 2. Definitions. As used in [sections 1 through 8], the following definitions apply:

(1) "Foreign protection order" means a protection order issued by a court of another state.

(2) "Issuing state" means the state whose court issues a protection order.

(3) "Mutual foreign protection order" means a foreign protection order that includes provisions in favor of both the protected individual seeking enforcement of the order and the respondent.

(4) "Protected individual" means an individual protected by a protection order.

(5) "Protection order" means an injunction or other order issued by a court under the domestic violence or family violence laws of the issuing state to prevent an individual from engaging in violent or threatening acts against, harassment of, contact or communication with, or physical proximity to another individual.

(6) "Respondent" means the individual against whom enforcement of a protection order is sought.

(7) "State" means a state of the United States, the District of Columbia, Puerto Rico, the United States Virgin Islands, or any territory or insular possession subject to the jurisdiction of the United States. The term includes an Indian tribe or band that has jurisdiction to issue protection orders.

Section 3. Judicial enforcement of order. (1) A person authorized by the law of this state to seek enforcement of a protection order may seek enforcement of a valid foreign protection order in a court of this state. The court shall enforce the terms of the order, including terms that provide relief that a court of this state would lack power to provide but for this section. The court shall enforce the order, whether the order was obtained by independent action or in another proceeding, if it is an order issued in response to a complaint, petition, or motion filed by or on behalf of an individual seeking protection. In a proceeding to enforce a foreign protection order, the court shall follow the procedures of this state for the enforcement of protection orders.

(2) A court of this state may not enforce a foreign protection order issued by a court of a state that does not recognize the standing of a protected individual to seek enforcement of the order.

(3) A court of this state shall enforce the provisions of a valid foreign protection order that govern custody and visitation if the order was issued in accordance with the jurisdictional requirements governing the issuance of custody and visitation orders in the issuing state.

(4) A court of this state may not enforce under [sections 1 through 8] a provision of a foreign protection order with respect to support.

(5) A foreign protection order is valid if it:

(a) identifies the protected individual and the respondent;

(b) is currently in effect;

(c) was issued by a court that had jurisdiction over the parties and subject matter under the law of the issuing state; and

(d) was issued after the respondent was given reasonable notice and had an opportunity to be heard before the court issued the order or, in the case of an order ex parte, the respondent was given notice and had an opportunity to be heard within a reasonable time after the order was issued, consistent with the rights of the respondent to due process.

(6) A foreign protection order valid on its face is prima facie evidence of its validity.

(7) Absence of any of the criteria for validity of a foreign protection order is an affirmative defense in an action seeking enforcement of the order.

(8) A court of this state may enforce provisions of a mutual foreign protection order that favor a respondent only if:

(a) the respondent filed a written pleading seeking a protection order from the court of the issuing state; and

(b) the court of the issuing state made specific findings in favor of the respondent.

Section 4. Nonjudicial enforcement of order. (1) A law enforcement officer of this state, upon determining that there is probable cause to believe that a valid foreign protection order exists and that the order has been violated, shall enforce the order as if it were the order of a court of this state. Presentation of a protection order that identifies both the protected individual and the respondent and, on its face, is currently in effect constitutes probable cause to believe that a valid foreign protection order exists. For the purposes of this section, the protection order may be inscribed on a tangible medium or may have been stored in an electronic or other medium if it is retrievable in perceivable form. Presentation of a certified copy of a protection order is not required for enforcement.

(2) If a foreign protection order is not presented, a law enforcement officer of this state may consider other information in determining whether there is probable cause to believe that a valid foreign protection order exists.

(3) If a law enforcement officer of this state determines that an otherwise valid foreign protection order cannot be enforced because the respondent has not been notified or served with the order, the officer shall inform the respondent of the order, make a reasonable effort to serve the order upon the respondent, and allow the respondent a reasonable opportunity to comply with the order before enforcing the order.

(4) Registration or filing of an order in this state is not required for the enforcement of a valid foreign protection order pursuant to [sections 1 through 8].

Section 5. Registration of order. (1) Any individual may register a foreign protection order in this state. To register a foreign protection order, an individual shall:

(a) present a certified copy of the order to the department of justice; or

(b) present a certified copy of the order to a clerk of any court or to any local law enforcement agency and request that the order be registered with the department of justice.

(2) Upon receipt of a foreign protection order, the department of justice shall register the order in accordance with this section. After the order is registered, the department of justice shall furnish to the individual registering the order a certified copy of the registered order.

(3) The department of justice shall register an order upon presentation of a copy of a protection order that has been certified by the issuing state. A registered foreign protection order that is inaccurate or is not currently in effect must be corrected or removed from the registry in accordance with the law of this state.

(4) An individual registering a foreign protection order shall file an affidavit by the protected individual stating that, to the best of the protected individual's knowledge, the order is currently in effect.

(5) A foreign protection order registered under [sections 1 through 8] must be entered into the database of the national crime information center of the United States department of justice and may be entered in any existing state or other federal registry of protection orders, in accordance with applicable law.

(6) A fee may not be charged for the registration of a foreign protection order.

Section 6. Immunity. This state or a local governmental agency or a law enforcement officer, prosecuting attorney, clerk of court, or any state or local governmental official acting in an official capacity is immune from civil liability for an act or omission arising out of the registration or enforcement of a foreign protection order or the detention or arrest of an alleged violator of a foreign protection order if the act or omission was done in good faith in an effort to comply with [sections 1 through 8].

Section 7. Other remedies. A protected individual who pursues remedies under [sections 1 through 8] is not precluded from pursuing other legal or equitable remedies against the respondent.

Section 8. Uniformity of application and construction. In applying and construing [sections 1 through 8], consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

Section 9. Section 40-4-125, MCA, is amended to read:

"**40-4-125. Registration of orders.** (1) The clerk of court, justice of the peace, municipal court judge, or city court judge shall, within 24 hours of receiving proof of service of an order under 40-4-121, mail a copy of the order or any extension, modification, or termination ~~thereof~~ *of the order* along with a copy of the proof of service to the appropriate law enforcement agencies designated in the order, *which shall, within 24 hours after receipt of the order, enter the order into the database of the national crime information center of the United States department of justice and may enter the order into any existing state or other federal registry of protection orders, in accordance with applicable law.*

(2) Law enforcement agencies shall establish procedures, using an existing system for warrant verification *and the database of the national crime information center of the United States department of justice*, to ensure that peace officers at the scene of an alleged violation of a protective order are informed of the existence and terms of ~~such~~ *the* order."

Section 10. Section 40-15-303, MCA, is amended to read:

"40-15-303. Registration of orders. (1) The clerk of court, justice of the peace, municipal court judge, or city court judge shall, within 24 hours of receiving proof of service of an order under 40-15-201, 40-15-204, or 40-15-301, mail a copy of the order or any extension, modification, or termination of the order, along with a copy of the proof of service, to the appropriate law enforcement agencies designated in the order, *which shall, within 24 hours after receipt of the order, enter the order into the database of the national crime information center of the United States department of justice and may enter the order into any existing state or other federal registry of protection orders, in accordance with applicable law.*

(2) Law enforcement agencies shall establish procedures, using an existing system for warrant verification *and the database of the national crime information center of the United States department of justice*, to ensure that peace officers at the scene of an alleged violation of an order of protection are informed of the existence and terms of the order."

Section 11. Transitional provisions. [Sections 1 through 8] apply to protection orders issued before [the effective date of this act] and to continuing actions for enforcement of foreign protection orders commenced before [the effective date of this act]. A request for enforcement of a foreign protection order made on or after [the effective date of this act] for violations of a foreign protection order occurring before [the effective date of this act] is governed by [sections 1 through 8].

Section 12. Two-thirds vote required — contingent voidness. (1) Because [section 6] limits governmental liability, Article II, section 18, of the Montana constitution requires a two-thirds vote of the members of each house of the legislature for passage.

(2) If [this act] does not receive a two-thirds vote of the members of each house of the legislature, then [section 6] is void.

Section 13. Codification instruction. [Sections 1 through 8] are intended to be codified as an integral part of Title 40, chapter 15, and the provisions of Title 40, chapter 15, apply to [sections 1 through 8].

Section 14. Severability. If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 15. Notification to tribal governments. The secretary of state shall send a copy of [this act] to each tribal government located on the seven Montana reservations and to the Little Shell band of Chippewa.

Section 16. Effective date. [This act] is effective on passage and approval.

Section 36. Section 33-12-103, MCA, is amended to read:

"33-12-103. General investment qualifications. (1) Insurers may acquire, hold, or invest in investments or engage in investment practices as set forth in this chapter. Investments not conforming to this chapter may not be admitted assets. Affiliate investments under ~~33-2-1113~~ *33-2-1103*, other than those investments made by or on behalf of domestic insurers, are not subject to this provision.

(2) Subject to subsection (3), an insurer may not acquire or hold an investment as an admitted asset unless at the time of acquisition it is:

(a) (i) eligible for the payment or accrual of interest or discount, whether in cash or other securities;

(ii) eligible to receive dividends or other distributions; or

(iii) otherwise income-producing; or

(b) acquired under 33-12-207(3), 33-12-208, 33-12-210, 33-12-212, 33-12-307(3), 33-12-308, 33-12-310, or 33-12-311 or under the authority of sections of Montana law other than this chapter.

(3) An insurer may acquire or hold as admitted assets investments that do not otherwise qualify as provided in this chapter if the insurer has not acquired them for the purpose of circumventing any limitations contained in this chapter and if the insurer complies with the provisions of 33-12-105 and 33-12-108 and acquires the investments in the following circumstances:

(a) as payment on account of existing indebtedness or in connection with the refinancing, restructuring, or workout of existing indebtedness if taken to protect the insurer's interest in that investment;

(b) as realization on collateral for an obligation;

(c) in connection with an otherwise qualified investment or investment practice, as interest on or a dividend or other distribution related to the investment or investment practice, or in connection with the refinancing of the investment, in each case for no additional or only nominal consideration;

(d) under a lawful and bona fide agreement of recapitalization or voluntary or involuntary reorganization in connection with an investment held by the insurer; or

(e) under a bulk reinsurance, merger, or consolidation transaction approved by the commissioner if the assets constitute admissible investments for the ceding, merged, or consolidated companies.

(4) An investment or portion of an investment acquired by an insurer under subsection (3) must become a nonadmitted asset 3 years, or 5 years in the case of mortgage loans and real estate, from the date of its acquisition, unless within that period the investment has become a qualified investment under a provision of this chapter other than subsection (3). However, an investment acquired under an agreement of bulk reinsurance, merger, or consolidation may be qualified for a longer period if provided for in the plan for reinsurance, merger, or consolidation as approved by the commissioner. Upon application by the insurer and a showing that the nonadmission of an asset held under subsection (3) would materially injure the interests of the insurer, the commissioner may extend the period for admissibility for an additional reasonable period of time.

(5) Except as provided in subsections (6) and (8), an investment must qualify under this chapter if, on the date the insurer committed to acquire the investment or on the date of its acquisition, it would have qualified under this chapter. For the purposes of determining limitations contained in this chapter, an insurer shall give appropriate recognition to any commitments to acquire investments.

(6) (a) An investment held as an admitted asset by an insurer on July 1, 1999, that qualified under former law remains qualified as an admitted asset under this chapter.

(b) Each specific transaction constituting an investment practice of the type described in this chapter that was lawfully entered into by an insurer and was in effect on July 1, 1999, continues to be permitted under this chapter until its expiration or termination under its terms.

(7) Unless otherwise specified, an investment limitation computed on the basis of an insurer's admitted assets or capital and surplus relates to the amount required to be shown on the most recent statutory balance sheet of the insurer required to be filed with the commissioner. For purposes of computing any limitation based upon admitted assets, the insurer shall deduct from the amount

of its admitted assets the amount of the liability recorded on its statutory balance sheet for:

(a) the return of acceptable collateral received in a reverse repurchase transaction or a securities lending transaction;

(b) cash received in a dollar roll transaction; and

(c) the amount reported as borrowed money in the most recently filed financial statement to the extent not included in subsections (7)(a) and (7)(b).

(8) An investment qualified, in whole or in part, for acquisition or holding as an admitted asset may be qualified or requalified at the time of acquisition or a later date, in whole or in part, under any other section if the relevant conditions contained in the other section are satisfied at the time of qualification or requalification.

(9) An insurer shall maintain documentation demonstrating that investments were acquired in accordance with this chapter.

(10) An insurer may not enter into an agreement to purchase securities in advance of their issuance for resale to the public as part of a distribution of the securities by the issuer or otherwise guarantee the distribution, except that an insurer may acquire privately placed securities with registration rights.

(11) Notwithstanding the provisions of this chapter, the commissioner, for good cause, may under the Montana Administrative Procedure Act order an insurer to nonadmit, limit, dispose of, withdraw from, or discontinue an investment or investment practice. The authority of the commissioner under this subsection is in addition to any other authority of the commissioner.

(12) Insurance futures and insurance futures options are not considered investments or investment practices for purposes of this chapter."

(ii) the aggregate amount of lower-grade investments issued, assumed, guaranteed, accepted, or insured by any one person or, as to asset-backed securities secured by or evidencing an interest in a single asset or pool of assets, then held by the insurer would exceed 0.5% of its admitted assets.

(c) If an insurer attains or exceeds the limit of any one rating category referred to in this subsection (2), the insurer is precluded from acquiring investments in other rating categories subject to the specific and multicategory limits applicable to those investments.

(3) (a) An insurer may not acquire, directly or indirectly through an investment subsidiary, a Canadian investment authorized by this chapter if, as a result of and after giving effect to the investment, the aggregate amount of these investments then held by the insurer would exceed 40% of its admitted assets or if the aggregate amount of Canadian investments not acquired under 33-12-203(3) then held by the insurer would exceed 25% of its admitted assets.

(b) However, as to an insurer that is authorized to do business in Canada or that has outstanding insurance, annuity, or reinsurance contracts on lives or risks resident or located in Canada and denominated in Canadian currency, the limitations of subsection (3)(a) must be increased by the greater of:

[SB 323]

AN ACT AMENDING THE EXCLUSIVE REMEDY PROVISION IN THE WORKERS' COMPENSATION ACT TO PROVIDE AN INJURED EMPLOYEE WITH A CAUSE OF ACTION FOR DAMAGES AGAINST AN EMPLOYER OR A FELLOW EMPLOYEE WHO CAUSES INTENTIONAL INJURY; DEFINING "INTENTIONAL INJURY"; AMENDING SECTION 39-71-413, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

WHEREAS, Montana's workers' compensation law is the exclusive remedy for an employee injured or killed in the scope of employment, as included in Article II, section 16, of the Montana Constitution and implemented by the Legislature in section 39-71-411, MCA; and

WHEREAS, the exclusive remedy provision of workers' compensation can be described as a quid pro quo exchange of rights and remedies, which is intended to relieve an injured employee of the responsibility of undertaking lengthy and expensive legal action to recover compensation for job-related injuries by proving an employer's negligence while relieving the employer of the burden of defending against work-related claims through the traditional common-law defenses of contributory negligence, assumption of risk, and the fellow servant rule to defeat the employee's claim; and

WHEREAS, in 1973, the Montana Legislature enacted section 39-71-413, MCA, which allowed an injured employee to sue a servant or employee of the employer when the injury was the result of an intentional or malicious act by the servant or employee of the injured employee's employer; and

WHEREAS, in a 2000 decision, Sherner v. Conoco, Inc., 2000 MT 50, 298 Mont. 401 (2000), the Montana Supreme Court revisited the standard used for determining whether an employer's act or omission was protected under the exclusive remedy; and

WHEREAS, the court applied section 39-71-413, MCA, to employers and held that actual malice, as described in section 27-1-221, MCA, which provides that a person acts with malice if an employer has knowledge of facts or intentionally disregards facts that create a high probability of injury and deliberately acts with conscious or intentional disregard or indifference to that high probability, would be the standard applied; and

WHEREAS, the exclusive remedy provision in the Workers' Compensation Act should provide that an injured employee has a cause of action for damages against an employer or the employer's employee only if the employer or fellow employee causes an intentional injury.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 39-71-413, MCA, is amended to read:

"39-71-413. Liability of *employer or* fellow employee for intentional ~~and malicious~~ *and deliberate* acts ~~or omissions~~ — additional cause of action — *intentional injury defined.* *(1)* If an employee ~~receives an injury~~ *is intentionally injured by an intentional and deliberate act of the employee's employer or by the intentional and deliberate act of a fellow employee* while performing the duties of ~~his~~ employment ~~and the injury or injuries so received by the employee are caused by the intentional and malicious act or omission of a servant or employee of his employer, then~~, the employee or in case of ~~his~~ death ~~his~~ *the employee's* heirs or personal representatives ~~shall~~, in addition to the right to receive compensation under the Workers' Compensation Act, ~~have a right to prosecute any~~ *have a* cause of action ~~he may have~~ for damages against the ~~servants or employees of his employer causing the injury~~ *person whose intentional and deliberate act caused the intentional injury.*

(2) An employer is not vicariously liable under this section for the intentional and deliberate acts of an employee.

(3) As used in this section, "intentional injury" means an injury caused by an intentional and deliberate act that is specifically and actually intended to cause injury to the employee injured and there is actual knowledge that an injury is certain to occur."

Section 2. Effective date — applicability. [This act] is effective on passage and approval and applies to injuries that occur on or after [the effective date of this act].

AN ACT ALLOWING UP TO 25 PERCENT OF THE LOCAL MATCHING FUNDS REQUIRED FOR THE TREASURE STATE ENDOWMENT REGIONAL WATER SYSTEM TO BE IN THE FORM OF DEBT THAT WAS

INCURRED BY LOCAL GOVERNMENT ENTITIES INCLUDED IN THE REGIONAL WATER SYSTEM TO CONSTRUCT INDIVIDUAL DRINKING WATER SYSTEMS BEFORE THE INDIVIDUAL SYSTEMS WERE CONNECTED TO THE REGIONAL SYSTEM; LIMITING THE AMOUNT OF AN INDIVIDUAL ENTITY'S DEBT THAT MAY BE USED FOR MATCHING FUNDS; AMENDING SECTION 90-6-715, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 90-6-715, MCA, is amended to read:

"**90-6-715. (Temporary) Special revenue account — use.** (1) The treasure state endowment regional water system special revenue account may be used to provide matching funds to plan and construct regional drinking water systems in Montana. Each state dollar must be matched equally by local funds. Federal and state grants may not be used as a local match.

(2) Up to 25% of the local matching funds required under subsection (1) for the treasure state endowment regional water system may be in the form of debt that was incurred by local government entities included in the regional water system to construct individual drinking water systems before the individual systems were connected to the regional system. However, the amount of an individual entity's debt that may be used for matching funds is limited to the amount necessary to allow the entity to maintain its water service charges below the hardship standard established by the department through administrative rules adopted under 90-6-710(4).

~~(2)~~*(3)* The funds in the account are further restricted to be used to finance regional drinking water systems, such as projects in north central Montana, from the waters of the Tiber reservoir, that will provide water for domestic use, industrial use, and stockwater for communities and rural residences that lie south of the Canadian border, west of Havre, north of Dutton, and east of Cut Bank and in northeastern Montana, from the waters of the Missouri River, that will provide water for domestic use, industrial use, and stockwater for communities and rural residences that lie south of the Canadian border, west of the North Dakota border, north of the Missouri River, and east of range 39.

~~(3)~~*(4)* The funds must be administered by the department of commerce for eligible projects. (Terminates June 30, 2013—sec. 6, Ch. 495, L. 1999.)"

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 76-13-401, MCA, is amended to read:

"76-13-401. Definitions. As used in this part, the following definitions apply:

(1) "Certificate of clearance" means a certificate issued by the department acknowledging that the fire hazard has been reduced or managed in accordance with this part and the fire hazard reduction agreement or agreements.

(2) "Contractor" means the person who executes the fire hazard reduction agreement and is responsible to fulfill the obligations established by the agreement.

(3) "Department" means the department of natural resources and conservation provided for in Title 2, chapter 15, part 33.

(4) "Exemption certificate" means an exemption from the provisions of this part that must be granted by the department for the harvest of merchantable trees within the boundaries of an incorporated city or town.

(5) "Fire hazard" means slash and debris resulting from timber cutting, timber stand improvement, or right-of-way clearing operations that produce a cover of flammable material in which fire could spread through a cutting or adjacent area.

(6) "Fire hazard reduction agreement" means a contract made to ensure compliance with this part and with the rules adopted under 76-13-403 for fire hazard reduction or management on private forest lands.

(7) "Fire hazard reduction or management" means the abatement of a fire hazard on private forest lands by methods that include but are not limited to separation, removal, scattering, lopping, crushing, piling and burning, broadcast burning, burying, or chipping.

(8) "Forest product" means trees or their component parts, including but not limited to logs, poles, branches, or bark.

(9) "Master fire hazard reduction agreement" means a fire hazard reduction agreement between the department and persons engaged in continuing cutting operations of sufficient number and size to warrant covering these operations under a single agreement and a single bond.

(10) "Minimum slash hazard" means an amount of slash and debris generated by noncommercial activities, which may include but are not limited to weeding, pruning, or clearing on private land within the state.

~~(10)~~*(11)* "Person" means an individual, association, partnership, corporation, estate, or any other entity.

~~(11)~~*(12)* "Private forest lands" means all lands of whatever character containing merchantable timber that are not owned by the state, a political subdivision of the state, the United States, any agency of the United States, or an Indian tribe.

~~(12)~~*(13)* "Purchaser" means a person who purchases or contracts to purchase any forest products cut from private forest lands within the state. The term includes persons who purchase products manufactured on the cutting area."

Section 2. Section 76-13-408, MCA, is amended to read:

"76-13-408. Fire hazard reduction agreement and bond — bond release and penalty — *exemption*. (1) Before cutting any forest product, constructing or reconstructing any road in contemplation of cutting any forest product, or conducting timber stand improvement, such as but not limited to precommercial thinning, weeding, or pruning, upon private forest lands within the state, the person conducting the work must be issued an exemption certificate by the department or shall provide for the reduction or management of the fire hazard to be created, *except where a minimum slash hazard would exist*, by entering into a fire hazard reduction agreement or a master fire hazard reduction agreement with the department, providing for the full and faithful compliance with all requirements under this part and the faithful reduction or management of the fire hazard in the manner prescribed by law and by rules adopted under this part.

(2) Either the person conducting the work or the purchaser, as provided in 76-13-409(2), shall post a bond to the state in a form and for an amount as may be prescribed by the department, but the amount may not exceed $6 for each 1,000 board feet (log scale) or the equivalent if forest products other than logs are cut. Bond amounts for master fire hazard reduction agreements are calculated to cover the potential cost to the department for fire hazard abatement in case of default and are based on the average annual volume of uncompleted abatement. Master fire hazard reduction agreement bonds are to be administered as nonsite-specific umbrella bonds, for which the entire bond or any portion of the bond may be collected to pay for unabated fire hazards on any or all sites covered by the bond. The department shall review master fire hazard reduction agreement bond amounts at least annually. The bonds must be adjusted according to the volume of timber harvested and the level of compliance of the bond provider.

(3) The agreement must provide that:

(a) all fire hazard reduction or management work comprising nonburning methods and preparations for burning must be completed within 18 months of commencement of cutting in the area covered by the agreement; and

(b) all burning work must be completed as specified in the agreement and in compliance with rules adopted under this part.

(4) The bond must be released upon the issuance of the certificate of clearance. At the request of the fire hazard reduction agreement holder, cash bonds for fire hazard reduction agreements exceeding 200,000 board feet, or the equivalent, must be partially released upon satisfactory completion of slash piling if the fire hazard reduction agreement holder has a record of compliance with the provisions of 76-13-407 or this section. The department may inspect the sites for which release or partial release is being requested, or it may rely on the submittal of a signed affidavit and relevant site photographs provided by the person posting the bond. A person that submits a fraudulent affidavit or photographs is subject to the penalty provisions of 45-7-202, may have other fire hazard reduction agreements revoked, or may be denied the issuance of fire hazard reduction agreements in the future.

(5) If a minimum slash hazard will be created, the activity is exempt from the provisions of this part."

Section 3. Section 76-13-410, MCA, is amended to read:

"76-13-410. Failure to comply. (1) If a person fails, refuses, or neglects to properly reduce or manage the fire hazard in accordance with the requirements of 76-13-407 and 76-13-408, the person may be enjoined from further cutting, clearing, and construction operations until the department has found the person to be in compliance with 76-13-407 and 76-13-408. The department may initiate the proceedings and may obtain a temporary restraining order, injunction, or writ of mandate. The proceedings must be conducted in the district court of the county where the land is located.

(2) If a person claims to have a minimum slash hazard but the department's inspection determines otherwise, the hazard reduction requirements of this part apply.

~~(2)~~*(3)* If a person fails to comply with 76-13-407 or 76-13-408 and fails to comply within 30 days after being notified to do so by the department, the department may complete, direct, or authorize the fire hazard reduction or management at the expense of the contractor or of the owner of the timber or other forest products cut or produced from the land upon which the unabated fire hazard remains.

~~(3)~~*(4)* The cost and expense of the fire hazard reduction or management work, plus 20% of the cost and expense of the work as a penalty, constitute a lien upon the forest products cut or produced from the land and upon the real and personal property of the contractor. If payment of the sum demanded is not made to the department within 15 days of its written demand, the performance bond required by 76-13-408 and 76-13-409, upon notice to the contractor, must be automatically forfeited to the extent needed to cover the cost and expenses of reducing or managing the fire hazard, plus a penalty of 20% of the cost and expenses. If the bond is insufficient to cover the cost, expenses, and penalty, the department may bring legal action on behalf of the state to recover the cost, expenses, and penalty.

~~(4)~~*(5)* In addition to other remedies provided in this part, the department may, after notice, require a person to show cause why the department should not withhold the issuance of any further fire hazard reduction agreement or exemption certificate to a person that:

(a) harvests timber without a valid fire hazard reduction agreement; or

(b) has forfeited the performance bond on a fire hazard reduction agreement within the 2 preceding years and fails, refuses, or neglects to properly reduce or manage the fire hazard in accordance with 76-13-407 or 76-13-408 within 30 days after being notified by the department.

~~(5)~~*(6)* If the person fails to show sufficient cause as required by subsection ~~(4)~~ *(5)*, the department may withhold the issuance of any further fire hazard reduction agreement or exemption certificate for a period not to exceed 3 years."

(d) the estimated enrollment, including the factual information on which the estimate is based, as provided in subsection (1); and

(e) any other information or data that may be requested by the superintendent of public instruction.

(3) The superintendent of public instruction shall immediately review all the factors of the application and shall approve or disapprove the application or adjust the estimated average number belonging for the ensuing ANB calculation period. After approving an estimate, with or without adjustment, the superintendent of public instruction shall:

(a) determine the percentage increase ~~that~~ *by which* the estimated enrollment increase ~~is over~~ *exceeds* the current enrollment; and

(b) approve an increase of the average number belonging used to establish the ensuing year's basic entitlement and total per-ANB entitlement in accordance with subsection (5) if the increase in subsection (3)(a) is at least 6%.

(4) The superintendent of public instruction shall notify the district of the decision by the fourth Monday in June.

(5) Whenever an unusual enrollment increase is approved by the superintendent of public instruction, the increase of the average number belonging used to establish the basic entitlement and total per-ANB entitlement for the ensuing ANB calculation period is the difference between the enrollment for the ensuing school fiscal year and 106% of the current enrollment. The amount determined is the maximum allowable increase added to the average number belonging for the purpose of establishing the ensuing year's basic entitlement and total per-ANB entitlement.

(6) Any entitlement increases resulting from provisions of this section must be reviewed at the end of the ensuing school fiscal year. If the actual enrollment is less than the average number belonging used for BASE funding program and entitlement calculations, the superintendent of public instruction shall revise the total per-ANB entitlement and basic entitlement calculations using the actual average number belonging. All total per-ANB entitlements received by the district in excess of the revised entitlements are overpayments subject to the refund provisions of 20-9-344(4)."

Section 18. Section 20-9-502, MCA, is amended to read:

"**20-9-502. Purpose and authorization of a building reserve fund by an election — *levy for school transition costs*.** (1) The trustees of any district, with the approval of the qualified electors of the district, may establish a building reserve for the purpose of raising money for the future construction, equipping, or enlarging of school buildings, ~~or~~ for the purpose of purchasing land needed for school purposes in the district, *or for the purpose of funding school transition costs as provided in subsection (5)*. In order to submit to the qualified electors of the district a building reserve proposition for the establishment of or addition to a building reserve, the trustees shall pass a resolution that specifies:

(a) the purpose or purposes for which the new or addition to the building reserve will be used;

(b) the duration of time over which the new or addition to the building reserve will be raised in annual, equal installments;

(c) the total amount of money that will be raised during the duration of time specified in subsection (1)(b); and

(d) any other requirements under 20-20-201 for the calling of an election.

(2) The total amount of building reserve, *less the amount provided for in subsection (5),* when added to the outstanding indebtedness of the district may not be more than the limitations provided in 20-9-406. A *Except as provided in subsection (5)(b), a* building reserve tax authorization may not be for more than 20 years.

(3) The election must be conducted in accordance with the school election laws of this title, and the electors qualified to vote in the election must be qualified under the provisions of 20-20-301. The ballot for a building reserve proposition must be substantially in the following form:

Shall the trustees be authorized to impose an additional levy each year for .... years to establish a building reserve (add to the building reserve) of this school district to raise a total amount of .... dollars ($....), for the purpose(s) .... (here state the purpose or purposes for which the building reserve will be used)?

☐ BUILDING RESERVE—YES.

☐ BUILDING RESERVE—NO.

(4) The building reserve proposition is approved if a majority of those electors voting at the election approve the establishment of or addition to the building reserve. The annual budgeting and taxation authority of the trustees for a building reserve is computed by dividing the total authorized amount by the specified number of years. The authority of the trustees to budget and impose the taxation for the annual amount to be raised for the building reserve lapses when, at a later time, a bond issue is approved by the qualified electors of the district for the same purpose or purposes for which the building reserve fund of the district was established. Whenever a subsequent bond issue is made for the same purpose or purposes of a building reserve, the money in the building reserve must be used for such purpose or purposes before any money realized by the bond issue is used.

The duration of the levy for transition costs may not exceed 6 years.

(c) If the levy for transition costs is for consolidation or annexation:

(i) the limitation on the amount levied is calculated using the ANB and the maximum general fund budget for the districts that are being combined; and

(ii) the proposition must be submitted to the qualified electors in the combined district.

(d) The levy for transition costs may not be considered as outstanding indebtedness for the purpose of calculating the limitation in 20-9-406."

Section 19. Section 20-10-111, MCA, is amended to read:

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 39-71-118, MCA, is amended to read:

"39-71-118. Employee, worker, volunteer, and volunteer firefighter defined. (1) The term "employee" or "worker" means:

(a) each person in this state, including a contractor other than an independent contractor, who is in the service of an employer, as defined by 39-71-117, under any appointment or contract of hire, expressed or implied, oral or written. The terms include aliens and minors, whether lawfully or unlawfully employed, and all of the elected and appointed paid public officers and officers and members of boards of directors of quasi-public or private corporations, except those officers identified in 39-71-401(2), while rendering actual service for the corporations for pay. Casual employees, as defined by 39-71-116, are included as employees if they are not otherwise covered by workers' compensation and if an employer has elected to be bound by the provisions of the compensation law for these casual employments, as provided in 39-71-401(2). Household or domestic employment is excluded.

(b) any juvenile who is performing work under authorization of a district court judge in a delinquency prevention or rehabilitation program;

(c) a person who is receiving on-the-job vocational rehabilitation training or other on-the-job training under a state or federal vocational training program, whether or not under an appointment or contract of hire with an employer, as defined in this chapter, and, except as provided in subsection (9), whether or not receiving payment from a third party. However, this subsection does not apply to students enrolled in vocational training programs, as outlined in this subsection, while they are on the premises of a public school or community college.

(d) an aircrew member or other person who is employed as a volunteer under 67-2-105;

(e) a person, other than a juvenile as defined in subsection (1)(b), who is performing community service for a nonprofit organization or association or for a federal, state, or local government entity under a court order, or an order from a hearings officer as a result of a probation or parole violation, whether or not under appointment or contract of hire with an employer, as defined in this chapter, and whether or not receiving payment from a third party. For a person covered by the definition in this subsection (1)(e):

(i) compensation benefits must be limited to medical expenses pursuant to 39-71-704 and an impairment award pursuant to 39-71-703 that is based upon the minimum wage established under Title 39, chapter 3, part 4, for a full-time employee at the time of the injury; and

(ii) premiums must be paid by the employer, as defined in 39-71-117(3), and must be based upon the minimum wage established under Title 39, chapter 3, part 4, for the number of hours of community service required under the order from the court or hearings officer.

(f) an inmate working in a federally certified prison industries program authorized under 53-1-301;

The endorsement may cover only the entity's FAIM participants and may only be for the duration of each participant's training in the FAIM project under a written agreement between the department of public health and human services and each public or private entity. The department of public health and human services may not provide workers' compensation coverage for individuals who are covered for workers' compensation purposes by another state or federal employment training program. Premiums and benefits must be based upon the wage that a probationary employee is paid for work of a similar nature at the assigned worksite.

(2) The terms defined in subsection (1) do not include a person who is:

(3) With the approval of the insurer, an employer may elect to include as an employee under the provisions of this chapter any volunteer as defined in subsection (2)(c).

(4) (a) The term "volunteer firefighter" means a firefighter who is an enrolled and active member of a fire company organized and funded by a county, a rural fire district, or a fire service area.

(b) The term "volunteer hours" means all the time spent by a volunteer firefighter in the service of an employer, including but not limited to training time, response time, and time spent at the employer's premises.

(5) (a) If the employer is a partnership, limited liability partnership, sole proprietor, or a member-managed limited liability company, the employer may elect to include as an employee within the provisions of this chapter any member of the partnership or limited liability partnership, the owner of the sole proprietorship, or any member of the limited liability company devoting full time to the partnership, limited liability partnership, proprietorship, or limited liability company business.

(b) In the event of an election, the employer shall serve upon the employer's insurer written notice naming the partners, sole proprietor, or members to be covered and stating the level of compensation coverage desired by electing the amount of wages to be reported, subject to the limitations in subsection (5)(d). A partner, sole proprietor, or member is not considered an employee within this chapter until notice has been given.

(c) A change in elected wages must be in writing and is effective at the start of the next quarter following notification.

(d) All weekly compensation benefits must be based on the amount of elected wages, subject to the minimum and maximum limitations of this subsection. For premium ratemaking and for the determination of weekly wage for weekly compensation benefits, the electing employer may elect not less than $900 a month and not more than 1 1/2 times the average weekly wage, as defined in this chapter.

A corporate officer or manager is not considered an employee within this chapter until notice has been given.

(c) A change in elected wages must be in writing and is effective at the start of the next quarter following notification.

(d) All weekly compensation benefits must be based on the amount of elected wages, subject to the minimum and maximum limitations of this subsection. For premium ratemaking and for the determination of the weekly wage for weekly compensation benefits, the electing employer may elect not less than $200 a week and not more than 1 1/2 times the average weekly wage, as defined in this chapter.

(7) (a) The trustees of a rural fire district, a county governing body providing rural fire protection, or the county commissioners or trustees for a fire service area may elect to include as an employee within the provisions of this chapter any volunteer firefighter. A volunteer firefighter who receives workers' compensation coverage under this section may not receive disability benefits under Title 19, chapter 17.

(b) In the event of an election, the employer shall report payroll for all volunteer firefighters for premium and weekly benefit purposes based on the number of volunteer hours of each firefighter times the average weekly wage divided by 40 hours, subject to a maximum of 1 1/2 times the average weekly wage.

(c) A self-employed sole proprietor or partner who has elected not to be covered under this chapter, but who is covered as a volunteer firefighter pursuant to subsection (7)(a) and when injured in the course and scope of employment as a volunteer firefighter, may in addition to the benefits described in subsection (7)(b) be eligible for benefits at an assumed wage of the minimum wage established under Title 39, chapter 3, part 4, for 2,080 hours a year. The trustees of a rural fire district, a county governing body providing rural fire protection, or the county commissioners or trustees for a fire service area may make an election for benefits. If an election is made, payrolls must be reported and premiums must be assessed on the assumed wage.

(8) Except as provided in chapter 8 of this title, an employee or worker in this state whose services are furnished by a person, association, contractor, firm, limited liability company, limited liability partnership, or corporation, other than a temporary service contractor, to an employer, as defined in 39-71-117, is presumed to be under the control and employment of the employer. This presumption may be rebutted as provided in 39-71-117(3).

(9) A student currently enrolled in an elementary, secondary, or postsecondary educational institution who is participating in work-based learning activities and who is paid wages by the educational institution or business partner is the employee of the entity that pays the student's wages for all purposes under this chapter. A student who is not paid wages by the business partner or the educational institution is a volunteer and is subject to the provisions of this chapter.

Section 2. Section 39-71-123, MCA, is amended to read:

"39-71-123. Wages defined. (1) "Wages" means all remuneration paid for services performed by an employee for an employer, or income provided for in subsection (1)(d). Wages include the cash value of all remuneration paid in any medium other than cash. The term includes but is not limited to:

(a) commissions, bonuses, and remuneration at the regular hourly rate for overtime work, holidays, vacations, and sickness periods;

(b) backpay or any similar pay made for or in regards to previous service by the employee for the employer, other than retirement or pension benefits from a qualified plan;

(c) tips or other gratuities received by the employee, to the extent that tips or gratuities are documented by the employee to the employer for tax purposes;

(d) income or payment in the form of a draw, wage, net profit, or substitute for money received or taken by a sole proprietor or partner, regardless of whether the sole proprietor or partner has performed work or provided services for that remuneration;

(e) board, lodging, rent, or housing if it constitutes a part of the employee's remuneration and is based on its actual value; and

(f) payments made to an employee on any basis other than time worked, including but not limited to piecework, an incentive plan, or profit-sharing arrangement.

(2) The term "wages" does not include any of the following:

(b) For good cause shown, if the use of the last four pay periods does not accurately reflect the claimant's employment history with the employer, the wage may be calculated by dividing the total earnings for an additional period of time, not to exceed 1 year prior to the date of injury, by the number of weeks in that period, including periods of idleness or seasonal fluctuations.

(4) (a) For the purpose of calculating compensation benefits for an employee working concurrent employments, the average actual wages must be calculated as provided in subsection (3). As used in this subsection, "concurrent employment" means employment in which the employee was actually employed at the time of the injury and would have continued to be employed without a break in the term of employment if not for the injury.

(b) ~~The~~ *Except as provided in 39-71-118(7)(c), the* compensation benefits for a covered volunteer must be based on the average actual wages in the volunteer's regular employment, except self-employment as a sole proprietor or partner who elected not to be covered, from which the volunteer is disabled by the injury incurred.

(c) The compensation benefits for an employee working at two or more concurrent remunerated employments must be based on the aggregate of average actual wages of all employments, except for the wages earned by individuals while engaged in the employments outlined in 39-71-401(3)(a) who elected not to be covered, from which the employee is disabled by the injury incurred."

Section 3. Deposit of oil overcharge revenue. All funds from stripper well and exxon payments must be deposited by the state treasurer in the federal special revenue fund. All interest earned on any of these funds or payments also must be deposited in the federal special revenue fund.

Section 4. Food bank network transportation — appropriation. There is appropriated $15,000 from the stripper well payments contained in the federal special revenue fund to the department of public health and human services for use in assisting the Montana food bank network with coordinated energy-efficient transportation of food to drop sites and local food banks statewide.

Section 5. Efficient energy — appropriation. Section 6. Transportation to nutrition sites — appropriation. There is appropriated $11,000 from the stripper well payments contained in the federal special revenue fund to the department of public health and human services for grants to the area agencies on aging to provide transportation for seniors to nutrition sites. The area agencies on aging shall apply to the department of public health and human services for these funds.

Section 7. Promoting use of energy and water savings technologies on Montana farms and ranches — appropriation. (2) Of the amount appropriated in subsection (1), the department is directed to contract up to $90,000 for a grant to energy share, inc. to be used to address home heating emergencies encountered by households with incomes between 0% and 150% of federal poverty guidelines that are not eligible for federal low-income energy assistance or that have not received federal low-income energy assistance in the current program year. There is appropriated $210,000 to the department of public health and human services for use in the home weatherization program created in 90-4-201. The department will be responsible for allocating the funds, as they become available, between energy share, inc., and the department with 30% to energy share, inc. and 70% to the home weatherization program.

Section 10. Carryover — reappropriation. There is reappropriated $20,000 from the stripper well payments and $70,000 from the diamond shamrock payments contained in the federal special revenue fund to the department of environmental quality to fund the state energy program administered by the department pursuant to 10 CFR 420.

Section 11. Conditions applied to appropriations. (1) The appropriations made in [sections 4 through 9] are biennial appropriations. One-half of the total amount appropriated to each program in [sections 4 through 9] is appropriated in fiscal year 2002, and the remainder is appropriated in fiscal year 2003. As biennial appropriations, the unexpended funds appropriated in fiscal year 2002 may be carried forward within each program to fiscal year 2003, subject to the specific language conditions governing each appropriation.

(2) The appropriations in [section 10] are limited to available funds. Expenditures of carryover funds may not exceed the actual amount of unspent funds available.

Section 12. Appropriations prioritized. (1) The appropriations in [sections 4 through 9] are approved in the order of priority that they appear in [sections 4 through 9], with the appropriation in [section 4] having the highest priority and the appropriation in [section 9] having the lowest priority. If the U.S. department of energy does not approve one or more of the programs that are funded by [sections 4 through 9], any stripper well payments that are not used to fund the higher priority program must be provided to the lower-ranked program up to the amounts appropriated in [sections 4 through 9].

(2) If stripper well payments are insufficient to fully fund the appropriations made in [sections 4 through 9], allocations to the lowest ranking program must be reduced until the deficiency is eliminated. If the deficiency is in excess of the appropriation to the lowest ranking program, the next lowest ranking program must have its appropriation reduced until the deficiency is eliminated and so forth as the programs are prioritized. These priorities must be applied to one-half of the total amount appropriated in [sections 4 through 9] for fiscal year 2002 and to the remaining appropriation for fiscal year 2003.

(3) In order to provide continuity for the programs when establishing the appropriations for each fiscal year of the 2003 biennium, anticipated stripper well payments that will be received under terms of the stripper well agreement during the biennium may be considered as available to fund the activities.

(4) The expenditure of money appropriated by [sections 4 through 9] may not exceed the amount of the stripper well payments available in the biennium.

Section 13. Section 4, Chapter 49, Laws of 1999, is amended to read:

"**Section 4. Matching funds for low-income energy assistance — appropriation.** (1) There is appropriated $300,000 from the stripper well payments contained in the federal special revenue fund to the department of public health and human services for the purpose described in subsection (2) and under the restrictions contained in subsection (3).

(2) The department of public health and human services shall match private contributions to energy share, inc. to be used to address home heating emergencies encountered by households with incomes between 0% and 150% of federal poverty guidelines who are not eligible for federal low-income energy assistance or who have not received federal low-income energy assistance in the current program year. All of the funds appropriated to the department for this purpose under subsection (1) must be used for clients' emergency energy needs.

~~(3) In the event a combination of the oil overcharge funds appropriated in subsection (1) and universal system benefits funds designated to energy share, inc. exceeds $400,000 in fiscal year 2000 or in fiscal year 2001, the excess amount must be subtracted from the appropriation of oil overcharge funds provided in subsection (1) for that fiscal year and a like amount shall be added to the oil overcharge funds appropriated in [section 5] for low-income home weatherization, except that the biennial appropriation for low-income home weatherization provided in [section 5] shall not exceed $695,000 under any condition.~~"

Section 14. Coordination instruction. If House Bill No. 12 is passed and approved, the stripper well payments appropriated in House Bill No. 12 have a higher priority than any appropriation of stripper well payments in [sections 4 through 10].

Section 15. Effective dates. (1) Except as provided in subsection (2), [this act] is effective July 1, 2001.

(2) [Section 13 and this section] are effective on passage and approval.

CHAPTER NO. 240

[HB 12]

AN ACT AUTHORIZING THE ISSUANCE OF GENERAL OBLIGATION BONDS TO FUND THE STATE BUILDING ENERGY CONSERVATION PROGRAM; APPROVING ENERGY CONSERVATION PROJECTS FOR FISCAL YEARS 2002 AND 2003; APPROPRIATING BOND PROCEEDS TO THE DEPARTMENT OF ENVIRONMENTAL QUALITY; PLEDGING THE CREDIT OF THE STATE OF MONTANA TO SECURE THE BONDS TO BE ISSUED; REAPPROPRIATING STRIPPER-WELL PAYMENTS CONTAINED IN THE FEDERAL SPECIAL REVENUE FUND; REVISING THE PROCEDURE FOR IDENTIFYING BUILDINGS THAT HAVE A POTENTIAL FOR ENERGY SAVINGS; AMENDING SECTIONS 90-4-605 AND 90-4-606, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 90-4-605, MCA, is amended to read:

"90-4-605. Preparation of energy conservation program. (1) The department shall work with state agencies to identify buildings that have a potential for energy savings, based on age, energy use, function, and condition of the building.

(2) Based on the criteria in subsection (1) and on the feasibility of leveraging other funds, such as federal and utility energy conservation program money, the department shall select certain facilities for indepth energy analyses to identify the technical and financial feasibility of making energy conservation improvements to the facilities.

~~(3) During the energy analyses, the department shall consult with the utilities that serve the selected facilities to discuss potential impacts on the utilities and their customers of making energy conservation improvements to these facilities.~~

~~(4)~~*(3)* Upon completion of the energy analyses, the department shall ~~submit to the governor its findings and a list of projects recommended for funding under the energy conservation program. The department shall~~ identify estimated costs and savings to the state based on these analyses. *If the estimated savings are determined to be greater than the bond payment costs for a particular project, the department shall notify the department of administration. Upon receipt of the notification, the department of administration shall implement a design and construction project using bond proceeds for the costs of the project.*

~~(5)~~*(4)* The department shall compile a report that must include the following:

(a) a listing of contacts between the department and other state agencies;

(b) a summary of the department's review of agency requests and a selection of projects for indepth analysis;

(c) a summary of the energy analyses conducted by the department, including the estimated cost of each proposed project and the estimated energy cost savings of each proposed project; *and*

(d) a ~~description of measures taken by the department to address the issues that were raised in the consultation with the affected utilities; and~~

~~(e) if a fuel switching measure is proposed, an analysis of the costs to the affected utility and its customers and of the benefits to the state~~ *listing of additional projects under consideration, for which energy analyses have not been conducted.*

~~(6) If a fuel switching measure is proposed, the department shall demonstrate through the analysis required by subsection (5)(e) that the benefits to the state exceed the costs to the utility and its customers.~~

~~(7)~~*(5)* The department shall submit the report required by subsection ~~(5)~~ *(4)* to the governor before September 1 of each even-numbered year."

Section 2. Section 90-4-606, MCA, is amended to read:

"**90-4-606. Program report and recommendations.** The governor shall submit the *projects* proposed ~~projects~~ to be funded by the energy conservation program for the next biennium as a part of the budget required by 17-7-123. The governor shall make available, as provided by 17-7-124:

(1) the report prepared by the department; *and*

~~(2) a description of the improvements to be financed;~~

~~(3) the estimated cost of each project and the total cost of the program; and~~

~~(4)~~*(2)* the proposed method of financing the improvement. If energy conservation program bonds are proposed to be issued to finance the program improvements, the governor shall include within the report a written statement by the department that the estimated annual energy savings to be derived from the installation of the energy saving equipment or improvements, upon completion, are expected to equal or exceed the annual debt service to be paid on the energy conservation program bonds proposed to be issued to fund the costs of ~~such~~ *the* equipment or improvements."

Section 3. Stripper-well payments — reappropriation — definition — priority. (1) There is reappropriated from the stripper-well payments contained in the federal special revenue fund to the department of environmental quality $100,000 to fulfill the duties imposed by 90-4-605 and 90-4-607. The original appropriation was contained in section 9, Chapter 597, Laws of 1989. The reappropriation is a biennial appropriation.

(2) (a) "Stripper-well payments" means the oil overcharge payments made to the United States treasury for distribution to the state of Montana as the result of the final settlement agreement in Cause No. M.D.L. 378, United States district court for the district of Kansas, and any interest accrued on the payments.

(b) Stripper-well payments do not include payments that have been expended or legally obligated or that have been incorporated into any of the existing federal energy programs as the result of prior appropriations by the legislature.

(3) The stripper-well payments reappropriated in this section have a higher priority than any other appropriation of stripper-well payments by the legislature for fiscal years 2002 and 2003.

Section 4. Appropriation of bond proceeds. There is appropriated from bond proceeds authorized by Chapter 571, Laws of 1991, Chapter 350, Laws of 1993, Chapter 61, Laws of 1995, Chapter 81, Laws of 1997, Chapter 50, Laws of 1999, and [section 6], $450,000 to the department of environmental quality to fulfill its duties under 90-4-605 and 90-4-607. This appropriation is a biennial appropriation.

Section 5. Approval of energy conservation projects — definition. (1) Pursuant to Title 90, chapter 4, part 6, the legislature approves for fiscal years 2002 and 2003 the energy conservation projects listed in the report to the governor as required in 90-4-605 and presented to the legislature as required in 90-4-606.

(2) In addition to the energy conservation projects referred to in subsection (1), the department of environmental quality may expend funds appropriated under [section 6] to respond to energy saving opportunities. Energy saving opportunities include coordination of energy improvement projects with the long-range building program capital improvement projects.

(3) For purposes of this section, an "energy saving opportunity" means an opportunity to improve energy use that will provide significant energy and cost savings to the state and that will be technically infeasible or uneconomical if the department of environmental quality is delayed in providing the necessary funds until specific legislative approval can be obtained.

(4) If the costs of the projects authorized in subsections (1) and (2) are substantially below the bond amount authorized in [section 6], the department of environmental quality may fund projects that would be proposed as part of the state building energy conservation package for fiscal years 2004 and 2005.

Section 6. Bond authorization — appropriation of bond proceeds. (1) The board of examiners may, pursuant to 90-4-611, issue and sell bonds of the state in an aggregate principal amount not to exceed $3 million for fiscal years 2002 and 2003 for the projects approved in [section 5] and to fulfill the duties imposed by 90-4-605 and 90-4-607, as provided in [section 4]. The bonds are general obligations for which the full faith and credit and taxing powers of the state are pledged for payment of the principal and interest on the bonds. The bonds must be issued as provided by Title 17, chapter 5, part 8.

(2) The proceeds of the bonds, other than any premiums and accrued interest received, must be deposited in the energy conservation program account established by 90-4-612. Premiums and accrued interest must be deposited in the debt service fund established in 17-2-102. Proceeds of bonds deposited in the energy conservation program account may be used to pay the costs of issuing the bonds, to fulfill the duties imposed by 90-4-605 and 90-4-607, and to fund the projects approved in [section 5]. For the purposes of 17-5-803 and 17-5-804, the energy conservation program account constitutes a capital projects account. The bond proceeds must be available to the department of environmental quality and may be used for the purposes authorized in this section without further budgetary authorization.

Section 7. Requirement for approval of state debt. Because [section 6] authorizes the creation of state debt, Article VIII, section 8, of the Montana constitution requires a vote of two-thirds of the members of each house of the legislature for enactment of [section 6].

Section 8. Effective date. [This act] is effective July 1, 2001.

Approved April 16, 2001

[HB 29]

AN ACT ELIMINATING CONFLICTS IN THE LAW AND CLARIFYING THE RIGHTS AND DUTIES OF A LANDLORD AND TENANT WITH REGARD TO THE RETURN OF THE SECURITY DEPOSIT OF A DEPARTING TENANT; AND AMENDING SECTIONS 70-25-202 AND 70-25-205, MCA.

WHEREAS, section 70-25-205, MCA, contains two statements that are in direct conflict with one another; and

WHEREAS, in 1993, the Legislature eliminated the double damages penalty for wrongful withholding of a security deposit; and

WHEREAS, before that penalty was removed, section 70-25-205, MCA, provided that if a tenant failed to furnish a new address, then the landlord was not liable for the double damages, but was still required to pay the tenant the actual amount owed; and

WHEREAS, the 1993 legislation amended that section in a way that both relieved a landlord of liability to pay damages while at the same time provided that a tenant could not be barred from recovering those damages; and

WHEREAS, section 70-25-204, MCA, provides that a tenant is entitled to recover damages.

THEREFORE, section 70-25-205, MCA, as it was amended in 1993, is redundant as well as conflicting.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 70-25-202, MCA, is amended to read:

"70-25-202. List of damages and refund — delivery to departing tenant. (1) Every landlord, within 30 days subsequent to the termination of a tenancy or within 30 days subsequent to a surrender and acceptance of the leasehold premises, whichever occurs first, shall provide the departing tenant with a written list of any rent due and any damage and cleaning charges, brought after the provisions of 70-25-201 have been followed, *with regard* to the leasehold premises that the landlord alleges are the responsibility of the tenant. Delivery of ~~such~~ *the* list ~~shall~~ *must* be accompanied by payment of the difference, if any, between the security deposit and the permitted charges set forth in 70-25-201. Delivery ~~shall~~ *must* be accomplished by mailing the list and refund to ~~the tenant's last-known address or~~ the new address provided by the tenant *or, if a new address is not provided, to the tenant's last-known address.*

(2) If after inspection there are no damages to the premises, no cleaning required, and no rent unpaid and if the tenant can demonstrate that no utilities are unpaid by the tenant, the landlord shall return the security deposit within 10 days *by mailing it to the new address provided by the tenant or, if a new address is not provided, to the tenant's last-known address.*

(3) It is not a wrongful withholding of security deposit funds if the landlord mails the funds to the last-known address of a tenant who has departed and the tenant does not receive the funds because the tenant has not given the landlord the tenant's new address, but the landlord remains liable to the tenant for the amount due the tenant."

Section 2. Section 70-25-205, MCA, is amended to read:

"**70-25-205. Failure of departing tenant to furnish new address.** ~~Failure~~ *Failure* by the departing tenant to provide the landlord with a new address in writing upon termination of the tenancy or upon surrender and acceptance of the leasehold premises, whichever occurs first, ~~relieves the landlord from liability as imposed by 70-25-204. The failure may not, however,~~ *does not* bar the tenant from recovering the ~~actual~~ amount owing to the tenant by the landlord."

Be it enacted by the Legislature of the State of Montana:

Section 1. Purchase of surplus motor vehicles for recipients of temporary assistance for needy families funds — criteria for recipient purchase program. (b) must be currently employed, be actively working on becoming employed, or be employed within 30 days of receipt of the vehicle;

(c) shall continue employment or employment activities throughout the life of the vehicle purchase agreement with the local nonprofit agency or, if the individual becomes unemployed, continue to make a car payment or donation or the lien process will occur;

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 41-5-206, MCA, is amended to read:

"**41-5-206. Filing in district court prior to formal proceedings in youth court.** (1) The county attorney may, in the county attorney's discretion and in accordance with the procedure provided in 46-11-201, file with the district court a motion for leave to file an information in the district court if:

(a) the youth charged was 12 years of age or older at the time of the conduct alleged to be unlawful and the unlawful act would if it had been committed by an adult constitute:

(3) The district court shall grant leave to file the information if it appears from the affidavit or other evidence supplied by the county attorney that there is probable cause to believe that the youth has committed the alleged offense. Within 30 days after leave to file the information is granted, the district court shall conduct a hearing to determine whether the matter must be transferred back to the youth court, unless the hearing is waived by the youth or by the youth's counsel in writing or on the record. The hearing may be continued on request of either party for good cause. The district court may not transfer the case back to the youth court if the district court finds, by a preponderance of the evidence, that a youth court proceeding and disposition will not serve the interests of community protection and the best interests of the youth, and that,

considering the seriousness of the offense, the case should remain in the district court.

(4) The filing of an information in district court terminates the jurisdiction of the youth court over the youth with respect to the acts alleged in the information. A youth may not be prosecuted in the district court for a criminal offense originally subject to the jurisdiction of the youth court unless the case has been filed in the district court as provided in this section. A case may be transferred to district court after prosecution as provided in 41-5-208 or 41-5-1605.

(5) An offense not enumerated in subsection (1) that arises during the commission of a crime enumerated in subsection (1) may be:

(6) If a youth is found guilty in district court of an offense enumerated in subsection (1), the court shall sentence the youth pursuant to 41-5-2503 and Titles 45 and 46. A youth who is sentenced to the department or a state prison must be evaluated and placed by the department in an appropriate juvenile or adult correctional facility. The department shall confine the youth in an institution that it considers proper, including a state youth correctional facility under the procedures of 52-5-111. However, a youth under 16 years of age may not be confined in a state prison facility. During the period of confinement, school-aged youth with disabilities must be provided an education consistent with the requirements of the federal Individuals With Disabilities Education Act, 20 U.S.C. 1400, et seq.

(7) A youth whose case is filed in the district court may not be detained or otherwise placed in a jail or other adult detention facility before final disposition of the youth's case unless:

(a) alternative facilities do not provide adequate security; and

(1) Persons with disabilities are entitled to fish and to hunt game birds, *not including turkeys,* with only a conservation license if they are residents of Montana not residing in an institution and are certified as disabled as prescribed by departmental rule. A person who has purchased a conservation license and a resident fishing license or game bird license for a particular license year and who is subsequently certified as disabled is entitled to a refund for the fishing license or game bird license previously purchased for that license year. *A person who is certified as disabled pursuant to subsection (3) and who was issued a permit to hunt from a vehicle for license year 2000 or a subsequent license year is automatically entitled to a permit to hunt from a vehicle for subsequent license years if the criteria for obtaining a permit does not change.*

(3) ~~A resident or nonresident person with a disability who is certified as disabled by the department and who is not residing in an institution may carry a permit on a form prescribed by the department. A person with a disability who is issued a permit under this subsection is entitled to have the department stamp the permit with "Permission to Hunt From a Vehicle" if the person establishes to the satisfaction of the department that the person has substantially impaired mobility.~~ *A person may be certified as disabled by the department and issued a permit to hunt from a vehicle, on a form prescribed by the department, if the person establishes one or more of the disabilities pursuant to subsection (8).* The department shall adopt rules to establish a voluntary board or boards of review to resolve any disputes over whether a person meets the criteria established in ~~this~~ subsection *(8)*. CHAPTER NO. 249

[HB 461]

AN ACT ALLOWING AN ACTIVE MEMBER OF THE MILITARY TO PURCHASE VETERANS' LICENSE PLATES; AMENDING SECTION 61-3-332, MCA; AND PROVIDING A DELAYED EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-3-332, MCA, is amended to read:

"**61-3-332. Number plates.** (1) A motor vehicle that is driven upon the streets or highways of Montana must display both front and rear number plates, bearing the distinctive number assigned to the vehicle. The number plates are in 10 series: one series for owners of motorcars, one for owners of motor vehicles of the motorcycle or quadricycle type, one for trailers, one for trucks, one for dealers in vehicles of the motorcycle or quadricycle type that bears the distinctive letters "MCD" or the letters "MC" and the word "DEALER", one for franchised dealers in new motorcars (including trucks and trailers) or new and used motorcars (including trucks and trailers) that bears the distinctive letter "D" or the word "DEALER", one for dealers in used motorcars only (including used trucks and trailers) that bears the distinctive letters "UD" or the letter "U" and the word "DEALER", one for dealers in trailers and/or semitrailers (new or used) that bears the distinctive letters "DTR" or the letters "TR" and the word "DEALER", one for dealers in recreational vehicles that bears the distinctive letters "RV" or the letter "R" and the word "DEALER", and one for special license plates. All markings for the various kinds of dealers' plates must be placed on the number plates assigned to the dealer, in the position that the department designates.

(2) (a) All number plates for motor vehicles must be issued for a maximum period of 4 years, bear a distinctive marking, and be furnished by the state. In years when number plates are not issued, the department shall provide nonremovable stickers bearing appropriate registration numbers that must be affixed to the license plates in use.

(b) For light vehicles that are permanently registered as provided in 61-3-527 or 61-3-562, the department shall provide distinctive nonremovable stickers indicating that the vehicle is permanently registered. The stickers must be affixed to the license plates in use.

(3) (a) Subject to the provisions of this section, the department shall create a new design for number plates as provided in this section, and it shall manufacture the newly designed number plates for issuance after December 31, 1999, to replace at renewal, as required in 61-3-312 and 61-3-314, number plates that were displayed on motor vehicles before that date.

(b) Beginning January 1, 2000, the department shall manufacture and issue new number plates every 4 years.

(4) In the case of motorcars and trucks, plates must be of metal 6 inches wide and 12 inches in length. The outline of the state of Montana must be used as a distinctive border on the license plates, and the word "Montana" and the year must be placed across the plates. Registration plates must be treated with a reflectorized background material according to specifications prescribed by the department.

(5) The distinctive registration numbers must begin with a number one or with a letter-number combination, such as "A 1" or "AA 1", or any other similar combination of letters and numbers. The distinctive registration number or letter-number combination assigned to the vehicle must appear on the plate preceded by the number of the county and appearing in horizontal order on the same horizontal baseline. The county number must be separated from the distinctive registration number by a separation mark unless a letter-number combination is used. The dimensions of the numerals and letters must be determined by the department, and all county and registration numbers must be of equal height.

(6) For the use of exempt motor vehicles and motor vehicles that are exempt from the registration fee as provided in 61-3-560(2)(a), in addition to the markings provided in this section, number plates must bear the following distinctive markings:

(a) For vehicles owned by the state, the department may designate the prefix number for the various state departments. All numbered plates issued to state departments must bear the words "State Owned", and a year number may not be indicated on the plates because these numbered plates are of a permanent nature and will be replaced by the department only when the physical condition of numbered plates requires it.

(b) For vehicles that are owned by the counties, municipalities, and special districts, as defined in 18-8-202, organized under the laws of Montana and not operating for profit, and that are used and operated by officials and employees in the line of duty and for vehicles on loan from the United States government or the state of Montana to, or owned by, the civil air patrol and used and operated by officials and employees in the line of duty, there must be placed on the number plates assigned, in a position that the department may designate, the letter "X" or the word "EXEMPT". Distinctive registration numbers for plates assigned to motor vehicles of each of the counties in the state and those of the municipalities and special districts that obtain plates within each county must begin with number one and be numbered consecutively. Because these number plates are of a permanent nature, they are subject to replacement by the department only when the physical condition of the number plates requires it and a year number may not be displayed on the number plates.

(7) On all number plates assigned to motor vehicles of the truck and trailer type, other than tax-exempt trucks and tax-exempt trailers, there must appear the letter "T" or the word "TRUCK" on plates assigned to trucks and the letters "TR" or the word "TRAILER" on plates assigned to trailers and housetrailers. The letters "MC" or the word "CYCLE" must appear on plates assigned to vehicles of the motorcycle or quadricycle type.

(8) Number plates issued to a passenger car, truck, trailer, or vehicle of the motorcycle or quadricycle type may be transferred only to a replacement passenger car, truck, trailer, or motorcycle- or quadricycle-type vehicle. A registration or license fee may not be assessed upon a transfer of a number plate under 61-3-317 and 61-3-335.

(9) For the purpose of this chapter, the several counties of the state are assigned numbers as follows: Silver Bow, 1; Cascade, 2; Yellowstone, 3; Missoula, 4; Lewis and Clark, 5; Gallatin, 6; Flathead, 7; Fergus, 8; Powder River, 9; Carbon, 10; Phillips, 11; Hill, 12; Ravalli, 13; Custer, 14; Lake, 15; Dawson, 16; Roosevelt, 17; Beaverhead, 18; Chouteau, 19; Valley, 20; Toole, 21; Big Horn, 22; Musselshell, 23; Blaine, 24; Madison, 25; Pondera, 26; Richland, 27; Powell, 28; Rosebud, 29; Deer Lodge, 30; Teton, 31; Stillwater, 32; Treasure, 33; Sheridan, 34; Sanders, 35; Judith Basin, 36; Daniels, 37; Glacier, 38; Fallon, 39; Sweet Grass, 40; McCone, 41; Carter, 42; Broadwater, 43; Wheatland, 44; Prairie, 45; Granite, 46; Meagher, 47; Liberty, 48; Park, 49; Garfield, 50; Jefferson, 51; Wibaux, 52; Golden Valley, 53; Mineral, 54; Petroleum, 55; Lincoln, 56. Any new counties must be assigned numbers by the department as they may be formed, beginning with the number 57.

(10) Each type of special license plate approved by the legislature, except collegiate license plates authorized in 61-3-463, must be a separate series of

plates, numbered as provided in subsection (5), except that the county number must be replaced by a nonremovable design or decal designating the group or organization to which the applicant belongs. Unless otherwise specifically stated in this section, the special plates are subject to the same rules and laws as govern the issuance of regular license plates, must be placed or mounted on a vehicle owned by the person who is eligible to receive them, and must be removed upon sale or other disposition of the vehicle. The special license plates must be issued to national guard members, former prisoners of war, persons with disabilities, reservists, disabled veterans, survivors of the Pearl Harbor attack, veterans of the armed services, national guard veterans, legion of valor members, or veterans of the armed services who were awarded the purple heart medal, who comply with the following provisions:

(i) Fees required under 61-3-321(1) and (5) may not be assessed upon one set of license plates issued to an ex-prisoner of war under this subsection (10)(d).

(ii) A special license plate fee may not be assessed upon one set of special license plates issued to an ex-prisoner of war under this subsection (10)(d).

(iii) An ex-prisoner of war is exempt from the ~~light vehicle taxes imposed under 61-3-504~~ *registration fees imposed under 61-3-560 through 61-3-562* for one vehicle that displays a set of ex-prisoner of war license plates.

(iv) A surviving spouse of an ex-prisoner of war may retain the special license plates that have been issued to the ex-prisoner of war if the spouse complies with the provisions of 61-3-457.

Be it enacted by the Legislature of the State of Montana:

Section 1. Purpose. The purposes of [sections 1 through 4] are:

(1) to provide early detection of hearing loss in newborn infants as soon after birth as possible to enable children, their families, and primary health care providers to obtain any necessary multidisciplinary evaluation, audiologic assessment, treatment, and intervention services at the earliest opportunity and to prevent or mitigate the developmental delays and academic failures associated with late identification of hearing loss; and

(2) to provide the state with the necessary information to effectively plan, establish, and evaluate a comprehensive system of appropriate services for newborn infants who have a hearing loss or who are deaf.

Section 2. Statewide universal newborn hearing screening, tracking, and intervention program. (1) There is a universal newborn hearing screening program in the department of public health and human services. The department shall encourage newborn infant hearing tests to be completed before discharge from a hospital or no later than 3 months after birth.

(2) The department shall adopt rules to:

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 20-9-311, MCA, is amended to read:

"20-9-311. Calculation of average number belonging (ANB). (1) Average number belonging (ANB) must be computed as follows:

(a) compute an average enrollment by adding a count of regularly enrolled full-time pupils who were enrolled as of the first Monday in October of the prior school fiscal year to a count of regularly enrolled pupils on February 1 of the prior school fiscal year, or the next school day if those dates do not fall on a school day, and divide the sum by two; and

(b) multiply the average enrollment calculated in subsection (1)(a) by the sum of the pupil-instruction and the approved pupil-instruction-related days for the current school fiscal year and divide by 180.

(2) For the purpose of calculating ANB under subsection (1), up to 7 approved pupil-instruction-related days may be included in the calculation.

(3) When a school district has approval to operate less than 180 school days under 20-9-806, the total ANB must be calculated in accordance with the provisions of 20-9-805.

(8) The average number belonging of the regularly enrolled, full-time pupils for the public schools of a district must be based on the aggregate of all the regularly enrolled, full-time pupils attending the schools of the district, except that when:

(a) (i) a school of the district is located more than 20 miles beyond the incorporated limits of a city or town located in the district and at least 20 miles from any other school of the district, the number of regularly enrolled, full-time pupils of the school must be calculated separately for ANB purposes and the district must receive a basic entitlement for the school calculated separately from the other schools of the district;

(ii) a school of the district is located more than 20 miles from any other school of the district and incorporated territory is not involved in the district, the number of regularly enrolled, full-time pupils of the school must be calculated separately for ANB purposes and the district must receive a basic entitlement for the school calculated separately from the other schools of the district;

(iii) the superintendent of public instruction approves an application not to aggregate when conditions exist affecting transportation, such as poor roads, mountains, rivers, or other obstacles to travel, or when any other condition exists that would result in an unusual hardship to the pupils of the school if they were transported to another school, the number of regularly enrolled, full-time pupils of the school must be calculated separately for ANB purposes and the district must receive a basic entitlement for the school calculated separately from the other schools of the district; or

(c) a middle school has been approved and accredited, all pupils below the 7th grade must be considered elementary school pupils for ANB purposes and the 7th and 8th grade pupils must be considered high school pupils for ANB purposes; or

(d) a school has not been accredited by the board of public education, the regularly enrolled, full-time pupils attending the nonaccredited school are not eligible for average number belonging calculation purposes, nor will an average number belonging for the nonaccredited school be used in determining the BASE funding program for the district.

If there have been other changes to the budget category in the current fiscal year, all the changes, including the change under consideration, must be used in determining the 25% and $25,000 threshold.

(2) The expenditure of money appropriated in the general appropriations act to the university system units, as defined in 17-7-102, is contingent upon approval of an operating budget by October 1 of each fiscal year. All other requirements in this section apply to the university system.

If the approving authority certifies that a request for a transfer representing a significant change in agency or program scope, objectives, activities, or expenditures is time-sensitive, the approving authority may approve the transfer prior to the next regularly scheduled meeting of the legislative finance committee. The approving authority shall submit all proposed time-sensitive changes to the legislative fiscal analyst prior to approval. If the legislative fiscal analyst determines that notification of the legislative finance committee is warranted, the legislative fiscal analyst shall immediately notify as many members as possible of the proposed change and communicate any concerns expressed to the approving authority. The approving authority shall present a report fully explaining the reasons for the action to the next meeting of the legislative finance committee. All program transfers must be completed within the same fund from which the transfer originated. A request for a transfer accompanied by a justification explaining the reason for the transfer must be submitted by the requesting agency to the approving authority and the office of budget and program planning. a. The Tribes have the right to divert up to 645 cubic feet per second "Cfs" of the United States' Share of the Natural Flow of the Milk River and its tributaries upstream from the diversion point on the Reservation as calculated pursuant to Section E.2. of Article IV. (1) Of the right to divert 645 Cfs, up to 125 Cfs may be diverted for Direct Use to a maximum of 10,425 irrigated acres within the Fort Belknap Indian Irrigation Project. This water right is intended to preserve the historic water use protected in Winters v. United States, 207 U.S. 564 (1908). Irrigation of the Fort Belknap Indian Irrigation Project pursuant to this paragraph may be on land within the external boundaries of the Project on the Effective Date of the Compact or as modified pursuant to applicable federal law.

(2) Of the right to divert 645 Cfs and in addition to the 125 Cfs water right quantified in Section A.1.a.(1) of this Article III, up to 520 Cfs may be diverted for Direct Use or to off-stream storage, or both, for subsequent use for both of the following: use on an additional 19,390 present and future irrigated acres (including land irrigated historically within the Milk River Basin 40J); and up to 4000 AFY of use for non-irrigation purposes. The off-stream storage pursuant to this Section A.1.a.(2) of Article III is limited to a maximum combined capacity of 60,000 Acre-feet. Irrigation by diversion to Direct Use pursuant to this paragraph may be accomplished through expansion or modification of the Fort Belknap Indian Irrigation Project pursuant to applicable federal law.

(1) The development of Groundwater that is not Hydrologically Connected to surface water must comply with the provisions of Sections A.5. and 6. of Article IV for determination of Adverse Effect. Pursuant to Section A.5.a. of Article IV, the Tribal Water Resources Department and the DNRC may jointly agree to exempt certain development of Groundwater from a showing of no Adverse Effect due to location, size, or other agreed upon parameter.

(2) If a conflict arises between use of the water right set forth in this Section G.4. of Article III and a water right Arising Under State Law, DNRC and TWRD shall attempt to resolve the controversy. In attempting to resolve the controversy, DNRC and TWRD may establish controlled Groundwater areas off and on the Reservation and may manage them cooperatively pursuant to Sections A.2.d. and B.2. of Article IV. If DNRC and TWRD are unable to resolve the controversy, the Tribes, State or the Person whose water use is affected may seek relief from the Compact Board. Among the remedies the Compact Board may order is imposition of a controlled Groundwater area that includes Groundwater use both on and off the Reservation pursuant to Sections A.2.d. and B.2. of Article IV. The controlled Groundwater area is to be administered by the TWRD on the Reservation and the DNRC off the Reservation pursuant to Article IV and Tribal and State law.

H. **Additional Water.** As a part of the Tribal Water Right, the Tribes shall be entitled to an allocation of stored water in Lake Elwell as agreed to by the Parties and as provided by Congress, measured at the dam, for use or disposition by the Tribes for any beneficial purpose, either on or off the Reservation, pursuant to the terms of this Compact; provided that, such allocation shall be in accordance with the terms and conditions of any Act of Congress ratifying this Compact. This allocation is subject to the prior reserved water rights, if any, of any other Indian tribe, or persons holding such reserved water rights through that tribe or through the United States. Any use or disposition of water from Lake Elwell off the Reservation by the Tribes is subject to the specific provisions relating to such use or disposition in any Act of Congress ratifying this Compact. The United States shall have no responsibility or obligation to provide any facility for the transport of the water allocated under this Section H. of Article III. to the Fort Belknap Reservation or to any other location.

I. **Basin Closures.**

1. The following closure does not apply to development of the Tribal Water Right as provided for in this Compact. In the Milk River Basin from the Eastern Crossing to the confluence between the Milk River and the Missouri River comprised of Basins 40F, 40G, 40H, 40I, 40J, 40K, 40L, 40M, 40N, and 40O both above the Western Crossing and below the Eastern Crossing, DNRC shall not process or grant an application for an appropriation pursuant to State law after this Compact has been ratified by the Montana legislature, provided that, after compliance by the applicant with all applicable provisions of State and federal law, DNRC may issue a certificate of water right or permit for:

a. An appropriation for municipal use of surface or Groundwater that is Hydrologically Connected to surface water. In addition to compliance with applicable State law, the application shall be treated as a change in use for the purposes of Section B. of Article IV, if the point of diversion is located upstream from any point on the Reservation. For purposes of compliance with State law other than this Compact, the appropriation shall be treated as a new use.

b. An appropriation of Groundwater that is not Hydrologically Connected to surface water. In addition to compliance with applicable State law, the application shall be treated as a change in use for the purposes of Section B. of Article IV, if the point of diversion is within an aquifer that might extend onto the Reservation. For purposes of compliance with State law other than this Compact, the appropriation shall be treated as a new use.

c. An appropriation of Groundwater by means of a well or developed spring with a maximum appropriation of 35 gallons per minute or less that does not exceed a use of 10 Acre-feet per year. This size limitation includes a Combined Development from the Same Source from two or more wells or developed springs. This exemption includes development on fee land on the Reservation.

d. An appropriation of water for use by livestock if the maximum capacity of the impoundment or pit is less than 15 Acre-feet and the appropriation is less than 30 Acre-feet per year and is from a source other than a Perennial Flowing Stream. This exemption includes development on fee land on the Reservation. With the exception of Peoples Creek Basin 40I, the cumulative development of stock impoundments pursuant to this exemption following the Effective Date of this Compact may not exceed a storage capacity of 15 Acre-feet times the number of square miles in the Water Court basin in which the new impoundment is located. In the Peoples Creek Basin 40I, development of stock impoundments pursuant to this exemption following the Effective Date of this Compact must be constructed with the ability to bypass inflow.

e. An appropriation for instream use of water by livestock.

f. Temporary emergency appropriations as provided in §85-2-113(3), MCA.

g. An appropriation necessary for the purposes of new storage of imported water or modification and replacement of existing storage as set forth in Section I.4. of this Article III.

h. An appropriation necessary for new storage off the Reservation approved by the Milk River Coordinating Committee pursuant to Section C.3.g. of Article IV.

i. An appropriation for a nonconsumptive use as defined under State law.

j. With the exception of applications for appropriations in Basin 40I upstream from the Reservation, an appropriation of water for an impoundment of any size for use for fish and wildlife purposes if the cumulative development under this provision and Section I.1.d. of this Article III, does not exceed 15 Acre-feet times the number of square miles owned by the applicant in the Water Court basin in which the new impoundment is located.

2. The basin closure is not a limit on change of use or transfer of any water right Arising Under State Law, provided that, applicable provisions of State and federal law and this Compact are followed. For purposes of this Compact, any change in a water right for the purpose of moving instream stockwatering to off-stream stockwatering that does not result in an increase in the historic consumptive use of water shall be considered a change in use, and is not a new use subject to the basin closure.

3. Due to the shortage of water in the Milk River Basin, water salvaged through efficiency measures may not be used to expand irrigation from a water right Arising Under State Law with a point of diversion in the United States' portion of the Milk River Basin under the following circumstances:

a. the efficiency measures are funded in whole or in part by the State, United States, Tribes, or water users as part of the implementation of this Compact; or

b. the salvaged water may be used to alleviate water shortage in the Milk River Basin. Pursuant to Section B.3. of Article IV, DNRC may promulgate rules to implement this provision.

4. The basin closure is not a limit on: the modification or replacement of existing storage when there is no enlargement of that storage; the modification or development of storage pursuant to this Compact and the federal legislation that ratifies this Compact; or the development of storage to impound water imported to the Milk River Basin from another basin.

5. Within 120 days of the date this Compact is ratified by the Montana Legislature, DNRC shall publish notice of the basin closures set forth in Section I.

of this Article III once in newspapers of general circulation in the area of the sources.

ARTICLE IV - IMPLEMENTATION OF COMPACT

1. Tribal Authority Over Tribal Water Right.

a. The Tribes have the right, subject to the limits imposed by this Compact (including Sections C., D., and E. of this Article IV, and Section B.3. of Article VII), and federal law (including 25 U.S.C. §381), to administer the use of the Tribal Water Right.

b. Once the Tribal Water Right is diverted to the facilities of the Fort Belknap Indian Irrigation Project on units held by the United States, distribution shall be conducted by the United States Department of the Interior, Bureau of Indian Affairs or its successor in accordance with applicable federal laws. Operation and maintenance of the Fort Belknap Indian Irrigation Project shall be conducted by the United States Department of the Interior, Bureau of Indian Affairs or its successor in accordance with applicable federal laws.

c. Once the Tribal Water Right is diverted to the facilities of the Ereaux Unit, and any other unit previously part of the Fort Belknap Indian Irrigation Project which has been subsequently quit claimed by the United States to specific irrigation companies, distribution shall be conducted by the irrigation companies. Administration of the Tribal Water Right to the points of diversion of the listed irrigation projects shall be conducted by the Tribes on Peoples Creek and other tributaries to the Milk River on the Reservation, and pursuant to Sections C., D., and E., of this Article IV, and Section B.3. of Article VII on the mainstem of the Milk River.

d. Owners of fee land within the Reservation may apply to the Tribes to continue their historic use of water in the manner and to the extent existing on the Effective Date of the Compact on fee land within the Reservation as determined by the TWRD pursuant to the Tribal water code as part of the Tribal Water Right if no claim was filed by the landowner in the state adjudication, or may continue their use pursuant to state law and as decreed by state court if a claim was filed.

2. **Tribal Water Code.** Administration of the Tribal Water Right by the Tribes shall be pursuant to a comprehensive Tribal water code governing the Tribal Water Right set forth in this Compact. Pending the adoption of the Tribal water code, the administration of the Tribal Water Right shall be by the Secretary of the Interior. The Tribal water code shall be developed and adopted by the Tribes with approval by the Secretary within two (2) years following the Effective Date of this Compact and shall include:

a. A process by which any Tribal member or Allottee may request and be provided with an equitable distribution of water for use on his or her trust lands.

b. A process for notice and a right to be heard for the consideration and determination of any request by a Tribal member or Allottee for an equitable distribution of water, including a process for formal review of denied or disputed distributions and for resolution of contested administrative decisions.

c. A process by which an owner of fee land within the boundaries of the Reservation may apply for use of a portion of the Tribal Water Right.

d. A process for establishment of a controlled Groundwater area and for management of such Area in cooperation with establishment of a contiguous controlled Groundwater area off the Reservation established pursuant to Section B.2. of this Article IV and State law.

3. **Persons Authorized to Use the Tribal Water Right.** The Tribal Water Right may be used by the Tribes, or Persons authorized by the Tribes (including Tribal members, Allottees, and holders of fee land within the boundaries of the Fort Belknap Reservation).

4. **Authorization for New Development of the Tribal Water Right.** Subject to Article III and the following conditions, the Tribes may use or authorize the use of the Tribal Water Right within the Reservation for any purpose allowed by this Compact and Tribal and federal law:

a. Impact of new development of the Tribal Water Right within the Reservation for the purposes of irrigation and non-irrigation use as expressly identified under the quantification in Article III, and new development for any purpose within the Reservation within the Peoples Creek Basin, have been accounted for in design of mitigation and administration in the Compact. Thus, new development for the purposes expressly identified in Article III within the Reservation and all new development within the Reservation within the Peoples Creek Basin are exempt from any review by DNRC under the process set forth in Sections A.5. and 6. of this Article IV. All such development will be referred to as "Exempt New Development." Specifically, Exempt New-Development is as follows:

(1) Use of the Tribal Water Right for purposes of irrigation with the place of use on the Reservation and as set forth in Article III.

(2) Use of up to 4000 AFY of water diverted from the Milk River pursuant to Section A.1.a.(2) of Article III for non-irrigation purposes on the Reservation.

(3) Use of the Tribal Water Right quantified for the Peoples Creek Basin within the Reservation for any purpose allowed by Tribal or federal law.

(4) Use of the Tribal Water Right for stockwatering on the Reservation if the maximum capacity of the impoundment or pit is less than 15 Acre-feet and the appropriation is less than 30 Acre-feet per year and is from a source other than a Perennial Flowing Stream.

(5) Use of Groundwater on the Reservation that is Hydrologically Connected to surface water by means of a well or developed spring with an appropriation of 35 gallons per minute or less, and a use that does not exceed 10 Acre-feet per year. This size limitation includes a Combined Development from the Same Source from two or more wells or developed springs.

b. Any Tribal authorization for the development of Groundwater that is not Hydrologically Connected to surface water by means of a well or developed spring with an appropriation of greater than 35 gallons per minute, or in excess of 10 Acre-feet per year, developed after the Effective Date of this Compact, shall not have an Adverse Effect on water rights Arising Under State Law with a priority date before the date of the application for Groundwater development. The development is considered a Non-Exempt New Development and is subject to the procedures set forth in Sections A.5. and 6. of this Article IV.

5. **Non-Exempt New Development, Change in Use, or Transfer of the Tribal Water Right.** Subject to the following conditions, the Tribes may make

or authorize a Non-Exempt New Development, Change in Use, or Transfer of the Tribal Water Right.

a. A Non-Exempt New Development, Change in Use, or Transfer of the Tribal Water Right on or off the Reservation may not Adversely Affect a water right Arising Under State Law with a priority date before the date of the application to the TWRD for the Non-Exempt New Development, Change in Use, or Transfer. Determination of Adverse Effect for the purposes of this Section shall be pursuant to the procedures set forth in Section A.6. of this Article IV and Appendix 5. In addition, the TWRD and DNRC may jointly agree to exempt certain Change in Use, Transfer or Non-Exempt New Development from a showing of no Adverse Effect due to location, size, or other agreed upon parameter.

b. Off Reservation Change in Use or Transfer of the Tribal Water Right is limited as follows:

(1) Off Reservation use of the Tribal Water Right on non-Tribal land shall be limited to the following portion of the Tribal Water Right developed or stored prior to the date of application for Change in Use or Transfer:

(a) Water developed by Direct Use prior to the date of the application for Change in Use or Transfer from the Milk River pursuant to Section A.1.a. of Article III; or

(b) Water stored from the Milk River pursuant to Section A.1.a.(2) of Article III.

(c) Water stored from Peoples Creek pursuant to Sections B.1.a., and b. of Article III.

(2) The off-Reservation new development, Change in Use, or Transfer of the transferable portion of the Tribal Water Right set forth in Section A.1.a. of Article III is limited to a place of use within the Missouri River Basin.

(a) If the Tribes receive a good faith offer from a Person for Transfer of a portion of the Tribal Water Right outside the Milk River Basin, the Tribes shall allow water users receiving water from the Milk River Project the first opportunity, and other water users in the Milk River Basin the second opportunity, to acquire use of such rights at a price consistent with the market value of water within the Milk River Basin at the time of the offer.

(b) The Tribes are not required to offer the first or second right to use a portion of the Tribal Water Right to any water user in the Milk River Basin who is currently marketing a portion of their own water right.

(3) The off-Reservation new development, Change in Use, or Transfer of the transferable portion of the Tribal Water Right set forth in Sections B.1.a., and b. of Article III is limited to a place of use within the Milk River Basin.

(4) The off-Reservation new development, Change in Use, or Transfer of the portion of the Tribal Water Right set forth in Section H. of Article III is limited to a place of use in the Missouri River Basin.

(5) Any off-Reservation Change in Use or Transfer of a portion of the Tribal Water Right may not exceed a term of 100 years, but may include provisions authorizing renewal for an additional term not to exceed 100 years.

(6) No off-Reservation Change in Use or Transfer of a portion of the Tribal Water Right may permanently alienate the water right.

(7) The development or use of the Tribal Water Right pursuant to an off-Reservation new development, Change in Use, or Transfer must comply with State law, provided that, approval of an application for a change in water right by DNRC shall be conditioned on a valid Tribal approval for such use, Change in Use or Transfer. Due to this requirement of compliance with State law, the off-Reservation Change in Use or Transfer shall be exempt from the process set forth in Section A.6. of this Article IV. Any diversion of the Tribal Water Right located off the Reservation for use on the Reservation shall not be considered an off-Reservation use for purposes of this provision.

(8) The Tribes or any Person using diversion or transportation facilities located off the Reservation in connection with a use of the Tribal Water Right shall apply for and obtain all permits, certificates, variances and other authorizations required by State laws regulating, conditioning or permitting the siting, construction, operation, alteration or use of any equipment, device, facility or associated facility proposed to use or transport water, prior to exercising a use of the Tribal Water Right off the Reservation.

6. Administrative Procedure for Determination of Adverse Effect for Non-Exempt New Development, Change in Use, or Transfer, Within the Reservation.

a. The procedures set forth in Sections A.6.b. through i. of this Article IV apply to determine whether the following actions will Adversely Affect a water right Arising Under State Law and must be followed before a Person may seek relief from the Compact Board:

(1) A Change in Use or Transfer of the Tribal Water Right; and

(2) A Non-Exempt New Development of the Tribal Water Right.

b. The proposal for a Non-Exempt New Development, Change in Use, or Transfer of a portion of the Tribal Water Right after the Effective Date of this Compact shall be made to TWRD.

c. TWRD shall review the proposal and make a determination of whether it will Adversely Affect a water right Arising Under State Law with a priority date before the date of the proposal for the Non-Exempt New Development, Change in Use, or Transfer.

(1) Upon request, DNRC shall provide to TWRD information on water rights Arising Under State Law as recorded in the DNRC database.

(2) For purposes of determining whether a Non-Exempt New Development of surface water Adversely Affects a water right Arising Under State Law, the existing use shall be deemed to be the use for which the water right is quantified explicitly in Article III of this Compact.

(3) If TWRD determines that the Non-Exempt New Development, Change in Use, or Transfer will Adversely Affect a water right Arising Under State Law with a priority date before the date of the proposal for the Non-Exempt New Development, Change in Use, or Transfer, TWRD shall deny the proposal, provided that, the Tribal water code may allow the applicant to modify the proposal to eliminate Adverse Affect.

(4) If TWRD determines that the Non-Exempt New Development, Change in Use, or Transfer will not Adversely Affect a water right Arising Under State Law with a priority date before the date of the proposal for the Non-Exempt New

Development, Change in Use, or Transfer, TWRD shall forward the proposal with its determination to DNRC by certified mail with return receipt requested.

d. Upon receipt of notice from the TWRD, DNRC shall publish notice of the proposed Non-Exempt New Development, Change in Use, or Transfer, once in a newspaper of general circulation in the area of the source and shall serve notice by first-class mail on any holder of a water right Arising Under State Law who, according to the records of the DNRC, has a water right with a priority date before the date of the proposal that may be affected by the proposed Non-Exempt New Development, Change in Use, or Transfer. DNRC shall notify TWRD of the date of publication of notice.

e. A holder of a water right Arising Under State Law who objects to the proposed Non-Exempt New Development, Change in Use, or Transfer on the basis that it will Adversely Affect the exercise of their water right may notify DNRC, and must do so within thirty (30) days of the publication of notice.

f. DNRC shall review the proposal and the determination by TWRD of no Adverse Effect and any objections raised pursuant to Section A.6.e. of this Article IV. In its review, DNRC shall apply the same principles used in a determination of adverse effect or adverse affect pursuant to the Water Use Act, Title 85, Chapter 2, MCA, and Appendix 5. Any Non-Exempt New Development, Change in Use, or Transfer of the Tribal Water Right to a place of use and point of diversion within the Reservation that is within the minimum depletions set forth in Appendix 5 shall be presumed by DNRC to have no Adverse Effect. The TWRD may provide information that the Adverse Effect will be less than that predicted by application of Appendix 5 and DNRC may use the new information in its evaluation.

g. DNRC shall notify TWRD of the outcome of its review within thirty (30) days after the end of the time period for objection set forth in Section A.6.e. of this Article IV. If TWRD is not notified by DNRC within sixty (60) days of publication of notice by DNRC, TWRD may authorize the proposal pursuant to Tribal law.

h. DNRC and TWRD shall attempt to resolve objections or disagreement on TWRD's determination of no Adverse Effect on a cooperative basis. Measures to resolve objections may include agreement to release water from storage.

i. If resolution of an objection or disagreement is not achieved, DNRC or an objector may seek relief from the Compact Board established in Section D. of this Article IV.

7. **Reporting Requirements.**

a. Upon request by DNRC, on no more than an annual basis, the TWRD shall provide the MRCC, State and the United States with a listing of: all Non-Exempt New Development and Exempt New Development of the Tribal Water Right and any temporary emergency use or diversion of water on the Reservation.

b. The Tribes or the United States on behalf of the Tribes shall inventory the use of water rights for water developed before the Effective Date of the Compact set forth in Sections A.1.d., B.1.d. C.1.c., D.1.a., E.1.c., and G.2.a. of Article III, and shall report the inventory to DNRC within one year of the decree of the Tribal Water Right. Developments of Groundwater by means of a well or developed spring if the maximum flow of each well or developed spring is 35 gallons per minute or less and does not exceed a use of 10 Acre-feet per year are not required to be included in the inventory. This size limitation includes a

Combined Development from the Same Source from two or more wells or developed springs.

B. State Administration.

1. State Authority.

a. Except as provided in Section C., D., and E., of this Article IV and Section B.3. of Article VII, the State shall administer and enforce all water rights Arising Under State Law to the use of surface water and Groundwater.

b. The State shall administer and enforce water rights set forth in Section E. of Article III on Tribal trust and fee land for use in the portion of the Missouri Basin 40EJ and Peoples Creek Basin 40I off the Reservation unless Congress acts to modify the Reservation boundary to include the Tribal trust and fee land. In administering the Tribal water rights on trust and fee land off the Reservation in Basins 40EJ and 40I, the State shall treat the Tribal rights as water rights Arising Under State Law except that non-use of all or any of the Tribal water rights off the Reservation in Basins 40EJ and 40I shall not constitute a relinquishment, forfeiture, or abandonment of such rights.

2. Cooperative Management of a Controlled Groundwater Area.

a. DNRC may designate or modify a controlled Groundwater area adjacent to the Reservation under the following circumstances:

(1) Pursuant to the requirements of §85-2-506, MCA; or

(2) In cooperation with designation or modification by TWRD of a similar area on contiguous land within the Reservation; or

(3) Under order of the Compact Board as set forth in Section G.4.a.(2) of Article III.

b. The following procedures apply to designation or modification of a controlled Groundwater area pursuant to Section B.2.a. of this Article IV:

(1) Designation or modification of a controlled Groundwater area pursuant to Section B.2.a.(1) of this Article IV, or in the portion of an area off the Reservation pursuant to Section B.2.a.(2) of this Article IV, shall be governed by procedures set forth in §85-2-506, MCA.

(2) Designation or modification of a portion of a controlled Groundwater area off the Reservation pursuant to Section B.2.a.(3) of this Article IV shall be with substitution of the following procedures for those set forth in §§85-2-506(3) and (4), MCA:

(a) DNRC shall hold a meeting to inform the public of the designation or modification of a controlled Groundwater area as ordered by the Compact Board.

(b) The DNRC shall publish notice of the time and place of the meeting to inform the public of the designation or modification of a controlled Groundwater area. The notice shall include the description by legal subdivision of all lands included in the area, and shall be published at least once in each week for 3 successive weeks not less than 30 days before the date of the meeting in a newspaper of general circulation in the county or counties in which the controlled Groundwater area is located.

c. Management within the portion of a controlled Groundwater area adjacent to the Reservation shall be as follows:

(1) Management within a controlled Groundwater area established pursuant to Section B.2.a.(1) of this Article IV shall be pursuant to §§85-2-501 to 520, MCA.

(2) Management within the portion of a controlled Groundwater area off the Reservation established pursuant to Sections B.2.a.(2) and (3) of this Article IV shall be pursuant to §§85-2-501 to 520, MCA, and in cooperation with the TWRD.

3. **New Development and Change in a Water Right Arising Under State Law.**

a. Any Person making a new development or change in a water right or portion of a water right Arising Under State Law, including a change in water right for the Milk River Project, must comply with State law, provided that, DNRC may not approve a change in water right for expansion of irrigation through use of salvaged water pursuant to §85-2-402(2)(e), MCA, within the Milk River Basin under the following circumstances:

(1) the efficiency measures are funded in whole or in part by the State, United States, Tribes, or water users as part of the implementation of this Compact; or

(2) the salvaged water may be used to alleviate water shortage in the Milk River Basin. DNRC may promulgate rules to implement this provision.

b. Change in a water right Arising Under State Law upstream from any point on the Reservation, new development of water due to new storage approved by the Milk River Coordinating Committee, new development of water for municipal purposes upstream from any point on the Reservation, and new development of Groundwater that is not Hydrologically Connected to surface water within the Milk River Basin may not Adversely Affect a use of the Tribal Water Right developed before the date of the change. Determination of Adverse Effect for the purposes of this Section shall be pursuant to the procedures set forth in Section B.4. of this Article IV. The TWRD and DNRC may jointly agree to exempt certain changes in water rights from a showing of no Adverse Effect to the Tribal Water Right due to location, size, or other agreed upon parameter.

4. **Administrative Procedure for Preventing Adverse Effect Resulting from New Development or Change in a Water Right Arising Under State Law.** Except for changes exempt by agreement pursuant to Section B.3.b. of this Article IV and new development of stock impoundments or small wells exempt from the basin closure pursuant to Sections I.1.c. and d. of Article III, the following procedure for determining whether a new development or change in a water right Arising Under State Law within the Milk River Basin (including all tributary basins) upstream from the Reservation and below the Eastern Crossing, must be followed in addition to procedures set forth under state law, prior to a Person seeking relief from the Compact Board:

a. Application for a permit for new development or for a change in a water right Arising Under State Law shall be made to DNRC pursuant to State law.

b. DNRC shall review any application for a permit for new development or for a change in a water right and make a determination of whether it will Adversely Affect any use of the Tribal Water Right developed before the date of the application. In its review, DNRC shall apply the same principles used in a determination of adverse effect or adverse affect pursuant to the Water Use Act, Title 85, Chapter 2, MCA.

(1) Upon request, TWRD shall provide to DNRC information on uses of the Tribal Water Right.

(2) If DNRC determines that the new development or change will Adversely Affect a use of the Tribal Water Right developed before the date of the change, DNRC shall deny the application.

(3) If DNRC determines that the new development or change will not Adversely Affect a use of the Tribal Water Right developed before the date of the change, DNRC shall forward the application with its determination to TWRD by certified mail with return receipt requested.

c. Upon receipt of notice from DNRC, TWRD shall follow any requirements set forth in the Tribal Water Code for notification and objection of Persons authorized to use the Tribal Water Right. TWRD shall notify DNRC of the date of any notice to Persons authorized to use the Tribal Water Right.

d. TWRD may allow up to thirty (30) days after notification to Persons authorized to use the Tribal Water Right for objection by Persons authorized to use the Tribal Water Right. Any objection shall be made to TWRD.

e. TWRD shall review the application and the determination by DNRC of no Adverse Effect and any objections raised pursuant to Section B.4.d. of this Article IV.

f. TWRD shall notify DNRC of the outcome of its review within thirty (30) days of the end of the time period for objections set forth in Section B.4.d. of this Article IV. If DNRC is not notified by TWRD within sixty (60) days of notice by TWRD to Persons authorized to use the Tribal Water Right, DNRC may proceed with the application process.

g. DNRC and TWRD shall attempt to resolve objections or disagreement on DNRC's determination of no Adverse Effect on a cooperative basis.

h. If resolution of an objection or disagreement is not achieved, TWRD or an objector may seek relief from the Compact Board established in Section D. of this Article IV.

5. **Reporting Requirements.** Upon request by TWRD on no more than an annual basis, the DNRC shall provide the MRCC, Tribes, and the United States with a listing of all new development of water rights Arising Under State Law and any temporary emergency use or diversion of water, for the off-Reservation portion of the Milk River Basin upstream from any point of diversion or place of use of the Tribal Water Right.

6. **Peoples Creek Administration**

a. The DNRC shall develop a database covering water use upstream from the Reservation in Peoples Creek Basin 40I. The database shall include, at a minimum: identification of acreage irrigated on an annual basis; and any change in the use of a water right or storage facility.

b. If the Tribes or a Person authorized to use a portion of the Tribal Water Right within the Peoples Creek Basin 40I disputes a use or uses of water upstream from the Reservation in Basin 40I because the use or uses are in excess of a water right Arising Under State Law, or if the Tribes or Person authorized to use a portion of the Tribal Water Right believes that depletions in excess of water rights Arising Under State Law are occurring upstream from the Reservation but cannot identify the illegal use, the Tribes or Person shall contact the TWRD. The TWRD shall contact the DNRC concerning the dispute or excess depletion. If requested, the DNRC shall, within a reasonable time, investigate the disputed water use, or uses, or excess depletion and a representative of the TWRD may accompany DNRC on the investigation. If DNRC finds that the disputed water use or uses or excess depletion is in excess of a water right Arising Under State Law, DNRC may order any owner or operator of the diversion or storage facilities to curtail the use to within the water right. If any owner or operator does not comply with the order by DNRC or repeats the infraction, DNRC may: impose penalties pursuant to §85-2-122, MCA; and may require any owner or operator of the appropriation facility to install and maintain suitable controlling and measuring devices to allow the DNRC to track compliance with the water right. Disputes unresolved by the process set forth in this Section may be brought before the Compact Board established pursuant to Section D. of this Article IV.

C. **Milk River Coordinating Committee.** A basin-wide coordinating committee is necessary to improve the coordination of storage operations and to provide for the coordination of releases of water from storage within or for the diversion to the Milk River Basin. A coordinating committee is also necessary to improve the management of diversions from the Milk River and to establish priorities for a grant and loan program to improve water supply conditions in the basin.

1. **Establishment of Milk River Coordinating Committee.** There is hereby established the Milk River Coordinating Committee ("MRCC.").

2. **Membership.**

a. The MRCC consists of the following nine (9) voting members and four advisory members. Six (6) voting members of the MRCC constitutes a quorum and decisions shall be by a majority of the membership of the MRCC present, except as provided in Sections C.3.a. and C.5.c. of this Article IV. On the addition of members pursuant to Section C.3.a. of this Article IV, the quorum shall increase by one (1) for every two (2) members added to the original nine (9).

(1) Two (2) representatives of the Tribes;

(2) Three (3) representatives of the Joint Board of Control of the Milk River irrigation districts;

(3) One (1) representative of DNRC;

(4) One (1) representative of the Bureau of Reclamation;

(5) One (1) representative of the Bureau of Indian Affairs;

(6) One (1) representative selected at large by the other 8 members;

(7) One (1) advisory, non-voting, member from the United States Geological Survey;

(8) One (1) advisory, non-voting, member from the United States Fish and Wildlife Service;

(9) One (1) advisory, non-voting, member from the United States Bureau of Land Management; and

(10) One (1) advisory, non-voting, member from the Montana Department of Fish, Wildlife, and Parks.

b. All members shall be appointed by their respective agencies within six (6) months of the Effective Date of this Compact and within thirty (30) days of the date any vacancy occurs. Should the eight appointed members fail to agree, by a majority of a quorum as provided in Section C.2. of this Article IV, on the selection of a ninth member within sixty (60) days of the date of appointment of the eighth member, or within thirty (30) days after a vacancy in the ninth position occurs, the following procedure shall be utilized:

(1) Within five (5) days thereafter, each member shall nominate one person to serve as a member of the MRCC;

(2) Within five (5) days thereafter, the eight nominees shall be submitted to the chief judge of the United States District Court for the District of Montana for selection of the ninth member of the MRCC. If the chief judge declines for any reason to select the ninth member, the chief justice of the Montana Supreme Court shall make the selection from the eight nominees.

c. Each member shall serve a five-year term and shall be eligible for reappointment. The initial terms of each voting member shall be staggered with three members serving a five-year term, three members a four-year term, and three members a three-year term. The initial term of each voting member shall be chosen by lot. The initial term of the advisory members shall be five years. A member seeking to resign prior to expiration of a term must provide written notice to the remaining MRCC members thirty (30) days prior to withdrawal.

d. The MRCC shall select a chair from the voting members within six (6) months of the initial selection of the ninth member and shall rotate the chairmanship on a yearly basis among the voting members.

e. The MRCC shall provide published notice of the time, place, and purpose of its meetings, or other proceedings, and shall hold such proceedings in a forum open to the public unless compelled to close certain portions of a proceeding to protect an individual right to privacy.

f. The MRCC shall adopt necessary rules, pursuant to the Montana Administrative Procedure Act §§ 2-4-101 et. seq. (MCA), to carry out its responsibilities within six (6) months of the initial selection of the ninth member. The MRCC may amend and repeal rules as necessary to carry out the purposes of this Article IV.

g. Costs and compensation for State, federal, and Tribal members of the MRCC shall be covered by their respective entities.

h. Subject to the availability of funds, the MRCC may compensate any MRCC member not compensated by the entity they represent for time and travel devoted to MRCC business. Compensation shall be based on the average hourly compensation of the other MRCC members.

3. **Authority and Duties of the MRCC.** Notwithstanding any other provision of State, Tribal, and, if this Compact is approved by Congress, federal law, the MRCC shall have the following authority and duties:

a. The initial authority of the MRCC is restricted to the mainstem of the Milk River downstream from the Eastern Crossing. The MRCC has the authority to expand the boundaries of its area by a unanimous vote of the MRCC, including the area within which it may levy a tax, to include tributaries to the Milk River or the portion of the Milk River Basin upstream from the Western Crossing. Such expansion shall require the agreement of Persons holding a majority of the water rights by amount on the source added pursuant to the following procedure:

(1) Any Person or Persons owning 10% or more of the water rights by rate or volume on any tributary to the Milk River within the United States or on the mainstem of the Milk River upstream from the Western Crossing may petition

the MRCC for addition to the area covered by the MRCC and for representation on the MRCC.

(2) On receipt of a petition, the MRCC shall notify DNRC and provide a copy of the petition.

(3) Within 60 days of receipt of the petition, DNRC shall hold a hearing in or near the area proposed for addition. DNRC shall publish notice of the hearing once in a newspaper of general circulation in the proposed area and serve notice by first-class mail on any holder of a water right Arising Under State Law and any holder of an adjudicated federal or Indian water right who, according to the records of the DNRC, has a water right within the area proposed for addition with a priority date before the date of the petition.

(4) The MRCC shall preside over the hearing. If the MRCC determines, based on the facts presented at the hearing and other relevant facts and information as may be available, and in the interest of improving water supply or allocation, that there is a need for addition of the area, the MRCC will notify the DNRC.

(5) On receipt of notice for the addition of an area to the MRCC, the DNRC shall send a ballot by first-class mail, with a 30-day deadline for its return, providing for a vote on the proposed addition, to any holder of a water right Arising Under State Law and any holder of an adjudicated federal or Indian water right who, according to the records of the DNRC, has a water right with a priority date before the date of the petition.

(6) Following expiration of the 30 day deadline for receipt of ballots, the DNRC shall count the votes and notify the MRCC of the results.

(7) The area proposed for inclusion in the MRCC shall be added to the MRCC with a representative if a majority of those voting are in favor of the addition.

b. Members of the MRCC may seek technical support from their respective agencies to facilitate the activities of the MRCC. To this end, the Parties agree to seek any necessary authorization to provide technical support to the MRCC. In addition, the MRCC shall have the following authority:

(1) The MRCC may employ a secretary and such other officers, agents, and employees, permanent and temporary, as it may require and shall determine their qualifications, duties, and compensation.

(2) The MRCC shall provide for the execution of surety bonds for all employees and officers who are entrusted with funds or property; shall provide for the keeping of a full and accurate record of all proceedings and of all resolutions, regulations, and orders issued or adopted; and shall provide for an annual audit of the accounts of receipts and disbursements.

(3) The MRCC may call upon the county attorney of any county in which the MRCC has authority or the attorney general of the state for any legal services it may require, or it may employ their own counsel and legal staff.

c. The MRCC shall hold a meeting on an annual basis with, at a minimum, the Bureau of Reclamation, the Bureau of Indian Affairs, the Tribes, the Milk River Joint Board of Control, DNRC, and Hill County to coordinate reservoir storage.

d. The MRCC shall coordinate the establishment and yearly update of a common database and associated maps on actual water use of water diverted from the mainstem of the Milk River downstream from the Eastern Crossing between: DNRC; the Bureau of Reclamation; the Bureau of Indian Affairs; the irrigation districts within the Milk River Project; and the Tribes. At a minimum, each entity will maintain a database and share information on daily diversions, yearly number of acres irrigated, and yearly changes in use. The MRCC role is one of coordination. The BOR, BIA, TWRD and irrigation districts will continue to maintain the portion of the database covering their own water distribution. The DNRC will continue to maintain its database covering water rights and diversions from the water sources.

(1) The MRCC shall make the database and associated maps available to any water commissioner appointed by a court to enforce water rights in the Milk River Basin.

(2) The DNRC and TWRD shall offer assistance as may be appropriate to the MRCC to update, maintain, and provide training for use of the database.

e. The MRCC shall consult with the Bureau of Reclamation in the Bureau's development of operating criteria pursuant to Section C.11. of this Article IV, for coordination of storage and release of water from storage facilities within the portion of the Milk River Basin in the United States and contributing to the water supply of the Milk River Basin, provided that, except as explicitly provided for in this Compact or by Congress, allocations in the federal and future Tribal reservoirs within the Milk River Basin or contributing to the water supply of the Milk River Basin shall remain unchanged and the right of the owner of a storage facility to exercise discretion in the daily operation and use of its facilities shall not be preempted.

f. Notwithstanding the rights to the use of water existing on the date of a determination by the BOR of excess water flow pursuant to Section C.11.f. of this Article IV, the MRCC may permit the owner of storage in the Milk River Basin to store water regardless of priority if capacity exists and the water would otherwise be lost to the Milk River Basin. Water stored pursuant to this provision may be used to satisfy water rights served by the entity storing the excess flow.

g. The MRCC shall review applications for new storage in the Milk River Basin below the Eastern Crossing.

(1) Any Person or Persons, including the Tribes, seeking to develop or enlarge storage in the United States' portion of the Milk River Basin below the Eastern Crossing, other than new or enlarged storage agreed to in the Compact or pursuant to the federal Act ratifying this Compact, must comply with each of the following criteria:

(a) Application describing the project shall be made to the MRCC; and

(b) The applicant must prove by a preponderance of the evidence that the project will result in a net increase in available water supply within the Milk River Basin below the Eastern Crossing.

(2) The MRCC shall issue a report on its findings and determination.

(3) If the MRCC determines that the application for new storage does not meet the criteria in Section C.3.g.(1)(b) of this Article IV, the determination is final, subject to the right of appeal under the following subsection (4).

(4) Appeal of decisions by the MRCC concerning new storage may be sought in a court of competent jurisdiction. Any appeal heard by a court of competent jurisdiction shall be a trial de novo.

(5) Any applicant that the MRCC determines meets the criteria in Section C.3.g.(1)(b) of this Article IV must further comply with all other applicable State, federal, and Tribal law. The determination of the MRCC or any final appeal is binding on the Tribes, the State, and the United States in consideration of any application for development of new storage.

h. The MRCC does not have the authority to coordinate storage or storage releases in a manner that is inconsistent with any applicable provisions of State, Tribal, and federal law, and the decrees of the Water Court. The responsibility for storage and storage releases in the Milk River Project facilities rests solely with the Bureau of Reclamation, its successors or assigns; provided that, if approved by Congress, the BOR shall participate in efforts at coordination as a member of the MRCC.

i. The MRCC shall have the authority to review applications for grants and loans from the Milk River Watershed Improvement Trusts and to determine prioritization for receipt of grants and loans pursuant to this Compact and [section 6] and C. 6., 7., 8., 9., and 10. of this Article IV. The DNRC shall offer assistance as may be appropriate to the MRCC for review of applications for grants and loans. The Milk River Watershed Improvement Trusts are permanent accounts established by this Compact and [section 5] to provide interest for grants for purchase of water for a Water Bank in times of significant short term water shortage, and for loans for long term improvements within the Milk River Basin.

4. **Legal Status of MRCC - Immunity.**

a. The MRCC may make and execute agreements necessary to perform its responsibilities as provided in this Compact.

b. The MRCC may apply for State and federal grants and loans available to governmental entities or watershed organizations.

c. The MRCC may sue and be sued to enforce agreements entered into pursuant to this Section C.4. of Article IV in the name of the MRCC. The MRCC, an MRCC member, or MRCC employee is immune from suit for any liability that might otherwise be incurred or imposed for an act or omission committed while engaging in MRCC activities pursuant to this Article IV, unless the act or omission constitutes criminal behavior, gross negligence, was committed in bad faith, or was committed with malicious purposes. Nothing in this provision is intended to waive immunity that is applicable to the United States or any federal employee, to the State or any State employee, or to the Tribes or any Tribal employee.

5. **MRCC Finance.**

a. The MRCC may request up to 15% per year of the interest on the Milk River Watershed Improvement Trusts to cover administrative costs, including but not limited to: the cost of review of applications for grants and loans; and the cost of compensation for MRCC members pursuant to Section C.2.h. of this Article IV.

b. The MRCC may apply for grants and loans from applicable State, Federal, and Tribal programs.

c. Subject to §15-10-420, MCA, the MRCC may, on unanimous vote of all voting members, levy taxes on water use pursuant to a water right Arising Under State Law from the mainstem of the Milk River, including, water use under contract with the Bureau of Reclamation, to pay any obligation of the MRCC and to fulfill its duties established by this Compact.

(1) The assessment shall be limited to land irrigated by water from the Milk River, and other non-irrigation water use from the Milk River Project.

(2) The assessment in any one year may not exceed: 0.5% of the assessed value of irrigated land; 0.5% of the taxable portion of the assessed value of a household, and 0.5% of the taxable portion of the assessed value of industrial or commercial land where water is used, with such assessments as determined by the Montana Department of Revenue, without the consent of the majority of the water users subject to the assessment.

(3) Subject to §15-10-420, MCA, the board of county commissioners of each county in which the MRCC imposes an assessment may, annually at the time of levying county taxes, levy an assessment on the applicable water use. The levy must be known as the "Milk River Coordinating Committee regular assessment." The assessment must be certified to the Department of Revenue and entered on the property tax record of each county.

(4) Any special assessment levied pursuant to this Section shall constitute a lien against the property upon which such assessment is levied from the date of such levy. This lien can only be extinguished by payment of such assessment with all penalties, costs, and interest.

d. The Parties agree to seek funding to cover a Tribal contribution to the MRCC. Any Tribal participation in contribution shall be equivalent to assessments associated with lands and uses off the Reservation.

e. On an annual basis, the MRCC shall make a report of its expenditures available to the public.

6. **Milk River Watershed Improvement Trusts.**

a. The Milk River Watershed Improvement Trusts established pursuant to this Compact and [section 5] are permanent trusts for the generation of interest on the Trusts' principal for the allocation of grants and loans to improve conditions of water supply, water quality, and habitat in the Milk River basin.

b. The MRCC shall review and rank in order of priority, pursuant to the criteria in Sections C. 6., 7., 8., 9., and 10. of this Article IV, applications for grants and loans from the Milk River Watershed Improvement Trusts. The MRCC may seek technical assistance from the Department of Natural Resources and Conservation, the TWRD, and the United States Bureau of Reclamation for review of applications for grants and loans.

c. Allocation of funds from the Milk River Watershed Improvement Trusts shall be managed by the Department of Natural Resources and Conservation. Disbursement of grants and loans from interest on the Milk River Watershed Improvement Trusts by DNRC must be pursuant to prioritization provided by the MRCC.

d. The DNRC shall adopt rules:

(1) prescribing the form and content of applications for grants and loans from the Milk River Watershed Improvement Trusts;

(2) providing for the servicing of loans, including arrangements for obtaining security interests and the establishment of reasonable fees or charges;

(3) providing for the confidentiality of financial statements submitted;

(4) prescribing the conditions for making grants and loans;

(5) establishing the interest rate for the loans; and

(6) determining the type and amount of security interest in real estate that will be accepted and any conditions to be made upon the security interest.

e. At the request of the MRCC, the DNRC may allocate up to 15% of the annual interest from the Milk River Watershed Improvement Trusts to cover capital and administrative costs of the MRCC.

7. **Milk River Watershed Improvement Trusts - Applications for Grants and Loans for Watershed Improvements.**

a. An application for a grant or loan from the Milk River Watershed Improvement Trusts established by this Compact and [section 5] must be in the form prescribed by the DNRC and contain or be accompanied by any information necessary to adequately describe the proposed project and provide for evaluation under Sections C.8., and 9., and 10. of this Article IV.

b. Application for a grant or loan from the Milk River Watershed Improvement Trusts may be made by Persons, including but not limited to:

(1) individuals holding water rights Arising Under State Law;

(2) tribes;

(3) persons authorized to use water by a tribe;

(4) municipalities;

(5) irrigation districts; and

(6) conservation districts.

8. **Milk River Watershed Improvement Trusts - Establishment of Water Bank.** The purpose of this Section is to establish a water bank for implementation in years of significant short term water shortage. The bank is not intended to alleviate normal water shortage within the Milk River Basin.

a. By March 1 of each year and on a monthly basis through October 31, the BOR shall notify the MRCC, DNRC, the Tribes, the U.S. and the Milk River irrigation districts, if it expects, based on current information, water deliveries to be restricted during the current irrigation season due to a critical water shortage. Water shortage may be caused by factors which include, but are not limited to:

(1) low precipitation;

(2) requirements for fish and wildlife species of special concern; or

(3) temporary delivery system outage caused by an unexpected failure or a natural disaster.

b. Following notice by the BOR of expected restrictions in water delivery, the MRCC shall publish notice in newspapers of general circulation within the Milk River Basin of the availability of grants to purchase water for the purpose of alleviating shortage.

c. The MRCC may offer the grants at a fixed price per Acre-foot or may seek bids. For any applicant banking water received from the Milk River Project, the grant must be sufficient to cover payments to the Project, including any assessments or fees paid to an irrigation district.

d. The MRCC may allocate banked water to storage, or may market or allocate banked water to alleviate shortage. Any fees obtained by the MRCC through marketing of banked water must be returned to the Trust as part of the expendable interest. Banked water may be marketed or allocated: on a pro rata basis; to alleviate critical shortages; to meet critical environmental or water quality needs; for irrigation needs; or may be allocated to storage.

e. Grants obtained for the temporary retirement of Milk River Project water must first be used by the applicant to cover payments to the Milk River Project, including any assessments or fees paid to an irrigation district.

f. Nothing within this Section C.8. of Article IV is intended to preclude a more comprehensive water marketing system within the Milk River Basin.

9. Milk River Watershed Improvement Trusts - Eligibility for Grants for Water Banking or Water Transfers.

a. The Milk River Coordinating Committee shall apply the following criteria in ranking applications for grants:

(1) the need for temporary retirement of irrigation or conversion to low water-use crops for the purpose of banking water to alleviate a critical shortage of water in a particular year;

(2) the extent to which the proposed water banking will alleviate significant short term water shortage in the Milk River Basin as set forth in Section C.8. of this Article IV;

(3) the proposed retirement of irrigation involves lands irrigated the year prior to the declaration of a critical water shortage in the Milk River Basin and involves a valid water right;

(4) the feasibility and practicality of the proposed irrigation retirement or conversion;

(5) the number of related resources that will benefit, including but not limited to: water quality, fisheries habitat, wildlife habitat, and recreation;

(6) preference for an applicant in an area identified by the MRCC as beneficial for temporary irrigation retirement, or if no specific area has been identified for preference, the MRCC shall attempt to rank applicants in a manner that distributes temporary irrigation retirement equally among the counties in the Milk River Basin; and

(7) any additional factor that, in the judgment of the MRCC, is important to the evaluation of land retirement in light of the purposes of the Milk River Watershed Improvement Trusts.

b. The MRCC shall not recommend grants for acreage in excess of that necessary to save sufficient water to alleviate the temporary water shortage. The MRCC shall not recommend grants in excess of the interest available from the Milk River Watershed Improvement Trusts.

c. The DNRC may award a grant to an applicant ranked by the MRCC for the purpose of water banking only if the DNRC finds, based on the application, the investigation and evaluation of the proposal by members of the MRCC, and the technical review by DNRC, TWRD, and BOR, that the primary purpose of the application is:

(1) the temporary retirement of the right to irrigate land irrigated in the year prior to the declaration of a critical water shortage in the Milk River Basin; or

(2) the irrigation proposed for temporary retirement or crop conversion is subject to a valid water right pursuant to State, federal, or Tribal law, and the applicant has the legal right to transfer the water.

(3) the criteria set forth in Sections C.9.a. and b. of this Article IV have been met.

10. **Milk River Watershed Improvement Trusts - Eligibility for a Loan.**

a. The Milk River Coordinating Committee shall apply the following criteria in ranking applications for loans:

(1) the extent to which the project will alleviate water shortage in the Milk River Basin;

(2) the engineering feasibility and practicality of the project;

(3) the number of related benefits, including but not limited to improvements in: water quality; fish habitat; wildlife habitat; conservation; recreation; water use efficiency; water management; and water right measurement;

(4) any additional factor that, in the judgment of the MRCC, is relevant to the purposes of the Milk River Watershed Improvement Trusts, including reducing the ranking due to the fact that the application is for a project in a portion of the Milk River Basin that is not a part of the Milk River Coordinating Committee regular assessment.

b. The DNRC may award a loan to an applicant ranked by the MRCC, if the DNRC finds, based on the application, the investigation and evaluation of the proposal by members of the MRCC, and the technical review by DNRC, TWRD, and BOR, that:

(1) the criteria in Section C.10.a. of this Article IV have been met;

(2) the proposal will be economically feasible;

(3) the proposal will comply with statutory and regulatory standards protecting the quality of resources such as air, water, land, fish, wildlife, and recreational opportunities;

(4) the applicant has adequate financial resources to construct, operate, develop, and maintain the project; and

(5) the applicant is credit-worthy and is able and willing to enter into a contract with the DNRC for loan repayment and for construction, operation, development, and maintenance of the proposed project.

11. **Coordination of Storage and Release Within the Portion of the Milk River Basin in the United States and New Storage.** Subject to the applicable provisions of State, Tribal, and federal law, the MRCC shall, within five (5) years of the Effective Date of the Compact, consult with the Bureau of Reclamation on development of operating criteria for coordination of storage and release of water from storage facilities within the portion of the Milk River Basin in the United States. Except as explicitly provided for in this Compact or by Congress, allocations in the federal and future Tribal reservoirs within the Milk River Basin or contributing to the water supply of the Milk River Basin, shall be

unchanged. The operating criteria may be modified as necessary and such modification shall not be considered a modification of the Compact.

a. At a minimum, the operating criteria shall include coordination of storage among: Sherburne, Fresno, and Nelson Reservoirs and Hill County Reservoir near Havre, any new storage on the Reservation filled by diversion from the Milk River or Peoples Creek, and any new storage developed pursuant to Section C.3.g. of Article IV.

b. The Bureau of Reclamation shall take comment on development of the operating criteria from, at a minimum, any entity or individual owning, benefiting from, or operating storage within the Milk River Project, or operating storage within the Milk River Basin below the Eastern Crossing. The process for such comment may be pursuant to existing federal and State law.

c. In developing the operating criteria, the Bureau of Reclamation shall make all reasonable efforts to maximize the amount of water stored through coordination of storage and release within the Milk River Basin as a whole without regard to the priority date of water rights associated with a particular storage facility. The purpose of coordination shall be to provide the maximum use of storage possible for the Milk River Basin, including providing flexibility on a temporary basis.

d. The coordination of storage and release to maximize the amount of water stored shall not modify the storage right of any Person in any storage facility or alter the obligations of any Person to pay construction, operation, maintenance and replacement costs for a facility, or alter the right and discretion of the owner of a storage facility to use or release water to satisfy water rights under its jurisdiction.

e. The operating criteria shall include, at a minimum: a method for accounting for water stored in various storage facilities in the Milk River Basin; a method for coordination of fill and release from storage facilities in the Milk River Basin on a yearly basis; and a method for notification of Persons with the right to divert water from the mainstem of the Milk River below the Eastern Crossing of the predictions for water availability on a yearly basis.

f. As part of the process to develop operating criteria, the BOR will establish criteria for determining the existence of a critical shortage or excess water flows.

g. The Bureau of Reclamation in consultation with the MRCC shall modify the operating criteria as necessary to address changes in the Milk River Basin including the addition, modification, or reduction of storage. The operating criteria is required by, but is not in substance, a part of or enforceable under the Compact. Its modification is not a modification of the Compact.

D. Compact Enforcement: Fort Belknap - Montana Compact Board

1. **Establishment of Board.** There is hereby established the Fort Belknap - Montana Compact Board.

2. **Membership.**

If an appointment is not timely made by the Tribes, the Director of the TWRD or his/her designee shall fill the Tribes' position.

c. Should the two appointed members fail to agree on the selection of a third member within sixty (60) days of the date of appointment of the second member, or within thirty (30) days after a vacancy in the third position occurs, the following procedure shall be utilized:

(1) Within five (5) days thereafter, each member shall nominate two persons to serve as a member of the Board;

(2) Within fifteen (15) days thereafter, each member shall reject one of the persons nominated by the other member;

(3) Within five (5) days thereafter, the remaining two nominees shall be submitted to the chief judge of the United States District Court for the District of Montana for selection of the third member of the Board. If the chief judge declines for any reason to select the third member, the chief justice of the Montana Supreme Court shall make the selection from the remaining two nominees.

d. Each member shall serve a five-year term and shall be eligible for reappointment. The initial term of each member shall be staggered with one member serving a five-year term, one a four-year term, and one a three-year term. The initial term of each member shall be chosen by lot. A member seeking to resign prior to expiration of a term must provide written notice to the remaining Board members thirty (30) days prior to withdrawal.

3. **Jurisdiction of the Board.** The Fort Belknap-Montana Compact Board shall have the jurisdiction to resolve controversies over the right to the use of water between Persons authorized to use any portion of the Tribal Water Right and Persons holding any water rights Arising Under State Law. Controversies under the jurisdiction of the Compact Board may include disputes concerning the meaning of this Compact. The jurisdiction of the Compact Board does not extend to controversies within the scope of the order appointing a water commissioner or commissioners to distribute water from the mainstem of the Milk River pursuant to Section B.3. of Article VII. Such controversies shall be resolved by the court appointing the water commissioner or commissioners.

4. **Administrative Remedy Prior to Board Action.**

b. In proceedings before it, the Board shall have the power to administer oaths, take evidence, and issue subpoenas to compel attendance of witnesses or production of documents or other evidence. The Board may apply to a state or federal district court, or Tribal court to compel compliance with subpoenas or the giving of testimony. The Tribes and the State shall enforce the subpoenas in the same manner as prescribed by the laws of the Tribes and the State for enforcing a subpoena issued by the courts of each respective sovereign in a civil action.

c. The Board may appoint technical experts.

d. The parties to the controversy may present evidence and cross examine any witnesses.

e. The Board shall determine the controversy and order any appropriate relief, including the installation of measuring devices and temporary relief, provided that, the Board shall have no power to award money damages or attorneys fees. The Board may assess costs, provided that, the Board may not assess costs against the Tribes or the State, or against the United States.

f. All Board decisions shall be by a majority of the Board, shall be in writing, and, together with any dissenting opinions, shall be served on all parties in the proceeding before the Board and on the Parties to this Compact.

g. All records of the Board shall be open to public inspection, except as otherwise ordered by the Board to protect matters of individual privacy.

h. **Waiver of Immunity.** The Tribes and the State waive their respective immunities from suit, including for the appeal or judicial enforcement of Board decisions, to permit the resolution of disputes by the Fort Belknap - Montana Compact Board. Such waiver of immunity by the Tribes or the State shall not extend to any action for money damages, costs, or attorneys' fees.

i. **Review and Enforcement of Board Decisions.**

(1) Decisions by the Board are effective immediately, unless stayed by the Board. Unless otherwise provided by Congress, only parties to the proceedings before the Board or the United States may appeal any final decision by the Board to a court of competent jurisdiction within thirty (30) days of service of such decision. The hearing on appeal by any party except the United States (unless

otherwise provided by Congress) shall be on the record. The United States may seek a trial de novo on appeal. The notice of appeal shall be filed with the Board and served personally or by registered mail on all parties to the proceeding before the Board.

(2) Unless appeal is filed within thirty (30) days of a final decision of the Board, the decision shall be recognized and enforced by any court of competent jurisdiction on petition of: the Board; any party before the Board in the proceeding in which the decision was made; the State; the Tribes, or the United States.

(3) A court of competent jurisdiction in which a timely appeal is filed or in which a petition to confirm or enforce a decision by the Board is filed, may order such temporary or permanent relief as it determines to be appropriate.

(4) Any appeal may be taken from a decision of the court in which an appeal from a Board decision is filed or in which a petition to confirm or enforce a decision of the Board is filed, in the manner and to the same extent as from orders of judgments of the court in a civil action.

(5) In any appeal from a Board decision or petition to confirm or enforce a Board decision, the Board shall file with the court the record of the proceedings before the Board within sixty (60) days of the filing of the appeal or petition.

E. Administration of the Milk River to Satisfy the Tribal Water Right.

1. Operation of the Milk River to Satisfy the Tribal Water Right.

a. Delivery of water on the mainstem of the Milk River shall include measures necessary to assure satisfaction of the Tribal Water Right.

b. To satisfy the Tribal Water Right, including to replace water depleted on tributaries to the Milk River excluding Peoples Creek, and water depleted on the mainstem of the Milk River upstream from the Western Crossing through exercise of water rights Arising Under State Law, the Milk River Project storage facilities shall be operated to release or bypass the water necessary to assure satisfaction of the water right set forth in Section A.1.a. of Article III, subject to the following conditions:

(1) The Tribes shall notify the Bureau of Reclamation or its successor as operator of the Milk River Project and any water commissioner appointed following petition by the Parties pursuant to Section B.3. of Article VII, or any other person or entity, when the Tribes seek release or bypass of water to satisfy the water right set forth in Section A.1.a. of Article III. The obligation of the Bureau of Reclamation ends with the release or bypass. Enforcement necessary to deliver the water to the Reservation shall be pursuant to this Compact.

(2) The amount of water released or bypassed to satisfy the water right set forth in Section A.1.a. of Article III shall not exceed the lesser of:

i. 645 Cfs; or

ii. the Calculated Undepleted Flow of the Milk River calculated pursuant to Section E.2. of this Article IV, modified to reflect any agreement or adjudication between the Blackfeet Tribe and the Fort Belknap Indian Community of the Fort Belknap Reservation on allocation of water from the Milk River to the Blackfeet Tribe, to the extent such agreement or adjudication affects the Calculated Undepleted Flow of the Milk River; or

iii. the amount and flow rate of water the Tribes can actually divert for use, storage, or diversion under an agreement for Transfer at the time of their notice to the Bureau of Reclamation and any water commissioner.

(3) In assuring satisfaction of the Tribal Water Right, the operators of the Milk River Project storage facilities shall use their best efforts to operate those facilities consistent with the criteria developed pursuant to Section C.11. of this Article IV. Provided, however, that any effort to maximize the amount of storage within the Milk River Basin or to comply with the operating criteria developed pursuant to Section C.11. of this Article IV shall not diminish or alter the obligations contained in Sections E.1.a. and b. of this Article IV to assure satisfaction of the Tribal Water Right.

2. Calculated Undepleted Flow of the Milk River.

a. The determination of the Calculated Undepleted Flow of the Milk River at the point where the Milk River intersects the diversion point on the Reservation shall be done by the United States Bureau of Reclamation, in consultation with DNRC and TWRD, with review by the U.S.G.S. pursuant to the formula set forth in Appendix 4.

b. The amount of the United States' Share of the Natural Flow of the Milk River available for the Tribes shall be modified as necessary to reflect any agreement between the Blackfeet Tribe and the Fort Belknap Indian Community of the Fort Belknap Reservation on allocation of water from the Milk River, or adjudication of the Blackfeet Tribe's reserved water rights.

c. The Calculated Undepleted Flow of the Milk River may be modified pursuant to Appendix 4. and such modification shall not be considered a modification of the Compact.

ARTICLE V - DISCLAIMERS AND RESERVATION OF RIGHTS

A. No Effect on Other Tribal Rights or Federal Reserved Water Rights.

1. Except as provided in Sections A.2.a. of Article III, the relationship between the Tribal Water Rights of the Gros Ventre and Assiniboine Tribes which compose the Fort Belknap Indian Community, Tribal members, and Allottees on the Fort Belknap Reservation described in this Compact and any rights to water of any other Indian tribe, tribal member, or Indian owner of trust lands claiming water under federal or tribal law, or of the United States on behalf of such tribe, tribal member, or Indian owner of trust lands, shall be determined by the rule of priority unless otherwise agreed to by such tribe, tribal member, or Indian owner of trust lands, or the United States on behalf of such tribe, tribal member, or Indian owner of trust lands.

2. Nothing in this Compact may be construed or interpreted as a precedent to establish the nature, extent, or manner of administration of the rights to water of any other Indian tribes, tribal members, or Indian owner of trust land of other Indian tribes outside of the Fort Belknap Reservation.

To affect or determine the applicability of any state or federal law, including, without limitation, environmental and public safety laws, on activities of the Tribe, Tribal members, or Allottees, or the State or state water right holders, or the United States or the United States Bureau of Reclamation;

14. To modify any portion of Article VI of the "Treaty Between the United States and Great Britain Relating to Boundary Waters, and Questions Arising Between the United States and Canada," January 11 1909, and ratified by the

Senate on May 13, 1910, 36 Stat. 2455, and the Order of the International Joint Commission on October 4, 1921 pertaining to "In the matter of the Measurement and Apportionment of the Waters of the St. Mary and Milk Rivers and their Tributaries in the State of Montana and the Provinces of Alberta and Saskatchewan;"

2. The expenditure or advance of any money or the performance of any work by the United States or the Tribes pursuant to this Compact which may require appropriation of money by Congress or allotment of funds is contingent on such appropriation or allotment being made.

3. The State and the Tribes recognize that this Compact has not been approved by the United States or any agency thereof and ratification by the Montana legislature or ratification by the Tribal Council in no manner binds or restricts the discretion of the United States in the negotiation of all related matters.

D. **Obligations of the State Contingent.** The expenditure or advance of any money or the performance of any work by the State pursuant to this Compact which may require appropriation of money by the Montana Legislature or allotment of funds shall be contingent on such appropriation or allotment being made.

ARTICLE VI - CONTRIBUTIONS TO SETTLEMENT

A. **St. Mary Diversion Facilities.** The Parties agree that the delivery of water through the facilities of the Milk River Project at least at its existing or design capacities, and especially the St. Mary Diversion Facilities for diversion of water to the Milk River and use downstream from the Eastern Crossing, is essential to the permanent success of the Compact and the finality of the reserved water rights settlement and to the continued irrigation of lands in the Milk River Project. The Parties further understand and agree that the facilities of the Milk

River Project, especially the St. Mary Diversion Facilities, are old and are in need of repair, rehabilitation, and to the extent feasible, restoration to their original design capacities. In recognition of the essential nature of the Milk River Project facilities, especially the St. Mary Diversion Facilities, the Parties agree to work with the United States, the Blackfeet Tribe, and the Milk River Project water users to obtain the necessary authorization and funding for the repair, rehabilitation, and restoration of the St. Mary Diversion facilities. The Parties agree that this Compact and its federal legislation may or may not be the appropriate means to fund this project. The Parties further agree that any discussion of the repair, rehabilitation, and restoration of the St. Mary Diversion facilities as part of the negotiation of the federal legislation ratifying this Compact shall be preceded by an invitation to the Blackfeet Tribe to participate as a party in such discussions.

B. Mitigation of Impacts on the Milk River Project.

1. The Parties agree that, as a result of development and use of the Tribal Water Right and protection of water use on tributaries, the Milk River Project and its water users will, at times, be adversely affected if no change is made to the Milk River System. The Parties agree that hydrologic and engineering analyses have identified the impacts and have demonstrated that such impacts can be mitigated through a number of alternatives. The Parties agree that such alternatives, together with such other alternatives as may be identified by the Parties or any other person or entity and by the Bureau of Reclamation, are currently included or will be included in the Bureau of Reclamation's Milk River Basin Regional Feasibility Study, authorized by Congress in Public Law 106-163, and will receive appropriate environmental analyses in that Study. The Parties further agree that funding for water efficiency improvements (Watershed Improvements) and water banking will be included in the total funding for the Compact. In addition to funding for voluntary efficiency improvements and for water banking, mitigation measures authorized and funded as a part of the Compact must mitigate at least to the level of 35,000 Acre-feet Per Year, or a larger amount on agreement by the Parties if information or improved modeling available at the time of completion of the Milk River Basin Regional Feasibility Study indicates that more is necessary for mitigation based on full development of the Tribal Water Right on the Milk River and tributary protection as contemplated in Section A.1. of Article III. The Parties agree to seek establishment of a fund and a schedule for incremental development of mitigation measures to assure that such measures are in place when needed to prevent impact from development of the Tribal Water Right. Mitigation measures identified by the Parties to be studied in the Feasibility Study include the following:

a. Pumped storage from the Milk River to Nelson Reservoir;

b. Enlargement of the storage capacity of Nelson Reservoir through the construction of a secondary dam or dike dividing the Reservoir into two separate controllable storage facilities;

c. Rehabilitation and restoration of the St. Mary Diversion Facilities;

d. Enlargement of Fresno Dam and Reservoir to restore storage capacity lost by siltation and obtain additional storage capacity;

e. Construction of a dam and reservoir on lower Peoples Creek on the Reservation and on other tributaries to the Milk River, including Thirtymile Creek:

f. Construction of new facilities to import water to the Milk River Basin, including but not limited to: the Virgelle diversion, direct importation from Lake Elwell; and importation from the Missouri River or Fort Peck Reservoir to Vandalia via Duck Creek;

g. Construction of facilities to improve the water quality of the Fish and Wildlife Service's Bowdoin National Wildlife Refuge and to allow the use of Bowdoin as a storage facility for mitigation of impacts of the Compact;

h. Such other mitigation alternatives which the Parties may identify to be included in the Bureau of Reclamation's Milk River Basin Regional Feasibility Study, or additional studies agreed to by the Parties.

2. On completion of the Milk River Basin Regional Feasibility Study, the Bureau of Reclamation, in consultation with the irrigation districts and the Parties, shall select the appropriate mitigation measures.

C. **Upper Peoples Creek Dam and Reservoir.** The Parties agree that, as a result of the protections provided to the Upper Peoples Creek water users in the Compact and the variable natural water supply in the Peoples Creek Basin, the water supply available for development of the Tribal Water Right in Peoples Creek may be limited. The Parties agree that such impacts can and shall be mitigated, in whole or in part, through the construction of a dam and reservoir for the benefit of the Tribes in the upper Peoples Creek Basin, if a dam and reservoir is determined to be feasible from an engineering, geologic, and environmental analysis. Accordingly, the Parties agree to seek authorization of appropriations, appropriations, and a schedule for development of a dam and reservoir on Peoples Creek for the benefit of the Tribes.

D. **State Contribution to Settlement.** The Parties agree that the State contribution to settlement shall be negotiated by the State, the Tribes, and the United States as part of the negotiations on the Federal legislation. The agreement to, expenditure, or advance of any State contribution which may require authorization and appropriation of money by the Montana Legislature or allotment of funds is contingent on such appropriation or allotment being made. Any local contribution to cost share shall be allocated to all Persons that benefit from the protections provided by the Compact.

E. **Federal Contribution to Settlement.** The Parties agree that the federal contribution to settlement shall be negotiated by the State, the Tribes, and the United States as part of the negotiations on the Federal legislation.

F. **State Lands on the Reservation.** The Parties agree to work together in the future to obtain the authorization necessary to exchange State lands on the Reservation for federal lands off the Reservation, and that any State lands acquired by the United States in an exchange shall be held in trust for the Tribes.

G. **Project Lands.** The Parties agree to work together to facilitate land classification and reclassification in the Milk River Project.

ARTICLE VII - FINALITY

A. Ratification and Effectiveness of Compact.

1. This Compact becomes Effective on the latest of the dates it is ratified by the Tribes, the State and by Congress. Following the first ratification by any party, the terms of this Compact may not be modified without the consent of the Parties. In the event of permanent or long term loss of the continued operation of

the St. Mary Diversion facilities for diversion of water to the Milk River and use downstream from the Eastern Crossing, either due to loss, or to reallocation of water on agreement by the Parties, the Parties agree to enter negotiations on alternative remedies to supply water to portions of the Reservation served from the Milk River and to water rights Arising Under State Law within the Milk River Project. Minor loss or reallocation of water from the St. Mary Diversion facilities shall not be considered a permanent or long term loss. Until satisfactory completion of the above referenced negotiation or litigation and construction of water supply facilities to remedy the long term loss of the continued operation of the St. Mary Diversion facilities, the Tribes' diversion right from the Milk River shall be the amount developed for diversion at the time of the failure. All other provisions of the Compact shall remain in place. Should the Parties fail to reach agreement on alternative remedies within five (5) years of the permanent or long term loss of the continued operation of the St. Mary Diversion facilities, the Parties may seek a remedy in court for opening of the decree and adjudication of the portion of the Tribal Water Right in the Milk River Basin 40J. In opening the decree, there shall be no question of the validity of the Tribes' right to water currently developed.

2. Notwithstanding any other provision in this Compact, the Tribes reserve the right to withdraw as a party if:

a. Congress has not ratified this Compact and authorized appropriations within five (5) years from the date the Compact is ratified by the State;

b. The Tribes and United States do not reach agreement on the federal contribution to settlement; or

c. Appropriations are not made in the manner contemplated by the federal legislation ratifying this Compact.

d. The Parties do not reach agreement on the State contribution to settlement.

e. The State has not authorized appropriations within three (3) years from the date the Compact is ratified by the United States.

f. Appropriations are not made by the State in the manner contemplated by any agreement for contributions to settlement made pursuant to Section D. of Article VI of this Compact.

3. The Tribes may exercise their right to withdraw from the Compact under Section A.2. of Article VII of the Compact by sending to the Governor of Montana and to the Secretary of the Interior by certified mail a resolution of the Fort Belknap Community Council stating the Tribes' intent to withdraw and specifying a withdrawal date not sooner than thirty (30) days from the date of the resolution. On the date designated in the resolution for Tribal withdrawal, this Compact shall become null and void without further action by any party.

4. Improvements to the Milk River Project to mitigate the impact of potential development of the Tribal Water Right and of tributary protection is essential to the agreement of the State to this Compact. Thus, notwithstanding any other provision in this Compact, the State reserves the right to withdraw as a party if:

a. The Tribes and Congress have not ratified this Compact within five (5) years from the date the Compact is ratified by the State;

b. Congress requires a State contribution to settlement that exceeds the contribution authorized by the Montana Legislature or the contribution agreed to by the Parties if Congressional authorization precedes authorization by the Montana Legislature without the agreement of the State; or

c. Congress does not authorize and appropriate the federal share of funding for the modifications to the Milk River Project or other alternatives necessary to mitigate the impact of development of the Tribal Water Right as outlined generally in Section B. of Article VI, as enacted in the federal legislation ratifying this Compact and such modifications or other alternatives are not constructed

5. The State may exercise its right to withdraw from the Compact under Section A.4. of this Article VII of the Compact by sending to the Fort Belknap Tribal Chair and to the Secretary of the Interior by certified mail a letter from the Governor of Montana stating the intent of the State to withdraw and specifying a withdrawal date not sooner than thirty (30) days from the date of the letter. In considering exercise of the right to withdraw, the Governor shall consult with Persons affected by this Compact including the Milk River Joint Board of Control. On the date designated in the letter for State withdrawal, this Compact shall become null and void without further action by any party.

B. Incorporation into Decrees.
